JERRY RAY advised his father's sister, MELBA FULLER, who was married to FRANK FULLER, resides in Quincy, Illinois, and would be able to identify members of the family on his father's side that he, JERRY RAY, was not familiar with. He stated MELBA FULLER is not close to himself or any of his brothers and sisters.

In recalling his brother's habits, RAY stated he is not very familiar with his brother's habits as he has not seen his brother, JAMES RAY, outside of some prison visits since he, JERRY RAY, was age 13. He did recall of past

conversations with JAMES RAY where he talked of the cheap living in Tijuana, Mexico. JERRY RAY advised as far as he knew, JAMES used to like to frequent "rough house" bars.

JERRY RAY was asked if his brother contacted him would he notify the FBI. RAY advised he did not know if he would call the FBI if he heard from JAMES. He stated he did not feel that he would have this problem because he did not think JAMES would contact him, however, if he did contact him, he felt he would probably immediately hang up the phone so as not to get involved.

JERRY RAY was advised by interviewing Agents of the Provisions of the Harboring Statute. He was told any assistance he gives his brother could possibly be a violation of that statute and interviewing Agents solicited the full cooperation of JERRY RAY in locating his brother to include the immediate contact of the FBI in the event he were contacted by his brother, JAMES RAY.

Date 4/29/68

At the outset of the interview, JERRY WILLIAM RAY was advised of the provisions of Section 1001, Title 18, United States Code. He was advised that he did not have to talk to the interviewing Agents but that they wished to stress to him the importance of his cooperation and truthfulness in the matter of the murder of MARTIN LUTHER KING, Jr.

It was pointed out to JERRY that he had lied to the Agents in the previous interviews in that the FBI had located his brother, JOHN, and that it would have been impossible for JERRY not to have known his whereabouts. He then stated that he had lied but only in an effort to protect his brother JOHN's, investment in a bar in St. Louis. JOHN had put up \$2500 to purchase the bar and JERRY was of the opinion that if FBI Agents harassed JOHN, he would lock up the bar, take a loss and leave. The bar, known as "The Grapevine", is located in St. Louis, Missouri, and is licensed in the name of CAROL PEPPER, their sister. He said that he has no information nor does he believe that JAMES RAY has been in contact with JOHN since his escape from prison in April, 1967. JERRY went on to say that he doubted very much that JAMES RAY was aware of the present whereabouts of JOHN since JOHN was classified as a "drifter". It was pointed out to JERRY that JOHN had been a visitor to the Missouri Prison on the day before JAMES RAY's escape. In answer to a direct question, JERRY then admitted that it would be possible for JAMES RAY to know the location of his brother's tavern. He said that he doubted if JAMES RAY knew his, JERRY's, present employment at the Sportsman's Club, Northbrook, Illinois, but that he might be aware of it since he had written a letter to the Parole Board in which he might have mentioned his present employment saying that he possibly could obtain employment for his brother, JAMES RAY, either at the country club or in the immediate neighborhood. He denied that he had ever furnished JAMES RAY with his present employment. He said that to his positive knowledge, the only way that JAMES could get in touch with

him was through [REDACTED] since he, JERRY, had obtained this box for the specific use of his brother since he did not want mail from the penitentiary coming to the country club.

JERRY related that JOHN came to this area sometime around 1964 and stayed for about 2½ years. To the best of JERRY's recollection, JOHN first worked at Murphy's Steakhouse, then went to the Rolling Green Country Club and from there to the White Pines Country Club where he was employed as a pot washer. JOHN then went to bartending school in Chicago and went to work for the Indian Hills Country Club in Itasca, Illinois. JERRY is of the opinion that his brother, JOHN, uses the name RYAN.

JERRY said that on April 20 or 21, 1968, he telephonically contacted his sister, CAROL PEPPER, and explained that the uncooperative attitude of both CAROL and JOHN arose from the harassment of the newspaper reporters in the neighborhood and that both were afraid of unfavorable publicity which would adversely effect the tavern business causing them to sell out and move. He said that his sister, CAROL, has told him that she feels that she now has to move from the particular neighborhood where she resides in St. Louis, Missouri. CAROL has commented to him that the picture in the newspaper of JAMES RAY does look something like him. JERRY said that he agrees with this but that felt it could not be his brother because he read in the newspapers that the person sought by the FBI for the KING murder had attended dancing school in New Orleans, Louisiana, in 1964 and 1965, but since his brother was imprisoned during these years, he knew it could not be him.

Concerning his trip to St. Louis, Missouri, in February, 1968, JERRY advised that he stayed at the MacArthur Hotel for one night; he believes the date to be February 2, 1968, and that his brother, JOHN, either stayed in an apartment over the tavern or nearby, but not at the hotel as he previously implied. He said that about every six or seven weeks he drives to St. Louis, Missouri, to visit with

CAROL and sometimes JOHN since they are the only family he has. He denied that his brother, JAMES RAY, had been at this family reunion at this last or any other time.

JERRY advised that he owns two automobiles, one a 1960 light green four-door De Soto which presently is parked in front of the cottage at the Sportsman's Country Club. The other, a 1961 two door white over red Plymouth. Both of these cars were purchased from a stepfather, JERRY RAYNES, who resides on a farm in Center, Missouri. He exhibited a receipt from the Dunhurst Currency Exchange showing that Missouri driver's license [REDACTED] plus title and registration for 1960 De Soto had been turned in. The receipt was in the name of JERRY WILLIAM RYAN, [REDACTED] JERRY said that he had turned over these items April 24, 1968, and expected to obtain his Illinois driver's license and license tags within the next several days.

JERRY further related that he paid \$200 for the 1961 Plymouth and has owned it for about six months. The car is presently at his stepfather's farm and is not registered. The reason it is not registered is that the title to this car was filed by his stepfather in St. Louis, Missouri, but was not returned. Both he and his stepfather made inquiry concerning the title, but it was evidently lost. JERRY said that he has driven the car to Chicago and in this area on one occasion utilizing license plates from a junk car. CAROL PEPPER has also driven the car on several occasions with the same plates. However, the plates have since been removed from the car and destroyed.

In response to questions concerning [REDACTED] Wheeling, Illinois, JERRY reiterated that the only person who has ever written to him was his brother JAMES RAY with the rare exception that he might receive some advertising literature of no consequence. He persisted in stating that that he had received no communications at this [REDACTED] within recent weeks. After further questioning, JERRY admitted that on April 23, 1968, he received a telegram addressed to him at [REDACTED] He then made available a copy of this telegram which read as follows:

"DICK WOODBURY LIFE MAGAZINE"

He then related that on April 23, 1968, he went to "Life" magazine offices where he was interviewed concerning his brother, other family members and family residences and background. He stated that it appeared to him that what "Life" magazine was interested in was the family history. He also advised that his picture was taken and that for his services he was paid \$150. According to JERRY, his sister, CAROL PEPPER, refused to talk with the "Time" and "Life" reporters but that his uncle, WILLIAM MAHER, cooperated freely. MAHER also told the reporters that SUE (SUSAN DONIAN) had a family album in which there were pictures of JAMES RAY, including a picture in uniform. Concerning SUE, JERRY related that he does not know SUE's present whereabouts and is certain that JAMES also is not aware of her present address. He requested to be informed of her whereabouts which was denied.

He related that his usual day off is Tuesday, and that on occasion, he will go to Northbrook, Illinois, where he gets a train to the Union Station and spends some time in Chicago, Illinois. The evening of April 23, 1968, he spent at the Victoria Hotel, Clark and Van Buren Streets.

JERRY advised that sometime around September, 1960, shortly after his release from prison, he was unemployed in St. Louis and he was contacted by his brother, JOHN, who told him to come to the Chicago area which JERRY did. He commenced employment at the Rolling Greens Country Club, Arlington Heights, Illinois, from September, 1960, until January, 1962. He then returned to St. Louis, Missouri, and returned sometime in April, 1962, where he obtained employment at the North Shore Country Club, Glenview, Illinois. He also worked for the Olympia Fields Country Club for 13 days and then went to work for the Medinah Country Club until sometime in December, 1963, when he was hit by a car as he was walking along a highway. JERRY spent some time in the hospital as a result of these injuries and then went back to St. Louis, Missouri, with JOHN. He again returned to this area and was employed at the Flossmoor Country Club, from April until September, 1964. At that time, he commenced his present employment at Sportsman Country Club.

JERRY said that he had resided at the Sportsman Country Club except for a short period of time from March to September, 1967; when he resided at [REDACTED] Northbrook, Illinois, with his wife [REDACTED] who presently resides on [REDACTED] Lake Forest, Illinois. He said that while they were married, she had a child, however, this child was by her previous husband. He went on to say that he and his wife separated in August of 1967 and the divorce was finalized on January 25, 1967. Later in the interview, JERRY advised that he was married in August, 1966, and that the divorce was final January 25, 1968.

When questioned as to whether or not he had been married previously, JERRY replied that he hadn't, but that he had lived common-law with [REDACTED] who is presently residing in [REDACTED] Tennessee. He did know that [REDACTED] is presently married but he did not know [REDACTED] married name. [REDACTED] and JERRY had one child, [REDACTED] age 6, who is presently living with [REDACTED] parents, [REDACTED] Tennessee.

This town is located [REDACTED] outside of Knoxville, but JERRY does not know exactly where the [REDACTED] live. He said that he doubted that the subject would be aware of the [REDACTED] identity since JAMES was in prison before JERRY met his ex-wife.

JERRY related that his take-home pay is approximately [REDACTED] per week and that he also receives room and board. He said that he has no money to speak of, at the present time, since all of his savings had been expended in his ill-fated marriage. He said that he sends money to his sister, CAROL, which she deposits in her account to keep for him.. He estimated that he has approximately [REDACTED] in that account. He denied that any of his money had been utilized by his brother JOHN in the purchase of the tavern in St. Louis.

JERRY sends money to the [REDACTED] spasmodically, about [REDACTED] at a time and estimates that since December, 1967, he has sent them approximately [REDACTED]. He also sends clothing and other items for [REDACTED] use. He also advised that he expends a great deal of money on automobiles and since he has been in this area has had at least 12 cars but never seems to be able to purchase a newer model than a 1962. He informed that his marriage "cost him a fortune" indicating that in the first two months he was married, his wife ran up \$300 in phone bills. He also paid \$135 to send her to driving school after which she had three automobile accidents and in one completely demolished one car so that he had to buy another. His ex-wife was also extravagant and spent money freely through charge accounts,

JERRY related that he has never heard of anyone named [REDACTED] or [REDACTED]

JERRY advised that he was not aware that JOHN registered at the Mac Arthur Hotel, St. Louis, Missouri, during the time that he, JERRY, was there. He said that he did know that JOHN used the Mac Arthur Hotel whenever he was able to "pick up a woman". He said that JOHN has never married and has no knowledge that JOHN is presently going with or residing with any particular woman.

7  
CG 44-1114

He related that he has no idea as to the present whereabouts of his brother, JAMES, and believes that he is either dead or out of the country. He could offer no reason for JAMES alleged murder of MARTIN LUTHER KING, Jr., but did say that JAMES would have to have been paid for this murder in view of the purchase of the car and the dance school payments which JAMES made which information he obtained from reading the newspapers. JERRY did speculate that if anyone did pay JAMES for this murder, it would have to be someone he met after his escape because he doubted that anyone in prison or anyone that he knew in JAMES' life prior to being in prison would have the money or the desire to kill KING. JERRY said that all of the other crimes committed by JAMES were small scores and that he knew he never realized much money from them.

JERRY further related that it is his opinion that JAMES would never get in touch with anyone in the family no matter how bad he needed help.

JERRY RAY was then interviewed by SAC MARLIN W. JOHNSON and ASAC KYLE G. CLARK in an effort to obtain his complete cooperation in this matter. After discussion, JERRY gave his word that he would not lie in the future [REDACTED] He reiterated that he had no reason to believe that JAMES would contact him.

JERRY advised that he sends his money to his sister, CAROL, because he would spend it if it was available to him. He sometimes sends her his whole paycheck to put in the account. He wants the money to save to put as a downpayment on opening a bar.

Concerning his automobile accident, JERRY advised that he was walking along the highway when he was struck by a car and that he was taken to the hospital at Elmhurst, Illinois, where he was semi-conscious for three days. He

8  
CG 44-1114

stayed in the hospital for 13 or 17 days and his pelvis bone had been broken. He entered into a lawsuit in an effort to recover damages, however, he was only paid [REDACTED] and believes he owes the hospital around [REDACTED]

He again stated that he had absolutely no idea as to his brother's whereabouts and then advised that if there was anyone else involved in the crime with JAMES, it was JERRY's opinion that JAMES would never divulge this person's identity. He said that at the time his brother received the 20 years' sentence, from which he escaped, he had been offered eight years to turn state's evidence but did not do so. The other person involved with JAMES did turn state's evidence and received a six year sentence. JERRY opined that even if JAMES was offered a sentence, of five years against death in the electric chair, he would not implicate a partner if in fact he had one.

The following description of JERRY WILLIAM RAY was obtained through interview and observation:

JERRY then advised that he used the Bell Employment Service, Chicago, since his brother JOHN had used it because the fee was only \$15 or \$30 to locate a job. He then related that he came to Sportsman's Country Club from Flossmoor Country Club where he had been a bar waiter. He said he started out at Sportsman's as a dishwasher and then went to work for the Marx Maintenance Company as a maintenance man in the country club. Sometime thereafter, the country club dropped the maintenance service and hired JERRY. He also advised that his brother JOHN was employed at the Indian Hills Country Club, Elmhurst, Illinois, not at Indian Lake. He then recalled that his brother was also employed at Green Acres Country Club, about 2½ miles from Sportsman's in Northbrook, Illinois.

JERRY WILLIAM RAY advised that he had never discussed photography with his brother JAMES and had no knowledge that JAMES was in any way interested in or proficient in photography. He never knew of him to make any comments concerning the taking of pictures of nude women and in fact, never knew JAMES to be particularly interested in women. In this regard, he advised that JAMES never had any lasting attachment with a woman and that he would usually either pick them up in a bar or go to a hotel and contact the bellhop. He knew of no associate of his brother in Atlanta, Birmingham, New Orleans, or Los Angeles. He could offer no suggestions as to the person allegedly contacted by his brother via long-distance telephone calls while on a trip to New Orleans in December, 1967.

JERRY then advised that he had lied previously when he said that his father died in 1961 at Hannibal, Missouri. The true father for all of the children born to JERRY and LUCILLE RAY, RYAN, or RAYNES is JERRY RAYNES, Center, Missouri. He said that his father and other members of the family variously used the names set forth previously but that his father's birth certificate is in the name of RAY. He also advised that his sister, MELBA, now uses the surname of FULLER. JERRY also advised that his paternal grandfather's name is GEORGE RAY.

JERRY advised that he had never heard his brother JAMES mention the name [REDACTED] or [REDACTED]. He said that the only individuals with whom he knew JAMES was friendly with in prison were RALPH "RAT" DAVIS (deceased), WALTER TERRY and LONNIE RIFE. He said that he did not know if JOSEPH "BLACKIE" AUSTIN had done time with his brother but that he was arrested with the subject in Quincy, Illinois, on an armed robbery charge. JERRY said that he was acquainted with AUSTIN while they both were in the Illinois State Penitentiary, Menard, Illinois. He said he thought that AUSTIN is presently on parole but he does not know whether he is in St. Louis or Chicago. JERRY doubts that there is any close contact between AUSTIN and JAMES RAY now.

JERRY thinks that the last time he saw that photograph was in 1953 but that he cannot recall who had it.

JERRY said that he considered the \$150 he received from "Life" Magazine as payment for the information for the article, as his brother's and when his brother is found he will give him this money to use for his defense.

He also advised that he gave the phone number of the cottage where he resides to the "Life" Magazine reporter and that the reporter has called him at that number.

He said that he has no information indicating that his sister SUSAN has any type of a family album and in fact, doubts that she does.

JERRY told her that she had not and then in further conversation, she pointed out that one of the brothers had been to Northbrook, Illinois, to visit with them when they were married. JERRY told her that this was his brother JOHN. JERRY advised that he thinks that JOHN came to the Northbrook residence sometime in March, 1967, and that he sold JOHN an older model Rambler and that JOHN took the Rambler back to Missouri with him. JERRY WILLIAM RAY advised that from 1948 to 1952 or 1953, he was residing in Quincy, Illinois, and that during 1950, he was sent to the reformatory at St. Charles, Illinois. He said that all of the addresses in Chicago where his brother JAMES resided meant nothing to him and he knew of no acquaintances or relatives of his brother JAMES in Chicago, Illinois. He said that the last time he saw his brother JAMES outside of prison was in 1951. The last time he saw him in prison was in 1964. He said that on several occasions, he had sent money to his brother JAMES while he was in prison and that JAMES had sent him out about \$40 or \$50. He said that this was a total accumulation of three or four amounts sent to him while JAMES was in prison. He did remember that JAMES came to the Illinois State Penitentiary, Menard, Illinois, to visit JERRY while he was in prison.

He said that the names of [REDACTED] and [REDACTED] meant nothing to him.

He furnished CAROL PEPPER's phone number as [REDACTED]. He stated he did not have his brother JOHN's phone number either at his residence or tavern.

Concerning JAMES, he did not know of any country club employment for him in this area. The only schools that he recalls his brother attending were in Ewing, Missouri.

JERRY advised that he had received the 1968 Illinois license tags for his automobile and they are numbered [REDACTED]. He also stated that he had seen his wife yesterday afternoon which was the first time he had seen her since her divorce. She has never met JAMES but did meet JOHN.

JERRY related that he was leaving for St. Louis, Missouri, about 1:00 p.m. this date and would probably stay with either his brother JOHN or his sister, CAROL. His plans at the present time were to drive to St. Louis and return about 4:00 or 5:00 p.m. on May 1, 1968.

JERRY WILLIAM RAY advised that he left Chicago, Illinois, at about 1:00 PM, April 29, 1968, driving his 1960 light green Desoto. He became sleepy while driving and stopped at a motel in Braidwood, Illinois, where he slept and stayed until about 4:00 AM, April 30, 1968. He arrived in St. Louis at 9:00 AM that day and went immediately to his brother JOHN's apartment [REDACTED], where he stayed until noon.

Then JOHN and he went to his sister CAROL PEPPER's residence, where they stayed for approximately two hours. JERRY and JOHN then returned to JOHN's tavern and JERRY said he drank too much beer, became sleepy and feel asleep that evening. He said that he could not recall very much about the evening after he returned to the tavern and that he stayed with JOHN at the apartment until leaving St. Louis, Missouri, about 11:00 AM, May 1, 1968.

JERRY advised that he, his brother JOHN, and CAROL have read almost every article in the newspapers concerning their brother. He commented that while he was in St. Louis this last time, most of the conversation centered around the article in "Life" magazine and that there was no indication in the conversation with JOHN or CAROL that they were aware of the subject's whereabouts or his whereabouts since his escape until September 1, 1967. JERRY was advised that the FBI was very much interested in attempting to determine his brother's whereabouts from the period of time from his escape until he first appeared in Birmingham, Alabama, about September 1, 1967. JERRY advised that he had no information as to his brother's whereabouts either during the above time or his present whereabouts. JERRY explained that JOHN, CAROL's and his own information concerning the whereabouts of the subject came from their aforementioned following of the KING murder in the newspapers and that he noted in one article that his brother obviously, using the name ERIC STARVO GALT, first appeared in a rooming house in Birmingham, Alabama, around September 1, 1967.

JERRY denied having any information which would in the slightest way indicate that his brother or his sister aided the subject in his escape and have had any idea of the subject's whereabouts since his escape.

JERRY then stated that his brother JOHN had told him that the FBI had combed a two-block area looking for a JACK GAWRON, since it had been developed that GAWRON had been acquainted with JAMES. JERRY said that JOHN knows that GAWRON has been interviewed by the FBI but JOHN did not indicate to JERRY that GAWRON had ever stated what he had told the FBI.

JERRY said that in the past, he had driven GAWRON around looking at possible burglary scores at which time GAWRON would pay the expenses. To JERRY's knowledge, GAWRON never committed any burglary in any of the places in which they had "cased" and in JERRY's opinion, GAWRON is "living on past glories." JERRY then stated that GAWRON was a name that he probably should have given to the Agents before since he, JERRY, was aware that GAWRON had served time with his brother JAMES. JERRY expressed the opinion that JAMES would not contact GAWRON but believes that JAMES does know GAWRON well, considering him to be slightly "stir crazy." JERRY did not mention whether or not GAWRON and JAMES participated in burglaries together and made no comment as to the closeness of association between them.

JERRY advised that WALTER RIFE was JAME's rap partner in Leavenworth and that he, JERRY, has served time with both LONNIE and WALTER RIFE in Menard.

## FEDERAL BUREAU OF INVESTIGATION

Date 5/5/681

JERRY WILLIAM RAY advised that of all of the individuals that his brother JAMES committed crimes with, he was probably closer to "BLACKIE" AUSTIN than any other. JERRY said that he has no information as to any association between AUSTIN and his brother since AUSTIN was released from prison and in fact, did not know AUSTIN's present whereabouts. He said that JAMES was also close with WALTER RIFE but did not think JAMES would contact him because WALTER continually brags about everything he does. He said that for the same reason he would doubt that his brother would contact JACK GAWRON although he felt that GAWRON and his brother were also fairly close. He again stated that he did not know whether GAWRON and his brother committed jobs together and expressed the opinion that they did not. JERRY indicated that any information in his possession about the associations of his brother would be mostly speculation because of the lack of contact he has had with his brother outside of prison.

JERRY said that his closest associates at the Sportsman's Country Club were [REDACTED], who is married and lives in Mount Prospect, Illinois, and [REDACTED], who is single and resides in the same cottage with JERRY.

JERRY advised that he was calling from the pay phone in the cottage and that this is the phone he usually uses for his personal calls.

On April 22, 1968, SAs [REDACTED] and [REDACTED] observed a 1960 De Soto, white over green, bearing Missouri license plates [REDACTED], parked in front of the employee's cottage at the Sportsman's Country Club, Northbrook, Illinois. This car is known to be operated by JERRY WILLIAM RAY.

On April 25, 1968, the Latent Fingerprint Section, Identification Division, FBI Laboratory, advised that the remaining unidentified latent prints in this case are not identical with finger or palm prints of JERRY WILLIAM RAY, FBI Number [REDACTED].

On May 1, 1968, JERRY RAY was advised by SA [REDACTED] that information had come to the FBI's attention that a local newspaper reporter had been able to determine JERRY's employment based upon the information that JERRY had furnished to "Life" magazine. JERRY advised that he had no desire to furnish information to any newspaper and if contacted would not give them an interview. JERRY was informed that the FBI was under no circumstances instructing him not to cooperate with the news media and that any decision in that regard would be entirely his own.

On the evening of May 2, 1968, Mrs. MARGUERITE WELCH, Manager, Sportsman's Country Club, telephonically contacted SA [REDACTED] at which time she advised that there were numerous people from the various news media present at the club attempting to locate and interview JERRY RAY, which apparently was based upon the news stories which appeared in the Chicago "Sun-Times". Mrs. WELCH advised that she was going to see that JERRY was placed in a motel that evening and would release to the newspapers that he had quit his employment and present whereabouts unknown.

On the morning of May 3, 1968, JERRY RAY telephonically contacted SA [REDACTED] and advised that he was leaving for St. Louis, Missouri, at about 1:15 PM, that date, driving his 1960 Desoto. He indicated that he would probably stay overnight with his brother JOHN and then stay with his father JERRY RAYNES on the farm at Center, Missouri. He expects to stay there three or four days and will call the country club on May 7, 1968, to see if the news media interest has abated. If so, he will return to Chicago and continue his employment in the club.

ALSO SUBMITTED: Major case prints of JERRY WILLIAM RAY

## Result of examination:

Differences were noted between the "Harvey Lowmyer" signature on Q72 when compared with the known handwriting of JERRY WILLIAM RAY, K191. Because of the limited questioned writing involved and the lack of comparable letters and letter combinations in the known material, a definite opinion was not reached.

It was concluded that the other questioned writings attributed to Eric S. Galt were not prepared by JERRY WILLIAM RAY, K191.

Specimen K191 and the ALSO SUBMITTED material are retained.

RE: SUSAN JANE RYAN DONIAN  
Subject's sister

---

The following investigation was conducted at Chicago, Illinois, by SAs [REDACTED] and [REDACTED]

On April 20, 1968, Mrs. SUSAN JANE RYAN DONIAN, [REDACTED] home phone [REDACTED] housewife, advised that she is subject's sister. She added that when she was in the first grade, she was turned over to an orphanage in Alton, Illinois, where she remained for approximately eight years. She stated she then was sent to a foster home and lived with her foster parents, [REDACTED] Quincy, Illinois, until she reached 18 years of age. She stated that she then came to Chicago, Illinois, where she was employed as a go-go dancer for approximately two years until she married MICHAEL DONIAN. She stated that she has had no contact with subject and does not believe she would even recognize him. She stated that she has no knowledge regarding whereabouts of her father, and added that her mother is deceased.

She stated to the best of her knowledge, there were nine children in the RAY family and she listed them as follows:

JAMES EARL RAY, about 40 years of age

JOHN or JACK RAY, 36 years of age

JERRY RAY (male), age not known

MELBA RYAN, age 30

CAROL PEPPER age 27

BUZZY or FRANK RAY, age 24 - deceased (killed in car crash)

Mrs. DONIAN added that there was an oldest girl, name unrecalled, who was killed, details unknown, which girl she felt was the first born in the family.

She added the last time she actually saw subject was when she was in the first grade in Quincy, Illinois.

She stated that in her opinion, the family member closest to JAMES would no doubt be JOHN RAY.

At this time, she supplied the following known addresses of some of the family members:

CAROL PEPPER  
St. Louis, Missouri

MELBA RYAN, believed to live in a hotel across from the public library in Quincy, Illinois

She added that her natural grandparents are dead.

She stated that she recalls an uncle, WILLIAM H. MAHER, a painter by trade, residing in Alton, Illinois, who in the past has kept in touch with her brother, JOHN RAY.

Mrs. DONIAN advised that she had no pictures of any of the members of her family.

She added that her natural father remarried sometime when she was in high school and she believes the woman he married is RUBY RAY CARPENTER, who is presently residing in Quincy, Illinois.

She stated that she has not seen her brother, JOHN, for many years and made available three postcards which were written by him, one postmarked 1960 Windsor Ontario, Canada, one marked July 27, 1972, Highwood, Illinois, and

the other postmarked July 29, 1962, Washington, D. C. She said that this is the last contact she has had with JOHN and added that he is known to be a drifter.

She stated that her husband, MICHAEL DONIAN is presently employed as [REDACTED], and his business phone is [REDACTED]

[REDACTED] She said that she doubts very much as to whether or not the subject knows of her present whereabouts [REDACTED]

On April 22, 1968, Mrs. DONIAN telephonically advised SA [REDACTED] that she entered the Catholic Charities Home, 1400 State Street, Alton, Illinois, in 1952.

In discussion, Mrs. DONIAN was informed that one JERRY RAYNES had indicated to Agents that he was the natural father of JERRY and JAMES RAY. Mrs. DONIAN said that she was not aware of this but did recall that her mother supposedly remarried and that this man could be her stepfather. However, both JAMES and JERRY were born prior to this remarriage.

She had no information as to the present whereabouts of her uncle, WILLIAM MAHER other than the fact that she has resided for many years in Alton, Illinois, and has his own business in that town, namely, a painting contractor.

Continuing contact has been maintained with SUSAN DONIAN by SA [REDACTED]. She [REDACTED] expresses her doubts that the subject has any idea as to her present whereabouts.

On April 25, 1968, Mrs. DONIAN advised that she had been contacted by a representative of "Life" magazine, requesting that she furnish family information and the pictures of the subject in his Army uniform from the family album, supposedly in her possession. Mrs. DONIAN advised the reporter that she did not have any pictures and that she did not desire to be interviewed. Mrs. DONIAN could not understand how the reporter received the impression that she would have pictures of the subject nor where he got the impression that there was a family album in existence. She said that she cannot ever recall seeing a photograph of the subject and knows of no family album.

On the same date, MICHAEL DONIAN advised that he also had been contacted by a "Life" reporter requesting similar type information as from his wife. He said that he also refused to discuss any matters with this reporter.

CLASSIFICATION REPORT June 30, 1952

Name: ROY, James E.

Age: 24

Admitted: 6-13-52

Crime: Robbery

Sentence: 1-2 yrs.

CRIMINOLOGIST'S COPY

ANALYSIS: Inmate was admitted June 13, 1952, under a 1-2 year sentence for robbery, after he had held up a cab driver and then taken the vehicle. He was apprehended by the police who shot him during the capture. He admits his guilt, stating that he did not ordinarily drink but became intoxicated and then had the idea of the holdup and did it. He said he had used a knife in lieu of a gun, placing it at the back of the driver's body.

PREVIOUS RECORD: His previous record consists of a two years probation, with three months in the County Jail in Los Angeles in December, 1949 for burglary. Inmate admits he was caught by the manager of a restaurant attempting to enter the premises from a back stairway.

SOCIAL HISTORY: Inmate was born March 10, 1928 in Alton, Illinois, the oldest of three children in a German-English family. He said the father worked regularly as a railroad brakeman and was a good provider until his death from heart trouble in 1947. He attended grade school at Quincy, Illinois and later returned to an "academy for adults under the G.I. Bill", where he said he had fifteen months intensive schooling in high school subjects. He was in the Army between February 10, 1946 and December 23, 1946 when he was honorably discharged. He was placed in the stockade once for missing a guard detail. He came to Chicago in order to attend school for a short time and said he had one or two jobs, generally at factories, working as an assembler and machine operator and stockroom clerk in order to maintain himself while going to school. Apparently he was somewhat of a solitary person, but said he had occasional dates. He denies any persistent drinking, although admitting occasional alcoholic excess.

PERSONALITY: Inmate is a 24-year-old, rather small sized, young appearing man, who gives the impression of being sincere in his remarks, yet is actually fairly adept at evasion. He seemingly is a person who has some drive, but has not been able to settle down to just what he wants. He accepts his predicament and should go along uneventfully here. He has no systematic delinquent traits and his future adjustment will depend in part on the character of his institutional maturation.

CLASSIFICATION: Group III. Without psychotic or intellectual defect. Unstable personality. Questionably improvable offender. Problematic prognosis. Superior intelligence, Army Alpha III. Kohn negative.

RECOMMENDATION: Pontiac Division.

Inmate has no definite vocational objectives, but has a background of some semi-skilled factory experience. He also shows an interest in high school subjects and seems to be the type who might be interested in trying for a G.E.D. diploma.

PROFESSIONAL SUMMARY

Inmate PAY, James E. No. 19121 Age 27 Date 7-19-55

This Professional Summary is being prepared at the request of the United States Penitentiary at Leavenworth, Kansas, where this former inmate is serving a sentence of 3 years and 9 months for Forging Money Orders. This request was forwarded from the Joliet Diagnostic Depot. The material in this Summary is derived from the files of the Criminologist and should be regarded as confidential.

Inmate was received at the Joliet Diagnostic Depot 6-13-52, to serve a sentence of 1 to 2 years for Robbery. He had held up a taxicab driver in Chicago, taking his vehicle, and was apprehended shortly thereafter by the police, who shot him during the capture. He admitted his guilt, stating that he was heavily intoxicated and had used a pipe in place of a gun, placing it at the back of the driver's body. He had previously been on a 2-year probation in Los Angeles, California, for burglary, he being caught in the act of entering a restaurant from a back stairway.

He was born at Alton, Illinois, 3-10-28, the oldest of three children, his father working regularly as a railroad brakeman until his death in 1917. He was raised primarily in Quincy, Illinois, where he graduated from eighth grade and later had some high school training under the G. I. Bill. He was in the Army between 2-18-46 and 12-23-48, when he was honorably discharged for lack of adaptability. He had been in Chicago for a short time prior to the offense, and had had several short term jobs as a factory hand or storeroom worker. He was unmarried, and seemed to be somewhat of a solitary person, with occasional alcoholic excesses.

On the Army Alpha examination, he scored 111, or superior. It was thought that he had no systematic delinquent traits, and segregation at Pontiac was recommended.

At Pontiac, he requested a farm assignment, and was so placed, after a short period in the inmates' kitchen. He worked as a cook in the farm dormitory, and a helper in the officers quarters, and was always considered an average worker. He had no punishment reports.

The latest medical report in our possession, dated 1-30-53, is essentially negative, and he was never referred to the Psychiatrist for any unusual or abnormal behavior. Our office had a couple of routine contacts with him, and it appeared that he had been behaving unstably ever since leaving the Army, and that he was subject to impulsive delinquent behavior in connection with drinking, which, in turn, was related to his tendency to become easily discouraged. Our last contact with him was on 2-19-54.

He was discharged by expiration of sentence on 3-12-54.

RELEASE PROGRESS REPORT

Name RAY, James E. No. 19121 Age 25 Color          Date 2-11-54

DISCHARGE DATE 3-12-54

CRIMINOLOGIST'S COPY

Inmate was admitted to the Joliet Diagnostic Depot on 6-13-52, under a sentence of 1 to 2 years for Robbery, and was transferred to Pontiac on 7-7-52. On 5-14-53, he was given the Max "X" effective 3-12-54.

Inmate makes no physical complaints. He has received no punishment reports.

Inmate received no visits, and corresponds with his mother and brother.

He is now assigned to the honor farm, where he has been almost continuously, except for a brief period in the inmates' kitchen. At present, he is considered a good worker in the officers' quarters, and has been considered a good cook in the past.

His future plans are indefinite, although he will go to Quincy, Illinois, first.

Inmate's delinquencies seem due to impulsive behavior, especially when drinking. There is a relationship to inmate's tendency to be easily discouraged, and this tendency still exists.

Inmate has always been considered to be without psychosis or mental defect and, while in the institution and during the present examination, has evidenced no behavior which might indicate the need for a special psychiatric examination at the present time, although one will be attempted, if possible.

The prognosis is doubtful.

PAROLE PROGRESS REPORT

me RAY, James E. No. 19121 Age 25 Color White Date 11-9-53  
aring Minimum Case Docket May, 1953

CRIMINOLOGIST'S COPY

This report is based upon the usual material gathered at the Diagnostic Depot, our attendance at Staff meetings, the receipt of Work Progress Reports, and one short and one long interview with the inmate.

The etiology of inmate's difficulties is not completely known. He seems to have been highly unsettled after leaving the Army, and we would judge that some traumatic experience occurred which he does not care to tell, or cannot verbalize. He seems to be rather solitary and unhappy, and there have been at least two instances of poorly thought out delinquent behavior connected with drinking.

When admitted, inmate expressed an interest in a farm assignment, and was placed in the inmates' kitchen temporarily, until an opening developed on the farm. He has been assigned to the farm continuously since August, 1952, as helper in the farm dormitory kitchen. The report of 10-21-52 characterized him as average in his attitude and in his ability to get along with officers and inmates. The report of 1-30-53 stated that he was good, as far as attitude toward his work was concerned, and ability to get along with officers and other inmates, but that he was only fair as far as proficiency, initiative, progress and ability to work in the free community were concerned.

He has had no punishment reports.

Little is known as to the associational pattern or friends.

He has had no visits, and corresponds with his mother and brother. If released he will have to be assisted by the Parole Officer.

It is difficult for us to make an adequate prediction in this case. In view of the two known instances of impulsive delinquent behavior connected with drinking, the lack of any indication of change or progress here, and the age at which this pattern was continuing, we would judge that he would eventually repeat this behavior, especially if discouraged.

Much would depend upon his obtaining some sort of placement with which he would be satisfied, and which would place him with people who were taking an interest in him.

The prognosis seems to be problematic to doubtful.

Captain GEORGE GREEN, who is Watch Commander of the 8th District, Chicago Police Department, 63rd Street and St. Louis Avenue, and who resides at [REDACTED], Chicago, Illinois, furnished the following information:

Captain GREEN shot JAMES EARL RAY in the vicinity of 9 West Delaware Street, Chicago, in May, 1952, while apprehending RAY during hot pursuit following the robbery of a cab driver. Captain GREEN and his partner, Detective JOHN MC DONOUGH, ordered RAY to halt several times. RAY temporarily eluded the police officers by diving through a window through the basement of a residence. When RAY was ascending the basement steps ignoring orders to surrender, he was shot in the right arm by Captain GREEN. The bullet passed through the right arm approximately mid-way between the elbow and wrist. The bullet then grazed left arm. Only one shot was fired in effecting RAY's apprehension.

Captain GREEN further stated that when RAY dove through the window into the basement, he landed in an area where bathtubs were stored and either injured his face around the head area from glass or upon landing in the basement. Captain GREEN opined RAY's wounds in the head area and in the left arm were probably superficial and would leave no scars.

Captain GREEN was unable to suggest the identity of any associates of RAY in the Chicago area.

RE: NEIGHBORHOOD INVESTIGATION  
61 EAST CEDAR STREET  
2725 NORTH PINE GROVE

The following investigation was conducted by SA [REDACTED] on May 1, 1968, in the vicinity of 61 East Cedar Street, Chicago, Illinois, for information that JAMES EARL RAY was known at that location, it being noted that RAY reportedly resided here during the period between 9/13/51 and 5/28/52.

On 5/1/68, investigation at 59-65 East Cedar Street, Chicago, Illinois, determined that this was a large apartment house presently managed by Sudler and Company, Chicago, Illinois. Mr. HERBERT SELL, Janitor, advised he has only been janitor at this apartment since March, 1968. He stated he did not know anyone presently residing here who was here during 1951-1952 but stated he learned that possibly during 1951-1952 period this apartment consisted of approximately four individually owned homes rented as rooming houses. He suggested that possibly Mrs. MARGARETTA REHRMAN, Manager, 33 East Cedar Street, Chicago, Illinois, may have information on this matter as she has been in the neighborhood for years and her husband was the former janitor at 59-65 East Cedar Street, Chicago.

On 5/1/68, Mrs. MARGARETTA REHRMAN, Manager, 33 East Cedar Street, Chicago, Illinois, advised that 59-65 East Cedar Street, Chicago, has been managed by Sudler and Company of Chicago since about 1957. She stated that sometime prior to 1957 four brown stone building occupied the present residence of 59-65 East Cedar Street, and were reportedly owned by one Mr. WILLIS, who is now deceased. She stated during 1961-1966 her husband, JACK REHRMAN, was janitor at this location. She stated she did not know of anyone who was at 59-65 East Cedar Street during 1951-1952 period and noted this location was formerly a rooming house occupied mostly by transient individuals. She viewed a photograph of RAY and stated she had no information concerning RAY, and the photograph was not familiar to her.

On 5/1/68, JACK REHRMAN, Janitor for 33 East Cedar Street, Chicago, Illinois, was contacted at his place of employment and advised he was janitor of 59-65 East Cedar Street, Chicago, during 1961-1966. He advised that to the best of his knowledge the property at 61 East Cedar Street, Chicago, was one of four brown stone buildings that now make up 59-65 East Cedar Street, Chicago. He stated to the best of his knowledge these four brown stone buildings during 1951-1952 were rented out as rooming houses and were owned by one Mr. WILLIS now deceased. He stated he did not know if Mr. WILLIS actually lived in this vicinity and he did not know of anyone in the neighborhood who may recall RAY residing here. He noted that this neighborhood has completely changed and most of the homes have been converted to apartments. He stated a photograph of the subject was not familiar to him. He stated he heard from an unrecalled source that Mr. WILLIS, believed to be the former owner of this property at 59-65 East Cedar Street, Chicago, died approximately four years ago and he did not have any information regarding any relatives of Mr. WILLIS who may have resided here at the time RAY reportedly resided here.

The following investigation was conducted in the vicinity of 2725 North Pine Grove, Chicago, Illinois, it being noted that JAMES EARL RAY reportedly resided here during the period between 9/13/51 and 5/28/52:

On 5/1/68 investigation in the vicinity of 2725 North Pine Grove, determined that this was a non-existent address now occupied by the Andora Apartments, 2727 North Pine Grove, Chicago.

On 5/1/68, Mrs. LEE VOJNOVIC, Manager, Andora Apartments, 2727 North Pine Grove, Chicago, advised that this apartment is now approximately three years old, and that two or three large homes, formerly rented as rooming houses, were torn down to make room for this apartment. She advised the subject's photograph was not familiar to her and she had no information concerning the subject, noting that she has only been manager here since the apartment was built. She stated this entire neighborhood has undergone complete change since 1951-1952 and that large apartments now occupy space formerly occupied by family dwellings. She stated she did not know who formerly owned 2725 North Pine Grove in Chicago but suggested that possibly Mr. DONALD COOPER, Cooper Brothers and Associates, 2640 West Touhy Road, Chicago, current managers of the Andora Apartments, could give this information.

On 5/1/68, Mr. DONALD COOPER, Cooper Brothers and Associates, 2640 West Touhy Road, Chicago, advised that his concern purchased property formerly at 2725 North Pine Grove, Chicago, and adjoining property in September, 1963 to make room to build the Andora Apartments. He stated the former owner of the property was Supera Property Management, 1226 North State Street, Chicago, Illinois. Mr. COOPER advised he had no information regarding

RAY and that RAY's photograph was not familiar to him. He further advised he did not know of anyone residing in the vicinity of 2725 North Pine Grove in Chicago who resided in this area during 1951-1952.

On 5/1/68 unsuccessful efforts were made to contact LOUIS SUPERA, Owner, Supera Property Management, 1226 North State Street, Chicago, Illinois.

On 5/3/68, LOUIS SUPERA was contacted at his place of employment and advised he was the former owner of 2725 North Pine Grove in Chicago during 1951-1952 and recalls he rented this house out as a rooming house during this period. He stated individuals who resided at this location were mostly transients and did not reside here long. He was unable to recall the subject as residing at this location during the pertinent period. He stated he himself did not live at this location but merely rented it out and he had **no information** after viewing a photograph of the subject as to the subject's background or friends. He stated he did not know of anyone who would recall the subject as having resided at 2725 North Pine Grove during 1951-1952 and noted that all records, including rent receipts, have been destroyed by him since he sold the property several years ago.

Re: Previous Employment

On April 22, 1968, Mr. THOMAS CASTRONOVO, Personnel Manager, Sheller-Globe Corporation, 1074 South Kildare, Chicago, Illinois, advised that the Sheller-Globe Corporation is actually the old Dryden Rubber Company. Mr. CASTRONOVO advised that he would be unable to review his personnel records for a period of July to September of 1949, inasmuch as personnel records of the Sheller-Globe Corporation are destroyed after a period of approximately seven years. Mr. CASTRONOVO further advised that there would be no record whatsoever of subject's employment at his company.

On April 24, 1968, Mr. SOL BURROWS, Owner, Neo Products Company, 5400 South Kilbourn, Chicago, Illinois, advised that a review of the personnel files for a period of April through July, 1950, is not possible since personnel records for that period of time have long since been destroyed. Mr. BURROWS furnished the interviewing Agent with an "Employer's Quarterly Federal Tax Return" for the quarter ending June 30, 1950. A review of this return reflects that one JAMES RAY, Social Security Number 334-22-6876 earned \$269.33 at the Neo Products Company during this period. Mr. BURROWS advised that a review of the "Employer's Quarterly Federal Tax Returns" for 1950 reflect that subject was employed from April to the latter part of June, 1950. Mr. BURROWS advised that there was no further information in his files concerning subject and he noted that while subject was employed by the Neo Products Company, it was during the period of time that the Neo Products Company occupied space at 2534 South Kedzie Avenue, Chicago, Illinois, and not at its present location.

On April 24, 1968, Mr. WILLIAM JACKSON, Borg-Ericson Corporation, 1133 North Kilbourn, advised that he is unable to locate the employment application for subject. Mr. JACKSON furnished the interviewing Agent with a payroll card for subject. An examination of subject's payroll card indicates he was hired on September 13, 1951, and terminated his employment on May 28, 1952. At the time of subject's

commencement of employment, he listed his address as 61 East Cedar Street, Chicago, Illinois, and Social Security Number 334-22-6876. It is noted that the address 61 East Cedar Street was subsequently crossed off and in its place was put the address of 2725 North Pine Grove, Chicago, Illinois. A further review of the payroll card indicated a separation notice dated May 28, 1952, indicating that subject's employment was terminated as he was "picked up on suspicion of armed robbery. Held to Grand Jury." Mr. JACKSON advised that there are no other records in his file concerning the subject.

An examination of the telephone directory of Illinois Bell Telephone Company, Chicago, Illinois, for 1968 and 1952 failed to reflect any corporation by the name of Arbey Corporation, Chicago, Illinois. On April 25, 1968, Mrs. ANN TUOHY, Corporation Section, Secretary of State's Office, 188 West Randolph Street, Chicago, Illinois, advised that a review of the certified list of foreign and domestic corporations for the State of Illinois for 1951, 1952, and 1968, failed to reflect any corporation by the name of Arbey Corporation.

On April 29, 1968, DAGNY STORVIK, Personnel Manager, Arvey Corporation, 3500 North Kimball Street, Chicago, Illinois, advised that personnel records are kept for approximately six years and at that time destroyed. Mrs. STORVIK advised that personnel records of the Arvey Corporation only go back to 1962. Mrs. STORVIK further advised that some personnel records of top executive employees are maintained to 1955. Mrs. STORVIK stated under no circumstances would she have records dating back to 1950 or 1951 for any employees whatsoever.

Re: Burglary of United States Post Office

March 7, 1955

The following investigation was conducted by SA [REDACTED]  
[REDACTED] at Chicago, Illinois, on April 30, 1968:

[REDACTED] Postal Inspector's  
Office, made available their file number [REDACTED] which reflects  
the following information:

The Kellerville, Illinois, Post Office, Fourth Class,  
was forcibly entered between 1:00 and 2:00 a.m. on March 7,  
1955. The loss consisted of 66 blank postal money orders  
numbers 742239535 through 600, a postmarking stamp and a money  
order stamp.

On March 8, 1955, a money order in the amount of \$45  
was passed at Alton, Illinois. The payee was listed as JAMES  
WALTON and the purchaser was W. C. HERRIN. On March 21, 1955,  
two money orders in the amount of \$75 were passed at Kansas  
City, Missouri. The payee was WILLARD J. MC BRIDE and the  
purchaser was VERNON MC BRIDE. Investigation developed that the  
person passing these postal money orders drove a 1949 Lincoln  
two-door sedan, bearing 1955 Florida license 1W25183. The  
Motor Vehicle Bureau determined that this plate and car were  
sold on March 12, 1955, at Miami, Florida, to WALTER P. or T.  
BERRY, Shamrock Tavern, c/o EARL MILLER, Quincy, Illinois.

As a result of the alert on this automobile, WALTER T.  
RIFE and JAMES EARL RAY were arrested by the Missouri State  
Police at Hannibal, Missouri, on March 23, 1955. Thirty-four  
money orders were recovered in the 1949 Lincoln sedan. Both  
RIFE and RAY readily admitted cashing 32 postal money orders  
but denied involvement in the burglary of the United States Post  
Office. In a signed statement, RIFE stated that the name WILLARD  
J. MC BRIDE and VERNON MC BRIDE were the only names used with  
the exception of one money order which contained the name JAMES  
WALTON and W. C. HERRIN. He further stated that after passing  
a money order at Alton, Illinois, he and RAY drove to Miami,  
Florida, in his Nash automobile and under the alias WALTER T.

RAY talked freely to the postal inspectors concerning his association with RIFE, their travels together and the passing of instant money orders. He refused to furnish a written statement. At this time, he had known RIFE for a period of approximately one week.

On April 1, 1955, both subjects entered guilty pleas in the United States District Court, Kansas City, Missouri, concerning the forging and cashing of stolen postal money orders and possession of stolen money orders. On July 1, 1955, RIFE was sentenced to three years in prison and RAY was sentenced to 3 3/4 years.

A review of this file reflects that the 32 money orders cashed by RIFE and RAY were cashed at St. Louis, Missouri; Alton, Illinois; Hot Springs, Arkansas; Memphis, Tennessee; Hot Springs, Louisiana; Kansas City, Missouri; St. Petersburg, Miami, Miami Beach, Daytona Beach, Jacksonville, Tallahassee, and Tampa, Florida.

Instant burglary was never solved and the Post Office Department closed their case in this matter. Their file does not contain any background information or descriptive data concerning either RIFE or RAY.

Mr. WALLY JONAS, Program Coordinator, Hyde Park YMCA, 1400 West 53rd Street, Chicago, Illinois, was contacted and advised that very few "hippies" reside at the Hyde Park YMCA and he could not personally suggest any such individuals who might be cooperative.

JONAS stated as far as he knew, the "hippies" residing in the Hyde Park area of Chicago generally stayed with their friends and did not live in rooming houses or other commercial establishments.

JESSE TAYLOR, Negro male, [REDACTED], Chicago, Illinois, was contacted in the Harper's Court area. He advised that most of the "hippie-type" individuals residing in the Hyde Park area were either University of Chicago students or young Chicago people who may have gravitated to that area. When shown a photograph of RAY, he stated in his opinion, this individual would not frequent the Hyde Park area in view of the large number of Negroes who resided in this area. TAYLOR said he could furnish no information concerning RAY.

JOHN JOHN (LNU) and BILL (LNU) were contacted at the Medici Green Door Bookshop, 1450 East 57th Street, and upon viewing a photograph of RAY, stated that they could furnish no information regarding this individual.

RITA (LNU) was contacted at Ahmad's Coffee Shop, 1420 East 57th Street, Chicago, Illinois. She was shown a photograph of RAY and stated she could furnish no information concerning this individual.

A person who refused to give his identity was contacted at 6030 South Dorchester and advised that a number of "hippie-type" individuals had been known to reside at that address in the past but as far as he knew, none of these individuals were from California, Georgia, or Louisiana. This individual was shown a photograph of RAY which he was unable to identify.

GLEN REYNOLDS was contacted at the Hello Psychodelic Shop, 7060 North Paulina, and upon viewing a photograph of RAY, was unable to furnish any information concerning this individual. However, REYNOLDS advised that he would inform all other "hippies" with whom he was acquainted as to the possibility RAY might appear in his neighborhood.

REYNOLDS advised that many "hippies" who arrive in Chicago would establish contacts through the Hello Shop in securing a place to live but he could not recall whether any such individual had arrived from California or Georgia in Chicago.

REYNOLDS stated that he did not know of any rooming houses or commercial establishments in the Rogers Park area of Chicago where "hippies" might reside. He stated many such persons do live in the area but generally with friends.

An individual who would not identify herself was contacted at the Four Heads Psychodelic Shop, 6744 North Sheridan Road. Upon viewing a photograph of RAY, she stated she could furnish no information concerning this individual.

Re: JAMES EARL RAY  
South Elgin, Illinois

The following investigation was conducted by SAs [REDACTED] and [REDACTED] in South Elgin, Illinois, on April 19, 1968, regarding one JAMES EARL RAY who registered with the Bureau of Motor Vehicles, Springfield, Illinois, on May 25, 1967, on a 1958 Pontiac four-door, VIN P858H7576. This registration reflects that RAY at that time resided at 615 North Water Street, South Elgin, Illinois.

Mr. and Mrs. RONALD SCHILLING were interviewed at their residence at 615 North Water Street, second floor apartment, South Elgin, Illinois, and SCHILLING stated he had lived at that address since February 1, 1968, and was employed by [REDACTED] in Elgin, Illinois. The Illinois Driver's License reflected he was born March 13, 1939, in Decatur, Illinois, was 5'9" tall, 150 pounds, with blue eyes and brown hair. SCHILLING was honorably discharged from the United States Army, Serial Number [REDACTED]. He viewed a photograph of JAMES EARL RAY, also known as ERIC STARVO GALT, and advised he had never seen RAY and had never heard of anyone named RAY in the area. He stated he rented the apartment from Mrs. ALICE MEYER of [REDACTED], South Elgin, Illinois. SCHILLING's wife, MARY SCHILLING, also viewed the photograph and advised she did not recognize the individual.

Mrs. ALICE MEYER, [REDACTED] South Elgin, telephone number [REDACTED] (unlisted), exhibited rent receipt reflecting JAMES RAY rented the upstairs apartment at 615 North Water Street, from May 1, 1967 through the end of September, 1967. She advised that the RAY who rented the apartment did not resemble the photograph of JAMES EARL RAY, also known as ERIC STARVO GALT, which was exhibited to her. She advised that her daughter, Mrs. LINDA BERGIN, generally collected the rent from RAY and she knows that during the time RAY resided in the apartment, he lived with his wife and one small child.

She was unable to furnish a physical description of RAY.

Mrs. LINDA BERGIN, daughter of Mrs. ALICE MEYER, [REDACTED] South Elgin, advised she collected the rent from JAMES RAY when RAY resided in the upstairs apartment at 615 North Water Street. She stated the photograph of JAMES EARL RAY, also known as ERIC STARVO GALT, was definitely not identical with the JAMES RAY who resided in the apartment. She described the RAY who resided in the apartment as a very very thin individual with a very thin face who must have been over 6 feet tall, had dark hair, a very slender build, and a heavy mustache. She said that he was about 28-30 years of age and supposedly worked at a landscaping or nursery somewhere in the area. She said RAY's wife was a very heavy woman and they had one child and another child was expected shortly before they moved in September, 1967.

Mr. and Mrs. RONALD RICHARDSON, [REDACTED] South Elgin, Illinois, telephone [REDACTED] stated that the JAMES RAY who resided at 615 North Water Street, was definitely not identical with the photograph of the JAMES EARL RAY exhibited to them. RONALD RICHARDSON stated that he recalls that RAY had a 1958 Pontiac, white with blue on the sides, and at one time or other he worked at Illinois Iron and Bolt Company and on some construction jobs in the area. He said RAY was about 6'3" tall, and weighed 140 pounds, at the most. [REDACTED] He stated that he had little to do with RAY but that RAY would fool with motorcycles with GEORGE MC KUTCHEON who also lives on Water Street and who might know more concerning RAY. He said that the last he knew, RAY supposedly had moved back to California and he left the area near the end of the summer.

RICHARDSON said that he, RICHARDSON, was formerly employed as a police officer by the South Elgin Police Department and that RAY never got into any difficulty with the law in South Elgin while he was in the area.

Mr. and Mrs. GEORGE MC KUTCHEON, [REDACTED] South Elgin, Illinois, stated that they saw JAMES RAY who lived at 615 North Water Street numerous times while he was living in the area with his wife and one child. GEORGE MC KUTCHEON stated that the last he heard RAY was in Texas but that he had not seen nor heard from him since he left in September, 1967. He stated that the photograph of JAMES EARL RAY, also known as ERIC STARVO GALT, definitely was not identical with JAMES RAY who resided on North Water Street. He noted that the RAY on North Water Street was one of the thinnest people he had ever seen and was about 6'2" to 6'3" tall. He said that if he recalls correctly, RAY worked for one of the landscaping companies, possibly [REDACTED] in the Dundee or Elgin, Illinois.

that they knew that Mr. O'CONNOR resided at the foregoing address prior to April 23, 1967.

They are still residing in the Chicago area someplace on the south side but their address is not known. Investigation further determined that one of the sons, JIMMY O'CONNOR, owned and operated a 1962 Oldsmobile. He is described as a white male, age 20 or 21 years old, and in no way resembles the subject.

JAMES E. RAY  
1229 Gages Lake Road

The records of the Secretary of State, Springfield, Illinois, reflect that 1967 auto license EN159 was issued January 24, 1967 to JAMES E. RAY, 1229 Gages Lake Road, Wildwood, for a 1966 Chrysler, two-door hardtop, VIN 6L23G63177997.

The following investigation was conducted by SA [REDACTED] on April 19-20, 1968:

On April 19, 1968, [REDACTED] Credit Bureau of Waukegan, North Chicago, Waukegan, Illinois, serving Wildwood, Rural Route Grayslake, Illinois, advised that JAMES E. RAY, born 1919, wife NORA, have been in file for more then ten years with limited credit and limited background information. He said there is no adverse.

On April 20, 1968, Mrs. JAMES EDGAR (NORA) RAY, [REDACTED] wildwood, Grayslake, Illinois, advised her husband was born Ocoober 3, 1919, Nashville, Arkansas, and that they have lived in Lake County, Illinois, for twenty years. They have no relatives in Illinois or elsewhere that she knows of who could possibly be identical with fugitive JAMES EARL RAY. The only relatives in Illinois are her husband's brother, DEWEL RAY, [REDACTED] Wildwood, and he has a son whose name is JAMES MACK RAY, residing at [REDACTED] Wildwood, Grayslake, Illinois.

They have never received any mail which might have been misdirected from the fugitive and have never met or heard of any other JAMES RAY who might be identical with the fugitive.

Re: Alleged Chauffeur for KING

On April 25, 1968, the Washington Field Office advised that [REDACTED] Washington, D.C., advised that he learned [REDACTED] that on the day before the assassination of KING [REDACTED]

[REDACTED], a group of six or seven had dinner at a restaurant [REDACTED]. One of these persons said a man who used to work for him was the personal chauffeur for MARTIN LUTHER KING and that this man contacted him for advice. The chauffeur stated KING required him to carry over \$200,000.00 in cash in a black bag at all times. The chauffeur was concerned about his job inasmuch as he recognized the possibility of being robbed or KING, himself, being killed for the money. [REDACTED] advised the chauffeur to quit but to furnish KING another reason for quitting.

[REDACTED] said [REDACTED] telephone [REDACTED] was present and could furnish the name of the person who attended the dinner and formerly employed KING's chauffeur. This individual also related the information about the black bag containing \$200,000.00. [REDACTED] contacted [REDACTED] for the name of the individual who related the above incident, but [REDACTED] could not recall this person's name.

Re: Alleged Chauffeur of KING

[REDACTED] telephone [REDACTED] advised April 26, 1968, he had no recollection of any conversation regarding KING's chauffeur at a dinner party [REDACTED] on April 3, 1968, in Chicago [REDACTED] advised the following persons attended this party [REDACTED]

The following who attended [REDACTED] party were contacted on April 26, 1968:

[REDACTED] stated he had no recollection of any conversation concerning a chauffeur of KING. [REDACTED] gave the following seating arrangements for the persons at this party and this listing goes from left to right:

[REDACTED]

[REDACTED] stated he attended the dinner party April 3, 1968, for [REDACTED], sat with [REDACTED] on his left and [REDACTED] on his right; however, he recalled no conversation concerning Doctor KING's chauffeur.

[REDACTED] advised no person ever worked for her or her husband who subsequently worked for KING and she recalled no conversation at the dinner party for [REDACTED] concerning KING's chauffeur.

[REDACTED] stated she heard no conversation concerning KING's chauffeur at the dinner party for [REDACTED] however, at the reception preceding this dinner party she recalls hearing such a conversation as related by [REDACTED]

[REDACTED] It was her recollection that this story was related by [REDACTED] concerning KING's driver and money maintained by the driver in a bag.

[REDACTED] advised as follows:

[REDACTED] telephone [REDACTED] sometime in the past had advised that he at one time employed a man as a chauffeur who subsequently worked for KING as a chauffeur. This man had been required to carry large sums of money in a bag for KING and this man was scared that someone would rob him of this money. This man had been advised by [REDACTED] to contact [REDACTED] but this man failed to so contact [REDACTED]

[REDACTED] advised that for several years [REDACTED] had employed an elderly colored male, KELLY WILLIAMS, as a chauffeur. Approximately 18 months ago this man had been released from [REDACTED] because of his physical condition [REDACTED]

[REDACTED] stated this person was probably deceased by now as he was over 65 and on Social Security.

[REDACTED] stated he later heard this man went to work for KING but he had no recollection of hearing anything to the effect that this man was required to carry over \$200,000 in cash in a black bag at all times for KING.

[REDACTED] stated that approximately one year or so ago this man had contacted his family and allegedly had some knowledge of threats which had been made against Senator DIRKSEN. [REDACTED] accordingly attempted to have WILLIAMS contact Senator DIRKSEN's office concerning this matter.

It is to be noted that in September, 1966, the Chicago Office conducted extensive investigation concerning a similar story concerning a person who allegedly worked for Doctor KING as a chauffeur and who formerly worked for [REDACTED]. This investigation developed the identity of this individual as KELLY WILLIAMS, full details of which were furnished to the Bureau. No further investigation was conducted at that time due to the readily apparent mental problems of WILLIAMS, coupled with the serious doubts which were cast on his veracity.

OTHER INVESTIGATION

Re: [REDACTED] or  
[REDACTED] (Look Alike)

On April 18, 1968, at 3:15 PM, [REDACTED] Amalgamated Bank, 111 South Dearborn Street, Chicago, telephonically advised that an unknown white male, strongly resembling the likeness of ERIC GALT, appearing in the April 18 issue of the "Chicago Tribune" appeared at this bank shortly before 12:30 PM and requested to purchase a \$10,000 certificate of deposit (savings) for cash. [REDACTED] inquired as to whether the unknown male had an account with Amalgamated and was informed that he did not. [REDACTED] then proceeded to make inquiry concerning this unknown male's background whereupon he became reluctant to furnish background information and inquired why it was necessary for him to identify himself. [REDACTED] informed the unknown male that it was the bank's policy to have some identifying information and background concerning its new customers whereupon the unknown male produced a driver's license issued by the State of Wisconsin containing the name [REDACTED] or [REDACTED]. The unknown male explained that he presently resided in another state and that this license was the license issued to him when he resided in Wisconsin.

[REDACTED] advised he turned the driver's license over on its reverse side to observe the signature which he found was obscured from view by a card containing the words, "National Association of Ballroom Dancers." [REDACTED] advised that before he could examine the driver's license any further, the unknown male grabbed it out of his hands stating he could not see why he had to furnish any information about himself. [REDACTED] then stated that before he could obtain a certificate of deposit, he would be required to fill out the necessary savings account forms and furnish specimens of his signature which he, [REDACTED] furnished to the unknown male. The unknown male informed [REDACTED] that he would fill out the signature cards at the counter and left [REDACTED] desk and proceeded to a counter in the lobby of the bank. [REDACTED] stated that he left his desk temporarily for only a few seconds to report this incident to his superiors and turned around to see if the

unknown male had finished executing the cards and returned to his desk whereupon he found that the unknown male had disappeared from the bank. [REDACTED] said that he immediately examined all the waste receptacles in the vicinity of the lobby counter where the unknown male was last observed and failed to find the blank savings account signature cards indicating that these blank cards were apparently not left in the bank by the unknown male.

[REDACTED] said during his lunch hour from 12:30 PM to about 1:30 PM, he was reading the "Chicago Tribune" and observed the photograph of subject GALT appearing therein and immediately felt that it was a strong likeness of the individual who had just attempted to obtain a certificate of deposit at Amalgamated.

[REDACTED] described this unknown male as follows:

Name	[REDACTED] or [REDACTED]
Sex	Male
Race	White
Age	About 35-40
Height	5'8" or 5'9
Weight	160-170
Complexion	Ruddy
Characteristics	Square jaw, clean shaven
Eyes	Dark
Hair	Brown
Wearing apparel	White shirt, three quarter length tan light weight coat.

Review of Chicago classified and telephone directories failed to locate any listing identifiable with National Association of Ballroom Dancers, however, a copy of the March, 1968, issue of "Ballroom Dance Magazine", published monthly by Dance Magazines, Inc., 268 West 47th Street, New York, New York, discloses numerous advertisements for ballroom dancing throughout the United States, only one of which is possibly identical with National Association of Ballroom Dancers which is "Ballroom Dancers Association, Inc., " 756 7th Avenue, New York, New York.

Investigation Pure Oil Company, Palatine, Illinois

The Atlanta Division advised on April 25, 1968, that [REDACTED] Pure Oil Company Dealer, Americus, Georgia, advised he sold gas to an individual on April 16, 1968, who closely resembled 1968 photo of JAMES EARL RAY. [REDACTED] described the car he believed the person to be driving as well as furnishing a physical description of this individual. He also stated that he believed the individual purchased gas on a temporary Pure Oil Credit Card, which he believes expires in August or September, 1968. He also advised that the credit card slips were purchases on April 16, 1968, and had already been forwarded to the Pure Oil Company Retail Department, Palatine, Illinois.

On April 26, 1968, [REDACTED] Pure Oil Company, Palatine, Illinois, was telephonically contacted by SA [REDACTED] at which time he advised that the package of credit card slips mailed in by [REDACTED] on April 17, 1968, would already be in the Balance process, Accounting Department, and would take until at least April 30, 1968, to locate. He said it is possible that he would be able to locate the credit card slips mailed in on April 22, 1968. He requested that he be furnished with the Transmittal Slip number used by [REDACTED] in submitting the credit card transactions.

On the same date, [REDACTED] was furnished with the following transmittal numbers:

4/18/68 - 7-0217999  
7-0218000

4/22/68 - 7-0217997

credit card slips for any transaction on April 16, 1968.

In a continuing review of Pure Oil Company records, in conjunction with [REDACTED] and [REDACTED] by SA [REDACTED] on April 29 and 30, 1968, located the list of credit card invoices submitted by [REDACTED] on April 18, 1968. Credit card purchase number [REDACTED] was made by [REDACTED] however, the invoice itself could not be located and the address was not yet in file. The charge for credit card number [REDACTED] is another company credit card and the ticket has already been separated elsewhere. No further effort will be made to locate this card in view of the comments made by [REDACTED]. It should be noted that this review did not reveal any purchase made on a temporary Pure Oil Credit Card.

There were purchases made by the following companies:

Americus Utility  
Aladdin Insulators  
Georgia Highway Department  
V. R. Bush Company  
Southern Bell of Georgia  
Simplex Nail  
W. C. Page

The charge for [REDACTED] was not further checked out since it was in the amount of \$101.43, which could not have been a mere gas purchase.

A review of the credit card slips submitted reveals the following purchases for gasoline on April 16, 1968:

[REDACTED]  
[REDACTED] Americus, Georgia  
[REDACTED]

Re: JAMES E. BODKER

Dolton, Illinois

On May 1, 1968, the Atlanta Office advised that CHARLES V. TYSON, Manager, Hertz Rental, Albany, Georgia, stated that at 12:15 PM, April 19, 1968, a white male identifying himself as JAMES E. BODKER, rented a 1967 Ford Galaxie, 4-door, hard top, white over blue, Vehicle Identification Number 7A56C207625, bearing 1968 Georgia license 8J5039. This car was to be used in the vicinity of Albany and returned to Albany, Georgia, on April 22, 1968. BODKER gave home address as above and claimed to be manager of Suburban Motors, address not given. He furnished Illinois drivers license number. Vehicle not returned as of May 1, 1968. Description of BODKER fits general description of JAMES EARL RAY. One Hertz employee states BODKER bears close resemblance to 1968 photograph and believes BODKER could be identical to subject.

The following investigation was conducted by SA [REDACTED] on May 1, 1968:

The records of the Dolton, Illinois Police Department were reviewed and contained no information identifiable with BODKER.

LARRY MILLAR, [REDACTED], Dolton, Illinois, advised that he is the brother-in-law of BODKER who uses the above address as a mailing address but does not reside at the location. He could furnish no information regarding BODKER's present whereabouts. DONNA MILLAR appeared at the above residence and furnished the same information as her husband. She further advised that on the day KING was shot, BODKER and the rest of the family were attending a birthday party for their mother, Mrs. ZELDA BALDUC, [REDACTED] Calumet Park, Illinois. Both stated they would have BODKER contact the FBI if they located him. Both were also advised that the auto rented by BODKER was overdue and that he should immediately advise Hertz.

Mrs. BALDUC was contacted and verified information given by the MILLARS. She exhibited a photo of BODKER. Comparison of this photo with that of the subject did not appear to indicate any similarity.

Re Look Alike, O'Hare Airport, Chicago, Delta Airlines, 4/9/68.

The following investigation was conducted by SA

[REDACTED] on May 1, 1968:

LOU MYERS, Field Ticket Office Manager, Delta Airlines, O'Hare International Airport, advised that from his records the two ticket agents working the express baggage check in counter where seat selection formerly was located were [REDACTED] and [REDACTED]. MYERS said that Delta handles from four to five thousand passengers a day from O'Hare and advised that the seat selection is now handled, and was at that time handled, at each gate. However, if [REDACTED] is a frequent Delta Traveler, he would have recalled that this is where seat selection had been for a number of years.

[REDACTED] interviewed at length, however, he recalled nothing of incident described. He has seen many photographs of subject, and states he cannot recall any person resembling subject.

[REDACTED] recently married, on honeymoon at the Island of Aruba, off the coast of South America, and unavailable until May 8, 1968.

The foregoing investigation was based on information furnished by the New Orleans Division on April 29, 1968, indicating that [REDACTED] New Orleans, Louisiana, advised that about 2:00 p.m. he went to the Delta Airlines Ticket Office, O'Hare Airport, and while there, observed a man talking with one of the seat reservation agents. [REDACTED] thought he knew this man and then his attention was further drawn to him by the fact that the passenger said he wanted to go to New Orleans but did not want the flight via Atlanta. [REDACTED] spoke to this man, thinking he was his friend, apologized and then noted that this person remained at the counter and seemed to have a "hassle" with one of the two men at the counter. This conversation apparently continued for thirty minutes. [REDACTED] did not see this person again, states he believes this man was the subject after observing a new picture of RAY. [REDACTED] stated the 1968 photo of RAY does not resemble man at airport.

SPECIAL PROJECTS

Immediately upon identification of the murderer of KING as JAMES EARL RAY, contact was established with the various airlines at O'Hare International Airport, with United States Customs and with airlines having international operations. On April 25, 1968, all airlines at O'Hare Airport as well as the O'Hare Detachment of the Chicago Police Department, Immigration and Naturalization Service, and United States Public Health were contacted by SA [REDACTED] and SA [REDACTED] at which time supervisory personnel were furnished with Identification Orders and wanted flyers of the subject which they agreed to place in a prominent spot and discuss instant matter with their employees. They also advised that they would insure that the FBI was immediately contacted in the event any employee observed a person that resembled the subject.

On April 24, 1968, [REDACTED] Federal Narcotics Bureau, United States Department of Justice, Room 1836, Federal Building, was contacted by SA [REDACTED] at which time he was furnished 25 copies of the wanted flyer for JAMES EARL RAY. [REDACTED] advised that all sources of the Narcotics Bureau would be contacted concerning the subject and should any positive information be received about him or his whereabouts, he would immediately notify the FBI.

All ITSMV cases in the Chicago Division have been reviewed from March 23, 1968, to date where the car was stolen in or near Atlanta, Georgia. To date there has been no indication from this review that the subject was responsible for any theft that area based on Chicago information.

[REDACTED], Identification Division, Chicago Police Department, was contacted by SA [REDACTED] on April 22, 1968, with the request that the latent fingerprints presently outstanding in the Chicago Police Department unsolved criminal cases be checked against the known prints of JAMES EARL RAY. On April 26, 1968, [REDACTED] advised that he is continuing the program consistent with the available personnel. He said that he had several thousand latents in file and to this time, he has

CG 44-1114

eliminated an estimated 200 to 300. He advised that he is aware of the importance of this matter and is personally spending a considerable amount of time when possible eliminating these latents assisted by three latent examiners when available. On May 3, 1968, [REDACTED] advised that he has eliminated about another 300 prints without developing any that could be identical with the subject.

On April 30, 1968, the Chicago Division instituted personal contacts with all of the country clubs within the territory. The contacting Agents reviewed the employment records of the various country clubs for any possibility that the subject could have been employed at the club at any time and if he had been employed since April 23, 1967. These contacts met with negative results; however, a copy of the Identification Order for the subject was left with appropriate personnel who advised that they would check all individuals who applied for employment in the future and would immediately notify the Chicago Division if there appeared to be any individual answering the physical description and photograph of the subject.

The records of the American Bartending School, 334 South Wabash, were reviewed by SA [REDACTED] and contact has been maintained with Mr. GERALD R. SANTORO, Director, on a continuing basis in the event that the subject might contact the school.

The records of the American Bartending School were reviewed in an effort to find the attendance of JOHN RAY, subject's brother; however, a search of these records going back to 1962 did not develop any information that JOHN RAY had attended.

If my concepts are true (and I think in this particular case) they are and its terribly dangerous for an individual to possess, but I wish you can solve this late assassanation at Memphis.

I'm giving to give you my view on this page and charging our Government 1 million dollars for it (if you use it) & my name must never be told publicly. If you care to use my theory, please do so within a mo., also pay me within that time.

Of the 6,000,000 Jews in this country, there are about 1 and 2/5 million of them who will never assimilate here with Christians, but intend to teach all Christians that they were created to serve Hebrews as slaves, financially.

If they want a murder committed, it only cost them \$1,000 and a 1 way jet ticket to a communist country. You can see that, if that is true, you will, probably, never know what individual who pulled the trigger-- Do you know who shot the Hungarian who had a \$17,000 a yr. job with the U.N. and was ready to testify.?

FBI File No. 44-38861  
Lab. No. D-680515052 JK

Specimens received 5/15/68

- K271 Three pieces of paper each bearing three sample laundry tapes, Serial No. 33607, obtained from Colesville Cleaners, Silver Spring, Maryland
- K272 Yellow piece of paper bearing two sample laundry tapes obtained from Waldorf Laundry, Waldorf, Maryland
- K273 White card bearing three sample laundry tapes obtained from Lustre Cleaners, Suitland, Maryland
- K274 White card bearing three sample laundry tapes obtained from Morningside Laundry, Hyattsville, Maryland

Result of examination:

It was concluded that the machines used to prepare specimens K271 through K274 were not employed to prepare the laundry tapes appearing on Q69 and Q70 and that the machines designated K272, K273 and K274 were not used to prepare the laundry tapes appearing on Q97 and Q99. Differences were noted between the laundry tapes represented by K271 and those appearing on Q97 and Q99 but the lack of identifying features precluded a definite opinion from being reached.

K271 through K274 have been retained.

Honorable Sir,

I hope this letter reaches you  
and you are in the best of health.  
When I left Detroit last June, 22, 67,  
I did not know where to contact you.  
I served as a private under your

If you want to contact me for  
any reason my permanent address

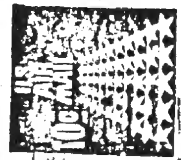

below.

As I write this letter I am  
moved to enclose a clipping  
from our local paper and add  
to it that Saturday<sup>(20)</sup> about 2:00 PM  
at the Chicken Shack or at least  
(out by Olthop and Dr. Longman where  
fried chicken is sold), I heard three  
men talking and one answered Ray  
description. This one said he would  
not sue and what was the paper  
saying. I am not going to the

previously from Columbus, Ohio visited he and his wife. After departing their residence, he returned East traveling through the state of Texas. It is Mr. SEAMAN's recollection that GUY MARINI telephoned he and his wife from Texas during the middle of December, 1967. The present whereabouts of GUY MARINI is unknown to Mr. SEAMAN.

On 5/7/68, PAMELA DOBERSTEIN, [REDACTED], San Diego, California, advised that she and her parents reside at this address and have telephone number [REDACTED].

According to PAMELA DOBERSTEIN, she has an uncle, a brother of her mother, named NORBERT VILLAFLO, who formerly resided at [REDACTED], Vidor, Texas. Miss DOBERSTEIN recalls the family received a telephone call from NORBERT VILLAFLO during the middle of December, 1967.

The present whereabouts of NORBERT VILLAFLO are unknown to Miss DOBERSTEIN and her family since he has departed Vidor, Texas.

Photographs of RAY were displayed to PAMELA DOBERSTEIN and RUDOLPH SEAMAN and both advised the subject is unknown to them.

The following investigation was conducted by SA [REDACTED] on 5/7/68:

On 5/7/68, SOLEDAD GONZALEZ, [REDACTED], Valley Centre, California, advised her parents, MATTHEW and EVA CARRILLO, reside adjacent to her and that telephone number [REDACTED] is assigned to their residence. She further stated that her brothers, JOSE and RICHARD CARRILLO, ages 17 and 19, and her sister, MARIA, age 21, also reside at her parents' residence.

On 5/7/68, EVA CARRILLO advised she is unable to speak English and consequently was interviewed with the assistance of her daughter, SOLEDAD GONZALEZ. Mrs. CARRILLO stated that she generally is the only individual in the household during daylight hours and that she is unable to recall having received a telephone call from Texas in December, 1967. She stated, however, that it is possible that she did receive such telephone call and is unable to

recall it. She further advised that if the caller had spoke in English, she would have been unable to correspond and would have consequently quickly terminated the conversation and probably not recall it. Also, that if the caller had dialed a wrong number, she probably would not recall this.

All the members of the CARRILLO household consisted of JOSE, RICHARD, MARIA, and Mr. MATTHEW CARRILLO were interviewed and all advised that they have no recollection of receiving a telephone call from Texas in December, 1967. When questioned regarding friends, relatives, and associates possibly residing in the state of Texas, they all advised they have relatives residing in El Paso, but that since they are on an extremely low economic level, they do not believe they would have attempted to telephone them.

MARIA CARRILLO, upon interview, stated that during the latter part of December, 1967, including December 17, 1967, her brother, ANTONIO CARRILLO, a Catholic priest from Mexico, was visiting with her and her family and that the possibility exists that he received the telephone call. She stated he is currently residing at Casa Parroquial, Tenajapa, Chiapas, Mexico.

An additional copy of this airtel is being furnished the Bureau for transmittal to Legat, Mexico, so that Father, ANTONIO CARRILLO, presently residing at Casa Parroquial, Tenajapa, Chiapas, Mexico can be contacted to determine if he received a telephone call during the middle of December from the state of Texas while visiting his sister at Valley Centre, California.

A photograph of subject RAY should be displayed to Father CARRILLO to determine if subject RAY is known to him in view of the fact that subject RAY has a past history of travel to Mexico.

**MURKIN**

OO: MEMPHIS (44-1987)

In connection with the captioned case there has been speculation that James Earl Ray concocted the alias of Eric Starvo Galt by combining the names of characters from books by Ian Fleming and from a book "Atlas Shrugged" by Ayn Rand. This speculation is based on the fact that in the James Bond books by Ian Fleming there is a character named Ernst Stavro Blofield and in "Atlas Shrugged" there is a character named John Galt, as well as one named Eric Starnes. Ernst Stavro Blofield is a formidable person, John Galt is a "social drop out" and Eric Starnes is described in the book as a "whiner" from a low-class family.

In view of the above and in order that Agents handling this investigation can be alert to the possibility of Ray's utilizing an alias based on characters in Fleming's books, there is set out as an attachment to this airtel a list of various characters in those books for your assistance.

This case involves the murder of Martin Luther King, Jr.

We have obtained from Modern Photo Bookstore, New York City, an undated order coupon signed Eric S. Galt. This apparently was mailed by Ray in September, 1967, when he was living in Birmingham. A latent fingerprint developed on this coupon is identical with the left thumb print of James Earl Ray. This is the first instance in which an Eric Galt signature has been directly connected to Ray by fingerprint identification, although Ray's fingerprints have been previously identified with latent fingerprints on various items of evidence recovered in this case.

The above order was for "Focal Encyclopedia of Photography" containing 2,000 entries by 197 experts covering every aspect of photography. By letter dated 9/26/67, Ray, as Galt, wrote that he was moving and the book should not be shipped until he furnished his new address. The company believes the book was never shipped although payment of \$8.95 was received with the order coupon.

*[REDACTED]* who knew Ray at Missouri State Penitentiary, has been reinterviewed and furnished the following information.

As "walk boy", Ray had free access to *[REDACTED]* cell block. Ray was a representative for one of the daily cigarette lotteries in the prison, collecting bets and paying off winners. *[REDACTED]* never saw Ray handle narcotics or other contraband.

On the one occasion that Ray mentioned a "Business Mans Organization" that had allegedly offered \$100,000 to kill people like King, *[REDACTED]* asked Ray just what this organization was and Ray replied, "I don't know but I will find out." Ray *[REDACTED]* always worked alone to minimize the possibility of being caught and said he had a place picked out where he could hide.

Memorandum to Mr. DeLoach  
RE: MURKIN

When [REDACTED] was in jail en route to Missouri State Penitentiary he met a four time loser named [REDACTED] who advised him to join Cooley's organization to obtain the protection they offered in prison.

[REDACTED] later saw [REDACTED] in the penitentiary and gave him \$10 for membership in Cooley's organization. [REDACTED] Ray delivered a membership card and explained to [REDACTED] that it could also be used as a credit card for candy and similar items but not for betting.

On two or three occasions [REDACTED] had disputes with other prisoners over cigarette wagers. He appealed to [REDACTED] as a representative of Cooley's organization and [REDACTED] agreed to handle his complaints but told him there was a fee of 50% of the amount collected. [REDACTED] agreed and each time he filed a complaint with [REDACTED] Ray later brought [REDACTED] his share of the cigarettes that had been collected.

[REDACTED] denies any knowledge of Ray subsequent to his escape but states that in any event he would have no interest in the posted rewards due to his fear of Cooley's organization.

On 5/9/68 John Acord, Chairman, American-Southern Africa Council, Washington, D. C., made available the following letter he received from the subject.

"12/28/67

"DEAR SIR,

"I RECENTLY READ AN ARTICLE IN THE L. A. TIMES ON YOUR CONCIL, THE LOCAL JOHN BIRCH SOCIETY PROVIDED ME WITH YOUR ADDRESS. MY REASON FOR WRITING IS THAT I AM CONSIDERING IMMIGRATING TO RHODESIA, HOWEVER THEIR ARE A COUPLE LEGAL QUESTIONS INVOLVED.

"ONE: THE U. S. GOVERNMENT WILL NOT ISSUE A PASSPORT FOR TRAVEL TO RHODESIA.

"TWO: WOULD THEIR BE ANY WAY TO ENTER

Memorandum to Mr. DeLoach  
RE: MURKIN

"RHODESIA LEGALLY (FROM THE RHODESIAN GOVERNMENT POINT OF VIEW).  
"I WOULD APPRECIATE ANY INFORMATION YOU COULD GIVE ME ON THE ABOVE SUBJECT OR ANY OTHER INFORMATION ON RHODESIA.

"SINCERELY

ERIC S. GALT  
1535-N. SERRANO  
LOS ANGELES, CALIFORNIA  
90027"

It is noted the letter is in error in stating the U. S. Government will not issue a passport for travel to Rhodesia. The United States has never limited travel to this country.

Acord advised he was in Rhodesia when the above letter was received and his secretary replied with a form letter enclosing Rhodesian literature.

Acord recalled that when he was in Los Angeles in November, 1967, a man asked him about emigrating to Rhodesia but after viewing Ray's photographs Acord said this man is not identical with the subject.

Acord advised in March, 1967, that the purpose of the American-Southern Africa Council is to convince the U. S. Government its African policy is incorrect and that more friendly relations should exist between the United States and Rhodesia, South Africa, Angola and possibly Gambia.

[REDACTED] requested his identity be protected and advised he has a copy of the letter furnished by Acord. [REDACTED] is reviewing his files for any further reference to the subject and will provide us with any additional information he may find.

[REDACTED] offered all possible cooperation on behalf of his Government but asked that a formal request be made for any cooperation desired and requested that no publicity be given to either

the request or any information provided by the Rhodesian Government. [REDACTED] suggested the United States might wish to present its request through the American Consulate at Salisbury, Rhodesia, and requested he be advised as to the manner in which any request is made.

ACTION:

Liaison Section will arrange with the State Department for a supply of Wanted Flyers and Identification Orders to be forwarded the American Consulate in Salisbury, Rhodesia, with a request that it be determined from the Rhodesian Government whether the subject has been in that country, whether the Rhodesians have any further information concerning him and that appropriate stops be placed so that we will be immediately advised of any future information concerning the subject. The State Department will be specifically advised of [REDACTED] request that no publicity be given to our request for the cooperation of the Rhodesian Government or any information they may provide.

All other phases of this investigation continue to receive vigorous attention.

Confidential source, whose reliability has not been established, advised that he was received in the Missouri State Penitentiary during [REDACTED] and was immediately placed in quarantine for a thirty-day observation period which is required of all new prisoners and thereafter he was assigned to [REDACTED] and scheduled to work in [REDACTED]. In this connection, the source stated that there is only one inmate to a cell and that the Missouri State Penitentiary has five halls within the prison wall which house prisoners.

The source said that while in [REDACTED], during [REDACTED] he first became acquainted with JAMES EARL RAY, [REDACTED] who worked daily [REDACTED] as a "Walk Boy." The source explained that the duties of JAMES EARL RAY as a "Walk Boy" were to take orders for cigarettes, gum, candy, etc., which could be purchased within the prison and to bring hot water for shaving and instant coffee to the inmates. The source added that JAMES EARL RAY was the only "Walk Boy" [REDACTED] and further that he was free to contact any inmate and could move throughout the hall freely. He pointed out that this was RAY's only duty in the hall and that he could remain inside during working hours, having no other assignments.

[REDACTED]  
[REDACTED]  
[REDACTED] The source advised that RAY asked him [REDACTED] if he was from the State of Alabama to which he replied he was [REDACTED]  
[REDACTED]  
[REDACTED]  
[REDACTED]  
[REDACTED]

[REDACTED] he mentioned beer joints like the All State Tavern, another beer joint which source believed was Rose's Place and Riverview Cafe.

ENCLOSURE

RAY said that he had visited or stayed in the Birmingham, Alabama, area in the past; however, RAY never mentioned any associates, acquaintances, friends, relatives or employments in the State of Alabama. The source advised that this conversation ended with RAY [REDACTED]

[REDACTED]

The source said that RAY never discussed his family nor did he ever indicate from which part of the United States he came from, but the source believed that RAY was from the southern part of the United States only because RAY never indicated where he was from [REDACTED]

[REDACTED]

The source said that RAY was a very quiet individual, soft spoken, calm, clean, never laughed or enjoyed a good story, solemn face, and remained to himself most of the time. The source advised that he would often see RAY in the prison yard and on occasion attempted to strike up a conversation with RAY, but he never appeared interested so the source gave up trying to make conversation with RAY.

The source said that the only topic which would arouse RAY's interest was the subject of money. The source

stated that on one occasion during a conversation with RAY, RAY said "One of these days if I ever get out of here I am going to make myself a bunch of money." When source asked how he intended doing this, RAY replied he had contacts and there are more ways of making money than robbing banks. Source then asked RAY what his plan was, to which RAY replied "The Businessmen's Association has offered \$100,000.00 for killing MARTIN LUTHER KING and he's five years past due." The source stated he then asked RAY what the Businessmen's Association was, to which RAY replied "I don't know but I will find out." The source added that this was the first and last time RAY ever mentioned MARTIN LUTHER KING nor did he ever again mention the Businessmen's Association in his presence.

The source said that RAY told him that he always worked alone and therefore limited the possibility of being caught and said "I have got a place picked out where I can hide," never mentioning where the place was located.

The source stated there was a prison cigarette lottery going on almost daily [REDACTED] and that RAY was involved in this lottery, delivering wagering tickets as well as picking these up and would deliver the winnings to inmates each night. He said there were two separate lotteries in [REDACTED]. One lottery was run by two inmates named [REDACTED] and another individual from St. Louis, Missouri, name unknown. The source described this individual as [REDACTED]

[REDACTED] The source said the other lottery [REDACTED] was run by an individual [REDACTED] and described him [REDACTED]

The source said that he did not like [REDACTED] wagering odds so he always placed his wagers with [REDACTED] The source stated that [REDACTED]

RAY would always handle the wagers since he could talk to any inmates in the cellblock and was reimbursed by [REDACTED] and [REDACTED] for this service. Source estimated that there were approximately two dozen lotteries being operated in the Missouri State Penitentiary, which consisted of five separate halls housing the prisoners.

The source advised that he never saw RAY run narcotics or handle contraband at any time and on one occasion RAY showed him his arms to prove that he had never been addicted to narcotics. The source added that he never observed RAY with any large sums of money.

The source advised that there was an organization being operated at the Missouri State Penitentiary by the inmates and this organization was called "Cooley's Organization." The source said that this was a protection and enforcer organization and that while en route to the Missouri State Penitentiary he first became aware that such an organization existed. The source advised that he [REDACTED] [REDACTED] became acquainted with a prisoner, [REDACTED] whom he described as a "four time loser." The source said that [REDACTED] [REDACTED] had previously served time at Missouri State Penitentiary and was being returned to this penitentiary. The source said that when [REDACTED] learned that he also was en route to the Missouri State Penitentiary, [REDACTED] advised him to join the Cooley's Organization at the Missouri State Penitentiary since he would need to get along with other prisoners and be being a member of this organization, he would obtain "special favors." The source said that [REDACTED] informed him that the Cooley's Organization would settle any grievances he may have while at Missouri State Penitentiary against other prisoners and that this was a very powerful organization, having influence with guards and could even, for a price, arrange "a murder."

The source advised that after his release from quarantine, he again observed [REDACTED] who was then working in the mess hall at the Missouri State Penitentiary. The source advised that he then approached [REDACTED] and told [REDACTED] that he desired to join the Cooley's Organization and at this time gave him a \$10.00 canteen book, pointing out that the membership fee to join the Cooley's Organization was \$10.00 and that this membership fee would make an inmate a paid up member as long as he was in prison. The source advised that [REDACTED] told him that he would obtain his membership for him [REDACTED]. JAMES EARL RAY came to his cell and gave him a card saying "Here is your card," and nothing else, and therefore he always felt that RAY was a member of the Cooley's Organization since he was so trusted. However, RAY never said to him that he was a member nor did he ever ask him.

The source said that his membership card was type written with his name on it and had the heading "Membership Cooley's Club." The source said that this membership card was like a credit card and it could get an inmate credit on purchases of candy and other sundries but could not be used for credit purposes on lotteries.

The source advised that he had two or three differences with prisoners over wagers [REDACTED] and upon getting no satisfaction, he personally contacted [REDACTED] in the mess hall at which time he displayed to [REDACTED] his membership card and filed his grievance with [REDACTED]. The source stated that [REDACTED] informed him that he would handle this complaint; however, the fee for handling his grievance was 50% of what was due a prisoner. The source added that subsequently RAY appeared at his cell [REDACTED] with his share of the cigarettes collected from his grievance.

The source stated that [REDACTED] was later transferred [REDACTED]  
[REDACTED]  
The source said that prior to [REDACTED] departure, [REDACTED]

contacted him and instructed him who to see in the future to take complaints should he have any additional grievances. At this point, the source pointed out that most grievances would be placed either at the mess hall or the prison yard, noting that only during these periods of time all the inmates from different halls could talk with each other. The source added that he was unable to furnish any description of name of the individual he was instructed to contact in the mess hall after the departure of [REDACTED] since he had no further complaints [REDACTED]

The source stated that the Cooley's Organization was operating when he arrived at the Missouri State Penitentiary and was still doing business when he departed and he felt that this operation had been started and maintained by old cons who are now trustees and who reside in A Hall, which is the trustees' barracks. He added that he personally feared the power of the Cooley's Organization as did other inmates and in his opinion, he personally felt they could render retaliation regarding him if they became aware that he gave information concerning their organization.

The source said that during the time RAY [REDACTED] had attempted an escape which was unsuccessful and thereafter he never saw RAY again [REDACTED]. He said that [REDACTED] he did hear that RAY successfully escaped from the Missouri State Penitentiary by hiding himself in a bread truck.

The source was asked if there ever circulated at Missouri State Penitentiary a rumor concerning the killing of three Negro inmates and if RAY's name was ever mentioned as a suspect or being involved in these killings. The source said that he did learn that when prison authorities first tried to integrate the prisoners, four white men with pillowcases over their heads waited

could possibly furnish additional information concerning RAY were [REDACTED] cell [REDACTED] and [REDACTED] cell [REDACTED]

Source advised that another inmate, name unknown, who occupied cell [REDACTED], was a lottery player. Another inmate, name unknown, nicknamed [REDACTED]

This source was displayed numerous photographs of JAMES EARL RAY and advised that all photographs bear a close resemblance to RAY; however, he specifically identified the photograph of JAMES EARL RAY taken at the Missouri State Penitentiary during the time he was incarcerated. The source said that he would have no difficulty in identifying RAY should he ever see him again, even if he attempted to disguise his identity; giving as his reasons that RAY was definitely "slough-footed" and his toes pointed out noticeably when he walked causing his heels and soles to wear down on the outside edges. He has a prominent cleft on his chin, which is noticeable and remarked that RAY liked his booze and that he had the impression from talking with him that he was a heavy drinker. The source also added that in his opinion from his knowledge of RAY in prison that he thought RAY had a normal sex life.

The source advised that the only other person that he knew that RAY might have been closely associated when in prison was a full-blooded Indian prisoner who was the barber [REDACTED] but whose name he could not recall. The source stated that he definitely had not been contacted by RAY since he has been released from prison [REDACTED] and stated that he would notify the Birmingham FBI Office if RAY ever attempted to contact him in any way or manner in the future.

Result of examination:

Although little in the way of comparable letters is present, differences were noted between the "H. J. Schumacher" signatures on Q331, Q332 and Q333 and the Carl Ray signatures on Q328, Q329 and Q330 and between these signatures and the known writings of JAMES EARL RAY.

It was determined that the questioned hand printing on Q322 (Frontier Airlines temporary credit card #31088) and that appearing in the lower right-hand portion of the Q328 transportation receipt were prepared by the same individual.

~~\_\_\_\_\_~~, La Habra, California, advised SA's ~~\_\_\_\_\_~~ and ~~\_\_\_\_\_~~ on 5/9/68, that he is an employee of ~~\_\_\_\_\_~~ at ~~\_\_\_\_\_~~ La Habra, California. He stated that on the morning of 4/10/68, at approximately 9:00 or 9:30 a.m., he was having some work done on his automobile in the Texaco Station at the corner of Central Avenue and Beach Boulevard in La Habra, California. While there a young man driving a very old Chevrolet, possibly a 1952 or 1953 model, two-door sedan, parked his automobile near the service station on Highway 39 heading north. He got out of the car and walked to the service station and asked for the keys to the rest room. He was in the rest room approximately one minute, hung the keys of a nail inside the service station, walked back to his car, and left. ~~\_\_\_\_\_~~ stated that this car was in very poor condition and that he had difficulty starting it.

~~\_\_\_\_\_~~ described this individual as being approximately 34 years of age; 6'2"; 160 pounds; brown hair, cut very short in a crew type cut; very palid complexion; and as wearing a dark pullover sweater with tight pants and boots. ~~\_\_\_\_\_~~ stated that this individual was also wearing a cap very low on his forehead, appeared to be fervid, and to be very dangerous.

[REDACTED] He advised that RAY came to MSP with a man by the name of RAY PRUITT.  
[REDACTED]

[REDACTED] advised that PRUITT and RAY may have met in St. Louis, Missouri, [REDACTED] stated PRUITT knows RAY [REDACTED]

He advised that when PRUITT and RAY arrived at the penitentiary [REDACTED] PRUITT and RAY lived in "K Hall" [REDACTED] PRUITT in effect, was RAY's sponsor. [REDACTED] advised that RAY worked in the bakery. [REDACTED]

[REDACTED] examined the photographs and drawings of RAY and stated that the drawing of RAY in which his eyes were open is not a good likeness in that it completely changes the appearance of RAY's eyes which are smaller and more slanted. [REDACTED] consisted of the following individuals:

- (1) JAMES EARL RAY
- (2) RAY PRUITT
- (3) [REDACTED]
- (4) [REDACTED]
- (5) [REDACTED]

He advised that [REDACTED] the five of them, had "a little thing going for them" in that they were selling amphetamine pills and other stimulants to inmates at the prison.

He stated that while he was confined to the penitentiary, that they had a semi-riot at the jail as prison authorities sought to integrate the prison and as a result, a few Negroes were stabbed and that the jail was not integrated while he was there.

SF 173-65  
MTG:bja

[REDACTED]

He advised that he figures that they made about \$1,000 a month or more selling these pills each month. He advised they paid a guard \$100 to bring the jar in and after expenses, cleared about \$1,000 a month.

[REDACTED] stated that RAY is a very quiet individual. He stated he did not know what RAY's opinions were of Negroes.

He advised RAY had a friend who sent him some narcotics. He advised he did not know any more than this about that matter.

[REDACTED] advised that RAY was close-mouthed and never discussed anything with anyone, particularly he would not discuss any ideas or plans he had about escaping.

He described RAY as having a quick temper and a violent temper, but believed that RAY was in sufficient control of himself not to let his quick and violent temper unmask him. He said it was his opinion that if somebody got into an argument with RAY about something that RAY would control his emotions so as not to attract attention to himself, but he stated RAY was the type that would and could lay for the guy and later give him a good working over.

[REDACTED] stated, "I do not believe RAY would go to booze." He advised it was his belief that RAY liked narcotics but not hard stuff, and that he would probably just use the stimulant type. He advised that RAY could handle narcotics "real good."

He stated he did not believe that RAY at this time would engage in the sell of narcotics in view of the fact that he is an escaped convict.

[REDACTED] later stated, "RAY doesn't like Negroes. I believe

SF 173-65

MTG:bj

RAY is capable of killing KING. RAY could plan it." He added it was his speculation "he must have had help." He stated, "I don't believe RAY killed KING. I couldn't see RAY getting into that bag as he was an escapee."

[REDACTED] advised that he never met any of RAY's family or friends from the outside while they were in jail and RAY never met any of his family or friends from the outside either. He stated, "I have no idea where RAY may be. I have no knowledge of RAY's outside connections. I believe RAY could have saved about a good sum of money from his share of the profits of the sale of amphetamine." He advised in the event RAY was going to escape he believes the other people in the clique would loan or give RAY as much money as they had available to them. He advised that RAY used to read about foreign countries in his cell. He advised that PRUITT, [REDACTED], worked in the library and would bring the books to RAY. He advised that [REDACTED] are still in MSP. He advised he does not know where PRUITT is.

[REDACTED]

He advised that all four of them had been in MSP at one time or another and he believed that [REDACTED] and [REDACTED] might know RAY. He advised that [REDACTED] is in Folsom Prison, [REDACTED] is in Mc Neil Island and [REDACTED] and is confined in [REDACTED] in the State of California.

A surveillance was thereafter undertaken for the remainder of the morning and the "look-alike" did not reappear in the lounge. [REDACTED] thereafter made arrangements with [REDACTED] to immediately contact the Alexandria Resident Agency of the FBI, should the individual be seen or an automobile be observed.

[REDACTED] reflected that there are 108 units in this motel, and it is impossible to acquaint himself with each of the guests. He stated that he would remain alert and keep the newspaper photograph available at the front desk, should this man reappear.

findings. A review of repair records can be made, however, approximate time involved would be 40 Agent hours at each of seven regional centers and possibility exists that projector could be serviced at 34 shops recognized by company to do repairs. If seven centers to be checked, the company could direct letter prior to Agent contact. The Buffalo Office is being requested to ascertain if appropriate stops can be made with the company for future repair orders.

Mr. BRUCE RAE, Consul, Australian Consulate General, 350 Post Street, San Francisco, on 4/30/68, advised that there was no way of determining who called the Australian Consulate from Los Angeles, California in December, 1967. He advised a check of the records of the Consulate did not disclose any reference to RAY under his name or aliases.

On 5/1/68, it was determined that telephone number 365-9763 was a public coin-box phone in a booth outside the Whipple Avenue Lodge.

Mrs. ROBERT FAEZ, Temporary Manager, advised on 5/1/68, that the records of the motel did not indicate that RAY had registered at the lodge on 2/19/68 using his name or any of his aliases. She advised the photograph of RAY was not familiar to her.

NICK A. CORN, Owner, Whipple Avenue Lodge, on 5/2/68, advised after reviewing the register of guests for 2/19/68, stated that he knew most of those registered on that date as they were frequent guests of this motel and none of them resemble RAY in any respect.

HELEN GUILLES, formerly HELEN JOLICOEUR, [REDACTED], Redwood City, on 5/1/68, advised she received no calls from the Los Angeles area on her phone. She suggested that a former tenant, RON FORBES, might be able to furnish some information.

RON FORBES, [REDACTED], San Francisco, Calif., on 5/2/68 [REDACTED] advised he does not recall receiving telephone calls on the dates in question. He advised his former wife who resided in Los Angeles did call him about the pertinent time. He stated she was in Miami, Florida at this time, not in Los Angeles.

RON FORBES on 5/7/68, advised that since furnishing the above information, that he checked some records and determined that the telephone calls in question were

SF 173-65  
MTG:bj

undoubtedly telephone calls he received from his estranged wife [REDACTED]

[REDACTED] He said that on one occasion when his wife called him at his residence, that he suggested she call him at a pay phone located in the neighborhood. He stated that the pay phone was located in the vicinity of the Whipple Avenue Motel.

FORBES advised that the names JAMES EARL RAY or ERIC STARVO GALT mean nothing to him and he only knows of them because he read about them in the paper.

On 4/30/68, FRED DAHL advised he has not received any telephone calls from Los Angeles but suggested that a younger man by the name of ROBERT FRASER, who lived with him at one time, might have received these calls.

On 5/4/68, FRASER <sup>EMPLOYED by VILLAGE CAB</sup> advised that in February, 1968, he received several telephone calls from Los Angeles, Calif. from his sister JULIE WANDREY. He advised that he had no idea from what telephone these calls were made.  
[REDACTED]

On 4/30/68, LEONARD A. WIDEN, [REDACTED] San Jose, Calif., advised there is no one in the family named LENORE and further advised he does not recall receiving a phone call and does not know RAY or GALT.

On 5/2/68, LEONARD WIDEN advised that he had determined that his wife's sister, HARRIET COLLASINO, of New York City flew into Los Angeles on 2/19/68 to visit her mother. He advised the mother had no telephone and Mrs. COLLASINO placed a long-distance call to his residence in San Jose on the same evening from a public phone.

RE : MURKIN  
CIVIL RIGHTS - CONSPIRACY

Remycab 4/21/68 captioned JAMES EARL RAY, aka, CIVIL RIGHTS ACT, 1964.

On 4/23/68, immediately after receipt of the 4/19/68 news release issued at Washington, D. C., Legat furnished the new release and photographs to the National Police Agency of Japan (NPA), Tokyo, and the Tokyo Metropolitan Police Department (TMPD). These agencies subsequently made their own release to the effect that they had been asked to be alert to the possibility that the subject might travel outside of the U. S. It was stressed that there was no indication that the subject in fact traveled to Japan.

This material has also been made available to appropriate Chinese and Korean authorities.

News media in Tokyo territory have given a great deal of attention to the KING matter initially, and when the Japanese authorities made their announcement, the next day the story with photograph was again run prominently.

NPA has since gotten out their own circular for display in police stations Japan-wide. They are most eager to conduct all investigation necessary in order to assist in the location of subject. They made it very clear that at the first evidence subject may be heading for Asia, they be immediately notified as they have a Phase #2 plan set up which will entail more specific investigative steps. They were assured that this would be done.

Re: [REDACTED]  
SENATOR ROBERT KENNEDY - VICTIM;  
H. RAP BROWN - VICTIM  
STOKELY CARMICHAEL - VICTIM

On April 30, 1968, [REDACTED], residence address [REDACTED] Spokane, Washington, was drinking at Casey's Gay 90s, 457 Northtown Shopping Center, Spokane, and engaged in a conversation and had a few drinks with an individual who identified himself as [REDACTED]. The conversation got around to racial problems in the United States and [REDACTED] indicated he was from the South and subsequently said he would pay STANLEY \$10,000 to kill RAP BROWN or STOKELY CARMICHAEL. He mentioned the Ku Klux Klan and the Minutemen and said "we" will furnish cars or planes for carrying this out and any kind of gun wanted. [REDACTED] then said "The mark has been put on RAP BROWN, STOKELY CARMICHAEL and ROBERT KENNEDY." He then gave [REDACTED] a business card from [REDACTED], Spokane, and on the back wrote [REDACTED] then "Yes", "No" and "Where". [REDACTED] said he could be called at that place and that [REDACTED] was simply to answer "Yes or No" and where he could be contacted.

[REDACTED] said [REDACTED] had been drinking but did not appear to be drunk. [REDACTED] reported this matter several hours later and admitted he had been drinking.

[REDACTED] advised [REDACTED] was employed by him as a salesman on March 23, 1968, but that he has not seen him for about a week, that [REDACTED] owes him about \$150.00 for merchandise, and reportedly is doing a lot of drinking. He said [REDACTED] is a "blow hard" and that he recalls that when Dr. MARTIN LUTHER KING, JR., was killed [REDACTED] had remarked that he had been offered \$5,000.00 to do this job four or five years ago. [REDACTED] said [REDACTED] had previously been employed by [REDACTED], Spokane.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

Records of Snelling and Snelling, East 9822 Sprague, Spokane, showed his address as [REDACTED] Spokane; wife [REDACTED] and a daughter, 13, and a daughter 19. He showed employment in October, 1967, at [REDACTED] Spokane; in May, 1967, with [REDACTED] Seattle, Washington; May, 1965 to February, 1967, with [REDACTED] of California, [REDACTED] San Francisco, California; January, 1960 to May 1965, with [REDACTED] Los Angeles, and from 1954 to 1960 with [REDACTED] Los Angeles. [REDACTED] claimed two years college at the University of Alabama from 1957 to 1959 and service in the U.S. Navy from 1948 to 1952.

Specimens received 5/9/68

Q334 One-page typewritten letter dated 12/28/67, beginning  
"Dear Sir, I recently read an article in the..." and  
signed "Eric S. Galt"

Result of examination:

The typewritten impressions appearing on Q334 are the same style as those appearing on items previously received in this case attributed to Eric S. Galt. It can not be determined whether the same typewriter was employed to prepare all of these items because of the lack of significant identifying defects; however, no significant differences were noted.

It was determined that the "Eric S. Galt" signature on Q334 was prepared by the writer of signatures in this name appearing on other items previously submitted.

Specimen Q334 has been retained.

Re Bureau airtel to Los Angeles 5/7/68.

Re [REDACTED] - Complainant

For information Birmingham referenced Bureau airtel included a letter from [REDACTED], Fontana, California, in which she stated that an old man, who has second sight, told her the man who killed Dr. KING was still in Memphis, Tennessee, within three blocks of the murder cite, that his name is [REDACTED], and that he had a slight limp in his right leg.

[REDACTED] Fontana, California, advised SA [REDACTED] 5/9/68, that within three or four days after Dr. KING was murdered she had attended a second hand auction at Chino, California. While there, she met an old man, identity, address, and present location unknown, who told her in conversation regarding the KING murder that he had had a vision shortly thereafter and in his vision saw the man within three blocks of the place of the murder. Further the nam had a slight limp in his right leg and was going by the name of [REDACTED]

[REDACTED] stated she had not reported this until 5/1/68, when she had directed a letter to the Bureau setting forth these facts. She said that she would have no way of identifying the old man, whom she had talked with, whom she described as being approximately 80 years of and quite feeble.

Until resently I have had a great deal of respect for the Federal Bureau of Investigation. I have often said that whe the FBI put a net out for any one he could stop running for surely he was about to be caught.

I still think you are a very efficent agency, but since you intered the search for the person who killed Dr. Martin Luther King, I have lost all respect for you.

I don't believe you are looking for the real murderer. I think you're looking for a patsy -- like Oswald.

Sooner or later you'll come up with you perfect "fall guy."

I predict it will be someone who has a perfect alibi for Nov. 22, 1963 -- most likely someone who was in prison at that time. I predict further that he will be mentally retarded and either caught or wanted for some other crime. That way he will probably never be brought to trial for the murder of Dr. King.

And so while the FBI are playing Hide and Go Seek with someone who by now could be in Egypt, there is someone who conspires to get rid of persons whose performance they do not like, by shooting them in the head.- This vicious killer is still running loose.

I would remind you that the Monster nearly always destroys its Maker. I would remind you further that sooner or later the FBI will turn in a performance they do not like and they will proceed to get rid of you.

JAMES EARL RAY

2 - Mr. McDonough

James Earl Ray is being sought in connection with the murder of Martin Luther King, Jr.

On May 9, 1968, [REDACTED]

[REDACTED] Puerto Rico, advised that she was on vacation on the island of Curacao on April 25, 1968, and while having lunch in the Lido Restaurant, Curacao, between 12 noon and 1 p.m., she observed two men in the restaurant, one of which bore a striking resemblance to the newspaper photograph of James Earl Ray. She stated this person sat with his back to the wall at the second table to the right of the entrance doorway into the restaurant section of the Lido.

[REDACTED] stated she overheard this person ordering his meal and he had a very definite southern accent. [REDACTED] noted that she is of the Negro race and she felt she might have been prejudiced in thinking this individual resembled Ray. However, after careful thought and consideration, she feels that this person could very well have been Ray. [REDACTED] described this person as wearing slacks of unknown color and rumpled white shirt. According to [REDACTED] he was about 37 years of age, approximately six feet tall, 180 to 185 pounds, very dry sandy colored hair and complexion ruddy around the cheeks and nose. The only distinguishing feature of the person was a definite cleft in the center of his chin. This person had a fleshier face than that of Ray as indicated in newspaper photographs.

[REDACTED] advised she had not seen the person described either before or after the encounter on April 25, 1968, and she could not furnish any additional information.

You are requested to conduct any logical and appropriate investigation at Curacao in order to possibly resolve the identity of the person observed by [REDACTED].

By teletype Friday, 5/10/68, Washington Field Office (WFO) proposed to the Bureau a program involving review of the files of the Passport Office, U. S. Department of State, in an effort to identify a possible passport application that may have been made by the subject in a name other than his own or known aliases he has used. Such a review would involve examinations of photographs appearing on the applications, typewriting, possibly hand printing and the amount of script involved in the applicant's signature. Such a program involves literally thousands of documents. General Investigative Division has approved this program.

WFO has requested the Laboratory's assistance in preparing a packet of writings, typewriting and photograph suitable for issue to each Agent participating in the survey that would facilitate the search. This material has been prepared along with a chart pointing out the more unusual characteristics involved in the handwriting, hand printing and typewriting attributed to the subject. In addition, Supervisor James H. Mortimer has met with members of the squad distributed the requested material, described and explained the characteristics they should look for and answered questions posed by them. WFO has been instructed that any applications selected by virtue of this screening should be promptly submitted to the Laboratory for an examination by our experts. Attached is one set of photographs depicting the material furnished to WFO Agents.

RECOMMENDATION: None. For information.

Dear Sir;

ON or about the 7 of Sept 1966 I was committed to the Biggs Building on order of the Cole County Circuit Court. On my arrival at Biggs Building I had with me my trial transcript and other legal papers valued at about \$300.00 I also had \$9.00 in commissary books. Mr. Perry said I could not take them to the ward that they would be kept in my personal property upon leaving Biggs bldg. Mr. Perry said they could not find them, and that they might have been sent back to the prison, the officials said they wasn't returned here either. I would appreciate it if you would have some one to see if they could find this property as I can't replace it. I know before I left the receiving office it was put in a desk drawer in the receiving office.

Thanks

Attached to the Bureau copies of this communication and to receiving offices are Xerox copies of two items which appeared in the Auckland, New Zealand press on the dates 3/14/68 and 4/30/68. These clippings had been received by Mr. BILL MOBLEY, a friendly reporter for the Birmingham Post Herald who had considered writing an article about them but after determining from the Birmingham Police Department that no CHARLES TAYLOR or THOMAS TAYLOR is employed as a patrolman, he discontinued his efforts.

Mr. MOBLEY made the news clippings available on the bare possibility that the overseas telephone calls may have been made by fugitive RAY. It is believed that the following action by Los Angeles is warranted.

company records the identity of the CHARLES TAYLOR who evidently completed a call to the Auckland, New Zealand Police Department at 5 AM their time on March 14, 1968, and if identity established will determine whether possibly identical with subject.

AT SANTA BARBARA, CALIFORNIA.

Will conduct similar investigation regarding the call to Auckland reportedly made on Sunday night (their time) 4/28/68.

# WHEN IN DOUBT HE ASKED A POLICEMAN

A San Bernadino (California) man, Mr Charles Taylor, apparently believes that the best way to find out something is to ask a policeman—even if it means a \$60 transpacific telephone call.

Mr Taylor rang the Auckland police at 5 a.m. today to ask about New Zealand and the living conditions here.

"I'm thinking of coming out to Australia or New Zealand," he told Senior Sergeant R. V. Downie, officer in charge of the communications section.

Mr Taylor wanted to know about the climate, the terrain, wages, prices,

taxes, jobs, hunting and fishing.

"I told him that we had a good climate and that in Auckland we've just had record temperatures for March," said Senior Sergeant Downie.

"I said there was little snow in the North Island but plenty in the high country of the South Island in the winter.

"I told him the country

was mainly farmlands—the best in the world — with a mountain range down the centre of the South Island.

## Enthusiastic

"He seemed enthusiastic when I told him about the fishing and hunting here."

For his \$60 Mr Taylor learnt that butter costs 28c a pound, shoes about \$10 to \$12, suits about \$30 to \$50 and that an average wage was \$40 to \$50.

He found out that there were about 6000 registered unemployed but plenty of employment vacancies were being advertised and a qualified man should have little trouble in getting a job.

Mr Taylor even wanted to know what was going to happen in Vietnam.

Senior Sergeant Downie said: "I don't know and there are a lot of important people about who would like an answer to that question too."

Senior Sergeant Downie added: "I don't think the call was just a rich whim as he finished up by saying he would have to go because the call was costing him a lot of money."

March 14/68

## Policeman calls NZ again (\$150)

America's phoning policeman was on the job again on Sunday night with another transpacific call to his Auckland counterparts for a discussion about New Zealand.

Patrolman Thomas Taylor, of Birmingham, Alabama, rang from Santa Barbara, California, where he is on holiday.

He spoke to Senior Sergeant R. V. Downie, in charge of communications, for 40 minutes, a call which would have cost him more than \$150.

He first rang Senior Sergeant Downie six weeks ago to inquire about conditions in New Zealand with the idea, he said, of immigrating.

Last night he was content just to have a friendly talk. He spoke of the

Wahine disaster, which he had heard about, and asked questions on the work done by the Auckland police.

Patrolman Taylor said it would be four or five years before he came to New Zealand, if he came, but said he would ring Senior Sergeant Downie three or four more times.

"I didn't ask him if he was married or had a family or how long he had been in the force," said Senior Sergeant Downie.

"I'll save that for next time."

In order to cover the possibility that subject may have died since commission of the crime, the U. S. Census Bureau and Department of Health, Education and Welfare were contacted and they advised that no central records of unidentified deceased are maintained by those agencies. It was suggested that each state may maintain such a record in their Bureau of Vital Statistics or similar agency.

There is no known Federal law requiring the maintenance of such information; and it is possible that if any record of unidentified dead is maintained, it would only be maintained at local police departments, morgues, medical facilities, or the like.

Each office covering state capitals should check to ascertain if such records are maintained, and if so, should check records for the period from 4-5-68, to date, for any information which might possibly identify subject Ray with unidentified deceased person over that period.

If there is no central record repository maintained in the various states or nationally in the case of Mexico and Canada, you should, in connection with your contacts with law enforcement agencies on this case or other Bureau matters, make appropriate inquiries relative to

True Bill

By CHARLES EDMUNDSON

According to widespread speculation at the Courthouse, the Shelby County Grand Jury has returned a murder indictment against James Earl Ray, sought as the slayer of Dr. Martin Luther King Jr.

The attorney general's office refused to confirm or deny that the grand jury at its session Monday indicted Ray, alias Eric Starvo Galt. So did Criminal Court Clerk James A. 'Bubba' Blackwell. Mr. Blackwell pointed out that Ray is not in custody and that he would be subject to a \$1,000 fine if he told of the indictment of a person not arrested.

The reference docket, which usually shows the name and offense of each person indicted, shows Indictment No. B-16645 was returned against someone for some offense. But places for the name of the person, the offense and the prosecuting witness are left blank. Only the date and signature of W. F. Bowld, grand jury foreman, are filled in.

A reporter who asked also to see the grand jury minutes book for Monday found minutes covering all the 107 indictments noted in the reference docket except B-16645.

Asked if Ray has been indicted, Robert Gunnar Jensen, agent in charge of the Memphis FBI office, said, "No comment — that's my stock answer."

Almost without exception, the clerk lets Criminal Court reporters see the full list of those indicted, specifying which ones are not in custody and requiring their names not be published. The exception made for B-16645 is the only one recalled in years. Until Monday at least the worldwide search for Ray, charged with shooting Dr. King with a scope-sighted rifle here April 4, had been conducted on the strength of a murder warrant issued in General Sessions Court.

To indict persons not in custody is customary procedure, although it normally would confer no advantage in a manhunt over a warrant. An assistant attorney general said, however, that an indictment might carry more weight in seeking extradition of a suspect from a foreign country.

Both the Criminal Court judges and the attorney general's office are looking ahead to the possibility Ray is alive and will be brought back here for trial. Precautions are stressed to assure the trial would leave no room for reversal of a conviction on grounds of improper publicity.

# FBI Hints Conspiracy Against King

By VICTOR RIESEL

WASHINGTON, May 8. — The FBI's central Martin Luther King desk, under the personal direction of J. Edgar Hoover, is operating on the hard theory that the Negro leader was the victim of a conspiracy of "several or more persons."

There are those high in the Justice Department, therefore, who believe that Eric Starvo Galt-James Earl Ray was a hired killer, heavily paid and amply supplied with cash. Most of this was in \$20 bills.

Evidence is piling up inside the bureau to justify investigation of a conspiracy beyond Galt and a man he said was his brother. This evidence moves the case swiftly beyond the conjectures of amateur detectives and dilettante criminologists.

Part of the evidence is the provable free flow of cash (some \$7,000) Galt-Ray was able to pour out whenever he wished. In addition to the white Mustang, the dance lessons and the bartenders school fee, the accused assassin criss-crossed this country in a manner no poor man could. The car has 19,000 miles on its speedometer.

Whether or not he drove, he is known to have lived well in cities so distant from each other that Galt-Ray would have had to have traveled more than 15,000 miles in the past nine or ten months.

Whoever planned his itinerary, his make-up, his aliases, had a novelist's imagination. Ray, for example, is (or was) a James Bond fan. "Eric Starvo" is one of Bond's suave characters. The name "Galt" was contrived by novelist Ayn Rand, who fashioned the "John Galt" in "Atlas Shrugged" after the late John Gall, one of the most prestigious of capital attorneys and once a power in the iron and steel industry.

So the pseudonym apparently not the creation of an illiterate, reflects a smooth fellow, suave and dynamic and a leader of men.

No one in the FBI or the Justice Department, despite weeks of questioning, would conjecture over the nature of the conspiratorial cell. It could be Klan-like. But it could be northern as well as southern.

One thing is certain. There's been a fantastic search. For example, every "John Willard", (Galt's Memphis board-inghouse alias) in the United States has been checked out.

Investigators don't put much stock in the interpretation that because Galt-Ray frequented Atlanta and Birmingham the conspiracy was centered in the Deep South. The probes believe that the white car and the Remington rifle were purchased and planted in such a manner that the leads would point southward.

ENCLOSURE

Galt-Ray had Chicago connections of some kind, it's believed. There is obvious evidence and there are leads which the authorities grimly refuse to discuss. The obvious leads are the letters which Eric Starvo Galt received from Chicago while living in the Birmingham rooming house.

The Bureau and the Justice Department, as well as Atty. Gen. Ramsey Clark, are silent because they think too much has been said already.

But there is no doubt that at least 3,000 of the FBI's 6,000 men and virtually all its 600 resident agents (placed so

that the FBI can get to any part of the nation in an hour) are working on the murder of Martin Luther King.

This is the second biggest manhunt in history — second only to the investigation of the John Kennedy assassination

when each of the Bureau's 6,000 agents was involved in some fashion.

Where is Galt-Ray? Of course he can be on any continent. But the prevailing Justice Department theory now is that the killer is in some tiny

hamlet or village — so small that big town dallies just aren't followed closely by all the residents.

So, the federals now are preparing to get the sniper's photo into those isolated clusters of rural communities. It worked once in a bloody murder case

years ago and the technique may produce results again.

What thought is there of the nature of the conspirators?

There's only conjecture. There are literally thousands of cells made up of men and women capable of planning

this murder. They are not all Klan operations either.

Many units have tiny "armies," storm troopers, arm band identifications, private uniforms. They drill in secret in lonely woods and curtained basements. They are in the heart of many big cities.

They are of all extremes. They would have the kind of money Galt-Ray spent and still not be wealthy. Or they could be provocateurs.

One thing is certain: The Justice Department believes it has evidence leading to a conspiracy.

Jerry O'Leary, [REDACTED] with "The Evening Star," has advised that he has been contacted by "The Reader's Digest" on the possibility of writing a story regarding the Martin Luther King case for the July, 1968, issue of "The Reader's Digest." O'Leary has been the author of two outstanding articles on the Director.

O'Leary said that the officials of "The Reader's Digest" still remember very vividly that it was an article in the November, 1960, issue of their magazine which led to the apprehension of Joseph Corbett, Jr. --the kidnap-murderer of Adolph Coors III. We, of course, cooperated with "The Reader's Digest" in the preparation of that article; and "The Reader's Digest" has told O'Leary that they are hopeful a similarly effective article concerning the fugitive in the King case can be published.

According to O'Leary, "The Reader's Digest" feels that the search for James Earl Ray contains many of the same elements as did the search for Joseph Corbett, Jr. --in that both cases involve a "loner" who used fictitious names and backgrounds to conceal true identity. With a multimillion circulation in the United States, Canada, Mexico and other countries, "The Reader's Digest" feels it may be able to stage a repeat of the success which followed its 1960 article on the Coors case.

If James Ray is still at large when the July, 1968, issue of "The Reader's Digest" goes to press, the magazine would like to publish an article setting forth brief facts of the King case and extensive data regarding Ray's background and character which might prove helpful in turning him up. If Ray is apprehended prior to mid-June, 1968, when the July issue of "The Reader's Digest" is printed, the magazine would, of course, change its approach to the article.

CORRESPONDENCE

# Leaked: A Warren-Type Probe Of Dr. King's Death

By LOUIS E. LOMAX

Special To The Times From North American Newspaper Alliance

LOS ANGELES — The search for the slayer of Dr. Martin Luther King Jr. is more than a manhunt for James Earle Ray, alias Eric Starvo Galt. For the search is that of a troubled nation trying to locate its soul, of a republic in search of its own value system.

Presidential aspirant Hubert Humphrey came close to the truth a few days ago when he said we are not lost, that we are a nation growing up and trying to find better ways. The assassi-

nation of Dr. King has intensified the search for better ways and I suspect there will be a good deal of foundation shaking, in high places at that, before the entire matter is put to rest.

I AM SPEAKING specifically of the Federal Bureau of Investigation and its director J. Edgar Hoover.

It is open public knowledge that Hoover deeply disliked Martin Luther King. He once referred to King as "the most notorious liar in the nation." Now Hoover is called upon to locate King's assassin.

There are few black people indeed who believe Hoover will work overtime in this search. The feeling is not without some foundation; either the FBI is inept or the bungling of the King case is intentional.

THE FBI issued a report that James Earle Ray took dancing lessons in New Orleans in 1964-65. The FBI's own files show that Ray was in prison at the time.

Somebody, somehow, managed to circulate the wrong fingerprints for Ray. Up until the latter part of last week the Georgia Bureau of Investigation had wrong prints for Ray; had he been arrested in Atlanta on the day he abandoned the white Mustang he would not have been identified as Ray.

The FBI has preempted local police from the case by declaring the King murder a conspiracy. Thus the full burden of the investigation rests with the FBI. It guards it jealously; King has been dead a month now and the FBI is yet to ask the cooperation of the Los Angeles Police Department. Yet Ray lived in Los Angeles for several months and it is known that he made at least three trips from Los Angeles to New Orleans and that he carried a Los Angeles man with him on one occasion.

It is also known that he associated with a mysterious girl who left Los Angeles to visit her relatives in the Middle West.

SHORTLY AFTER I discovered telephone booths in Los Angeles from which Ray allegedly made phone calls, the FBI moved in and confiscated the telephone company records. They and only they know what those records reveal.

Let me make it plain, very plain: America's blacks never have and do not now trust either J. Edgar Hoover or the FBI. Those of us who have been assigned to cover civil rights stories in the South know all too well how much the FBI can fumble when it does not wish to solve a case.

The suspicion is defended by the fact that the FBI "leaked" a story to newsmen that suggested that a Negro with an animus toward King was behind the assassination. The story was completely false, but if newsmen had written it, Dr. King would have been smeared even in his grave.

THE FBI ATTEMPT to discredit the dead civil rights leader was so blatant that even white reporters who knew of the story recoiled in fury.

J. Edgar Hoover would do his nation a great service if he were to admit publicly his dislike for Dr. King and then share the hunt for the assassin with a less prejudiced agency.

Perhaps the cause of justice would be better served if the investigation was placed under the guidance of a Warren-type commission composed of both blacks and whites.

The murder of Dr. King was an organized and well planned exercise. This was not the deed of "some white nut." Rather there is a sense in which society itself committed the act; and it is certain that powerful men in American society were part of the deed most foul.

Dear Mr. Hoover,

*Murkin*

Sir, I am appalled at the behavior of you and your organization. What does your organization stand for ---- Truth or Foul Truth? Is this the Land of the Free and Justice, or is this Soviet Russia?

How dare you interfere with Jim Garrison's investigation. You had your chance to find the real killers of JFK. Now it is Mr. Garrison's turn. Stay off his back. If you want to regain the faith of the American people in your agency, start my investigating the roll of the Dallas police force in the JFK killing. There's so involved it's not even funny. And what's worse, you know they are involved.

Do you think we're all stupid. Sir, you have greatly underestimated the ability and the capability of the American people to understand what happened on November 22, 1963. You can scare C.B.S. and N.B.C., and most of the major newspapers with your propaganda, but you can't fool we Americans, who are thinking and reading about the assassination and the aftermath.

What about the Martin Luther King murder? Oh my! sounds just like November 22, 1963 all over again. Who do you think did it? I think the people behind the Kennedy assassination are the same ones behind the King murder. It's going to be a long hot summer, Mr. Hoover, unless your image concerned bureau finds the killers of our last two leaders. But you won't find them, Garrison will find them first and show your agency up.

Well, Mr. Hoover, a decision is required of you. Are we to have Truth and Justice, or are the Nazis going to get away with it.

SUBJECT: The Congressional Record

Pages H3611. Congressman Ichord, (D) Missouri, stated "the Washington Star carried a very interesting article by columnist Carl T. Rowan yesterday in which he comments upon the growing possibility that Martin Luther King was assassinated by a hired killer in a plot which involves Cuba and Red China. There has been considerable evidence uncovered which does give credibility to this theory." He included this article entitled "King Murder Hatched Abroad?" and an article from Time magazine of May 10 entitled "The Assassination According To Capote" with his remarks. Mr. Rowan stated "The FBI has had as many as 2,000 agents working at one time, in cooperation with hundreds of local policemen and other U. S. intelligence agents, to track down every lead—including the above possibilities that the assassination was plotted with the intention of creating internal chaos in the United States. - - - The FBI is pouring vast amounts of manpower and money into the search because it knows its reputation is at stake. It also knows that if King's killer is not found all sorts of rumors will arise."

## Result of examination:

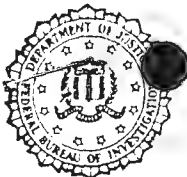

It was concluded that the hand printing on Q2 was prepared by the writer of Q1, previously submitted in this case.

Although some hand printing differences were noted in the questioned hand printing on Q1 and Q2, a definite conclusion could not be reached whether this hand printing was prepared by JAMES EARL RAY, FBI#405942G, because of insufficient comparable material and the presence of distortion in the hand printing on Q1 and Q2.

Q2 has been photographed and is being returned to Miami separately.

# WANTED BY THE FBI

JAMES EARL RAY, also known as Eric Starvo Galt, Harvey Lowmyer, John Willard, James McBride, James Walton, W. C. Herron and James O'Conner.

James Earl Ray, a Missouri prison escapee, sought under the alias Eric Starvo Galt in connection with the gunshot slaying of civil rights leader Dr. Martin Luther King, Jr., is one of the FBI's "Ten Most Wanted Fugitives." FBI Director J. Edgar Hoover ordered the special addition of Ray to the "Top Ten" list to insure widespread dissemination of Ray's photograph and description to speed his location.

Ray has been intensively sought since the murder of Dr. King on April 4, 1968, as he stood on the balcony of a Memphis, Tennessee, motel. An exhaustive FBI fingerprint search, comparing latent fingerprints uncovered in the Dr. King case against fingerprints of over 53,000 persons on whom wanted notices were posted, determined that Galt and Ray are identical.

A Federal warrant, issued at Birmingham, Alabama, on April 17, 1968, charges Ray, under the alias of Galt, with conspiring to interfere with a Constitutional Right of a citizen. Ray, who escaped on April 23, 1967, from the Missouri State Penitentiary, is also sought for unlawful flight to avoid confinement for robbery. His long criminal record also includes convictions for burglary and forging U.S. Postal Money Orders.

A white American, born in Alton, Illinois, on March 10, 1928, Ray is 5'10" tall, weighs 163 to 174 pounds, has blue eyes and short brown hair. He has a nervous habit of tugging at an ear lobe and his left ear protrudes noticeably. Known as a "loner" and "drifter," Ray has worked as a baker, laborer and color matcher. He has taken dancing lessons and completed a course at a school of bartending.

Consider Ray armed and extremely dangerous. Report any information concerning him to the nearest FBI office.

[REDACTED]  
MISCELLANEOUS  
INFORMATION CONCERNING

At 11:50 p.m., SA [REDACTED] contacted the writer and advised that the Woodbridge, N. J. Police Department had been called to the apartment opposite the apartment of SA [REDACTED] where three young men, who were babysitting there, notified the police that a man resembling JAMES EARL RAY (MURKIN) was seen in the apartment complex driving a 1968 Impala, NY license # [REDACTED].

[REDACTED] hearing the conversation and the mention of RAY, talked with the police officers. The officers subsequently made a license check through their office and determined that the license did not match the car to which it had originally been issued. It was then decided to check the residence of the owner, one [REDACTED], to ascertain if he were identical to JAMES EARL RAY. The pretext utilized was that the police had received a complaint that [REDACTED] was seen speeding on local streets. SA [REDACTED] who had accompanied the police officer, had identified himself and [REDACTED] immediately wanted to know what jurisdiction the FBI had in this matter. Without waiting for an answer, he then called the Woodbridge PD to ascertain who had made the complaint against him; however, he did not receive a definite reply. [REDACTED] then called the Newark FBI office and spoke to Security Clerk [REDACTED] and stated that he wished to make a complaint.

SA [REDACTED] explained to [REDACTED] that due to the fact that the license number did not match the car, there was a possibility that his car may have been a stolen auto which could fall within the jurisdiction of the FBI. At no time was the name of JAMES EARL RAY mentioned. Upon hearing the explanation, [REDACTED] seemed to be satisfied and, therefore, SA [REDACTED] and the police officer departed the [REDACTED] residence.

SA [REDACTED] advised that he would prepare a memo 4/20/68.

**INFORMATION CONCERNING**

Re memo from SA [REDACTED] to SAC, NY,  
4/19/68, captioned SA [REDACTED], INFORMATION CONCERNING.

At approximately 10:00 p.m., 4/19/68, while watching television in my apartment at [REDACTED] Fords, N. J., with my wife, we heard several voices outside the door talking about the murder of MARTIN LUTHER KING. It was evident that at least two of the participants were police officers. I overheard someone tell them that he had seen a man fitting the description of JAMES EARL RAY leave a car at one end of the apartment complex and enter one of the buildings. I decided I had better look into this, but by the time I got to the door the police had departed and no one was in sight. I went outside and found a uniformed patrolman and a plainclothes detective from the Woodbridge Township, N. J., PD sitting in an unmarked patrol car. I identified myself and advised them I had caught fragments of their conversation. They identified themselves as Detective [REDACTED] and Patrolman [REDACTED]. [REDACTED] advised that two teenage boys who were babysitting across the hall from our apartment called, stating they had seen a man resembling RAY leave a 1968 Chevrolet Impala in front of [REDACTED] and enter the building. The car, dark body and a white top, bearing NY license [REDACTED], was still parked there and they were in the process of checking the registration through their office. They asked if I wished to join them which I did. After about 20 minutes they received a message that the license was registered to a [REDACTED] Bellmore, N. Y. The license had been issued for a 1967 yellow Pontiac.

PGL:hmf

44-38861-3426  
ENCLOSURE

We checked the mail boxes in the building and found a listing for [REDACTED] in Apartment [REDACTED]. We discussed the situation and decided we would pretext the apartment by having [REDACTED] identify himself and advise [REDACTED] he had received a complaint the Impala had been seen speeding on the local street and upon checking the registration it was discovered the plates were not on the automobile to which they were originally issued. Since [REDACTED] was not certain he would be able to make the identification since he had not paid very close attention to the published photos, I stated I would accompany him and hang back in a position where I could see the person coming to the door.

At approximately 10:45 p.m. we approached the door. As we could hear a typewriter being used inside, [REDACTED] knocked and the door was opened by a woman. He identified himself and asked to see [REDACTED]. When [REDACTED] appeared at the door it was obvious he was not RAY. [REDACTED] used the pretext upon which [REDACTED] became indignant and stated he had recently purchased the car and it had been officially registered. He also stated that although they had been living in the apartment for two months he didn't have to register it in New Jersey since each month he returned it to New York for a 48-hour period. Besides he stated it was now on private property and the police could not ticket him. [REDACTED] attempted to interject a more detailed explanation on what he wanted, but [REDACTED] cut him short, stating he did not want to discuss the matter in the hall, but that we should come in.

Upon entering the apartment with them I identified myself and showed [REDACTED] my badge at which point he became obnoxious and insulting, stating he was not impressed with my little tin badge. He went on to state that he did not mind the police coming around, but he didn't see how the FBI had any jurisdiction. I attempted to explain our ITSMV responsibility, but he was openly hostile and refused to listen, stating he had several complaints of his own which included such items as dogs on the loose, children knocking on his windows and loud hi-fi sets. He appeared highly irrational and was unwilling to

listen to further explanations. He called the Woodbridge Police and asked them if they knew where their detectives were and if anyone had filed a complaint against him and, if so, who? Not receiving any assistance from them, he announced he was going to call the FBI in Newark. I informed him I was with the New York Office and he would receive faster service there. He refused and insisted on calling Newark, but he could not get an operator. I told him the number could be found inside the front cover of the local phone book. He then called and spoke to SE [REDACTED] demanding to know what I was doing and what jurisdiction we had concerning his car. He told [REDACTED] that he had a complaint he thought I should cover and that was to tell the lady in the apartment above to stop her dog from barking so much. I then talked to [REDACTED] and advised him I would write a memo in the morning in the NYO. [REDACTED] then calmed down considerably and we finished explaining what we wanted. He produced his registration. We told him that was sufficient proof, shook hands and departed.

Upon arriving home I called the NYO and made a brief report as per referenced memo.

At no time during the course of our conversation with [REDACTED] did it appear feasible to announce our actual intent since it was felt this would only aggravate matters more than they already were.

Enclosed for the Bureau and the New York Office is a copy of a self explanatory memorandum submitted by [REDACTED] clerk in the Newark Office, dated 4/22/68.

SA [REDACTED] who resides in Fords, New Jersey, was advised by a detective of the Woodbridge, New Jersey Police Department on the night of 4/19/68 that a complaint had been received to the effect that [REDACTED] was considered identical with JAMES EARL RAY, aka.; Civil Rights - Conspiracy; UFAC - Robbery. Rather than telling [REDACTED] the true basis for the inquiry, SA [REDACTED] and the detective checked out his 1968 Impala which contained a New York license plate registered to a 1967 Pontiac.

At 8:45 PM, complainant telephoned the Newark Office and inquired as to the propriety of SA [REDACTED] accompanying a police officer. He was advised of FBI jurisdiction over ITSMV violations and seemed somewhat calmed.

At 11:10 PM he again telephoned and inquired as to which senator or congressman he should contact to complain against SA [REDACTED]. When informed that the matter would be given proper attention locally, complainant agreed and hung up.

At 1:00 AM on 4/22/68 the complainant again telephoned and stated that he wished to withdraw the prior complaint made against SA [REDACTED]. Our indices were negative as to complainant.

On the receipt of the enclosed memorandum I checked telephonically with the New York Office and ascertained that SA [REDACTED] is assigned to a squad under the supervision of

SAC TURYN; that SA [REDACTED] had submitted an appropriate memorandum as had the night supervisor of the New York Office. Mr. TURYN informed that complainant had filed an application for employment with that office but did not appear for interview on 1/22/68.

The New York Office is forwarding appropriate memoranda to the Bureau and will make recommendations as to administrative action since SA [REDACTED] is assigned to that office.

SUBJECT: SA [REDACTED]  
NEW YORK OFFICE;  
[REDACTED] - COMPLAINANT  
PERSONNEL MATTER

DATE: 4/22/68

On 4/19/68 at 8:45 PM, [REDACTED] Fords, N. J., telephonically contacted the writer to advise that a man identifying himself as a Special Agent of the FBI was currently at his apartment. [REDACTED] said the agent identified himself as [REDACTED] of the New York Office, and that he was accompanied by a detective (name unknown) of the Woodbridge, N. J. Police Department. The writer spoke telephonically with SA [REDACTED] who identified himself by credential number. A check with the New York Office verified [REDACTED] employment. [REDACTED] then related the following:

While standing in front of his home, [REDACTED] Fords, N. J., [REDACTED] was approached by a detective of the Woodbridge Police Department who related that a man resembling JAMES EARL RAY, prime suspect of a current FBI investigation, was seen driving a 1968 Chevrolet Impala with New York license plates in the area. [REDACTED] then checked with the New York Office telephonically and determined that [REDACTED] 1968 Chevrolet Impala license plates were registered to a 1967 Pontiac. This drew suspicion. The Woodbridge detective and SA [REDACTED] then confronted [REDACTED] about his car registration, at which time [REDACTED] called the Newark Office. As it turned out, [REDACTED] had registered his 1968 Chevrolet Impala properly but the Division of Motor Vehicles had not yet amended their records. [REDACTED] could not see what authority an FBI agent had to check on a possible local violation. Neither [REDACTED] nor the detective mentioned the aforementioned proposed sighting of JAMES EARL RAY in the area. [REDACTED] was informed of FBI jurisdiction over ITSMV violations and seemed somewhat calmed.

Later at 11:10 PM, [REDACTED] again contacted this office to advise that he would like to make a complaint against SA [REDACTED]. He stated he would like to be informed which "senator or congressman" he should contact to do so. At this time [REDACTED] was told that the writer would make known the above facts to the proper authorities. [REDACTED] felt that this would not do as the FBI would "quiet the matter". He was again assured the situation would be given proper attention. [REDACTED] agreed and hung up.

It is to be noted that [REDACTED] stated he was at one time a Bureau applicant for a computer programmer position. Nothing more was mentioned regarding Bureau position.

During the second of above conversations with [REDACTED] the writer clearly overheard [REDACTED] being coached or aided as to what to say by a woman whom [REDACTED] referred to as his wife. [REDACTED] was rather belligerent not only concerning SA [REDACTED] but also toward the whole FBI in references and implications.

On 4/20/68 at 1:00 AM, [REDACTED] again contacted the Newark Office and spoke to Clerk [REDACTED]. [REDACTED] stated he wished to withdraw any charges against SA [REDACTED].

[REDACTED] resident of Fords, New Jersey, at 8:45 p.m., 4/19/68, telephonically contacted the Newark Office to complain relative to actions of SA [REDACTED] assigned to the New York Office. [REDACTED] questioned whether SA [REDACTED] was acting within FBI jurisdiction when [REDACTED] was being checked out as suspect in the King murder case.

New York Office files show that [REDACTED] filed application for Bureau employment on 1/11/68, but failed to appear for interview set for 1/22/68, and no further action was taken on his application.

[REDACTED]

SAC, New York feels actions of SA [REDACTED] in this instance appear to be proper and no administrative action is recommended.

SA [REDACTED], who resides in Fords, New Jersey, and who was at home on night of 4/19/68, was advised by detectives of the Woodbridge, New Jersey, Police Department that a complaint had been received that a man resembling James Earl Ray was seen driving a 1968 Chevrolet Impala with New York license plates in the area. The detectives stated they were in the process of checking the registration through their office and asked SA [REDACTED] if he desired to join them, which he did. After about twenty minutes, the officers received a message that the license was registered to a [REDACTED] Bellmore, New York, and the license had been issued for a 1967 yellow Pontiac.

A check of the mail boxes disclosed the apartment assigned to [REDACTED] SA [REDACTED] and the officers discussed the situation and decided that a pretext interview would be conducted.

Memo Rosen to DeLoach  
RE: MURKIN

One of the officers was to identify himself and advise [REDACTED] he had received a complaint that the Impala had been seen speeding on a local street and upon checking the registration it was discovered the plates were not on the automobile to which originally issued. Since the officer was not certain of making an identification on [REDACTED], SA [REDACTED] stated he would accompany him and be in a position where he could observe the person when he came to the door.

The officer knocked on the door and it was opened by a woman at which time the officer identified himself and asked to see [REDACTED]. When [REDACTED] appeared at the door, it was obvious that he was not the subject James Earl Ray. The officer used the pretext upon which [REDACTED] became indignant stating he had recently purchased the car and it was officially registered. [REDACTED] assumed a very belligerent attitude.

Upon entering the apartment with the officer SA [REDACTED] identified himself showing [REDACTED] his badge at which point [REDACTED] became obnoxious and insulting stating he was not impressed with the "little tin badge." He went on to state that he did not mind the police coming around but didn't see how the FBI had any jurisdiction. SA [REDACTED] attempted to explain the Bureau's (Interstate Transportation of Stolen Motor Vehicle) responsibility but he was openly hostile and refused to listen stating he had several complaints of his own, including such items as the dogs on the loose, children knocking on the windows and loud hi-fi sets. He appeared irrational and unwilling to listen to further explanations.

Thereafter [REDACTED] called the Woodbridge Police Department and our Newark Office to complain of the situation. [REDACTED] then calmed down considerably and produced his registration after which he shook hands with SA [REDACTED] and the contact was terminated.

After SA [REDACTED] had left, [REDACTED] again called the Newark Office inquiring of what action would be taken on the complaint and when informed the matter would be given proper attention he appeared agreeable and hung up. At 1:00 a.m., 4/20/68, [REDACTED] again contacted Newark Office and stated he wished to withdraw any charges against SA [REDACTED]

Memo Rosen to DeLoach  
RE: MURKIN

RECOMMENDATION:

In view of the above circumstances requiring immediate action and since there was a discrepancy in the registration records which might reflect that the car was stolen in New York and transported to New Jersey, it is felt that the actions of SA [REDACTED] were proper and no administrative action is recommended.

## H.K. POLICE PUT ON ALERT FOR KING MURDER SUSPECT

The Hongkong Police have been asked by the U.S. Federal Bureau of Investigation (FBI) to be on the alert for an escaped convict who allegedly assassinated Dr Martin Luther King, the civil rights leader.

The convict, James Earl Ray, an escapee from the Missouri State Penitentiary, is alleged to have shot Dr King in Memphis, Tennessee, on April 4.

While there is no reason to suspect that Ray might be in Hongkong or coming here, the following details are given in response to the FBI's request.

During Ray's criminal career since 1949, he has used the names of James McBride, James Walton, W. C. Herron, John Wil-

lard, Harvey Lowmyer and James O'Connor.

He is five feet ten inches tall and weighs about 163 to 174 pounds. He has blue eyes and brown hair. There is a small scar on the centre of his forehead and a scar on the palm of his right hand.

Meanwhile, an AP report said a 41-year-old man, detained in northwestern Mexico because a hotel operator thought he looked like the accused slayer of Dr King, was released yesterday without charges.

David Daniel Kennedy, who said he was on a walking tour of the State of Sonora, denied any connection with the assassination of the civil rights leader.

Lieutenant Roberto Fletcher, of the Judicial Police in Caborca, Sonora, detained Kennedy in a

Caborca hotel because the hotel owner said he thought Kennedy resembled published photographs of Ray.

Lt Fletcher said the man carried a U.S. passport issued to Daniel David Kennedy. He said the man denied any connection with Dr King's assassination and said he was from Baltimore.

Lt Fletcher said earlier that the man he was holding made a telephone call this week to Baltimore asking that money be sent him in Caborca.

Police from Hermosillo, the Sonora State capital, took Kennedy to Hermosillo from Caborca in the early morning hours and asked the FBI to send a man to investigate.

Judicial Police in Hermosillo reported an FBI agent named Smith could see no resemblance in Kennedy to Ray.

SUBJECT: MURKIN; CR.

By teletype of 5-7-68, the Memphis Office suggested that consideration be given to publishing the photograph of James Earl Ray furnished by Patricia Anderson in the next issue of the FBI Law Enforcement Bulletin. The June issue of the Bulletin is already being processed; however, we can pull out the present "Wanted by the FBI" article on the last page and replace it with one of Ray. This may delay the delivery date of the magazine by one or two days; however, it is believed desirable to place the latest picture of Ray, together with a suitable write-up, in the June issue.

Attached is a letter to Memphis advising that this is being done. Also attached is a manuscript of the proposed article on Ray along with the designated photograph.

IT IS RESPECTFULLY REQUESTED THAT THIS MEMO BE HANDLED EXPEDITIOUSLY AND RETURNED TO CRIME RECORDS AS SOON AS POSSIBLE.

## RECOMMENDATION:

That the attached article and photograph of Ray be published in the June issue of the Bulletin, and that the letter to Memphis be approved and sent.

OF AN OIL COMPANY IN ATLANTA, GA., PRIOR TO [REDACTED] ARREST IN [REDACTED] ON [REDACTED] CLAIMED HE AND RAY HAD WATCHED AN OIL COMPANY FOR A WEEK BEFORE COMMITTING THE ROBBERY ABOUT MIDNIGHT. [REDACTED] BELIEVES [REDACTED] SAID IT WAS A ROBBERY, BUT THAT IT COULD HAVE BEEN A BURGLARY. [REDACTED] SAID HE WAS SURE [REDACTED] IDENTIFIED ATLANTA AS THE PLACE OF THE ROBBERY BECAUSE LATER [REDACTED] TOLD [REDACTED] THAT [REDACTED] WIFE WAS THEN (LATE SIXTYTHREE AND EARLY SIXTYFOUR) LIVING IN ATLANTA, [REDACTED] [REDACTED] ABOUT SAME TIME [REDACTED] WIFE QUIT WRITING TO [REDACTED] AND EFFORTS OF [REDACTED] TO HAVE WIFE RESUME WRITING, WERE NEGATIVE. AT TIME OF MEETING RAY, RAY WAS LIVING IN [REDACTED] HALL, WHILE [REDACTED] AND [REDACTED] WERE LIVING IN [REDACTED] HALL. [REDACTED] ALSO CLAIMED TO [REDACTED] THAT AT TIME OF ARREST IN [REDACTED] HAD THE NAME OF A KANSAS CITY GANGSTER (NAME NOT GIVEN BY [REDACTED], IN HIS POSSESSION WHICH HAD BEEN GIVEN TO HIM BY AN ASSOCIATE, UNNAMED, IN NEW ORLEANS, AND [REDACTED] WAS QUESTIONED EXTENSIVELY BY KCPD AS TO HIS CONNECTIONS WITH THIS GANGSTER. [REDACTED] TOLD [REDACTED] HE HAD RELATIVES IN BATON ROUGE, LA.

IN ALL HIS CONTACTS WITH RAY, [REDACTED] WAS WITH [REDACTED] AND

SOMETIMES OTHER PRISONERS WERE PRESENT, NAMES UNRECALLED, OTHER THAN POSSIBLY [REDACTED] OR [REDACTED], FROM C HALL. RAY AND [REDACTED] NEVER HAD ANY INVOLVED CONVERSATIONS, BUT [REDACTED] WAS PRESENT ON ABOUT FOUR OCCASIONS WHEN RAY AND [REDACTED] WOULD DISCUSS THINGS. AMONG ITEMS DISCUSSED WAS ESCAPE BY EACH. RAY SAID HE WOULD TUNNEL OUT OF THE PRISON IF NECESSARY AND GO TO LIBERIA WHERE HE HAD A BROTHER-IN-LAW MAKING GOOD MONEY. NO OTHER INFORMATION RECALLED ABOUT ALLEGED BROTHER-IN-LAW. ON ANOTHER OCCASION RAY SAID HE KNEW A CAVE IN VIRGINIA WHERE HE COULD HIDE ONCE HE ESCAPED. CONCERNING THE KENNEDY ASSASSINATION, [REDACTED] ONCE SAID TO RAY THAT [REDACTED] DID NOT BELIEVE ANYONE SHOULD KILL THE PRESIDENT, BUT RAY SAID HE, RAY, WOULD HAVE DONE IT HIMSELF, IF HE WOULD HAVE HAD THE CHANCE, AND THAT KENNEDY WAS "NOTHING BUT A DAMN CATHOLIC." ACCORDING TO [REDACTED] RAY WAS VERY ANTI-CATHOLIC AND ANTI-NEGRO. ON ANOTHER OCCASION IN LATE SIXTYTHREE, [REDACTED] CLAIMED HE OVERHEARD RAY SAY TO [REDACTED] THAT HE, RAY, WAS GOING TO GET OUT OF THE PEN, AND THAT RAY KNEW A GUY NAMED "COLLEY" (PH) WHO WOULD HIDE RAY WHERE NO ONE WOULD FIND HIM. ALSO THIS COOLEY WOULD PAY TEN THOUSAND DOLLARS TO ANYONE WHO WOULD KILL MARTIN LUTHER KING. RAY WAS AWARE THAT [REDACTED] CAME FROM [REDACTED], BUT DID NOT TALK TO HIM

ABOUT ANY TOWNS IN ALABAMA, EXCEPT THAT BIRMINGHAM WAS A GOOD TOWN TO STEAL IN, AND THAT RAY HAD STOLEN A CAR IN BIRMINGHAM, BEFORE GETTING SENT TO THE MISSOURI PEN.

CREDIBILITY OF [REDACTED] HAS NOT BEEN ESTABLISHED TO DATE, AND IT HAS BEEN NOTED HE HAS FURNISHED CONFLICTING INFORMATION ABOUT THE PERSONAL HABITS OF RAY, SUCH AS RAY BEING LEFT-HANDED, WALKING -- PIGEON-TOED AND SMOKING WINSTON CIGARETTES. IT IS ALSO NOTED THAT IN FIRST INTERVIEW, [REDACTED] CLAIMED RAY HATED <sup>KE</sup> MNNEDY BECAUSE HE WAS A "NIGGER-LOVING SOB," WHEREAS THIS TIME [REDACTED] CLAIMED RAY HATED KENNEDY BECAUSE HE WAS A CATHOLIC. [REDACTED] CLAIMED HE DID NOT KNOW RAY'S RELIGIOUS AFFILIATION. [REDACTED] CLAIMS HE KNEW NOTHING OF ANY LOTTERIES BEING OPERATED IN THE PRISON, NOR OF ANY ORGANIZATION OF PRISONERS WHO WOULD COLLECT DEBTS, AND ACT AS A PROTECTIVE AGENCY FOR THE PRISONERS. HE CLAIMED COOLEY WAS AN INDIVIDUAL WHOSE NAME WAS MENTIONED ONLY BY RAY AND HE NEVER HEARD THIS NAME MENTIONED BY ANY OTHER PRISONER. [REDACTED] ALSO STATES THAT "A" HALL WAS FOR NEGRO PRISONERS, WHEREAS [REDACTED] (SEE MYTEL OF MAY NINE LAST) HAD CLAIMED "A" HALL WAS FOR TRUSTEES.

ALL RECEIVING OFFICES ADVISE BIRMINGHAM IF [REDACTED] HAS BEEN LOCATED AND INTERVIEWED. IF SO, SUTEL BIRMINGHAM RESULTS OF THIS INTERVIEW.

ASCERTAIN FROM RECORDS RE [REDACTED] IF HE, OR HIS WIFE AND CHILDREN, EVER LIVED IN ATLANTA, [REDACTED] AS CLAIMED BY [REDACTED] IF THIS INFORMATION VERIFIED, SET OUT LEADS TO HAVE WIFE LOCATED AND INTERVIEWED FOR ANY INFORMATION SHE HAS RE ASSOCIATION BETWEEN HER HUSBAND, [REDACTED] AND RAY, AND IF THEY WERE INVOLVED IN ROBBERY OF OIL COMPANY IN ATLANTA, PRIOR TO [REDACTED] IMPRISONMENT IN JEFFERSON CITY. IN EFFORT TO VERIFY [REDACTED] INFORMATION, ASCERTAIN IF RAY RESIDED IN "C" HALL IN LATE SIXTYTHREE, AND IF AT THAT TIME, RAY WAS WORKING IN THE LICENSE PLATE FACTORY.  MAY NINE LAST.

IN VIEW OF THE INFORMATION RECEIVED ON MAY NINE LAST ABOUT  
 SUBJECT'S (AS ERIC STARVO GALT) EXPRESSING AN INQUIRY ABOUT  
 TRAVEL TO RHODESIA, THE FOLLOWING SUGGESTION IS MADE FOR  
 CONSIDERATION BY THE BUREAU AS AN EFFORT TO ASCERTAIN UNDER  
 WHAT IDENTITY HE MAY HAVE SECURED AN AMERICAN PASSPORT FOR  
 SUCH TRAVEL.

PASSPORTS MAY BE APPLIED FOR BY U.S. CITIZENS AT ANY OF  
 SEVERAL THOUSAND CLERKS OF COURT OFFICES IN THE U.S. OR AT  
 THE PASSPORT AGENCIES LOCATED AT BOSTON, CHICAGO, LOS ANGELES,

MIAMI, NEW ORLEANS, NEW YORK CITY, PHILADELPHIA, SAN FRANCISCO, SEATTLE AND WASHINGTON, D. C. EACH PASSPORT AGENCY HAS A TERRITORIAL JURISDICTION AND PROCESSES ALL APPLICATIONS FROM COURT CLERKS IN SUCH GEOGRAPHICAL AREAS.

EACH PASSPORT AGENCY, WHEN PROCESSING PASSPORT APPLICATIONS PREPARES SEVERAL THREE BY FIVE SLIPS OF PAPER FOR EACH APPLICATION SIMILAR TO THE BUREAU'S ASSIGNMENT CARDS. IT MAINTAINS ONE COPY OF THESE "ISSUE CARDS" AS A NUMBER FILE, SO THAT IT CAN CHECK BACK ON A NUMBER TO SEE TO WHOM ISSUED AND WHEN; ANOTHER COPY IS MAINTAINED SEMI-ALPHABETICALLY AND CHRONOLOGICALLY. EACH CARD CONTAINS THE FOLLOWING INFORMATION EXTRACTED FROM THE PERSON'S APPLICATION: FULL NAME, ADDRESS TO WHICH MAILED, PASSPORT NUMBER, ISSUE DATE, DESCRIPTIVE DATA AND A CODED NOTATION AS TO WHICH AGENCY ISSUED THE PASSPORT. THE AGENCIES RETAIN THESE CARDS FOR SEVERAL WEEKS OR MONTHS AND THEN FORWARD THEM TO WASHINGTON. THE PASSPORT OFFICE THEN CONSOLIDATES THESE CARDS FROM ALL ITS AGENCIES FOR REFERENCE PURPOSES. THOSE FILED BY NUMBER ARE IN EXACT NUMERICAL ORDER IN WASHINGTON, MAINTAINED BY YEAR.

IT CAN THUS BE SEEN THAT THE CARDS WHICH ARE FILED BY NAME RATHER THAN BY NUMBER CONSTITUTE A SUM TOTAL OF THE PASSPORTS ISSUED BY A GIVEN AGENCY IN A GIVEN YEAR. THESE CARDS FOR SIXTYSEVEN ARE CONTAINED IN BOXES IN THE PASSPORT OFFICE. GUIDE CARDS SEPARATED THE SEMI-ALPHABETICAL BREAKDOWNS IN SUCH A MANNER THAT IT IS POSSIBLE TO CHECK THE NAMES FROM, SAY, SER.... TO SET.... AND PICK OUT THOSE PARTICULAR NAMES IN WHICH PASSPORTS WERE ISSUED IN, SAY, NEW ORLEANS, IN SIXTYSEVEN. EXAMINATION OF THESE CARDS WOULD PERMIT ELIMINATION OF ALL NON-CAUCASIANS, OF ALL FEMALES, ALL CHILDREN AND ALL MALES OUTSIDE THE TWENTYFIVE TO FIFTY AGE GROUP. A LIST OF THE REMAINING ONES COULD BE PREPARED AND THEN THE ACTUAL PASSPORT APPLICATIONS LOCATED FOR PHOTOGRAPH COMPARISON AND ELIMINATION, SINCE EACH APPLICATION CONTAINS A COPY OF THE PHOTOGRAPH IN THE PERSON'S PASSPORT.

IT WOULD BE LOGICAL TO PROCESS, FIRST, THOSE APPLICATIONS FROM NEW ORLEANS, SINCE IT IS A MUCH SMALLER AGENCY THAN LOS ANGELES, AND SINCE SUBJECT IS KNOWN TO HAVE BEEN IN THAT AREA. LOS ANGELES COULD THEN BE DONE AND, IF NEGATIVE, OTHER APPROPRIATE AGENCY CARDS COULD BE SELECTED FOR THE SAME

TREATMENT. IT SHOULD BE BORNE IN MIND THAT THE PASSPORT OFFICE ISSUED OVER A MILLION PASSPORTS IN SIXTYSEVEN; IT IS IN THIS LIGHT THAT THE FOREGOING APPROACH IS SUGGESTED, RATHER THAN HAVING A PHOTO COMPARISON MADE BY GOING THROUGH APPLICATIONS ONE BY ONE. THE SIXTYSEVEN APPLICATIONS ARE FILED CHRONOLOGICALLY, SEMI-ALPHABETICALLY WITH ANOTHER MILLION OR SO FOR SIXTYSIX IN THE "CURRENT FILES" OF THE PASSPORT OFFICE.

IT IS, THEREFORE, SUGGESTED THAT WFO BE AUTHORIZED TO DISCUSS SUCH A PROJECT WITH \_\_\_\_\_

\_\_\_\_\_ THE PASSPORT OFFICE \_\_\_\_\_

\_\_\_\_\_ THE PURPOSE OF THE DISCUSSION WOULD BE TO GET ESTIMATES ON THE NUMBER OF CARDS TO BE REVIEWED AND TO OBTAIN PERMISSION FOR SPECIAL AGENT PERSONNEL OF WFO TO HAVE DIRECT ACCESS TO THE ENTIRE PASSPORT OFFICE FILE ROOM TO CARRY OUT THE PROJECT IF AUTHORIZED. \_\_\_\_\_

\_\_\_\_\_ WFO FEELS THAT SUCH PERMISSION COULD BE OBTAINED WITHOUT DIFFICULTY, BUT WE WOULD HAVE TO BE MINDFUL OF CERTAIN RESTRICTIONS. THE PASSPORT OFFICE IS AT THIS TIME

INVOLVED IN PACKING AND SHIPPING THE APPLICATIONS FOR FOUR YEARS OF FILES IN SOME SIX THOUSAND BOXES TO THE WASHINGTON NATIONAL RECORDS CENTER IN SUITLAND, MARYLAND. IT IS FELT THAT TO USE ANY MORE THAN, SAY, TEN AGENTS AT A TIME IN THESE FILES WOULD CREATE SUBSTANTIAL PROBLEMS FOR THE PASSPORT OFFICE SINCE THERE ARE LIMITATIONS CONCERNING AVAILABLE SPACE AND THE REGULAR WORK OF THE PASSPORT OFFICE WOULD HAVE TO CONTINUE UNINTERRUPTED.

IF THE SUBJECT HAS DEPARTED FROM THE WESTERN HEMISPHERE LEGALLY WITH A U. S. PASSPORT UNDER AN ASSUMED NAME, IT IS FELT THAT THE FOREGOING PROJECT WOULD HAVE AN EXCELLENT CHANCE OF IDENTIFYING HIM. ONCE IDENTIFIED, DISCREET INVESTIGATION ABROAD WOULD LIKELY BE SUCCESSFUL IN LOCATING HIM. ONCE LOCATED, WITH A FRAUDULENT PASSPORT, RESTRICTIVE PASSPORT ACTION WOULD BE VERY HELPFUL IN SECURING HIS RETURN TO THE U. S. AND BUREAU CONTROL.

IF THE BUREAU APPROVES THIS SPECIAL PROJECT, ~~REDACTED~~ WOULD BE REQUESTED THAT THE PURPOSE OF THIS MASSIVE SURVEY OF PASSPORT FILES NOT BECOME GENERALLY KNOWN AT DEPARTMENT OF STATE.

The following investigation was conducted by  
SA [REDACTED]

At Tulsa, Oklahoma

[REDACTED]  
Mrs. LOYD C. The call, which was made from a pay telephone, concerned marital matters. JESSE HUNT talked more than the three minute limit and after the call, the operator said he left the booth without paying for the additional time.

[REDACTED]  
Mrs. BETTY B. WILEY, [REDACTED], advised on May 8, 1968, that during mid-December, 1967, her son, ROBERT WILEY, came from Houston, Texas, to visit her in Tulsa. ROBERT's wife, PEGGY, remained with her parents in Channelview, Texas. PEGGY called her husband at the WILEY residence in Tulsa during that period. On May 8, 1968, Mrs. BETSY RIGGS, [REDACTED] advised she has been the subscriber to telephone number [REDACTED] for approximately one year. She stated that her family has previously resided in Houston, Texas, and that her daughter went to Houston on December 21, 1967, to visit friends. She stated she believes that the call to her residence on December 17, 1967, would probably have been made to her daughter by either a girl friend, SHERYL RUSSELL, [REDACTED], Houston, telephone number [REDACTED], or a boy friend, MIKE REESBY, [REDACTED], Houston, telephone number [REDACTED]. She further stated her husband, RICHARD RIGGS, travels throughout the Houston area in his job, and could have made this telephone call to the residence during December of 1967. She further advised that WILLIAMS has not changed her mailing address and is still receiving mail at that address. JOFFRION described WILLIAMS as being about 21 years old, Negro, female, and single. She stated that to her knowledge WILLIAMS was employed at [REDACTED] Oklahoma City.

[REDACTED]  
On May 8, 1968, Mrs. JO (DUANE) WILLIAMS, [REDACTED] advised she has been the subscriber to telephone number [REDACTED] for many years. She stated that she does not specifically recall receiving the telephone call from Houston, Texas, on December 16, 1967, but believes it was her husband calling, inasmuch as he was traveling in business in the vicinity of Houston during that time period. She stated he is employed for [REDACTED] and that this company is engaged in [REDACTED]. Mrs. WILLIAMS was shown current photographs of JAMES EARL RAY without effecting an identification.

The following investigation was conducted by SA [REDACTED]

At Wynona, Oklahoma

Mr. and Mrs. LEON BUTCHER, [REDACTED] advised on May 10, 1968, their telephone [REDACTED] is actually listed in the name of Mrs. BUTCHER's mother, LILLIAN COBB, who is elderly and infirm. Mr. BUTCHER advised he is a trucker, and that in December, 1967, he was hauling wheat from Oklahoma to Houston, Texas, and was in Houston every other day prior to Christmas, 1967. On several occasions, he called his wife from a pay telephone in Houston located near the Continental Grain Company loading dock. At that time he was paying for these calls when made rather than making them collect to his home phone number, as he had run up a large bill a few months before without realizing it, and made the calls only when he had the money in his pocket to spare. Both Mr. and Mrs. BUTCHER advised the photographs and the description of Subject RAY were unfamiliar to them.

Re: [REDACTED] - Suspect

Re Bureau airtel to Detroit, captioned as above,  
5/7/68.On 5/9/68, an attempt was made to contact [REDACTED]  
[REDACTED] with negative results.

On 5/10/68, [REDACTED]  
Algonac, Michigan, advised she did not send any communication to the FBI, Washington, D. C., regarding the death of Dr. MARTIN LUTHER KING. She viewed photostat copy of this communication and stated this is definitely not her writing and displayed several pieces of material bearing her writing, which does not appear similar with the writing on the communication sent to the Bureau.

[REDACTED] stated this must be someone's idea of a "sick joke" and she has no information regarding the death of Dr. MARTIN LUTHER KING and has no idea who may have sent such a communication to the FBI.

She viewed the photograph of JAMES EARL RAY and stated she does not know anyone resembling this photograph.

She reiterated that she has no information regarding this matter and had no idea why anyone would send such a communication to the FBI and sign her name and address.

Telephone number [REDACTED] was determined to be listed to DENIS CREMIN, [REDACTED], Cincinnati, with no toll calls made in March or April, 1968.

Re Houston airtel to Director 5/3/68, advising that each office should determine from telephone company, long distance calls placed at each public telephone on Interstate 10, over which subject and CHARLES STEIN allegedly traveled 12/15-17/67.

The following investigation was conducted by SA [REDACTED] on 5/7/68, at Hampton, Virginia:

It was determined that telephone number 703-722-7921 was assigned to the Dixie Hospital, Hampton, Virginia.

Investigation at the Dixie Hospital revealed that on 12/16/67 there were over 300 patients and 585 employees in said hospital. It was determined that after a direct dialed telephone call reached the switchboard it was undeterminable as to its final destination in said hospital. A check of the long distance telephone records for 12/16/67 failed to reveal any charge to the afore mentioned number for a call having been sent or received by said number.

No further investigation being conducted at Norfolk re this matter.

MURKIN

My brother-in-law, <sup>1</sup> was an FBI agent  
in Buffalo, N.Y. a couple of years ago

died of cancer recently and a dozen FBI agents came to his funeral. He told me

was, the FBI would look into it.

• 10 MAY 15 1969

Well, for what it is worth, here it is

"I was driving to work on Friday, the morning after King was shot. I stopped

1345 XEROX

7111

התאחדות חסידים

PAHS REC. UNIT

at a red light on Irving Street at Sherman Street, N.Y. A beetle Volkswagen painted (repainted) a peculiar yellowish green pulled up beside me on the one-way street about 15 feet away from me.

I saw that his headlights were on in broad daylight, <sup>(at the time no other travelers were showing this deference to King)</sup> so I supposed he had been driving all night and had neglected to turn off his lights. I started to lean over and wind my window down and call to him about his lights, but to my surprise he wound his window down first and waited for me to speak. He appeared nervous and watching for challengers.

I told him that I didn't know whether he knew it or not but his lights were on. He said, "I know it!" rather gruffly and then added, "Thank you!" He resembled "Ray" although his face appeared fuller. He had a pasty complexion with a fresh red scar in the middle of his left cheek as though

a nail had been lanced.

Now here is the way I look at it. He was tipped off in prison in Missouri that on account of his successful assassination of President Kennedy, another job was being offered, to assassinate King. (Where else would a small time hoodlum get all that money except by a big job like Kennedy's assassination) His escape from prison was arranged by this powerful group of Catholic and Colored-haters.

He bought a deer rifle but was told by a brother (non-soul brother) that it was not powerful enough and exchanged it for a 30.06 with telescopic sights, and went to the neighboring rooming house in Memphis to await King. (Incidentally, don't rule out the possibility that King was a part of the plot, because he expected

to be killed when he returned to Memphis and by being a martyr he could best further his ends and those of his colleagues.

This fellow, Ray or Galt, who was discharged from the Army for being inept, is still inept and it will get him in the end, but for the present he is carrying out instructions of his fellow conspirators. Like the game "hare and hounds" he dropped clues like his rifle and drove off in a white Mustang Convertible that stuck out like a sore thumb.

When he reached a rendezvous in Memphis, he switched cars with a conspirator who drove the Mustang to Atlanta to throw the hounds off his (Ray's) trail. Ray took the yellowish green beetle Volkswagen (the model doesn't change and there are millions of them on the road) and drove north.

The time was just right for him

encountering me at 7:30 a.m. the next day (Friday) in Washington. He was keeping off the main highways where the police might catch him.

For some unknown reason he had made a trip to Montreal a short time ago. Now the reason is known: to establish his identity, and have a place to hole up in a foreign country where the FBI would not be looking for him. He could either remain in hiding or take off from there for Europe. He probably has a hundred thousand dollars with him.

I believe you could find him in the red light district of Montreal, or possibly Paris. If you go along with the Kennedy assassination, he has established a M.O. I believe you could find out how his escape was arranged from Missouri State Penitentiary, and how the plot was hatched in Atlanta. Sincerely yours,

Specimens received 5/1/68

K239 Slip of ruled paper containing four laundry tapes,  
Code 20R-3, obtained from Smith's One Hour Cleaners,  
Lynchburg, Virginia

## Result of examination:

It was concluded that the machine used to prepare  
specimen K239 was not used to prepare the laundry tags appearing  
on Q69 and Q70.

Some differences were noted between the tags represented  
by K239 when compared with the laundry tags appearing on Q97 and  
Q99, but the lack of identifying features precluded a definite  
determination from being reached.

Specimen K239 has been retained.

This case involves the murder of Martin Luther King, Jr.

It has previously been reported

in Missouri State Penitentiary. [redacted] alleged he was told [redacted] that Ray has called [redacted] twice since King was killed, once from New Orleans and once from North Carolina. [redacted] steadfastly denies any contact with Ray since Ray's escape from prison.

The warden at Missouri State Penitentiary has advised

[redacted] has no integrity whatsoever, is completely unreliable, and only tells the truth when it serves his purpose to do so.

Records of Futura Books, Incorporated, Torrance, California, show three books were shipped to Eric S. Galt, 2584 Notre Dame, Est, Montreal, Canada, on 7/26/67. The books were "Unusual Female Sex Practices," "Sexual Anatomy" and "Sex Feeling in Men and Women." The order was received on a coupon from "Mens Real Adventure" magazine. It has previously been established that the subject lived at the above Montreal address in July and August, 1967.

[redacted] previously alleged Ray was involved in a \$50,000 Southern bank robbery which was reported in the Chicago "Tribune" on about 6/23-24/67. The Chicago "Tribune" and the Bureau's bank robbery files have been reviewed without finding any reference to a robbery such as [redacted] described.

Memorandum to Mr. DeLoach  
RE: MURKIN

[REDACTED] former inmate at Missouri State Penitentiary, has advised that Ray was well known to him in the Penitentiary. It is noted that Ray escaped 4/23/67 and [REDACTED] was paroled [REDACTED] between [REDACTED] and [REDACTED]. Ray [REDACTED] on South 11th Street in St. Louis. [REDACTED] in the general area of [REDACTED]. Ray was poorly dressed, was wearing a mustache [REDACTED]

An anonymous male in separate calls to three officers of the Memphis Police Department, previously alleged that the man who planned King's murder and paid Ray has arranged for Ray's body to be discovered between 5/15/68 and 5/18/68 at a point fifty miles south of a place in Mexico which we believe to be Caborca.

Caborca is in the State of Sonora. It appears to be roughly fifty miles below the United States border and about eighty miles from Nogales. The area fifty miles south of Caborca is desert-like with inhabitants on only a few scattered ranches. [REDACTED] has searched approximately one hundred square miles in this area and has contacted each ranch with negative results.

It is noted that on 4/5/68 a Cessna Super Sky Master airplane was burned about sixty miles southwest of Caborca and about four kilometers from the ranch of Rafael Bland, an American national. Sergio Bland, son of Rafael, saw the plane burn from a distance but did not observe anyone in the vicinity of the plane. The wreckage is near a road which is practically impassable. [REDACTED] noted two sets of airplane tracks indicating that another plane may have landed. He found no bodies and no evidence of any recent grave.

The above plane was stolen from Miro Field, Rialto, California, on the night of 3/18-19/68. Later the same night this plane was serviced at Blythe, California. It was being piloted by a man described as twenty-six years of age who appeared to be an experienced pilot and who said he was en route to Dallas. The plane was repainted and its registry

Memorandum to Mr. DeLoach  
RE: MURKIN

number was changed after it was stolen and before it was burned. This plane, which is the subject of a separate investigation, does not at this time appear to be involved with Ray.

It has been determined by fingerprint comparison that the body found buried on the beach at Acapulco, 5/10/68, is not identical with Ray.

ACTION:

This case is continuing to receive top priority attention.

Title:

JAMES EARL RAY;  
DR. MARTIN LUTHER KING, JR.  
(DECEASED) - VICTIM

Character:

CIVIL RIGHTS - CONSPIRACY;  
UNLAWFUL FLIGHT TO AVOID CONFINEMENT - ROBBERY

Synopsis:

JAMES EARL RAY reportedly escaped from Missouri State Penitentiary (MSP) on 4/23/67, where he was serving a twenty-year sentence for Robbery First and Operating a Motor Vehicle Without Permission. It is believed he escaped by hiding in a box delivering bread to a prison farm located approximately five miles from the main prison. Subject's brother, JOHN RAY, St. Louis, Missouri, visited him at the prison on 4/22/67. Interviews with fellow inmates and prison officials reveal subject to be a "loner" and was called the "hide-out guy", because he would stay hidden within the confines of MSP for a matter of days at a time. Subject reportedly used amphetamines and barbiturates while in prison. RAY preferred to cell alone at prison, was very quiet, and made few friends. Reports conflict as to any homosexual activity on his part. One inmate stated he read "girlie" books and even engaged in selling and renting books at MSP. He reportedly was "very tight" with his money and used it mainly to support his drug habit. Reports conflict on his anti-Negro sentiments, however, at one time in U. S. Penitentiary, Leavenworth, Kansas, he stated he could not live in a dormitory that was integrated. At MSP, RAY always worked in kitchen or bakery. Subject had made previous attempts to escape from MSP, but was unsuccessful. Because of these attempts, he was given a psychiatric evaluation in October, 1966. This revealed he had no physical disease or defects requiring treatment. He was diagnosed as having a sociopathic personality, anti-social type with anxiety and depressive features, but no mental disease or defect within the meaning of the Missouri State Code. GEORGE BEN EDMONDSON, former

KC 44-760

escapee from MSP, who was located in Canada and is currently incarcerated at MSP, advised that RAY associated with all the St. Louis inmates at the prison and is familiar with the procedure to get Canadian passports, which are easy to come by in Montreal, Canada. Handwriting samples were obtained from prison records and forwarded to FBI Laboratory, which resolved that the "GALT" writings have been identified as being prepared by JAMES EARL RAY. One former cellmate of subject advised that RAY had told him that he had hidden out on two previous occasions on the outskirts of a town called Campeche, Mexico, and that he smuggled small appliances to that area from Brownsville, Texas. Pertinent information from prison records and interviews concerning other suspects or look-alikes in this matter set forth. IN VIEW OF CRIME FOR WHICH SUBJECT BEING SOUGHT, HE SHOULD BE CONSIDERED ARMED AND DANGEROUS.

DETAILS REGARDING ESCAPE

On April 22, 1968, Warden HAROLD SWENSON, Missouri State Penitentiary, Jefferson City, Missouri, furnished the following reports from their office concerning the escape by inmate JAMES EARL RAY, number 00416, on April 23, 1967, to Special Agent [REDACTED]

In addition to these reports, Warden SWENSON advised that their records reveal this inmate had a visitor at the prison by the name of JOHN RAY, St. Louis, Missouri, on April 22, 1967. JOHN RAY had visited him eight times prior to this visit. The only two other individuals listed by subject on his visitors' list at Missouri State Penitentiary were MARY MAHER, St. Louis, Missouri, grandmother, and JERRY RAY, St. Louis, Missouri, brother. Records show the grandmother did not make any visits to the prison, and JERRY made five, the last being in 1965.

Subject: INVESTIGATION ESCAPE OF JAMES EARL RAY #00416

Working upon the premise that Inmate James Earl Ray #00416 made good his escape from the institution, Sunday, April 23, 1967, by concealing himself in the Renz Farm bread box and riding out the Sally Port on the Renz Farm truck, I have interviewed all concerned with the Renz Farm bread run and have formed the opinion that Inmate Ray did effect his escape via the Renz Farm bread run and the means of his escape has remained a mystery for ten days because of gross dereliction of duty involving three and possible five prison personnel.

The Renz Farm truck, driven by Guard Officer [REDACTED] came through the Sally Port at approximately 8:00 A.M. to pick up the Renz Farm bread, made the pick up and came back through the Sally Port at approximately 8:16 A.M. When the truck arrived at Renz Farm and was unloaded it was discovered by [REDACTED] civilian cook, that the bread was torn and crushed to the extent that only a few loaves were usable and the rest had to be fed to the chickens. To my knowledge, up until the time of this report, there has been no notification from any Renz Farm source of the condition of the bread delivery of that date to any officer or official of the penitentiary. [REDACTED] did state to me that after he heard of Inmate Ray's disappearance he did make the remark that "Ray probably came out in the bread box". When asked why he did not report this to someone, [REDACTED] said he did report it to [REDACTED] and to someone in the office. (He could not remember who.) He also said he told [REDACTED] Civilian Cook, when he came to work the next day.

[REDACTED] civilian cook at Renz Farm, said he saw the bread the next day and it looked like it "had been shoveled into the box". He said it was not fit for use and was fed to the chickens.

[REDACTED] was the officer in charge of Renz Farm, Sunday, April 23, 1967, and he stated that he could not recall [REDACTED] notifying him of the condition of the bread upon arrival at Renz Farm. (This seems a rather weak statement.)

Guard Officer [REDACTED] states that he definitely remember checking the Renz Farm bread box and although he did not handle the bread it was neatly stacked almost to the top of the box. (The box holds 60 loaves, Renz Farm ordered 40 loaves, the box should have been two-third full.)

CONCLUSIONS:

Inmate Ray evidently made good his escape via the Renz Farm bread truck. He must have used a false bottom for the bread to be stacked as neatly as Officer [REDACTED] said it was. No one at Renz Farm admits seeing the false bottom. Why should the inmate dispose of the false bottom when the bread was mangled beyond use?

Civilian cook [redacted] and whoever else in an official capacity that was aware of the bread delivery are guilty of gross negligence and dereliction of duty and should be appropriately disciplined.

Refer to my report of April 24, 1967, subject inmate James Earl Ray. If inmate Ray did escape via the Renz Farm bread man, then there is a discrepancy in Guard Officer [redacted] statement that he let him out of the kitchen when the mainline turned out for recreation yard and never saw him again. Guard Officer [redacted] was on duty at the Kitchen Gate all this time.

SUGGESTION

Officer [redacted] is on his regular day off this date and I was unable to contact him. I suggest that he be interviewed in the atmosphere of the Warden's office and acquainted with what we already know. Maybe he can clear this thing up. Someone seems to have been doing some covering up.

Subject: SUPPLEMENT TO ESCAPE INVESTIGATION REPORT OF MAY 3, 1967

Captain Leroy Casey and myself interviewed Guard Officer [REDACTED] this date and obtained his account of the Renz Farm bread run on Sunday, April 23, 1967.

Officer [REDACTED] stated that when he reached the Kitchen dock that morning he unloaded his empty bread box and went to the bread room in the main kitchen via the elevator. He checked the Renz Farm box and noted that his bread was loaded, accompanied the inmate who wheeled the box to the loading dock, and watched the box removed from the cart and loaded on the truck by the kitchen inmate and the inside truck driver inmate. Officer [REDACTED] stated that he did not observe the inmates straining under any extra load. He then proceeded to the Sally Port and was present when Guard Officer [REDACTED] examined the bread box. Officer [REDACTED] noted at this time that the bread was still neatly stacked near the top of the box as it was when he left the bread room.

He then proceeded to the Renz Farm, stopping on the way at [REDACTED] residence to deliver [REDACTED] bread which was in a separate box. Officer [REDACTED] stated that he went to the rear of the truck and inmate [REDACTED] who rode the cab of the truck with him, got in the back of the truck and handed him [REDACTED] bread, which he delivered. He did not at this time notice anything amiss in the truck.

When he reached the Administration building he backed up to the Front Door, went to the rear of the truck and watched the Renz Farm kitchen inmates unload the bread. He stated that at this time one of the inmates commented that the bread was sure in a mess. He said that he never looked at the bread or gave it a thought as to why the bread would be messed up but that he did ask the inmate if he thought they would have to go after another load. The inmate assured him that they could use the bread and he dropped the matter.

Officer [REDACTED] emphatically states that he never saw the bread after it reached the Renz Farm. [REDACTED] never reported the condition of the bread to him, and that he had never heard of the condition of the bread from anyone else. He was asked why it didn't seem strange to him that, after seeing the bread neatly stacked in the Sally Port, it should be in a mess upon arriving at his destination. He said he just never thought anything about it any further than checking as to whether or not he would have to return for more bread.

Captain Leroy Casey, in the course of his investigation of Inmate James Earl Ray's escape, talked to Officer [REDACTED] on the telephone Monday, April 24, 1967. Officer [REDACTED], at that time, told Captain Casey that he arrived at the Renz Farm with all the bread he had left the walls with. Later Captain Casey talked with Officer [REDACTED] in person and was told by the officer that he actually had not seen the bread after it reached the farm but assumed it was all there because they didn't run out of bread and there were no complaints.

CONCLUSIONS:

Guard Officer [redacted] was negligent of his duty in not trying to locate Inmate Ray when he did not report for work at 11:00 A.M. and in not reporting the absence of Inmate Ray to Control Center and to Officer [redacted] who relieved him at 12:00 P.M.

Guard Officer [redacted] was negligent to a lesser extent in not knowing to whom he spoke to over the telephone on a matter as important as a missing inmate, also for not reporting to Control Center, especially since Inmate Ray is well known as being escape prone.

The daily call sheet for the kitchen is made out by Kitchen office inmates and signed by the guard officer on duty. Whether this procedure is directed by civilian cooks is not clear. The call sheet is delivered in the evening (for the next day) by the inmate-first-cook. This call sheet should be directed by and signed by the civilian cook in charge and countersigned by the guard officer. Inmates should be required to honor the call sheet unless cancelled by the civilian cook.

All off duty kitchen and dock workers are allowed to eat their meals in the kitchen. This creates too much traffic and confusion. The Kitchen Gate Officer would be able to better control the traffic if only duty workers were allowed in the kitchen.

The large number of outside people both inmate and civilian allowed inside the walls on weekends is definitely a security risk, especially when the regularly assigned Round Gate and Front Door officers are not on duty. Definite procedures should be set up.

## FEDERAL BUREAU OF INVESTIGATION

Date 4/24/681

On April 21, 1968, Major BERNARD J. POIRY, Custodial Officer, Missouri State Penitentiary, said he has been unable to recall the name of the person who told him about RAY escaping in the bread container from the prison bakery in April of 1967. He said, however, the person who allegedly helped by putting a card board cover over him was not [REDACTED], but [REDACTED], who is still in the penitentiary and employed in the bakery. He said there is no doubt in his mind but that RAY escaped via the bread truck.

Major POIRY also said that he received information on April 21, 1967, from the prison "grapevine, no source identifiable, that the talk in the pen is that RAY made contact with [REDACTED] and that probably [REDACTED] was the "brains" behind the KING murder. He said there was absolutely no information to confirm this report and he has no information that [REDACTED] and RAY even associated together in the penitentiary.

[REDACTED] Missouri State Penitentiary (MSP) # [REDACTED], who has been in the MSP since [REDACTED] from St. Louis, Missouri advised he is now [REDACTED] at the penitentiary. He said he was working in the bakery with JAMES EARL RAY when the latter escaped in April of 1967, but he has never been contacted in connection therewith. He said he also worked in the bakery when RAY was working in the kitchen. He said they were acquainted for six or seven years. He said he never talked to RAY about his plans to escape and did not know how RAY escaped. He said a man could conceal himself in the bread boxes used in 1967. He said they were wooden boxes about 4 1/2' by 2 1/2'.

He said however if a man concealed himself in one of the boxes the officials of the penitentiary would have known about it as soon as the box was delivered without bread. He said after RAY was missing, the officials continued their search for him for about 12 or 13 days on the theory he had "hid out" as he had done before. He said inmates were forbidden to take sandwiches out of the eating areas because officials thought they might take food to RAY. He said he was making a sandwich one afternoon and a lieutenant asked him what he was going to do with it. He said he was going to take it to RAY, in a kidding manner. The officer said "he knew RAY went over the wall". He did not recall the identity of the officer.

[REDACTED] said he did not know RAY's friends. He said he never heard of a RAYMOND LEWIS CURTIS. He said RAY is not the type of person who would kill MARTIN LUTHER KING. He said RAY never talked about Negroes or anything else and he believes "they have the wrong guy".

JONES said that he never heard of RAY using drugs and he knew RAY was not a homosexual. He said he could not furnish any information as to the whereabouts of RAY or could he name anyone who could.

The following investigation was conducted by  
Special Agent [REDACTED]

AT JEFFERSON CITY, MISSOURI:

On April 23, 1968, Major BERNARD POIRY, Assistant Associate Warden of Custody, Missouri State Penitentiary (MSP), advised that a thorough search of the property room at the MSP failed to reveal any personal effects of JAMES EARL RAY left behind after his escape. He said that he usually goes through any personal effects left behind by an escapee for leads, but he cannot recall whether or not he ever saw anything left behind by RAY. He stated that if other inmates know an inmate has escaped, they will strip his cell of anything worthwhile. Major POIRY advised that he will continue to search for any personal property of RAY and will advise if such is located.

On April 29, 1968, [REDACTED] at the Renz Prison Farm, Missouri State Penitentiary, advised that he had worked at the [REDACTED] MSP in about [REDACTED] when RAY was working there pushing a food cart to the hospital. He recalled at the time that RAY was known as the "hide-out guy" from a previous occasion when he hid inside the prison for some time before being found. He recalls that on a Sunday morning, during April, 1967, the bread truck arrived at the Renz farm when [REDACTED] was there as the [REDACTED] and the bread was "messed up". RAY had hidden out again once while [REDACTED] was at the Renz farm, and when he saw the bread box with the "messed up" bread, he thought then, without knowing why, that "JIMMY RAY must be out again". He did not know at the time, he said, that RAY was working in the bread room at the main prison, and he has no idea who might have helped RAY escape on this occasion. When he heard later that RAY had indeed escaped, he recalled the "messed up" bread and notified his superiors at the Renz farm. The bread box used to transport bread in an open truck from the main prison to the farm had contained sufficient bread to be used on the day it was received, but it was a large enough box that a man in a cramped position could have been hidden under some layers of loaves.

KC 44-760

[REDACTED] said that he has no idea who RAY's close friends were, and as he recalled, RAY "got along" but was not close to anyone. He knew RAY was unhappy in prison, [REDACTED] at the main prison, and he had heard RAY say that he would "make it to South America" if he ever got out of prison. He said he never heard RAY make any statements to indicate he was unusually prejudiced against Negroes, and he did not seem to be the type to have it "in" for anyone, but was just "for JIMMY RAY". He said that the bread in the bread box on the day RAY reportedly escaped, was turned around and turned over, and not neatly stacked as it usually was on arrival at the farm. He does not believe any incidents at the time occurred which would indicate any guard had anything to do with helping RAY escape, and he could not be certain that RAY got out in the bread box, but it would have been possible.

[redacted] Jefferson City, Missouri, employed at the Missouri State Penitentiary from 12:00 PM to 8:00 AM as [redacted] formerly gate guard in the Penitentiary Kitchen (and bakery) said he worked on the latter assignment for about two years in the period between 1965 and 1967, and knew JAMES RAY.

He recalled that he went on duty at 11:00 AM on April 23, 1967. He said RAY worked in back of the kitchen as a bread slicer who packed the bread boxes. He worked alone. He said he did not know RAY well. He said RAY would have had to leave the penitentiary, if he escaped in a bread box, sometime before 11:00 AM, as the bread goes to the farms early in the morning, or at least before 11:00 AM. He said the other guard on duty with him was [redacted] who now lives some place in Arizona.

He recalled that about 3:00 PM he was contacted by Warden SWENSON who told him that RAY had escaped and wanted to know what he knew about it. He said he did not know RAY had left, as he had no occasion to check on him. He said he was "bawled out". He said a search continued inside the walls for RAY for several days.

[redacted] said he did not know any associates of RAY, and had no dealings with him. He denied that he had ever furnished RAY with any amphetamine, or any other type of contraband.

He said he has heard very little talk about RAY, either following his escape or since the allegation appeared in the papers that RAY was being sought for the murder of Dr. MARTIN LUTHER KING. He said he could furnish no information concerning his whereabouts or of anyone who might have such information.

[REDACTED] asked [REDACTED] if he and his wife wanted to stay all night at the [REDACTED] residence. He did not know if the invitation was accepted. Mr. STEPHAN I. KRAL, Elston, Missouri, Officers' Dining Room Supervisor, Missouri State Penitentiary, formerly guard at Renz Farm, said it was his regular job in 1967 to drive the truck to the main prison for bread five days a week, except weekends. He said the truck leaves Renz Farm about 8:00 a.m., and gets the bread no later than about 8:30 a.m. He said the empty box is taken from Renz Farm and taken to the loading dock. At that place the driver gives the order for bread. The inmates take the empty box on an elevator to the bakery and a box is loaded with the order. It is then brought back to the dock. The driver is supposed to check it to be sure it contains nothing but bread. He said the box was about 4 by 3 feet. He said it holds about 100 loaves of bread and they are packed 15 loaves to each layer. He said he always ran his arm down inside the box to count the layers. He said the truck then goes out to the truck tunnel. There a guard again checked to be sure there was nothing under or around the truck, including the box and under the hood. He, if satisfied, signaled the tower and the exit gate was released and the truck went back to the farm. He said the truck made several stops for lights, intersections, etc., en route and one would have no difficulty getting off the truck. He said the box was large enough to hold a man.

Mr. KRAL said that he heard some talk, after RAY escaped, that some officers had seen RAY "practicing a little yogi", that is, curling up in corners, and similar. He said he presumed he was doing this to see if he could fit in the bread box, but he had no personal information in this regard. He also said he "heard" that Renz Farm had been receiving more bread than requested for two or three days prior to April 23, 1967.

Mr. KRAL said the entire delivery trip from Renz to the Penitentiary and back did not continue until after 9:00 a.m.

He said he did not know what procedures of checking were followed on April 23, 1968, as this was a weekend and both the regular driver and regular tunnel checker were off duty.

[REDACTED], formerly employed by the Missouri State Penitentiary, said he was the relief driver of the "bread truck" for Renz Farm on April 23, 1967. He said he picked up the bread about 8:30 a.m. He noted the box was on the platform (loading dock). He said this was unusual because usually the empty is taken from the truck and the full box returned. He said he recalled it had been there the day before. He said he was supposed to check the box to be sure it contained nothing but bread. He said the box was about 3 by 2-1/2 feet. He said he had heard that someone tried to get into one of these boxes, after RAY's escape, and could not do it with room for bread. He said the box is checked at the dock, and at the tunnel. He said, however, that it was not "probed." He said the check was visual. He said the box was delivered to Renz Farm and he heard no more about it.

However, he "heard" the next day that civilian cook at Renz Farm complained "that the bread had been all messed up." He also "heard" that there was no shortage of bread on April 23, 1968. He said he also "heard" that some of RAY's clothing had been found on the loading dock a week or two after the escape. He said the only thing unusual about this particular trip and perhaps the 22nd, was that the box was on the dock when he arrived there.

He asked [REDACTED] not to indicate to his wife that he had been in the "pen".

[REDACTED] said that sometime later [REDACTED] telephoned him from California, and said that he needed money and asked [REDACTED] to send him some. He refused, and [REDACTED] called a second time and [REDACTED] refused. He said he has not heard from him since.

[REDACTED] stated that since [REDACTED] was a "racist" that he might be an accomplice of RAY in the murder of Doctor KING. He also thought that both RAY and [REDACTED] were mixed up in "peddling dope" in the penitentiary, but he could never prove it. He said [REDACTED] had a detainer from Florida which was dropped. He said he knew RAY wanted to escape [REDACTED]. He said RAY was "strictly a loner" and very quiet. He knew of no personal feelings on the part of RAY in connection with Negroes. On April 22, 1968, [redacted] in the Missouri State Penitentiary as [redacted] number [redacted] said he has been serving [redacted] sentence since [redacted]. He said he knew RAY as an employee in J Hall for a time and knew he lived in K Hall. He said he spoke to RAY on occasion and observed his activities in K Hall. He said RAY lived in K Hall for at least two years and always desired to cell alone. He said [redacted] was in solitary when RAY escaped and knew nothing of it.

He said that RAY was exceptionally quiet and rather an "odd person". He said he knows that RAY took mild drugs such as amphetamine and had very small veins and it was difficult for RAY to "mainline" his shots. He said RAY always believed he was ill, and used drugs on occasion as a matter of medicine. However, whenever he could he purchased amphetamine and barbituates. [redacted] said RAY probably had a source within the penitentiary for these drugs, but he declined to discuss the matter further. He said RAY never sold such.

[redacted] said that RAY is very quiet and would be very hard to locate. He said he would not know where to locate him and could furnish no information as to who might. He said he did not believe RAY would kill anyone unless his life was in jeopardy. He said that no one could say he is a friend of RAY's because RAY had no associates who he would consider as "friends". He said RAY is the type of person who might find employment on a ranch, a chicken farm, or a lumber camp or similar. He said if RAY took dancing lessons this would be completely out of character for him. He said RAY spent money only when he had to and "did not mess around with anyone".

[redacted] said RAYMOND LEWIS CURTIS is unknown to him.

On April 22, 1968, Warden HAROLD SWENSON, in addition to furnishing a copy of the entire files of the Missouri State Penitentiary, furnished an article handed to him on April 22, 1968 by [REDACTED] which is:

Warden Swenson:

Would you look the attached article over and consider turning it over to a reporter of the Kansas City Star newspaper. I have a feeling that Jimmy Ray might give himself up if he happens to read what I have written. If you do release the article I give you full permission to reword it as you see fit as long as it contains the same line of thought.

There is a possibility that he might get killed before it is ever learned whether or not he is actually guilty of ~~shaking~~ shooting Doctor King. If this would happen, it would be another Oswald case in the eyes of the world.

If you do not think it appropriate to release this article to the news media, just tear it up, however, knowing Jimmy as I do there is a very faint possibility that he would give himself up if he were to read what I have written. I am sure that he will be reading either the K.C. Star or the St. Louis papers whereever he is.

*The above & the attached 4-page statement handed  
to Capt. W. Zwick by [redacted] 44-22-65-73723, then to me - JRS*

"IF JAMES EARL RAY IS GUILTY, WHO IS REALLY TO BLAME?"

"For quite a number of years I have been one of the very few close friends of James Earl Ray. Because of this I would like to say a few things about him since everyone else who discusses him reveals that he is either anti-social, a loner, an escape artist, seeks recognition, etc. If this sort of unfavorable publicity continues to be brought out against him there is a very good chance that he might end up like Lee Harvey Oswald without ever having been given a chance to prove his innocence or guilt before a trial court. If this happens it will be a disgrace in the eyes of the world and bring about the same amount of doubt and criticism that arose after Oswald was killed in cold blood by a fanatic who decided to take the law into his own hands.

I first met Jimmy in the Kansas City jail during 1955 where he was being held on a forgery charge. His accomplice on the forgery charge was another man named Walter Rife and we all three lived in the same cell together and passed many hours shooting the breeze while playing three-handed card games for candy bars. Jimmy loved candy bars and always managed to win his share.

On one of our several trips to the federal courthouse, prior to our sentencing, we were taken in the same group. Jimmy's fall partner, Rife, was facing a parole violation or detainer of some sort from the state of Illinois and planned to escape if the proper situation arose. On our trip to the courthouse, a chance did come up by means of a unlocked door in the holdover room which led to a hallway or stairs. Rife begged Jimmy to leave with him through the unlocked door, but Jimmy quashed the deal by saying that all he wanted to do was to plead guilty to the forgery and get his sentence served. I mention this reluctance to escape on Jimmy's part because everyone always brings up that he was continually trying to escape custody. This is not so. I will explain what I think to be the real reason behind his later escape attempts while he was serving the twenty year sentence, but first I would like to point out a few things about Jimmy Ray's personality that have never been mentioned by anyone up to the present time.

Eventually, we all three ended up in the federal prison at Leavenworth, Kansas where our friendship continued. Rife went to work in the

prison hospital and lifted weights during his off duty hours while Jimmy and I either walked the yard or watched the ball games together. It is true that Jimmy is sort of a loner, but this is not unusual in a penitentiary. Being a loner doesn't mean that he didn't have many friends. Jimmy always wore a smile and laughed softly at the various occurrences during our time together in jail and while we were at Leavenworth. His friendly smile alone made him many friends and got him many greetings, but he just wasn't one to mix or join a group bull session as is most usually the case in jail or prison. He would rather stroll around the yard with one or two persons and discuss clothes, travel, baseball, or the enjoyment he got while working as a painter just prior to his arrest. It must have been one of the best paying jobs he ever had because he was always talking about it. If I remember correctly, I believe him and Rife lived in the Pickwick Hotel during the time they both worked for the painting contractor. He liked nice clothes and was always very neatly dressed during his court appearances. He would sometimes mention his brother, but I never heard him ever mention his mother or father in any of our conversations. I took it for granted that he had not been blessed with many luxuries while growing up. He was very saving with the few dollars he was able to obtain while serving time, in fact, I often accused him of being a miser. Somehow he was able to smuggle a wristwatch into the jail at Kansas City and he was so proud of it that I actually believe it was the first wristwatch he ever owned. He did not want to part with it for anything, however, he finally did so because he learned that he could not possibly take it into the prison at Leavenworth with him. I ended up with the watch and passed it on to my brother, but only after having paid Jimmy a much higher price than is usual in jail. Up until I left him at Leavenworth, he was one of my best friends and he was always a very enjoyable person to be around.

When I again met him in 1960 at the Missouri State Penitentiary, he had aged a great deal, he lacked his usual smile, and his whole demeanor seemed to be changed. He was very withdrawn and it took quite a number of conversations before he finally opened up to me and told me why he felt so bad. We were both assigned jobs in the Food Service

floor where he would deliver bread each weekday for outside delivery. We both lived on the same tier in K Cellhouse and would often talk with each other after our jobs were over. It was during these conversations that I finally learned what I think to be the main reason behind his personality change. He told me that two police officers had framed him on the robbery charge he was serving the twenty years on. He swore up and down that he was innocent of the crime, but that he did not have the money to hire lawyers to prove his innocence or carry his case into the United States Supreme Court. I later learned that the two police officers were not above planting evidence in order to convict an exconvict, and that their conscience must have bothered them because they both resigned from the police force shortly after Jimmy was convicted. Anyway, Jimmy made several attempts to get his case reopened without making any headway. Escape was continually on his mind and after four different attempts, he finally made it.

As far as him being prejudice toward any person or race, I have never heard him ever mention one thing against anyone in all our time spent together. If he couldn't say something good about someone, he just wouldn't say anything. In fact, there was no outward showing of animosity ever revealed by him toward the two police officers who he accused of framing him. If there was he just kept such things to himself.

As far as him being the person who shot Martin Luther King, I just can't believe it is possible. However, if he is guilty of it I am wondering whether or not it all leads back to the fact that he was actually sent to prison on a trumped up charge which in turn caused him to do so as a means of retaliation against society for the twenty year sentence he swears he didn't deserve.

I hope Jimmy is innocent of killing Doctor King. I also hope that he doesn't become a scapegoat simply because he drove a white mustang and happened to favor the alleged assassin of Doctor King

For the benefit of you persons with hate in your heart toward Jimmy before he has been proven guilty or given the benefit of a fair trial I ask you to withhold your opinions. Instead I would ask you to think of him as being innocent until proven guilty. In the meantime, put

yourselves in his place, on the run from 200 million persons, without a known friend or voice raised in your behalf, and a hundred thousand dollar reward placed on your head. If you were innocent, how would you feel?

In closing, I would like to say that if this article reaches a newspaper and is published and read by Jimmy, I would like to advise you, Jimmy, as a friend to make immediate arrangements for your personal protection by contacting a Judge or Lawyer and give yourself up so that you can be given a fair trial. Don't put it off until you are recognized by some trigger ~~happy~~ happy nut like Jack Ruby who wants to make a name for himself. You realize that you are on the top wanted list with a large reward on your head. You know that the odds are against you because of this. You can't win. In the meantime, while you are thinking this over, if you happen to be cornered by police officers, for Christs sake don't hold a shootout. Grab a phonebook and call a judge or lawyer.

There's no need for me to mention my name because you know who I am. You do have some friends. Turn yourself in, but use discretion in doing so.

The following investigation was conducted at the United States Penitentiary, Leavenworth, Kansas, by SA [REDACTED]:

[REDACTED], Jr., an inmate of the Penitentiary, number [REDACTED], stated he was presently serving a [REDACTED] sentence stemming from charges against him for violation of [REDACTED]. [REDACTED] cooperation was solicited relative to his knowledge of JAMES EARL RAY and FBI wanted Flyer 442-A was displayed to [REDACTED]. [REDACTED] immediately stated that RAY was unknown to him by name or face.

It was pointed out to [REDACTED] that the FBI was in possession of reliable information that RAY had criminal contacts in Kansas City, including contacts with fences of stolen merchandise. [REDACTED] admitted that over the years he has met and dealt with many thieves, burglars and ex-convicts, and possibly at sometime he did meet RAY, however, he has absolutely no recollection of RAY and he feels he has never even met the man.

[REDACTED] indicated that in view of the nature of the crime RAY is alleged to have committed, and the resulting disorder that it brought about, he would not hesitate in cooperating if he had any knowledge whatsoever concerning RAY. [REDACTED] stated he has followed newspaper accounts of this case and saw the pictures of RAY when RAY was first identified, however, none of it meant anything to him as regards RAY being anyone he has ever known. [REDACTED] indicated that he personally has heard no talk among other inmates concerning RAY, that is, talk to the effect that RAY was known to inmates. [REDACTED] has been in contact with the short time [REDACTED] has been at the Penitentiary.

It is noted that [REDACTED], more commonly known as [REDACTED], is now [REDACTED] years old and has been engaged in criminal activity since he was 16 years old. For the past 15 to 20 years [REDACTED] has had the reputation of being the biggest fence of stolen merchandise in the Kansas City area, having contacts in many other states in connection

with his fencing operation. In addition reliable information has been received that ~~his~~ operation was intimately connected with the illegal operations of the organized Italian criminal element in Kansas City better known as the "outfit".

The following investigation was conducted by SA [REDACTED]

At Jefferson City, Missouri:

On April 23, 1968, Captain DON WYRICK, Assistant to the Warden, Missouri State Penitentiary, advised a review of RAY's file with regard to a June, 1965 violation involving taking prohibited items into the hospital at the MSP, the name of the patient he was supposedly taking the items to was not given in the violation report, prepared by Captain DANTON STEELE, MSP, following RAY's search by Guard [REDACTED]. MSP records show [REDACTED] resigned in July, 1967, and his address was [REDACTED], Dixon, Missouri, telephone [REDACTED].

On April 23, 1968, in interview with inmate [REDACTED], MSP, [REDACTED] advised that RAY was addicted to "bennies" and amphetamine, and RAY and [REDACTED] another inmate, were receiving this material at the MSP through a guard named [REDACTED], who was later transferred to one of the farms and later fired for smuggling a watch into the prison farm. [REDACTED] said that [REDACTED] wife operates [REDACTED] in Jefferson City.

[REDACTED] said he believes there was an elderly con, about 65 or 70, named [REDACTED] who would have known RAY, but he never knew them to cell together. He said he believes he read in the St. Louis newspapers that [REDACTED] is presently confined in the St. Louis County Jail. He stated that all the time he knew RAY, the latter was always in a single cell.

On April 23, 1968, ABBIE LOOTEN, Secretary, Associate Warden of Custody, advised that her records show [REDACTED] Jefferson City, who was last assigned at the Renz Farm as a MSP guard resigned on March 4, 1966. It was noted that the Jefferson City telephone directory listed [REDACTED] at [REDACTED].

On April 23, 1968, [REDACTED] advised that he was formerly a guard at the MSP, and he knew JAMES EARL RAY as just another inmate there. He said he did not know RAY or [REDACTED] any better than the other inmates under his control at the MSP. He stated that RAY worked in the bakery and [REDACTED] in the kitchen at the MSP, and would have

KC 44-760

had the opportunity to associate together in their work, but he never saw RAY associating with anyone in particular, as RAY was a "loner" in his opinion. [REDACTED] stated that he was transferred from the walls to a farm in about 1966, and has not seen either RAY or [REDACTED] since that time. He advised that he had heard rumors about RAY and [REDACTED] taking "dope", but he has no personal knowledge that they were in fact taking "dope" and he never saw either one of them acting as if they were under the influence of any "dope". He was accused of bringing "dope" into the MSP by prison officials while he was there, but he steadfastly denied having been involved in smuggling "dope" or anything else into the prison and would continue to do so. Neither RAY nor [REDACTED] have contacted him since they left the MSP and he has not seen nor heard from either of them since about 1966.

On April 23, 1968, Captain DANTON STEELE, MSP, advised that he vaguely recalls RAY and the incident wherein he had a violation through attempting to take prohibited items to the hospital to some patient, allegedly. He made no record of the name of the supposed patient RAY was taking the items to, and he cannot recall if any name of a patient was ever given.

[redacted] inmate, Medical Center for Federal Prisoners, Springfield, Missouri, was advised of the identity of [redacted] as a Special Agent of the Federal Bureau of Investigation. He was told the purpose of the interview concerned a report he had made sometime ago to the FBI that he had been offered \$50,000. to kill MARTIN LUTHER KING by two individuals identified only as [redacted] and [redacted]. This took place in Columbia, South Carolina, in about March, 1965. He was furnished a warning and waiver form, which he read and executed. He then furnished the following oral information:

In early 1965, in Columbia, South Carolina, he met a soldier stationed at Fort Jackson, South Carolina, who was to be discharged within a few days. His name was [redacted] or [redacted]; but he is not sure of the first name or the spelling of the last name. He had just returned from Panama, and he believes he held the rank of Corporal. [redacted] had marijuana and pep pills in his possession and was a very convincing talker. [redacted] had met a female in Columbia named [redacted]. She worked as a waitress at a lounge he believes was called [redacted] located near [redacted] in Columbia. She was from a little town twenty miles south of Columbia, name unknown. [redacted] roomed with a girl named [redacted] somewhere on [redacted] in Columbia. Both girls were prostitutes, and [redacted] lived part of the time with [redacted]. [redacted] worked at a night club there called [redacted].

[redacted] had met two men known as [redacted] and [redacted] and had filled a prostitution date with [redacted] for \$50. The initial meeting took place in some club, name unknown, located near [redacted] possibly [redacted]. [redacted] told [redacted] she had to leave because she had a date with a soldier from Fort Jackson, South Carolina, named [redacted]. [redacted] asked her to ask [redacted] if he could get ahold of any weapons, whereupon she told him [redacted] had a machine gun.

On 4/26/68 at Springfield, Missouri File # KC 44-760  
by SA [redacted] Date dictated 4/26/68

[redacted] expressed an interest in buying it from [redacted] and told her to pass this on to him, which she agreed to do. The prostitution date was filled in a motel in town, name unknown.

The following night, at the V.F.W., he, [redacted] and [redacted] met. [redacted] and [redacted] were present, as well as two other girls who worked at [redacted] but this was their night off. He does not recall their names. This was the first time he had met [redacted] and [redacted]. The men went outside and [redacted] gave them each a stick of marijuana which he had brought back from Panama. They all sat in [redacted] white 1964-65 Lincoln Continental and smoked marijuana. The Lincoln had a Tennessee license plate beginning with the number 2, which designates Memphis. [redacted] was always smoking big cigars and wore a large diamond ring. He understood [redacted] has money in Mississippi and Tennessee. He owns [redacted] in Clarksdale, Mississippi, has [redacted] in Memphis and [redacted]. In the old days he was a bootlegger. [redacted] despises the Negro race and, particularly, any with Communist leanings.

While in the car, [redacted] told [redacted] he understood he had a .50-caliber machine gun and [redacted] said he did. [redacted] asked if he wanted to sell it and he said, "Yes." Either [redacted] or [redacted] asked where the machine gun was and how long it would take to get it. [redacted] said three days because it was in Westwego, Louisiana, in care of a friend [redacted]. He never heard this man's name. [redacted] or [redacted] asked [redacted] if he had any ammunition for it, and he said he had a whole belt. One of the men then offered him a thousand dollars for the machine gun.

They all met again the next night at the largest drive-in restaurant in Columbia, name unrecalled. [redacted] or [redacted] asked him if he had ever used the machine gun before, and he said he used one while in military service. It was agreed that [redacted] would take [redacted] to Westwego, Louisiana, which is on the west bank of New Orleans, to get the machine gun. They were to meet [redacted] and [redacted] on a certain unrecalled date in Columbia and collect \$1,000. for the machine gun. The meet was to be at some unrecalled motel. [redacted] stated he has trouble remembering things that happened this long ago.

He drove [redacted] to get the machine gun at [redacted] and [redacted] contacted some man outside of his presence who reportedly told him the weapon had not arrived. He and [redacted] stayed in an apartment house at the rear of [redacted] for two days waiting for the weapon to arrive, but it never did. He became irritated with [redacted] and then felt [redacted] never had such a weapon. [redacted] returned alone to Columbia, South Carolina, and he understood [redacted] was going to his home in Fort Myers, Florida. [redacted] parents reportedly lived in and operated [redacted] at Fort Myers. [redacted] stated that at the time all this was going on he had and was driving a 1959 Chevrolet convertible, maroon in color, bearing a Maryland Temporary Tag. He bought the car under his true name from Luby's Chevrolet in Baltimore, Maryland.

Upon his return to Columbia he met with [redacted] and [redacted] and informed them he did not get the weapon. He was told the plan was for him and [redacted] to kill MARTIN LUTHER KING for \$50,000. \$5,000. was to be in advance, with the remaining \$45,000. to be paid to them in Greenville, South Carolina. [redacted] said KING had to be "wiped out" because J. EDGAR HOOVER had reported KING to be a confirmed Communist and the most notorious liar of our day. The killing was to take place along a scheduled march from Selma, Alabama, to Montgomery, Alabama. The machine gun was to be placed in the back of a paneled truck and driven to a spot on the Selma-to-Montgomery route. When the front line of marchers, including Dr. KING, approached the spot, the rear doors of the truck would be opened and the marchers machine-gunned. The truck was to come from some other state and purchased legally in the name of a deceased person. They would then drive the paneled truck away from the line of march to a country road where a passenger car would be parked. The truck would be abandoned and then they would travel into Montgomery, Alabama, by a devious back-roads route. They would then travel to Greenville, South Carolina, where they would meet [redacted] and [redacted] [redacted] would tell them how to get to Sydney, Australia, via Mexico, on a freighter.

[redacted] has a friend who formerly lived in Mississippi but now has a sheep ranch in Broken Bow, Australia. This man would help set them up in a bar or some other type of legitimate business.

When he told [REDACTED] and [REDACTED] that [REDACTED] could not produce the machine gun, they said the plan had been dropped because MARTIN LUTHER KING announced he was not going to participate in the march.

He described [REDACTED] as white male American, age 40; 5 feet, 10 inches; 210 pounds; blue eyes; brown hair, graying on the sides. [REDACTED] lives [REDACTED] from Memphis, in Mississippi.

[REDACTED] described as white male American; 6 feet, 1 inch; 180 pounds; brown hair; age 38, good dresser, residence Memphis, Tennessee.

[REDACTED] described white male American, 22; 5 feet, 8 inches; 170 pounds; black hair; husky build, and good looking. He believes [REDACTED] a psychiatric case and believes this was the reason he was discharged from the military.

He has seen [REDACTED] and [REDACTED] since the above incident; however, he is not going to say more unless the Government dismisses an Interstate Transportation of Stolen Motor Vehicle charge against him. He has two detainers against him, and one is a State detainer. The federal detainer is from U. S. District Court, Montgomery, Alabama, and this detainer prevents him from making parole. He is eligible for parole on his current 5-year sentence in [REDACTED]. He might get a parole to a State detainer, but parole would not be favorably acted upon with a federal detainer on file. If this detainer were removed he would furnish the full names of [REDACTED] and [REDACTED] and where they could be located, in addition to subsequent contacts he has had with these men. He was told that no promises of any kind could be made in this regard.

A photograph of JAMES EARLY RAY, FBI # 306443A, taken at the Missouri Department of Corrections, Jefferson City, Missouri, on March 17, 1960, was shown to [REDACTED] and he stated that he does not know this individual either by name or photograph.

[REDACTED] admitted he was at the Medical Center for psychiatric treatment. He has a writ in federal court under the provisions of Title 18, Section 2255, U. S. Code,

[REDACTED] Medical Center for Federal Prisoners, Springfield, Missouri, advised [REDACTED], FBI # [REDACTED], is at the Medical Center for psychiatric treatment with the long-term goal of an eventual return to the U. S. Penitentiary at Leavenworth, Kansas.

He stated on [REDACTED] the Medical Center directed a letter to the U. S. Probation Office at Little Rock, Arkansas, stating that although [REDACTED] now appears to be competent, several months ago he was too psychiatrically disturbed to participate in any court here. A plan is to examine him again in a month to determine whether or not he is competent to participate in legal proceedings.

[REDACTED] stated that while [REDACTED] was at the Medical Center on a previous occasion a psychiatric report prepared [REDACTED], by [REDACTED], Staff Psychiatrist, contained the following diagnosis:

"Schizophrenic Reaction, chronic undifferentiated type, sociopathic personality disturbance, anti-social type, migraine headaches, with possible brain damage."

LEO HOLDEN PARKER, No. [REDACTED], Missouri State Penitentiary, received April 19, 1968, to serve 15 years for Armed Robbery-1st said he was released on parole to Dismas House in St. Louis, Missouri, on June 1, 1967, after serving 13 years for murder in Illinois. He said he was arrested on July 18, 1968, for having kidnaped a boy and girl and robbing them of money and their car. The car was recovered in St. Louis, Missouri. He said this crime was committed on July 11, 1967, and he was arrested on July 18, 1968, and subsequently tried.

He noted the newspaper articles stated that the kidnaper had mentioned being recently escaped from prison and among other things had blue eyes. He has brown eyes. He said, while in jail, he talked to everyone he could to find out what prisoners had escaped from Illinois and Missouri. He was told by a prisoner at the St. Louis Jail that JAMES RAY had escaped. This was in September of 1967. He said this prisoner, whose name he could not recall if he ever knew it, said that RAY had been in St. Louis all summer; had a car; was using or pushing narcotics and was living and eating in a garage and had been making money by various hold-ups. PARKER said he tried to get his attorney to send for a photograph of RAY, but this was not done.

PARKER said that he did not see a photograph of RAY until this last week when pictures were published of him in newspapers in connection with the murder of Dr. MARTIN LUTHER KING. He noted the close resemblance between him and RAY. He said he thinks RAY is responsible for the crime for which he is serving time and he is therefore desirous of doing everything he can to help locate RAY.

PARKER said a large blow-up picture of him was used in his trial, but the picture had been "touched up" to remove facial scars. He noted he has tattoos on his arms that would show and yet the witnesses did not recall them. He said he believed the victims had been influenced in identifying him by the St. Louis Police. He claims he had a good alibi and did not commit the crime, but was convicted on his record and from biased testimony based on faulty identification of

On 4/26/68 at Jefferson City, Missouri File # KC 44-760

photograph, although the record indicates it was a court room identification.

PARKER said the victims were RITA BROCKELMAN, [REDACTED] St. Louis, Missouri; and GEORGE MC QUADE, JR., [REDACTED] St. Louis, Missouri. He said the case was investigated by [REDACTED] and [REDACTED], Fifth District, St. Louis Police Department.

PARKER said he was in jail at St. Louis for ten months, and all this time he talked to whoever he could to find out who might have been the real perpetrator of this crime. He said he was on the fourth floor to December of 1967, and thereafter on 23 on the main custodial floor. He said, however, that prisoners mingled pretty much throughout the whole building and he does not know the names of anyone he talked to. He said he would continue to search his memory for the name of the person who told him RAY had been in St. Louis during the Summer of 1967, and was there as late as September of 1967.

PARKER said there was publicity of this case in the St. Charles, Missouri, Daily Banner of July 12, 1967, which carried interviews with the victims, and he has a deposition in which Miss BROCKELMAN testified the kidnaper had blue eyes and was very positive of this fact. He also noted the victims were let out about two miles from Alton, Illinois, where he believes RAY formerly lived. He noted the descriptions of him and RAY are practically identical except for marks and eyes.

GEORGE BEN EDMONDSON, Inmate, Missouri State Penitentiary, Jefferson City, Missouri, at first said he did not know JAMES RAY. He was shown various pictures of RAY and then said he recognized him as an associate of an inmate he knew as RAY CURTIS. He said he had served time with CURTIS both in the penitentiary and in jail at Springfield, Missouri, and read an article of an interview with CURTIS in regard to RAY within the past few days.

EDMONDSON said his wife did not know RAY and he personally had no dealings with RAY inside or outside of the penitentiary, and did not discuss escapes or anything else with him.

EDMONDSON said he obtained a Canadian passport in Montreal, Canada under the name of [REDACTED] for the reason he spoke German, and is going to adopt that name eventually. He said his wife is [REDACTED], nee [REDACTED], and she is residing with her parents at [REDACTED] Quebec, Canada. He said she visits him on occasion, about every other month, but she does not plan to visit again as he expects to be released on a decision of the Missouri Supreme Court within a matter of about 30 days, and he will then go to Canada and join her.

EDMONDSON said it is very easy to get a Canadian passport and the procedure is probably known to every fugitive from the United States. He said all that is needed is \$5.00, plus someone to sign as a "guarantor", plus either a Baptismal Certificate or a Birth Certificate. He said he obtained his by sending in his marriage license and his wife's birth certificate. He said Baptismal records are available as are "guarantors" in the Rue Notre Dame area. He said most of the certificates emanate from the Saint Justin Parish and it costs about \$50.00 to obtain the necessary papers to back up the passport application.

He said there are a lot of "floaters", such as prostitutes and other "hustlers" in the Notre Dame area and they are the ones with whom to make contact. He said there

On 4/25/68 at Jefferson City, Missouri File # KC 44-760

by SA [REDACTED] Date dictated 4/26/68

is a definite pipe line in this regard. He said it usually would take about a week or ten days to get the necessary papers, and within a few days the passport would be received.

He said it is important to evaluate the contacts to know if 2500 Rue Notre Dame is east or west. He said neither is a good section, but east is French and west is English. He said the English are working people, but the French are "hustlers". He said the address could be considered as "downtown". He also said, if the passport was obtained on a Baptismal record, he might be able to furnish further information which might be helpful.

EDMONDSON said he believed that it would be no problem for RAY to hide out from Police and officials, but he would have to hide from the "whole literate public", which he said he knew from personal experience is not easy. He said, in his opinion, since RAY has been connected with the assassination of Dr. KING, he has no place to go, and no place to hide.

The following investigation was conducted by  
Special Agent [REDACTED]

AT JEFFERSON CITY, MISSOURI:

*Adm. Kenneth Hurtt*  
*Ken. Th. Hurtt*  
JOHN KENNETH HURTT, Missouri Department of Corrections number [REDACTED] an inmate at the Missouri State Penitentiary (MSP), advised that he celled in the same hall at the MSP as did JAMES EARL RAY for about two or three weeks in about 1966. He said that he was not close to RAY and that he knows of no close associates RAY had in the MSP. He stated that RAY was "always planning an escape", but he does not know who helped RAY escape in April, 1967, if anyone did help him, and he had no advance knowledge of RAY's escape in April, 1967. He advised that he has no information as to what RAY's plans were once he was able to escape, and he has no idea where he might go on escape or where he might try to hide. He said that he never heard of any bounty on the life of Dr. KING, and he never heard RAY mention such a bounty or say anything to indicate one way or the other his feelings regarding the Negro race.

RAY did say that he had a close friend who owned a paper company or office equipment company in Kansas City, Missouri, as HURTT recalled, and he said that RAY had him send a money order to this stationery company supposedly for ordering some paper. He said RAY gave him cigarettes in return for HURTT's sending about a \$15.00 money order to the stationery company, apparently because RAY did not want the records to show he was sending out the money. RAY was always talking about this same man who owned the stationery company, as RAY said, and it was this person who HURTT thought RAY said lived in Kansas City, and he thought that he sent his money order to Kansas City; however, he believes the name was PEPPER, and it is possible that he sent the money order to St. Louis, Missouri, rather than Kansas City, and he cannot recall the exact address. He advised that at any rate, the paper never came, and he asked RAY about delivery, and RAY told him that he had arranged for direct delivery to him and the paper would not be coming to HURTT. He said RAY never told him the money order had been sent to his brother-in-law. He added that this was the only time he ever sent any money out for RAY, and it was the only time RAY asked him to

do this for him. This would have been in about 1966, after RAY got out of solitary confinement following his return to the MSP from the State Hospital in Fulton, Missouri, as HURTT recalled. HURTT said that he was in solitary confinement when RAY escaped in April, 1967.

HURTT advised that he never heard of "Cooley's Organization", and he has been in the MSP for fifteen years. He said that he is not acquainted with any inmates named [REDACTED] or [REDACTED] and he does not recall any such inmates being assigned to jobs with RAY or celling near him. He stated that he never heard RAY speak of Mexico, Canada, Australia, or New Orleans. He advised that RAY celled with [REDACTED] when RAY returned to the MSP from Fulton, but he knows of no other cellmates RAY had. He said that he has no information to indicate RAY was involved with the sale of amphetamine in the MSP.

On May 9, 1968, and May 10, 1968, Warden HAROLD SWENSON and Major B. J. POIRY, Assistant Associate Warden of Custody, MSP, advised that they have no knowledge of "Cooley's Organization" and have been unable to identify it with any segment of the population at the MSP or to verify its existence, past or present.

AT JEFFERSON CITY, MISSOURI:

On May 9, 1968, [REDACTED] # [REDACTED], inmate at the Missouri State Penitentiary (MSP), advised that he was in [REDACTED] at the MSP during the time RAY celled there in 1967. He said that he was in [REDACTED] at the time RAY escaped in April, 1967. He said that he did not know any inmates named [REDACTED] or [REDACTED], and he does not know if inmates with those names were in the MSP at the time RAY escaped. He stated that he never worked directly with RAY, but he did see him in the MSP and spoke with him. He said he went to work at the bakery at the MSP following RAY's escape, but he never heard any talk in the bakery about RAY or his escape while he was there and he has no information as to the identity of any inmate who may have aided RAY in his escape. [REDACTED] said that he was working at [REDACTED] when RAY escaped, and he did not know of his plan to escape or his plans following escape. He recalled that RAY was a "loner" who did not speak unless he was spoken to, and RAY never discussed his future plans to him. He said that he has no information regarding any "bounty" for the death of Dr. KING, and he never heard RAY speak of such a "bounty" or of Dr. KING. He stated that he got the impression that RAY had lived in New Orleans, Louisiana, as he did speak of New Orleans in his conversation, but he cannot recall any specific comments RAY made concerning New Orleans. He said he does not recall RAY's speaking of Mexico or Canada, and he has no idea where RAY might be located. He said that he recognizes a 1967 photograph of RAY in coat, white shirt, and tie, as RAY, with a fuller face. He stated that RAY never mentioned any assassination plans, and he felt that RAY was the non-violent type, since he was so quiet. He said he never heard of "Cooley's Organization" at the MSP.

The following investigation was conducted by  
SA [REDACTED]

AT JEFFERSON CITY, MISSOURI:

On April 30, 1968, [REDACTED], [REDACTED] inmate, Missouri State Penitentiary, advised that he was in the Missouri State Penitentiary during [REDACTED] on one sentence, and he believes he may have known who RAY was during that time, but was not acquainted or associated with him personally. He said when he came back to the Missouri State Penitentiary in [REDACTED] to begin his current [REDACTED] sentence from [REDACTED] Missouri, he worked in the bread room at the Missouri State Penitentiary during the early part [REDACTED] and he was working [REDACTED] at the bread room during the time RAY escaped. He stated that he recalls RAY was working the afternoon shift in the bread room, and he does not recall seeing RAY the day he escaped. He advised that he did not see RAY very much anyway, and he did not know of any plan RAY had to escape and never heard anything before he left or afterward as to where RAY planned to go after escape. He said that he does not know whether or not an inmate aided RAY in his escape, and he does not subscribe to the theory that RAY escaped in the bread box being delivered to one of the prison farms. [REDACTED] said that his shift was from 4:00 AM until 1:00 PM and he generally at about 8:00 AM took the bread box for the Ranz Farm down to the dock from the bread room to be loaded onto a truck going to the farm. He said as he recalls, the day RAY

supposedly escaped, he personally loaded the bread into the wooden bread box, personally took it down the elevator operated by an inmate to the dock, and assisted in placing the box onto the truck. He asserted that he placed the bread into an empty box, and there was nothing unusual about the box he loaded. He said that he does not believe RAY left the prison in the bread box, unless the bread box was exchanged for one in which RAY was hiding without [REDACTED] knowledge. He denied that he assisted RAY in his escape, and stated that the bread box was generally loaded with from 35 to 60 loaves of bread, which he always stacked neatly in the box. He said that he never worked directly with RAY at the prison and did not consider himself a friend of RAY. He stated that he never heard anyone at the prison speak of a bounty on Dr. MARTIN LUTHER KING, and he never heard RAY say anything that would reveal his feelings with regard to race or about his plans for the future. He said he never heard RAY mention Oregon, Mexico or Canada. He said that he does not believe that the bread he packed into the bread box on the day RAY supposedly escaped came to the top of the bread box. He advised that sometimes the bread sits on the truck at the dock unattended while the driver picks up other supplies to be delivered to the prison farms. [REDACTED] denied having knowledge of any plan RAY had to escape and denied knowledge of his possible whereabouts.

AT TUSCUMBIA, MISSOURI:

On April 30, 1968, Sheriff WENDELL HENSLEY, Miller County Sheriff's Office, advised that the town of Lake Ozark, Missouri, is in Miller County, located on the Lake of the Ozarks. He said that he knows of no investigation being conducted at this time or recently by any law enforcement agency about "narcotics pushers" at Lake Ozark or area, and he personally has no knowledge of any peddlers of narcotics operating in this area. He said there has never been any proof of which he is aware that RAY was ever in Miller County or area.

He stated he never knew of RAY to be involved in the sale of "pills" or amphetamine, or to operate or play in poker games. He advised that he never knew RAY to express strong opinions on any subject, including racial matters, and he never heard of a bounty mentioned regarding Dr. MARTIN LUTHER KING. He said he knows nothing of RAY's family, background or associates and has no information regarding his escape or plans following his escape. The following investigation was conducted by  
SA [REDACTED]

AT JEFFERSON CITY, MISSOURI:

On April 29, 1968, [REDACTED]

also known as [REDACTED] Missouri State Penitentiary  
number [REDACTED], advised as follows:

He knew JAMES EARL RAY at the Missouri State Penitentiary (MSP). From his conversations with RAY, he learned that RAY's maximum ambition in life was to make a "score" of about \$20 - \$30,000.00, after which he would go to Mexico to "hide out", living simply on the loot at the favorable Mexican exchange rate. RAY had spoken to him about his previous trips to Mexico, following "two or three" armed robberies, involving small scores, where he would "cool off" and live on beer, beans and milk. RAY spoke of Campeche Bay, near the Yucatan Peninsula, and he spoke of living with peasants on the outskirts of the town of Campeche, Mexico. RAY also spoke of a cheap "red light district" he favored located in the town of Torreon or Torrejon (phonetic), which the former MSP inmate thought was located in north central Mexico. Cost was a factor in anything RAY did, and he apparently lived frugally and budgeted his money carefully.

RAY did not like Negroes in general, but he expressed no particular feeling toward MARTIN LUTHER KING, although he has heard RAY refer to Dr. KING as "MARTIN LUTHER COON". RAY read enthusiastically, especially the weekly news magazines available at the MSP, and he would react in an outspoken manner opposing H. RAP BROWN and STOKELY CARMICHAEL when he read of their activities, as well as in opposition to publicity Dr. KING received in certain instances.

The former MSP inmate never heard of any bounty mentioned with regard to Dr. KING at the MSP or elsewhere. He believes he has heard RAY speculate that there might be some money available through some splinter group for the murder of BROWN or CARMICHAEL, but he never heard him speak in this regard about Dr. KING. RAY did not mention specific groups or any knowledge of any real payoff information. He recalls RAY's telling him [REDACTED] that while he was on the minor construction detail at the MSP, one of the guards referred to the Negro inmates working on the detail as "boy", and the Negroes went on a "sit-down" strike, and induced about two of the white inmates to join their strike, and when one of the Negroes referred to RAY as "gray", he got into a fight with that inmate, although the prison officials never learned of the fight. [REDACTED] does not know whether or not it is true.

RAY was a hypochondriac in that he took six or seven different kinds of pills daily, imagining that he had a "cranial depression" and a "rapid palpitation of the heart". He would use former inmate's watch with a second hand and time his pulse. He was able to obtain "pills" from going on sick call as well as through inmate sources in the MSP. [REDACTED] RAY took these pills, thinking that [REDACTED] some day [REDACTED] the pills might ward off future effects [REDACTED]. He believes RAY was selling amphetamine all the time he was in the MSP, but former inmate does not know his source.

RAY mentioned a traffic for the sale of small appliances in Mexico, due to the tariff Mexicans had to pay for such items they purchased legally, and he spoke of having smuggled such items into Mexico. He said he was acquainted with a man who operated a small scale smuggling business, who lived near the town of Campeche, Mexico. RAY mentioned this man so often that former inmate recalls his name: either [REDACTED] or [REDACTED], who apparently had lived for some time in the United States, and who spoke English. He believes this is the man RAY referred

to as the owner of a small fishing boat, and he would smuggle things from Brownsville, Texas, into Mexico through Campeche Bay. He believes RAY made trips on this boat with the man, and apparently Mexican Nationals are not checked upon entering Mexico through Campeche Bay in fishing boats. He does not believe RAY could speak Spanish, other than for basic words for basic needs. He heard RAY mention a brother in St. Louis, Missouri, and he believes some of RAY's trips to Mexico were with either the brother or with someone he had participated in armed robberies with, name not given. RAY indicated he had invested a little money in TV sets and washing machines which were transported to Mexico by his friend with the fishing boat. RAY said he had been to Mexico City "a couple of times", and he apparently liked Mexico City, but said it was a "tourist trap", and he could not afford to stay there.

RAY's only reference to working had to do with past bartending jobs. He believes RAY said he had tended bar somewhere in Peoria, Illinois, and at some other town in southern Illinois, exact location not known. He never mentioned Oregon or Canada, that former inmate recalls.

RAY never mentioned to him his plans for escape or specific plans to hide out any particular place, but his conversation indicated he wanted to "make the one big score" and retire in Mexico. He mentioned that he and another man, name not mentioned, drove to Mexico, apparently Campeche, one time, in an old model Chevrolet, specific routes not mentioned. He does not know how RAY made his other trips to Mexico he claimed to have made. He said that he had lived in a rented three-room shack on the outskirts of Campeche, within walking distance of the town, and from his conversation, former inmate gathered that this was during the late 1950's. RAY said he had been in Arizona before, but he did not mention any of the Mexican-United States Border towns, other than Brownsville, Texas.

He recalls RAY mentioned having watched a "fire dance" done by small Negro boys at a hotel in Acapulco, Mexico. He indicated he had not stayed at the hotel where the performance was, since it was too expensive, but stayed at an unnamed cheaper hotel, and he indicated that live coals

—  
were kicked over a cliff into the surf below the hotel, after which the boys would dive into the surf as it rushed through a small inlet.

He recalls RAY once had another inmate, KENNY HURT, or HURTT, in about 1966, send out about \$15.00 for him once, purportedly for the purchase of stationery for legal papers. The prison authorities watch inmate expenditures closely and at the time, the inmates were allowed only about \$23.00 per month expenditures, but RAY had some income from his illegal activities in prison and needed to conceal the money in other than his own treasury account. HURTT got RAY's money and sent it out to a Mr. and Mrs. \_\_\_\_\_ (name unrecalled) Stationery Company in St. Louis, Missouri, but no stationery ever came to HURTT, who worried about it and thought it might have been stolen until he was told it would never come, by RAY, who had used HURTT for getting rid of the money without HURTT's knowledge of what he was doing.

Former MSP inmate does not know who RAY might contact, other than the supposed friend at Campeche he named, and he has no knowledge of his whereabouts and no knowledge of his plans to escape, or activities following escape. He does not approve of the murder with which RAY is charged, however, and desired to furnish the above information to help if he can.

The following investigation was conducted by  
Special Agent [REDACTED]

AT LEAVENWORTH, KANSAS:

A former inmate, [REDACTED], of the Missouri State Penitentiary, Jefferson City, Missouri, currently incarcerated Federal Penitentiary, Leavenworth, Kansas, advised on April 30, 1968, that he had worked in the bakery at the Missouri State Penitentiary while JAMES EARL RAY was an inmate at the penitentiary and also a bakery worker. RAY was a friend of [REDACTED] and an inmate recalled only as [REDACTED] believed to be from Farmington, Missouri.

[REDACTED] intimated that RAY was planning an escape from the penitentiary and his escape was finally effected with a large bread box-- [REDACTED] and possibly others assisting in the loading of the bread box containing JAMES EARL RAY. When the bread truck came in, a remark was made by [REDACTED] about sending something to the farm, and a rather heavy bread box was loaded on the bread truck.

RAY on one occasion made the remark concerning a Negro guard known as Lt. BILLY BOB "That's one Nigger that should be dead." RAY on one occasion referred to a male Negro cook as "that black son-of-a-bitch."

RAY was characterized as a loner and one who seemed to live in his own world. RAY was known to purchase the physical favors of homosexuals while still in the Missouri State Penitentiary, although it was believed that RAY would seek sexual relations with women outside the prison walls.

Prior to the time that RAY escaped in the bread box, [REDACTED] was overheard telling RAY that he wanted RAY to go to Doe Run, Missouri, where a girl named [REDACTED] (phonetic) resided. [REDACTED] wanted RAY to "beat that bitch real good, but don't kill her." [REDACTED] wanted RAY to tell [REDACTED] that the beating had come from [REDACTED]. Apparently [REDACTED] had been [REDACTED] girl friend, and when she stopped corresponding with [REDACTED] [REDACTED] became quite upset.

It was also believed that RAY had stabbed one inmate while still in the Missouri State Penitentiary down on the dock by the garbage cans, but his identity was never discovered by prison officials. It was believed that [REDACTED] held this inmate while RAY stabbed him with a knife. It was not believed that this was a mortal wound, but simply an assault with a knife.

It was indicated that RAY used to steal locks from different doors in the bakery and kitchen area and practiced picking these locks later.

[REDACTED] was described as a white male, age 35, about 5'10", 160 pounds. [REDACTED] was a nice-looking, well built, white male with black hair.

The following investigation was conducted by  
Special Agent [REDACTED]:

AT KANSAS CITY, MISSOURI:

On May 1, 1968, [REDACTED] phone [REDACTED], advised that he was an inmate in the Missouri State Penitentiary at Jefferson City, Missouri, while JAMES EARL RAY was also an inmate in that institution. [REDACTED] advised that he was employed in the [REDACTED] [REDACTED] advised that he was never a close friend of RAY, and they actually resided on opposite sides of the prison. RAY was in the hospital a few times on sick call, but was never actually checked in to occupy a bed. RAY just picked up his medication and left. [REDACTED] said, therefore, that although he knew RAY to speak to him, he had never had an extended conversation with RAY and actually knew very little concerning RAY's personal life or friends at the prison.

He remembered RAY as a "loner", who always acted like he was troubled. He remembered that RAY seldom smiled, and he judged that RAY was preoccupied with his own thoughts. After RAY escaped, [REDACTED] thought that probably RAY was thinking about his escape plans rather than the events closer at hand. He viewed the photographs of RAY and indicated they were good likenesses, recalling that RAY did cock his head a little to one side.

[REDACTED] said he would have no idea as to RAY's whereabouts, since RAY had never mentioned any escape, any friends inside or outside the prison, and had never given any possible itinerary if he left the prison. [REDACTED] said that since someone would probably make some money for turning RAY in, he himself would contact this Bureau if he ever does see RAY on the outside. [REDACTED] said that his own nickname was [REDACTED] while he was in the prison at Jefferson City, Missouri.

It will be observed that the whereabouts of [REDACTED] was obtained through [REDACTED]

The following investigation was conducted by  
SA [REDACTED]

On May 2, 1968, [REDACTED], MSP # [REDACTED], serving [REDACTED], Missouri State Penitentiary, since [REDACTED], said he has worked in [REDACTED] the main kitchen and the [REDACTED] at the penitentiary. In April of 1967, he said, he was working in the [REDACTED]

He said he knew RAY on sight and spoke to him and that was all. He said he worked for a time with RAY in the kitchen, but did not associate with him in K Hall and he did not know RAY's associates. He said RAY was very quiet and he had no information on the personal habits or beliefs of RAY. He never heard of any bounty for the killing of Dr. KING, or rumors to that effect. He could furnish no further information.

Police Departments at Jefferson City, Columbia and Sedalia, Missouri, and both the Identification and Laboratory Sections of the Missouri State Highway Patrol have been requested to compare any latents on hand or received with the prints of RAY. Only the Missouri State Highway Patrol had such. To date, checks in this regard have been negative, according to [REDACTED] Missouri State Highway Patrol Laboratory, who so advised on May 6, 1968.

The following investigation was conducted by SA [REDACTED]

On April 24, 1968, [REDACTED] Classification Office, Missouri Department of Corrections, advised that [REDACTED] No. [REDACTED], was received at the Department of Corrections, Huntsville, Texas under that number as of [REDACTED]. He is former Missouri State Penitentiary (MSP) No. [REDACTED] and was discharged [REDACTED]. His emergency address was care of [REDACTED], Houston, Texas. [REDACTED] His brother, [REDACTED] No. [REDACTED], was discharged [REDACTED].

On April 24, 1968, Lt. WILLIAM ROBERT TURNER, also known as "BILLY BOB", a Negro, advised that he was the first Negro officer at the MSP to have general jurisdiction over the whole yard, including white cells. He said, for this reason, some of the inmates resented him.

Lt. TURNER said he knew "JIMMY" RAY as an inmate and observed him in the yard on many occasions. He said the only inmate he ever saw RAY with on more than isolated occasions, was a [REDACTED] who was a cell mate of [REDACTED]. He noted [REDACTED] received a card signed [REDACTED] which he believed to be from [REDACTED]. It had no message except greetings "to a wonderful friend".

TURNER said it was his opinion that [REDACTED] was a person who would be willing to kill Negroes. He did not believe RAY would. He said he had occasion to sit on a discipline board before which [REDACTED] appeared. He said [REDACTED] tried to "snow the board" and he, TURNER, recommended rather a harsh punishment for him. He said this word could have gotten to RAY, who may have resented it.

TURNER said that RAY was very quiet and got along well with the Negro population, but did not associate with them. He said [REDACTED] did not get along well with them at all and continually "bad mouthed" them. [REDACTED]

[REDACTED]. He said the sketch, which first appeared concerning the assassin of Dr. KING more closely resembled [REDACTED] than RAY.

Lt. TURNER said he circulates among the entire prison population all the time and supervises recreation periods in the yard. He said he never heard of any bounty on Dr. KING and he would have heard of this had there been any conversations in this regard in the penitentiary.

Lt. TURNER further recalled that he was on duty in the yard on April 23, 1967. He said an inmate came to him and advised him there had been an escape and perhaps two from this institution. He said he went to Major BERNARD POIRY, in charge, and gave him this information. They then called all known "escape artists" to the control center. However, for some reason, RAY was not included. All of the known "escape artists" were accounted for. They then took a roll call of all inmates and at the time discovered that RAY, and only RAY, was missing.

He said the inmate who advised him of the escape is [REDACTED]. He said this escape was called to his attention between Noon and 1:00 PM. He said [REDACTED] did not know who had escaped.

Lt. TURNER said he has talked to may inmates in the penitentiary regarding both RAY and possible hate groups such as the Ku Klux Klan in the penitentiary. He said there are a few Black Muslims, but otherwise there is no indication of any "hate groups".

TURNER said he is acquainted with [REDACTED] released, and he could not recall ever seeing RAY with this person. He did not know RAYMOND LEWIS CURTIS either as an inmate or associate of RAY's.

Lt. TURNER recalled that RAY operated a magazine service by himself. He charged twenty five cents to let inmates read magazines or paper back books he acquired. He said many inmates used cigarettes instead of money for exchange medium in the penitentiary and as a result RAY usually had a lot of cigarettes from his book business. He said, no doubt, RAY sold some of the cigarettes for cash.

Lt. TURNER said that [REDACTED] may have known RAY, but he did not think so. He said [REDACTED], could be described as a "top-con" in that he is a "fast operator" and always is able to accumulate money through various "prison rackets". He recalled that [REDACTED] was in solitary confinement when RAY escaped.

Lt. TURNER said that RAY did not have the reputation of being a drug user, including amphetamine and there was nothing to indicate he had any abnormal sexual problems. He opined that the killing of Dr. KING by RAY is hard for him to believe as he "just is not the type".

On April 24, 1968, [REDACTED] Missouri State Penitentiary, No. [REDACTED] serving [REDACTED] said he came to the MSP in [REDACTED]. He escaped from Fordland Honor Camp, Fordland, Missouri in [REDACTED]. He hitchhiked to Springfield, Missouri and took the bus to St. Louis. He said he had slightly over \$100.00 when he left Fordland. He said he "just happened on to [REDACTED] in St. Louis". He said he did not know any [REDACTED]. He said he went to school with [REDACTED] and has known him all his life. He said [REDACTED] operated [REDACTED]. He said [REDACTED] tried to talk him into turning himself in. He said he [REDACTED] at [REDACTED] off and on for one day and then went to the home of his brother, [REDACTED], probably [REDACTED], where he was arrested.

KC 44-760

4

He said he did not know JAMES EARL RAY in the MSP; although he said the photograph of RAY in the newspapers looked familiar. He said he never heard that [REDACTED] would hide out anyone. He said he did not know any associates of RAY. He said he did not know [REDACTED] or JAMES OWENS. He said he had not seen [REDACTED] since 1955 until [REDACTED]. He said, however, that [REDACTED] has been visiting him since that time and attempting to get him a parole. He said he believed that [REDACTED] was in the MSP many years ago. He said he knew nothing of [REDACTED] contacts with other inmates or of his activities at any of the roads near the Honor Farms as he has never been in any except Fordland.

On April 24, 1968, the visitor's card of [REDACTED] was examined. It did not have anyone by the name of [REDACTED] listed thereon.

The following investigation was conducted by

Missouri State Penitentiary, advised that he is a native

Federal detainer filed against him. He said that in about  
[REDACTED] he worked in the kitchen at the Missouri State Penitentiary  
when JAMES EARL RAY was pushing a food cart to the hospital.  
He stated that he probably never spoke to RAY, and he does  
not recall having ever heard RAY speak. He advised that he  
has no information about RAY, his plans or his possible

SUMMARY

This is a 37 year old single white man from St. Louis, serving 20, and 5 years concurrently for operating a motor vehicle without the permission of the owner, and robbery first degree by means of a dangerous and deadly weapon (2 charges). He has now completed about 5 1/2 years of his sentence on this third incarceration. Institutionally he has done well enough to merit consideration for parole. He denies use of narcotics and claims to be a light drinker. His record of arrests dates over a 16 year period. He seems to be pretty well established in this type of anti-social behavior. He will probably continue to make a fair institutional adjustment. Prognosis for making a successful adjustment in society is considered marginal at best. He may be able to serve a short parole without too much difficulty.

Date 4/17/68

LYNN RAY CLEVELAND was contacted at the Joplin, Missouri Police Department, and prior to being interviewed, was advised of his rights as indicated on a duly executed warning and waiver form. He stated he had no objection to orally answering questions, and he was told he was being questioned due to the fact an individual had reported him as resembling an artist's conception of the assassin of Reverend MARTIN LUTHER KING, JR., the artist's conception having recently appeared in a local newspaper.

CLEVELAND was questioned in the presence of Detective [REDACTED], Joplin, Missouri Police Department, and furnished the following information:

CLEVELAND stated he did not shoot the Reverend MARTIN LUTHER KING, JR., nor had he been in Memphis, Tennessee or Birmingham, Alabama at any time during the past two weeks. He stated he was not aware that Reverend KING had been murdered until two or three days after the incident, when he recalled someone talking about it. He advised he could furnish no information whatsoever as to the murder.

As to his exact whereabouts on April 4, 1968, he advised he was a traveling Baptist minister and evangelistic singer, and did not maintain any permanent residence. He advised he was unemployed and knew of no way to verify his whereabouts at any time unless some minister recalled being in contact with him on a certain date. He noted that for the past two to three weeks he had been intermittently at Springfield, Missouri, and when arrested by the Joplin, Police Department, on April 9, 1968, was hitchhiking from Springfield, Missouri to Tulsa, Oklahoma. He recalled he spent the night of April 8, 1968, sleeping in a truck at the Queen City Truck Stop in Springfield, Missouri. Efforts were made to trace his whereabouts.

[REDACTED]

On 4/9/68 at Joplin, Missouri File # KC 44-760

by SA [REDACTED] Date dictated 4/13/68

While he could not, in any way be exact, he vaguely recalled having left Springfield, Missouri during the latter part of March, 1968, and hitchhiked West. He noted, since he did not have any money, he normally contacted ministers at any town he was in, volunteering his services as a Baptist minister, and further noted he was an evangelistic singer and could play the piano at revival meetings. He stated this is the way he secured his food and enough money to live on.

On or about March 28, 1968, he recalled being in Kingman, Arizona, and in contact with individuals at the Assembly of God church. He believes he left Kingman, Arizona on or about March 28, 1968, hitchhiking back to Springfield, Missouri, and estimates arrival in Springfield, Missouri on or about April 4, 1968. After arriving in Springfield, he stated, to the best of his recollection, he spent the night at Hoff's Hotel on Olive Street in Springfield, Missouri. He stated the night before was spent at the Church Rectory somewhere in Oklahoma, exact location unrecalled.

When questioned as to the pamphlet in his possession, entitled "Is There Any Hope?" which bears the stamped address of The Southern Avenue Baptist Church, Memphis, Tennessee, he advised he recalled having been in Memphis, Tennessee about one month ago and believed he stayed over-night at the bus station. He stated he was only passing through the area hitchhiking as he does continually, but believed he was in contact with a Catholic priest who bought him some breakfast at Memphis, Tennessee. He could not recall the name of the priest and knew of no one in Memphis who could verify this information. He noted he may have hitchhiked through Birmingham, Alabama a month or so ago, but did not stay overnight there and could furnish no information concerning anyone he might have contacted, or any place he might have stayed in Birmingham, Alabama.

CLEVELAND noted he had been in Springfield, Missouri more than any place else during the past several weeks, and while in Springfield, normally stayed at the YMCA, a small hotel across from the YMCA, the Midway Hotel, Calvary Mission, Hoff's Hotel, and the State Hotel. He could think of no other

locations other than the Queen City Truck Stop, where he might have stayed in Springfield, Missouri. As to individuals with whom he was acquainted in Springfield, who might be able to furnish information pertaining to him, he furnished the following:

Reverend BARCLAY,  
Northwest Baptist Church,  
Springfield, Missouri;

Reverend TOM GEARS,  
Pythian Street Baptist Church,  
Springfield, Missouri;

RICHARD RUBLE,  
[REDACTED]  
Springfield, Missouri.

CLEVELAND stated he presently had no room rented in Springfield, Missouri, and reiterated since he traveled continually, he had no way to positively establish his whereabouts on any given day.

As to prior arrests, he admitted having been arrested at Springfield, Missouri two or three weeks ago on a charge of investigation, and at Creve Coeur, Missouri, approximately one year ago; this also being on an investigation charge. He stated both arrests were because he had no personal identification on his person, or in his possession. As pertains to his having no identification, he stated his identification was stolen from him several months ago. He observed he also lost his glasses several months ago, and noted he is extremely near sighted.

CLEVELAND advised he left his home in Palmer, Texas in 1956 or 1957, and had not returned to Palmer, Texas at any time during the past year. He advised during the past year he had continually been on the road and the only place he had lived more than a few days at a time was at St. Louis Missouri where he resided at [REDACTED], and was acquainted with one JIM FISHBACK who resided at that address. He stated he had not been in St. Louis, Missouri during the past month, and therefore no one in that area could furnish any information as to his whereabouts on a given date during the past two weeks.

CLEVELAND advised he recalled leaving a suitcase at the Greyhound Bus Station in Springfield, Missouri about one month ago, and doubted if the suitcase was still there. He noted this contained personal clothing and he knew of no other clothing he had stored at any location.

The following description of CLEVELAND was obtained through observation and interview:

After furnishing the above information, and being unable to furnish any definite information as to his whereabouts on any given date during the past two weeks, CLEVELAND was contacted by Reverend BILLY MAX WUELLNER, Baxter, Springs, Kansas, who identified CLEVELAND as having been at his church at 2:30 PM on April 3, 1968. When Reverend WUELLNER related the incidents to CLEVELAND, he was able to recall same, and recalled that he left Baxter Springs, Kansas, hitchhiking to Springfield, Missouri. His memory refreshed, he recalled he arrived in Springfield on the night of April 3, 1968, where he obtained \$20 at the Western Union Office, this money having been there approximately four or five days. The money was sent to him at his request from his father in Palmer, Texas. He noted he apparently left Springfield, Missouri prior to the money arriving there, and further recalled after he received the \$20, he stayed the night of April 3, 1968 at the State Hotel. To the best of his recollection, he stayed in Springfield, Missouri the next day and more than likely would have been in contact with RICHARD RUBLE, ~~XXXXXXXXXX~~

To the best of his recollection, he stayed the night of April 4, 1968 at the Hoff's Hotel. As to his whereabouts on March 29, 1968 and March 30, 1968, he could only state he was probably hitchhiking from Kingman, Arizona to Springfield, Missouri.

CLEVELAND's attention was called to the One-Hour Martinizing receipt in his possession which bore the notation "Promised Friday, 9:00 AM", and he was able to recall that he had some clothing at that establishment and he felt certain he would have placed the clothing there the day before, on a Thursday, April 4, 1968.

CLEVELAND was questioned as to the key in his possession when arrested and he stated, to the best of his knowledge, this possibly was a key to a locker at the Greyhound Bus Station, Springfield, Missouri, where he placed his clothing over a month ago. He noted he attempted to obtain the clothing from the locker, but the key no longer would fit the locker. He felt this was because the locker had been sealed due to the fact he had kept the key longer than the time allowed.

KC 44-760

6

Based upon above information, CLEVELAND stated he feels certain he would have been in Springfield, Missouri on April 4, 1968. He advised he would definitely state he was not in Memphis, Tennessee on that date, and that he had not been in Memphis, Tennessee or Birmingham, Alabama for at least one month. He observed that after his memory had been refreshed as to where he was, at a given time, that he was able to recall his actions immediately after leaving Baxter Springs, Kansas.

They sent this \$20 on March 29, 1968, from Ennis, Texas and had not seen or heard from LYNN RAY CLEVELAND since receiving the telegram. Mr. CLEVELAND was interviewed in the presence of ADRIAN MEACHAM, Chief of Police, Joplin, Missouri.

On the evening of April 10, 1968, LYNN RAY CLEVELAND was released in custody of his father, GARLAND CLEVELAND for travel back to Palmer, Texas.

[REDACTED], Joplin, Missouri Police Department, furnished the following information:

At 4:24 PM, on April 9, 1968, he was instructed by the Police Dispatcher to contact one [REDACTED], for information concerning a hitchhiker. He requested the description of the hitchhiker, and en route to [REDACTED], observed a hitchhiker at 18th and Range Line. He checked this individual for information as to his identity and ascertained he was one LYNN R. CLEVELAND. He left the individual on the highway and proceeded to [REDACTED] and contacted [REDACTED].

[REDACTED] stated LYNN R. CLEVELAND had walked into [REDACTED] and inquired as to directions to Tulsa, Oklahoma. While he was in [REDACTED], she had the television on, at which time a broadcast was being made of the MARTIN LUTHER KING funeral procession. CLEVELAND inquired as to whether or not it was the MARTIN LUTHER KING funeral, and according to [REDACTED] CLEVELAND appeared to be very interested in the television broadcast. After CLEVELAND departed, she telephonically contacted the Joplin, Missouri Police Department, as she felt CLEVELAND resembled an artist's conception of the individual who was being sought for the killing of MARTIN LUTHER KING, JR. She observed this artist's conception was recently published in the Joplin Globe Newspaper.

Due to the fact [REDACTED] had not observed the artist's conception in the newspaper, he requested assistance to further check out the hitchhiker, and was assisted by officer [REDACTED].

Officers [REDACTED] and [REDACTED] arrested LYNN RAY CLEVELAND while he was hitchhiking at 31st and Range Line, and at the time of arrest, all that CLEVELAND had in his possession for identification was a library card on a Springfield, Missouri library. [REDACTED] furnished the following information:

On the evening of April 9, 1968, an unknown individual, later identified as LYNN RAY CLEVELAND, walked in to [REDACTED] and requested directions to the Tulsa, Oklahoma Turnpike. She furnished him the directions, and he then asked a question pertaining to the program that was on the television set in the motel office. She recalled at the time there was a program concerning the funeral procession of Reverend MARTIN LUTHER KING, JR., and CLEVELAND inquired if the program was about KING's funeral. She then recalled CLEVELAND making some sort of comment that not only KING, but BILLY GRAHAM, should devote more of their time toward other things than their own religious purposes. She stated she could not directly quote him, but felt he meant that no one should become wrapped up in their own thoughts to the exclusion of all other matters.

She stated CLEVELAND was alone, did not ask for any handouts, and she did not observe him carrying any luggage.

[REDACTED] advised he stayed in [REDACTED] less than ten minutes and when he left [REDACTED], she telephonically contacted the Joplin, Missouri Police Department, as she felt CLEVELAND resembled the artist's conception of KING's slayer which recently appeared in the local newspaper. She advised she had absolutely no reason at all to suspect CLEVELAND other than the fact he resembled the artist's conception, and he made no comment whatever indicating he had been in Memphis, Tennessee, or any comment even remotely indicating he was connected with the murder of Reverend MARTIN LUTHER KING, JR.

[REDACTED] advised she did recall CLEVELAND mentioning he was hitchhiking. This was the only time she had ever observed this person who was later identified as LYNN RAY CLEVELAND.

The death count stood at 11 with scores injured and  
hundreds homeless. There were five victims in the Whee-

Cincinnati.

"We were going through a taste of death right there,"  
reported Henry Dance, 77, a Falmouth resident who was at  
home with his wife.

"It sounded like a clap of thunder," he said, "and then  
the roof began to fall. We fell down by the divan and part  
of the floor fell on us. The Lord saved us, that's all."

A residential area of about six square blocks bore the  
brunt of the storm in Falmouth, a community of 2,600 in  
northern Kentucky. The business section of town was  
largely spared.

Falmouth Mayor Max Goldberg said about one-third of  
the small farming community was destroyed.

**STRAPHANGING IN NEW YORK**, Montreal's Mayor Jean Drapeau, wearing

is in U.S. promoting Man and His World exposition at last year's Expo site.

## LINDSAY, DRAPEAU JOIN STRAPHANGING

NEW YORK (UPI)—New York Mayor Lindsay took Montreal Mayor Jean Drapeau yesterday from city hall to 42nd St.

Lindsay and Drapeau left city hall to avoid about 1,500 demonstrators protesting in middle-income housing projects, but they were stopped by two demonstrators in the subway.

Mrs. Esther Glazer and Mrs. Esther Busman—they were surprised to see Lindsay and Drapeau—who was carrying a sign which read "We expected him to meet with our delegation."

Drapeau is visiting New York to promote the World, the son of Expo.

He was no stranger to New York's subway. He had ridden on them over the past several years. "They are very fast and very convenient."

Lindsay, who has ridden Montreal's subway, asked by newsmen to compare the two systems.

"Montreal's is a bit different. It's a bit more quiet," he said. He added that Montreal's subway has rubber wheels and are quieter than New York's.

The two men parted at 42nd St. and Lindsay bid Drapeau "bonne chance." Drapeau was in connection with his promotion of the Man and His World exposition.

On 4/24/68, [REDACTED] NYC cab driver, Hack License # [REDACTED] was interviewed at his home, [REDACTED] Brooklyn, NY, at which time he related that while driving a cab about two months ago, he picked up Dr. MARTIN LUTHER KING, a colored aide and a very attractive white woman at the International Hotel at Kennedy Airport, at around 7:00 to 8:00 pm, who he transported to the Passenger Departure Terminal of La Guardia Airport, NYC. He stated when they arrived at the airport, Dr. KING's aide left the cab with their luggage and walked into the airport. He stated that KING, while still in the cab, fondly embraced and kissed the white woman in a passionate manner. He stated that KING then left the cab and he drove the white woman into Manhattan to a town house which he believes was located somewhere between 50th and 80th Street and Madison and 1st Avenue. He stated that he recalls that this building was on a street running west and it was on the left side of the street with a wrought iron fence around the front. He stated that the building was 3 to 5 stories at the most. [REDACTED] stated that he is of the opinion that if he could see his trip sheets he could identify this trip because he is of the opinion that he listed the International Hotel when he picked up KING, when he normally only lists Kennedy Airport.

On 4/26/68, [REDACTED] Continental Cab Co, 2222 Tilden Ave, Brooklyn, NY, made available the trip sheets of all drivers from 1/1/68 through 3/31/68.

The trip sheets for [REDACTED] were pulled and reviewed and no trip could be located from International Hotel, Kennedy Airport to La Guardia and on to the east side of Manhattan.

[REDACTED] came to the Continental Cab Co and reviewed all of his trip sheets from 1/1/68 to 3/31/68 and was unable to locate the trip where he transported Dr. MARTIN LUTHER KING, his aide and the white woman.

[REDACTED] was unable to furnish any additional information that would assist in identifying this white woman. He further stated that he has no reason to believe that she had anything to do with the murder of Dr. MARTIN LUTHER KING, but if he should see this woman in the future he would make attempts to further identify her and make this information available to the FBI.

He had heard rumors that [REDACTED] might have been killed [REDACTED]

[REDACTED] He has also heard that [REDACTED] is using this as an excuse to lay low. [REDACTED] related that [REDACTED] is a chronic liar, boastful, and exaggerates stories about himself. [REDACTED] had never heard of [REDACTED] having any dealings with MARTIN LUTHER KING and never heard [REDACTED] mention "South Christian Conference." He has talked about everything else but this matter to [REDACTED]. [REDACTED] claimed he could do nearly anything on earth. [REDACTED] did not trust or believe [REDACTED] very much prior to last time he made bonds for him. He stated at this time he would not believe [REDACTED] "on a stack of Bibles." [REDACTED] has been involved in car thefts but [REDACTED] never heard of him being involved in Georgia or deep South. He has made inquiries through all his sources but has not turned up any information on [REDACTED]. He related [REDACTED] could be buried [REDACTED] or [REDACTED] might be taking advantage of the situation, has left Fort Worth, and is laying low. [REDACTED] had never heard of [REDACTED] being involved in anything in Georgia or Alabama. He further related he would not believe [REDACTED] or any of the big stories he tells.

[REDACTED] was recontacted on 5/7/68, at which time he advised he had not received any information as to the whereabouts of [REDACTED]. The case at Houston has been called but he obtained a postponement for 60 days.

## PURPOSE:

To recommend that the Washington Field Office be authorized to discuss the reviewing of passports with the [REDACTED] Passport Office and that the Rhodesian authorities at Salisbury, Rhodesia, be requested to review their records from April 5, 1968, to present date. This will be to determine if a passport has been issued to subject James Earl Ray.

## BACKGROUND:

Information has been received that subject as Eric S. Galt, 1535 North Serrano, Los Angeles, California, on 12/28/67, directed a letter to Mr. John Acord, Chairman, American-Southern Africa Council, Washington, D. C., making an inquiry about possible travel to Rhodesia.

The Washington Field Office advises that passports may be applied for by any citizen at any of several thousand clerks of court offices at various cities in the United States. Each passport agency maintains information based on applications received from citizens, and this information is forwarded to Washington, D. C. The Passport Office, Washington, D. C., files this information which is maintained by year. A preliminary examination of these records at Washington, D. C., would eliminate all non-Caucasians, all females, all children and all males outside the 25 to 50 age group. A list of the remaining ones could be prepared and then the actual passport application containing photographs of the applicants, reviewed for photograph comparison and elimination could be completed. There were approximately one million passports issued in the year 1967. This review would, of course, be approached in the most reasonable and logical manner.

Memo Rosen to DeLoach  
RE: MURKIN

Washington Field Office advises that the purpose of the discussion with the [REDACTED] Passport Office would be to get estimates on the number of cards to be reviewed and to obtain permission for Special Agent personnel to have direct access to the entire Passport Office file room to carry out this project. The Washington Field Office believes that permission could be obtained without difficulty, and they would limit the number of Agents to ten to conduct the search due to space limitations. If the subject has departed from the United States with a United States passport under an assumed name, it is felt that the foregoing project would possibly have excellent chance of identifying him. Washington Field Office recommends that any formal request for review of records at Rhodesian government be held in abeyance until completion of Passport Office survey.

RECOMMENDATION:

1. It is recommended that the Washington Field Office be authorized to discuss the reviewing of passport records with the [REDACTED] Passport Office.

2. It is further recommended that Washington Field Office be immediately instructed to request the State Department to cause a review of the records of the Rhodesian authorities regarding any information they have concerning individuals entering the country from April 5, 1968 to the present date. This should not be limited to citizens of the United States only but should cover all male Caucasians between the ages of 25 and 50 in view of the fact that subject Ray could have possibly obtained a passport from the Mexican and Canadian authorities. It is noted that this type of check would only be for a period of approximately one month.

This case involves the murder of Martin Luther King, Jr.

On 5/10/68 Mexican authorities discovered a body buried on the beach at Acapulco. Police described it as that of a white male, about thirty years old and believed to be an American. Police also said the body was decomposing and had apparently been both beaten and shot with death occurring about three days before the body was found.

Mexican police fingerprinted the body and buried it. The local press speculated that the body is that of James Earl Ray. The fingerprints taken by the police have been compared with Ray's fingerprints by the Identification Division but they are so lacking in detail that it is not possible to determine whether or not they are identical. An FBI fingerprint expert is en route to Acapulco to attempt to reach a positive finding as to whether this body is identical with Ray.

Circuit Judge John C. Casey, St. Louis, has advised the St. Louis Office he sentenced Ray to twenty years for armed robbery in 1959. This is the sentence Ray was serving when he escaped from Missouri State Penitentiary in April, 1967.

A motion was filed to vacate the above judgment because of alleged improper introduction of a signed statement, failure to afford a sanity hearing, perjured testimony on behalf of the State, faulty instructions to the jury, and failure to furnish the advice and assistance of an attorney at all stages of the proceedings. The motion was overruled but on 4/12/67 the Missouri Supreme Court reversed the order overruling the motion and the case was restored to the docket, 6/15/67.

RE: SIMILAR NAME OF EARL RAY

On 5/6/68, [REDACTED] the Aurora-Midway Branch of the People's National Bank of Washington, telephonically advised that it had come to his attention that a check had been issued to a Mrs. EARL RAY by a Mrs. ROGER L. MILLER of [REDACTED] Edmonds, Washington.

The manager reported this check had been cashed at the Liberty Supermarket, Memphis, Tennessee, and under the endorsement appeared the numbers [REDACTED] which he thought might be a telephone number.

SA [REDACTED] checked the records of the Seattle Credit Bureau and the Edmonds Police Department and found both to be negative concerning Mrs. ROGER L. MILLER also known as KATHERYN MILLER, [REDACTED] Edmonds, Washington.

SA [REDACTED] determined that the records of the Credit Bureau of Snohomish County, Everett, show that the MILLERS have been listed since January, 1965, coming to the Edmonds area from Seattle. Mr. MILLER was listed as [REDACTED] for [REDACTED]. His wife, KATHERYN MILLER, and Mr. MILLER had previously been employed by [REDACTED] in Seattle having lived in the Seattle area since at least 1958. The credit record was satisfactory.

A next door neighbor of the MILLERS, one Mrs. JAMES FARMER, [REDACTED], Edmonds, advised that Mr. and Mrs. MILLER and their teenage daughter live next door; that both Mr. and Mrs. MILLER work in Seattle; and that one is a native of the Seattle area and the other a native of the Memphis, Tennessee area and still has relatives in that area.

On the evening of 5/6/68, Mr. and Mrs. ROGER L. MILLER, [REDACTED] Edmonds, Washington, advised that Mrs. MILLER comes from Memphis, Tennessee, originally and that her sister, MELVA, has been married to EARL RAY for approximately the past 11 years and that they presently reside at [REDACTED] in Memphis, Tennessee, with their two children.

The MILLERS advised that RAY is approximately 38 years of age, a white male, 5'6" in height, 140 pounds in weight; and has coal black hair. They said he has lived in the Memphis area all his life to the best of their knowledge and that he has been employed in [REDACTED] and in [REDACTED] there. They said he was previously in the military service and has never been in prison to their knowledge. The MILLERS said that EARL and his wife have lived in Memphis ever since they were married and his mother still lives next door. The MILLERS said that EARL's father died approximately one year ago and that he has sisters and brothers in the same area.

Mrs. MILLER stated that as soon as she and her husband read in the newspaper the identity of the suspect in the KING killing, they thought of the name of Mrs. MILLER'S brother-in-law; and having known of his whereabouts and activities of the past 11 years and knowing what he looked like, realized that this was only a similarity in names. The MILLERS concluded that to their knowledge, Mrs. MILLER'S brother-in-law's relatives are all in the Memphis area and they were in no way connected with or related to the person charged in the KING killing.

Re: HIPPIE ESTABLISHMENTS

The San Francisco Office has contacted all police departments in the San Francisco territory regarding hippie establishments, hang-outs and rooming houses. These departments were furnished photographs and/or I.O.s and wanted flyers regarding JAMES EARL RAY and were requested to have all sources of their respective departments be on the alert for RAY.

Informants and/or sources of the San Francisco Office, both in the criminal, security and racial fields, have been contacted regarding RAY.

Contacts with sources available to the San Francisco Office in hippie establishments will be maintained on a continuing basis, and the Bureau will be promptly advised if any information is developed.

Re: LATENT FINGERPRINT EXAMINATIONS  
 BY LOCAL POLICE DEPARTMENTS

All of the law enforcement agencies in the San Francisco territory were contacted and requested to conduct a comparison of unidentified latent prints in their files with the fingerprints of JAMES EARL RAY.

All of these agencies, except those listed on page 2, advised their departments do not maintain a separate file of unidentified latent prints. They advised their usual procedure is to file the unidentified latent prints in the appropriate case file without duplication in a centralized file. These departments advised that new unidentified latent prints developed in current cases would be checked against RAY's prints; however, the unidentified latent prints now filed in the case file are not subject to ready examination and the requested examination and comparison of all old latent prints with RAY's would be beyond the capability of their departments.

The below listed law enforcement agencies who maintain a latent fingerprint section, on the date indicated, advised no latent print identifiable with RAY was located or that their review was continuing and the San Francisco Office would be notified if an "ident" was made.

This case involves the murder of Martin Luther King, Jr.

Marie Martin, also known as Marie Deninno, who traded television sets with Ray on about 2/14/68 when Ray was living at the St. Francis Hotel in Los Angeles, has been reinterviewed.

Martin stated that from the time the television sets were traded until Ray checked out of the St. Francis on 3/17/68 he appeared to be in need of money and said he was waiting for money from his brother. Martin believed Ray needed this money before he could drive to New Orleans where he delivered a package for her on about 3/21/68.

Ray told Martin he had lived in Mexico where he had used marijuana on one occasion but did not like it because it did nothing for him. He also said he had attended cock fights in Mexico but was repulsed by their barbaric nature.

Marie Martin has received a \$50 check from Louis Lomax for information she provided when he was writing his series of news articles. She believes the check is worthless.

Anonymous letters from Hamilton, Ontario, Canada, have alleged Ray is at the Cuicuilco Ruins in Mexico. These ruins are about twelve miles south of Mexico City and consist of a small pyramid, 1,400 years old, surrounded by lava beds that are thirty feet thick. It is near the site being prepared for the Olympic Games this summer. Extensive investigation has been conducted throughout this area with negative results.

RE: MURKIN

[REDACTED], ex-convict [REDACTED]  
[REDACTED]  
claims that when Ray escaped from Missouri State Penitentiary he did so by walking out with visitors. The official version of his escape is that he hid in a box of bread being delivered from the penitentiary to a prison farm. It has previously been alleged by other prisoners that he walked out the front door and that he wore a guard's uniform when he escaped.

It has also been alleged that another ex-convict saw Ray in St. Louis two weeks after his escape from Missouri State Penitentiary.

[REDACTED] ex-convict, and [REDACTED]  
visited [REDACTED] on the night of 5/13/68. [REDACTED] is an old man [REDACTED] who has stated he taught Ray to be a burglar. [REDACTED] has advised that although [REDACTED] did not admit it in so many words, both [REDACTED] and [REDACTED] gained the impression [REDACTED] had harbored Ray after his escape in April, 1967.

[REDACTED] has been exhaustively reinterviewed. He denies having any contact with Ray since Ray's escape. Regarding the Southern bank robbery [REDACTED] previously alleged Ray was involved in, [REDACTED] now states this could have occurred in July, 1967, instead of June and was in a city on the East bank of the Mississippi River. When confronted with discrepancies in his stories, [REDACTED] stated, "As I've told you, my brain don't work right." Continuing efforts are being made to determine if such a robbery occurred.

James Laoma Owens was arrested with Ray for armed robbery in 1959. [REDACTED]

On 5/4/68, [REDACTED] advised she had at no time joined the "Club Swinger", but had received communications from the club after sending for a Self-hypnosis book some time ago. She stated because she has received so much advertising mail that she has been destroying some of this mail without even opening it if the return address is unfamiliar to her. ## BODY FOUND BURIED IN SAND IN ACAPULCO, MEXICO

An examination of the skin tissue remaining on the left index finger of the body found buried in the sand on the beach at Acapulco positively eliminated this body as being James Earl Ray.

The body was found May 10, 1968, and, according to the chief of police, had been dead at least three days and the outer skin of the fingers had already sloughed off and been lost. Fingerprints taken at that time were examined in Identification Division the night of May 11, and found to be of absolutely no value for identification.

Following examination by the local authorities on May 10, the body had been placed in a metal box, covered with lime, and kept without refrigeration in the 90 degree heat in a building at one of the local cemeteries. Access to the body was not obtained until after dark the night of May 13, and an examination by an Identification Division fingerprint examiner revealed there had been further deterioration of the skin tissue of the fingers caused by the lime and maggots. It was necessary for the examiner to remove the ridged surface of the left index finger, and by scraping the flesh away, was able to transmit the light from a flashlight (only other light was a single bulb suspended from the ceiling) through the skin and determine the pattern was not the double loop formation present on Ray's left index finger. It was not possible to obtain any identifiable fingerprints from the body.

Fingerprint Examiner George J. Bonebrake returned to Washington, D. C., at 4:30 PM, on 5-15-68, via American Airlines flight #58.

The Postal Inspector, Los Angeles, California, made available a letter mailed to Patricia E. Anderson, 2/17/68, in Los Angeles. The letter was written as a result of Anderson's inclusion in a list called "The Local Swinger" which is compiled by a correspondence club. The letter is as follows:

"Dear Miss:

"I am ansering your listing in The Local Swinger since I think I share most of your interest, with emphasis on French cult. and swing sessions. I have just returned from Mexico after five yrs. and the few females I have met don't go for the swing parties and it takes two to swing. The same routine gets boring, don't you think. Will close until I here from you.

RE: MURKIN

Owners of "The Local Swinger" recall that Galt had sent one dollar for a list of swingers and subsequently submitted five letters for transmittal to persons identified on the list by symbol number. No record is maintained that would identify the persons to whom the subject wrote.

Each office receiving this communication should check with postal authorities and other sources which might have information regarding the existence of similar type "swinger" or "lonely hearts" type clubs or organizations in your areas in order to develop any information as to whether Ray, under any of his known aliases, may have contacted any such club and pursue any pertinent information developed. Each office should bear in mind that as a result of investigation conducted in Los Angeles, there was obtained the photograph of subject showing him in business suit, seated, which has been described as an excellent likeness.

Subject armed and dangerous.

NOTE:

Postal Inspector, Los Angeles, California, made available a letter mailed to Patricia E. Anderson, 2/17/68, at Los Angeles. The letter was a result of Anderson's inclusion in a list called "The Local Swinger." The letter was signed Eric S. Galt and the owners of "The Local Swinger" recall that Galt had sent one dollar for a list of swingers and subsequently submitted five letters for transmittal to persons. Checking this matter out further, we obtained a most recent photograph of subject Ray which people describe as an excellent likeness. In view of the fact that Galt submitted correspondence for a local swinger group, the offices of Atlanta, Birmingham, Memphis and New Orleans are being requested to make inquiry with postal inspectors to determine if subject could have contacted a similar type club. These offices cover the known metropolitan areas in which subject resided since his escape, except Los Angeles.

**Clark Very Optimistic  
 Ray Will Be Captured**

WASHINGTON, May 12 (UPI) — Attorney General Ramsey Clark said today that James Earl Ray, sought in the slaying of the Rev. Dr. Martin Luther King, was alive. He said he was "very optimistic" that Ray would be captured.

Mr. Clark interviewed on the American Broadcasting Company's television program "Issues and Answers," said he had found no evidence to believe that he is not still alive. Mr. Clark said, "I believe we will find him," Clark said.

On 5/3/68 Deputy Chief of Police ROBERT HOUGHTON, Los Angeles Police Department furnished SAC WESLEY G. GRAPP and Supervisor [REDACTED] a letter received by Chief HOUGHTON from the "Los Angeles Times" addressed to the Editor in Chief, "Los Angeles Times". The letter bore the signature "James Ray". The letter related that the writer identified himself as the assassin of MARTIN LUTHER KING who had been hired and paid \$3,000.00 for performing this act. The writer advised that no one would recognize him and that he was leaving this area. The letter was examined by the FBI Laboratory. The conclusion reached was that significant differences indicated the letter signed "James Ray" was probably not JAMES EARL RAY. Further that spelling and punctuation were at variance with typewritten letters received in GALT name and known handwriting of JAMES EARL RAY.

Information copies of this report are furnished the St. Louis and Chicago Offices, since these offices are conducting investigations relating to members of the subject's family.

One additional copy is furnished Birmingham for dissemination to the United States Attorney at Birmingham with Bureau permission.

All criminal informants, security informants and racial informants in the Los Angeles Division are being contacted on a continuing basis for possible knowledge concerning the assassination and JAMES EARL RAY.

Investigation conducted regarding alleged female associates of RAY as reported by LOUIS LOMAX in news media and CHARLES STEIN resulted that allegation erroneous. RAY joined "The Local Swinger", a correspondence club and sent photograph of himself and letter to PATRICIA K. ANDERSON requesting date. He also submitted advertisement to Los Angeles Free Press, avant garde newspaper, requesting dates. Neighborhood investigation in vicinity of St. Francis Hotel and 1535 North Serrano Avenue, residences of RAY while in Los Angeles not productive as to present location of RAY. Individuals from Los Angeles area registered at Rio and Tropicana Hotels, Puerto Vallarta, Jalisco, Mexico, during October and November, 1967 interviewed regarding knowledge of RAY with negative results. ANITA KATZWINKEL, whose name appeared in material located in abandoned 1966 Mustang in Atlanta, Georgia, stated she did not know RAY. Bed linen located

in 1966 Mustang determined to have been included in Los Angeles laundry order of RAY's. Interview of associates at National Dance Studio and International School of Bartending developed information relative to RAY's habits, personal appearance and description. RAY received treatments from Dr. MARK O. FREEMAN, Clinical Psychologist, to overcome shyness and gain social confidence during November and December, 1967 in Los Angeles. RAY purchased Japanese handcuffs from mail order house in Los Angeles during February, 1968. Toll calls made from phone listed to RAY while residing at 1535 North Serrano Avenue, Los Angeles, reviewed and no pertinent information developed. RAY while residing in Montreal, Canada, during July and August, 1967, purchased money orders for merchandise ordered from Los Angeles mail order houses. Tire on abandoned 1966 Mustang made from mold manufactured in Lynwood, California. RAY directed letter to American-Southern Africa Council, Washington, D.C. requesting information on Rhodesia stating he received Council's address from John Birch Society, Los Angeles. He is unknown to John Birch Society. CHARLES STEIN advised RAY drove him, RITA STEIN and MARIE MARTIN to American Independent Party, headquarters, Los Angeles, to register affiliation with that political party. RAY unknown to RODERIC BURNS DUFF, active in presidential campaign for GEORGE C. WALLACE. FBI Laboratory reports typewritten impressions on letters sent by RAY to "The Local Swinger" and advertisement sent to "Los Angeles Free Press" to be the same as impressions previously submitted. CHARLES J. STEIN, [REDACTED] Los Angeles, California, was reinterviewed and advised that he can recollect one telephone call made by JAMES EARL RAY while they were enroute to New Orleans. STEIN advised that the call was made from a telephone booth located near Houston, Texas, west of Houston. He advised that at approximately 9:00 p.m. on December 16, 1967, RAY was driving and turned off the freeway onto an access road paralleling the freeway heading toward Houston. He stated RAY stopped at a phone booth by a service station. He does not recollect the particular gas sold at this station. He advised that a liquor store was next to the service station, but does not recollect on what side. He stated that at the point they turned off, the freeway was eight lanes across, and there was a fence between the freeway and the access road. He stated that he does not remember how far away from Houston they were at the time of the phone call. STEIN advised that at the time of the call he bought a cup of coffee in the service station and some candy or gum in the liquor store. STEIN advised that the above information is accurate. He advised that he did not intentionally withhold this information upon prior interviews, and only recently remembered the details of the phone call.

STEIN also advised that he has been contacted by LOUIS LOMAX, a Los Angeles newspaper man. STEIN stated that LOMAX told him he was the "key" to the KING case. STEIN stated LOMAX told him that if they solved the case, they would split the reward. STEIN advised that he told LOMAX he did not believe they could capture RAY. STEIN advised that LOMAX then told him that they need not capture RAY to collect the reward, but only obtain the information giving the solution to the case. STEIN also advised that four thousand dollars had been mentioned to him as payment for his cooperating with a newsman in investigating this case. STEIN refused to state whether this newsman was LOUIS LOMAX. He advised that LOMAX was to contact him at 4:00 p.m. today. STEIN stated that he has been

truthful in all prior interviews by the FBI, and will remain cooperative with the FBI. He stated that he will report all information that comes to him, but he also fears that the FBI could prevent him from collecting half of the reward by immediate investigation of information he obtains.

Mr. CHARLES J. STEIN voluntarily appeared at the Los Angeles FBI Office, 1340 West Sixth Street, and after being advised of the identity of the interviewing agents was interviewed regarding a newspaper article authored by LOUIS LOMAX, which had appeared in the New Orleans, Louisiana "Times-Picayune Newspaper" on April 24, 1968.

STEIN was asked whether or not he had furnished information to LOMAX regarding his and JAMES EARL RAY's trip to New Orleans in December, 1967, which he had not furnished previously to the FBI. STEIN commented that he had been working with LOMAX in trying to develop information regarding people who knew RAY while in Los Angeles and regarding the present whereabouts of RAY. In this connection, STEIN advised that he and LOMAX have recently interviewed several people in the Los Angeles area whom STEIN stated had information concerning RAY but who were afraid to furnish this information to the FBI because they were involved in "other things" and believed these "other things" would come to the attention of the FBI if they furnished what they knew concerning RAY. STEIN stated that he knew these people, that they would talk to him, and that he was helping LOMAX interview these people. He stated these people were not afraid of him as they would be afraid of an agent of the FBI or any other law enforcement officer. STEIN stated that LOMAX was also paying good money for information from these people and that they were talking to him.

STEIN was then asked the identity of these people, and he advised that he did not wish to reveal their identities because they did not want their identities to be revealed and he did not want to misplace their trust in him. STEIN also stated that he felt it would be morally wrong to furnish information to the agents which he had obtained while in the company of LOMAX, and in affect, he would consider himself as having stolen this information from LOMAX. When pressed further to reveal the identities of the persons whom he and LOMAX had interviewed and whom allegedly knew RAY while in

Los Angeles, STEIN asked "If you are so anxious to learn who these people are, why don't you go see LOMAX. He knows who they are and he has the whole picture."

When asked whether he had furnished information to LOMAX to the effect that RAY had been seen in the parking lot of the Sears and Roebuck's Company Store located on Pico Boulevard on or about Valentine's Day, 1968, STEIN advised that he had not furnished LOMAX with this information. When asked where he thought LOMAX obtained this information, STEIN stated it was possible that his sister, RITA STEIN, gave this information to LOMAX.

When asked what information he had regarding a woman by the name of JERI, STEIN advised that JERI is a blonde girl, about 5'2", and according to information developed by he and LOMAX, JERI lived with RAY while RAY resided in Los Angeles. According to STEIN, JERI was presently in Milwaukee, Wisconsin and has used several names in the past, one of which he believed was DANIEL. When asked to furnish the source of this information, STEIN declined to furnish the identity of the specific source but claimed this information had been developed by he and LOMAX during interviews of people who claimed to have known RAY while RAY was in Los Angeles.

STEIN then advised he and LOMAX had also determined that there was a girl who worked out of the Vegas Club located on Hollywood Boulevard across from the St. Francis Hotel who had dated RAY one time while he was in Los Angeles. STEIN further described this girl as a white female, [REDACTED] who goes by the name of HELENA, the Greek Goddess. According to STEIN, this girl continues to reside in the Los Angeles area.

When asked about a second trip RAY made to New Orleans, Louisiana, from Los Angeles, California, several days following Valentine's Day, 1968, STEIN advised that here again, he and LOMAX had developed information

3  
LA 44-1574

concerning this trip. He stated that on this trip, RAY took a box of clothes to MARIA MARTIN's daughter, who resides in New Orleans at the present time. According to STEIN, RAY obtained these clothes from MARTIN. STEIN stated he believed MARTIN's daughter went by the name of [REDACTED] (phonetic), but he did not know exactly where she resided in New Orleans. He was of the opinion she could be located through her grandmother, who is also STEIN's aunt. Her grandmother's name is [REDACTED] (last name unknown), who resides in a house located on the downtown side of [REDACTED] Street, between [REDACTED] and [REDACTED] Streets in New Orleans. To the best of STEIN's recollection, [REDACTED] house is the only house having a large iron gate on the entrance way.

When asked whether he had any additional information concerning the engineer or contractor whom RAY claimed to have visited in New Orleans during the first trip to New Orleans in December, 1967, STEIN advised he believed this individual had an Italian name and worked or lived in the area of the Industrial Canal in New Orleans. STEIN advised that MARIA MARTIN has told him that this same person lived on or near Chef Menteur Highway in the area of Jackson Barracks in New Orleans.

At this point in the interview, STEIN stated that he had to leave immediately as he had a 4:00 p.m. appointment with LOUIS LOMAX that he had to keep. Because of this, the interview was terminated at this point.

Date 5/1/68

Mr. CHARLES JOSEPH STEIN, [REDACTED] was contacted at his residence, and after being advised of the identity of the interviewing agents, he was interviewed regarding his association with the man known to him as ERIC STARVO GALT, who is also known as James Earl Ray.

Prior to the outset of the interview, a black and white Polaroid photograph, depicting a male Caucasian seated in a chair, was shown to STEIN. He was asked if he knew who that person was, or if he had ever seen the person depicted in the photograph before. STEIN, without hesitation, answered, "Yeh". He was then asked the identity of the person. STEIN replied, "That's GALT. ERIC GALT." STEIN was then asked if the photograph was a good likeness of GALT. STEIN replied that it was a very good likeness. The background of the photograph was pointed out to STEIN, and he was asked if he knew any apartment or hotel room in the Los Angeles area whose walls were covered with flowered wallpaper like that shown in the photograph. STEIN stated that he did not. He was then asked if he owned a Polaroid camera, if RITA STEIN or MARIE MARTIN owned one, or if he knew whether GALT owned one. STEIN replied he did not own a Polaroid camera, he did not believe RITA STEIN or MARIE MARTIN owned one, and he never observed one in GALT's possession.

STEIN was then asked to furnish information regarding his initial meeting with GALT. In response to this request, STEIN advised that on the night of December 14, 1967, at about 8:00 or 9:00 P.M., he was sitting at home, [REDACTED] RITA STEIN was not there, and STEIN was alone except for RITA's two small boys. At about 8:00 or 9:00 P.M., RITA STEIN came home alone. When she came in, RITA said that she and MARIE had been asking around the Sultan Room about getting a ride to New Orleans, Louisiana. MARIE is MARIE MARTIN, cousin of CHARLES and RITA STEIN, and the Sultan Room is a hotel bar, located in the St. Francis Hotel, 5533 Hollywood Boulevard, Hollywood, California. [REDACTED]

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

After telling CHARLES STEIN about asking around the Sultan Room in order to secure a ride to New Orleans, RITA STEIN then stated they had met a guy at the Sultan Bar who was willing to take CHARLES to New Orleans so he could pick up two of RITA's children. RITA then told CHARLES STEIN she wanted him to meet this individual. RITA STEIN then left the apartment to return to the Sultan Room. CHARLES STEIN stated that after his sister RITA left, he got dressed and went to the Sultan Room. STEIN did not recall how he traveled to the Sultan Room that night, nor did he recall RITA's mode of transportation. He thought it possible she might have borrowed MARTIN's car.

STEIN then advised that when he arrived at the Sultan Room he saw MARTIN and RITA standing at the far end of the bar next to a man seated at the bar. One of the girls motioned for him to come over to where they were gathered. He did so, and as soon as he had walked up to them, either MARTIN or RITA introduced him to the man, saying, "CHARLIE, this is ERIC." MARTIN then told STEIN that "This is the guy who will take you to New Orleans to pick up RITA's two children". STEIN stated the children referred to are RITA's two girls, [REDACTED] and [REDACTED], and at that time RITA was planning to bring them from New Orleans to Los Angeles. At this point in the interview, STEIN was asked if this was the first time he had ever met the man whom he knew as ERIC GALT. STEIN replied that this was the first time he had ever met GALT.

STEIN advised he did not recall if the arrangements for the trip to New Orleans were made at this time. He stated he does not drink alcoholic beverages, and believes he had a glass of orange juice and left. He explained he did not believe any specific arrangements were made for the trip, because when he was introduced to GALT he got strong "vibrations" from GALT that made him feel uneasy. When asked to explain "vibrations", STEIN advised GALT seemed somewhat apprehensive about meeting him and going to New Orleans with him. STEIN advised he got the definite impression at the time that both RITA and MARTIN had given GALT the idea he would make the trip to New Orleans with RITA, and then when he, STEIN, came on the "scene" GALT felt he was being set up.

STEIN advised he recalls thinking both RITA and MARTIN were using him and GALT to do something for them. STEIN explained he could understand GALT's apprehension at the time, for GALT expected to take RITA on the trip and when he was introduced to a "big, hairy ape", GALT must have thought he was being set up for a robbery. STEIN advised he really thinks that must have been the case, because MARTIN told him later that after he, STEIN, had left the Sultan Room, GALT made a comment to the effect of, "That he would hate to have to kill someone." STEIN stated MARTIN told him of this remark after KING's assassination; if she had told him about it before, he would never have made the trip with GALT. After leaving the Sultan Room, STEIN returned home and went to bed. He could not recall if RITA returned with him, or she stayed at the Sultan Room and returned home later.

Around 9:00 or 10:00 A.M., December 15, 1967, MARIE MARTIN came to STEIN's residence on [REDACTED] to discuss details of the arrangements for the trip to New Orleans. GALT also showed up at his home. STEIN was unable to recall if GALT came with MARTIN or alone. The arrangements for the trip to New Orleans were explained by MARTIN to STEIN in the presence of GALT. MARTIN stated, "If we register for WALLACE, ERIC will pay the expenses for the trip." STEIN again advised he does not recall if MARTIN and GALT came to his home together because he had just gotten out of bed. RITA STEIN was also present during this conversation. When asked what GALT said during the time MARTIN was telling him of the arrangements, STEIN advised that GALT just stood there with a smile on his face, not saying anything. Everyone present agreed to register to vote for GEORGE WALLACE, ex-governor of Alabama.

Thereafter, CHARLES and RITA STEIN, MARIE MARTIN, ERIC GALT, and possibly RITA's two boys, left the apartment and got into GALT's white Ford Mustang which was parked in front of the STEINs' house.

STEIN advised that GALT drove, he sat in the passenger seat in front, and RITA STEIN, MARIE MARTIN, and the two children, if they were along, sat in the back seat. GALT drove

them directly to the voter registration office. While en route GALT explained to everyone they did not have to vote for WALLACE, but just register for the American Independent Party so WALLACE could get enough signatures to qualify for the California primary ballot. STEIN advised that GALT made a few other comments while driving to the voter registration office but he could not recall what they were. He did advise that GALT seemed to know the way to the registration office, which was on Lankershim Boulevard, across the street from the Riviera Sofa Company.

STEIN advised that upon arriving at the voter registration office, he, RITA, MARIE, and GALT entered the office. STEIN, RITA and MARIE were registered by an elderly white woman in the office. She was further described by STEIN as being about fifty to sixty years old, wearing glasses, giving the appearance of being short in stature, but of medium build, having grey, short hair, and having a pleasant personality. Also present in the office was another person whom STEIN described as a white male, forty to fifty years old, slender build, tall, slightly grey hair, possibly wearing glasses, and dressed in business attire. Upon completion of registration, all three were issued voter registration receipts. GALT did not register. While they were being registered, GALT sat nearby. GALT made a few remarks to the man present, but STEIN did not recall what they were. While in the office, GALT and STEIN both served themselves coffee from a coffee urn which was located on a table to the rear of the room in which they registered.

STEIN advised he received the definite impression that GALT seemed to be familiar with this voter registration office. When asked why he received this impression, STEIN stated that he could not pinpoint anything specifically that GALT said or did, but he recalled that GALT appeared more relaxed while at the office and seemed to know right where the coffee urn was located..

After leaving the registration office, everyone returned to STEIN's home on [REDACTED] in GALT's car. STEIN then advised he packed his belongings to take on the trip. MARIE MARTIN had a box of clothes she wanted dropped off at the home of her mother, [REDACTED], in New Orleans.

STEIN loaded his suitcase in the trunk of GALT's Mustang. He observed GALT's suitcase was also in the trunk, and he, in fact, had to move it to make room for his own. This was a blue suitcase, and STEIN advised it appeared similar to the one depicted in photographs he has seen of GALT's suitcase, subsequent to the assassination of KING. STEIN advised that also located in the trunk, on the right hand side, was what appeared to be a Kodak camera box. This box was yellow and black in color, was about two and a half feet long, and a foot wide. STEIN stated he did not recall any lettering on the box, and presumed it was a Kodak camera box because of the familiar yellow and black colors used by the Kodak Company. STEIN did not recall seeing anything else in the trunk of the car. When he entered the car, he observed some papers in the glove compartment as he was putting some candy in there. He did not closely inspect these papers. In addition to loading his own suitcase into the trunk of the car, STEIN advised he loaded the box of clothing brought by MARTIN in the back seat of the Mustang. He did not observe anything else in the back or front seat area.

After loading up his belongings, STEIN advised that he and GALT entered the car, GALT drove, and they traveled to GALT's apartment at 1535 North Serrano Street in Hollywood. GALT told STEIN he wanted to pick up his mail there before leaving. When they arrived at the Serrano apartment, GALT got out of the car and went inside the building. STEIN remained in the car. GALT was not gone long, and returned carrying at least two letters which he placed in an inside breast pocket of his suit coat. Both letters were in white envelopes, but one envelope was a long, business-type envelope. STEIN advised he did not know if there were more than two letters, nor was he able to observe any addresses on the envelopes.

STEIN advised they left the Serrano apartment at about 12:00 noon, on December 15, 1967, and began the trip to New Orleans, Louisiana from there. They did not stop for gasoline prior to leaving the Los Angeles area. As STEIN recalled, the gas gauge of the Mustang showed a full tank of gas when they left the city. STEIN stated they stopped for gas for the first time at an unknown location in what he thought was the State of Arizona. He did recall that it was dark when they stopped. When they stopped, GALT got out of the car,

but STEIN remained in it. While at the gas station a woman asked STEIN where he was going and he told her New Orleans. This woman then said they had better spend the night because the sheriff had told her the roads ahead were in bad condition due to a heavy snowfall.

STEIN stated he did not tell GALT about the woman's remarks because he wanted to be sure GALT would continue the trip. They drove through the entire night, and took turns driving while the other slept. At this point, STEIN was asked why he and GALT did not spend the night in a motel at any place during the trip. In reply, STEIN advised he did not really want to spend the night anywhere because GALT was already paying for everything and he did not want to impose on him anymore. Further, STEIN advised that at one point during the trip, GALT asked him if he wanted to stop at a motel and he, STEIN, told him no, that they could take turns driving and drive straight through to New Orleans. GALT agreed with this. He also advised the matter was not brought up again, and they also drove straight through on the return trip to Los Angeles; but he personally would preferred to have stopped at a motel on the return trip.

At this time in the interview, STEIN mentioned that during the trip to New Orleans, GALT told him the name and address of the person with whom he had business with in New Orleans. STEIN stated that at the beginning of the trip to New Orleans he was under the impression GALT was making the trip as a favor to RITA STEIN and MARIE MARTIN. On what he believes was the morning of the first full day on the road, STEIN advised, he told GALT he was really grateful to him for doing such a kind thing. When he told GALT this, GALT answered him by stating that he was not doing anyone a favor because he had business to conduct in New Orleans. GALT mentioned the name and address of the person he was going to see. STEIN advised he did not recall either the name or address of this person; however, he did state that the name was an Italian-sounding name, was a well-known name in New Orleans, and the street name gave him a mental picture of the Chalmette - Industrial Canal area of New Orleans.

Sometime early the next morning, December 16, 1967, STEIN recalled being in New Mexico. He had observed snow on the ground all through Arizona and New Mexico. He recalls specifically traveling through Las Cruces, New Mexico and El Paso, Texas. He believed it was in, or near, El Paso, Texas, where GALT purchased a used tire for the Mustang at a tire store which had a large pile of used tires piled near the front of the store. The tire cost four dollars. STEIN advised that GALT purchased the tire because the tire on the right front side of the Mustang was a larger size than the other tires. He stated that at the time he thought it peculiar for a man, who had as much money as GALT appeared to have, should have such bad tires on his car. GALT did not have the tire put on his car at the same place he purchased it. He continued to drive down the road for about two hours and then pulled into a service station to have the tire changed. Later in the evening of this same day, December 16, GALT made a telephone call from a public coin box phone booth. STEIN recalled that he was sleeping; but then woke up, saw they had stopped and observed GALT standing in the phone box talking on the phone. GALT talked for quite some time. STEIN was of the opinion this call was made somewhere in the vicinity of Houston, Texas. He also stated it was dark at the time as he can recall the light in the phone booth shining down on GALT while he made the call. STEIN advised he did not recall the general surroundings of the area in which the phone booth was located; or whether it was in a gas station, a shopping center, or standing by itself. He did think, however, that if he saw the phone booth again he would probably recall it. STEIN was questioned further regarding this phone call and, in response to questions, advised this phone call was the only one he actually observed being made by GALT. However, at several other stops they made GALT was out of his sight for short periods of time and during those times GALT could have made other phone calls. STEIN advised that when GALT returned to the car after making the phone call, he, GALT, appeared to be tense and somewhat deep in thought. This condition lasted about twenty minutes or a half hour. When asked if he recalled traveling through Houston, Texas, STEIN stated he did not recall passing through there but commented he was sleeping off and on during this time.

At about 12:00 noon, December 17, they arrived in Kenner, Louisiana, and stopped along Airline Highway where STEIN took over driving the Mustang because he was familiar with the area. STEIN drove directly to [REDACTED] house located on [REDACTED] Street in New Orleans. STEIN got out of the car and delivered the box of clothing for MARIE MARTIN. GALT remained in the car. [REDACTED] was sitting on the front porch and STEIN talked to her for a few minutes. She did not know he was coming to New Orleans and did not recognize him at first because he was wearing a beard. STEIN did not mention GALT's name to [REDACTED] during their conversation. Then STEIN returned to the car and drove to his cousin's house which is located near [REDACTED] home. STEIN did not recall the exact location of this house, nor did he know her name, other than to call her [REDACTED]. His purpose in going there was to borrow her car while he was in New Orleans but she was using it. During this stop, GALT remained in the car. STEIN then drove with GALT to his mother's home, located at [REDACTED]. His mother's name is [REDACTED]. He had to park about one half block from her house. GALT remained in the car and his mother did not see him. He asked GALT if he wanted to come in and meet his mother, but GALT told him no, that he wanted to get to a motel so he could clean up and change his clothes. STEIN advised he recalls thinking at the time he did not know why GALT was in such a hurry to get cleaned up because his suit looked very presentable even though he had slept in it for three days.

After unloading his belongings, STEIN then drove GALT to the Provincial Motel, located a short distance from his mother's house. GALT got out of the car and went inside and registered at the motel. While registering, GALT gave his name loud enough to the desk clerk, that STEIN, outside the motel, could hear him say, "ERIC GALT".

After he had registered, GALT got back into the Mustang and drove STEIN back to his mother's house. GALT dropped STEIN off and started on his way back to the Provincial Motel. He went just a short distance, when he returned, and asked STEIN for further directions as to how to return to the motel. STEIN gave him further directions, and GALT drove off again.

Later that same day, around 2:00 or 3:00 P.M., STEIN went for a walk with his son, [REDACTED] and a friend of his son's, by the name of [REDACTED] last name unknown. They walked through the French Market area of the French Quarter, down Canal Street, and then over to the new Trade Mart Building located on Canal Street near the Customs Building which STEIN stated he had never seen before.

STEIN then advised that later during the evening of December 17, he was at the home of his sister, [REDACTED]. GALT commented he had seen STEIN and the two boys earlier that day near the Trade Mart Building. GALT stated he was having a beer at a bar in the area at the time he observed STEIN and the two boys. STEIN advised that GALT visited him at his sister's home where STEIN ended up staying while in New Orleans. STEIN advised he could not recall exactly how GALT knew how to get to his sister's home, but it was possible he gave GALT his sister's telephone number so GALT would have someplace to get in touch with him. STEIN stated that probably GALT contacted him at his sister's that night and he gave GALT the directions to her house. STEIN stated he recalled going out and waiting in the front of his sister's house for GALT to arrive. This was at about 8:00 P.M. GALT came into the house and STEIN introduced GALT to his sister. They talked a short while, but GALT did not have much to say; however, by the remarks GALT made STEIN formed the impression GALT was familiar with the New Orleans area. During this visit, GALT stated he had seen the persons he had business with in New Orleans sometime prior to his arrival at [REDACTED] house. STEIN advised that GALT asked if STEIN was ready to go back to Los Angeles yet. STEIN stated that when the trip to New Orleans was discussed with him originally, it was planned to return from New Orleans on Wednesday (March 20, 1967). STEIN stated he was surprised GALT wanted to return so quickly, and suggested to GALT they stay overnight anyway. He told GALT they should check the weather before leaving, because he did not want to drive back through any snow storm. STEIN told GALT this because STEIN wanted to remain in New Orleans for a while to visit friends and rest up. GALT was agreeable to remaining in New Orleans until they checked further into the weather conditions. GALT then left the [REDACTED] home by himself.

STEIN advised that the following day, December 18, he did all he could to avoid seeing GALT because he wanted to visit further with his relatives. On the evening of December 19, GALT arrived at the home of [REDACTED] to pick up STEIN and return to Los Angeles. To the best of his recollection, STEIN advised that he and GALT, his sister [REDACTED], a friend of his by the name of CHARLES CHARVELLO (Phonetic), and his mother, [REDACTED], were also present. CHARVELLO (Phonetic) helped STEIN load his belongings into GALT's car. STEIN advised that he then got into CHARVELLO's Yellow Cab, and he and CHARVELLO (Phonetic) drove to his mother's house to pick up RITA STEIN's two daughters, [REDACTED] and [REDACTED]. GALT followed them in his white Ford Mustang. Thereafter, STEIN, GALT and the two children departed New Orleans en route to Los Angeles, California. They left New Orleans from [REDACTED] home.

STEIN advised that on the return trip they drove straight through, stopping for gas and food only, which consisted mostly of hamburgers. They arrived back in Los Angeles on December 21, 1967, sometime during the morning. GALT dropped STEIN and the two children off at [REDACTED].

STEIN advised that at one time during the trip to and from New Orleans, GALT told STEIN that he had sold his interest in a bar in Mexico to his Mexican partner not further identified.

STEIN advised that on the way to New Orleans, while passing through what he recalled was the State of Arizona, GALT was driving and STEIN was asleep in the front passenger's seat. STEIN stated he awoke to find the car in a skid. The force of the skid kept STEIN from raising his head. The car spun around several times and finally ended up off the road. STEIN advised this occurred during the snow storm sometime after the first gasoline stop. Prior to dropping off to sleep, before the skid occurred, STEIN stated he had asked GALT if he wanted him to drive, but GALT told him no, that he was used to driving in snowy weather. STEIN stated he recalled telling GALT, before he dropped off to sleep, that if he did go into a spin because of the ice on the road, he should not "hit" the brakes because that would only make the spin worse. After

they had spun off the road, STEIN asked GALT if he had "hit" the brakes, and at first GALT denied doing so. However, he later admitted "hitting" the brakes and laughed about the incident. STEIN advised that they pulled out of the spin when the front bumper got caught on a strand of wire fence. STEIN feels that if this had not occurred, they would have turned over.

Regarding the trip to New Orleans, STEIN further advised that at the beginning he forgot GALT's name. He was embarrassed about this, so the next morning following the day they left Los Angeles, he came right out and asked GALT what his name was. STEIN advised that GALT repeated to him about three or four times, "ERIC GALT".

When STEIN was asked if he ever observed the Alabama license plates on GALT's white Mustang, STEIN stated he first observed GALT's white Mustang parked in front of the St. Francis Hotel, on Hollywood Boulevard on the evening of December 14, 1967, when he went there to meet GALT at the Sultan Room. STEIN stated he did not recall the license number, but did recall noting that the name "Alabama", or an abbreviation thereof, was written on the license plate. In addition to the plates on the car, STEIN stated he observed two license plates lying on the rear panel, below the rear window, inside the car. These plates had black numbers on a white background; however, he did not observe from what state they were issued because only a portion of one plate was visible. These plates were not there when GALT arrived at [REDACTED], the following morning to take STEIN and the others to the WALLACE voter registration office, nor did STEIN ever see them again.

At this point in the interview, STEIN was asked if he ever saw GALT again subsequent to the time they had returned to Los Angeles from New Orleans. He advised he did observe GALT on a couple of occasions at the Sultan Room of the St. Francis Hotel. On one of these occasions, GALT mentioned to him that he had "just finished bartending school". STEIN advised that sometime after this, either RITA STEIN or MARIE MARTIN mentioned to him that GALT was going to New Orleans

again. STEIN said he thought GALT liked hamburgers because that was all he ate on the trip to New Orleans. STEIN was not familiar with where GALT ate his meals while in Los Angeles.

At this point in the interview STEIN was asked if GALT's white Ford Mustang was ever at [REDACTED] Hollywood, or had GALT ever visited that address while STEIN resided there. STEIN advised that the first time he ever saw GALT was on the night of December 14, 1967; that he never laid eyes on GALT prior to that time and GALT never visited him at [REDACTED]. STEIN did advise that for a part of the time he resided at that address he was employed as a [REDACTED] for [REDACTED] Burbank, California, at which time he was given the use of a canary yellow Ford Mustang sedan. This car was used by STEIN for both business and personal use and was often parked at [REDACTED].

At this point STEIN was advised that the interviewing agents had information which indicated that a white Ford Mustang, bearing Alabama license plates, was observed at [REDACTED] around Thanksgiving Day, 1967, and again around mid-December, 1967. In reply, STEIN advised that this information was incorrect and whoever gave this information to the agents must have confused the white Mustang with his yellow Mustang.

STEIN was then advised that the agents had information which indicated that he was possibly engaged in the sale of some type of drugs. STEIN admitted to having been arrested in the past for narcotics violations but stated that he had never been convicted on any of the charges and denied being involved at the present time in any illegal drug activity or having been so involved while he resided at [REDACTED].

STEIN was then asked if he had ever furnished any drugs to GALT, or had ever observed GALT use any drugs while on the trip to New Orleans. STEIN advised that he had never furnished GALT with any drugs, nor did he ever observe him taking any drugs at any time. STEIN was then asked if the trip

he made with GALT to New Orleans had not been, in fact, a trip made by the two of them to procure drugs. STEIN emphatically denied this and further denied in engaging in any type of drug activity with GALT. STEIN then advised that he had no information in his possession which would indicate to him that GALT was involved in any illegal drug activity. STEIN then stated he would never even have "talked to the cops" about this matter in the first place if he were involved in any illegal activity with GALT. STEIN advised that due to his past experiences he knows a "dopehead" when he sees one, and that in his opinion, GALT was not a user of "hard drugs", such as heroin or morphine. STEIN did state, however, that GALT could have been a "pillhead", but he, STEIN, never personally observed him taking any pills. STEIN advised that on one occasion on the trip to New Orleans GALT's eyes looked a little droopy, but he, STEIN, attributed this to lack of sleep rather than use of drugs.

STEIN advised that the agents were in possession of information which indicated there was an unusually heavy amount of traffic into [REDACTED] during the time he resided there. STEIN attributed the heavy traffic to the fact he had many relatives who visited him at that address. He also said that he had many "hippie" friends who also visited him at that address with whom he held philosophical discussions.

STEIN was then asked what his purpose had been in digging holes in the backyard of the residence located at [REDACTED]. He stated that he had been attempting to rid the area of gophers. STEIN was then asked about two young men who were reportedly lying in a stupor in the backyard of the [REDACTED] address looking up into the sky while he stood over them. STEIN advised that these two men were "looking for flying saucers", and that, he, was helping them as he believed in the existence of flying saucers.

STEIN was then asked about the large number of automobiles that were being worked on at the [REDACTED] address during the time he resided there. STEIN advised that

during a short period of time, while he resided at that address, he operated an automobile repair and reconditioning business and would do the work in the garage at [REDACTED]

STEIN was then asked about his statement made during a previous interview during which Agent [REDACTED] was present, to the effect that he and LOUIS LOMAX, the newspaper reporter, had talked to some people who knew GALT while he was in Los Angeles and these people had furnished information regarding GALT. STEIN had refused to identify these persons because they were involved in "other things" that would come to light if they furnished the information they had regarding GALT. In reply, STEIN advised that this was true and there were still people who were involved in certain illegal activities that had nothing to do with the assassination in any manner who did not wish to come to the attention of the law enforcement authorities. When questioned further regarding these persons, STEIN declined to identify them. STEIN did advise, however, that he had helped LOMAX identify DARRELL DENNIS who now resides in Milwaukee, Wisconsin, who allegedly dated GALT on one occasion while he resided in Los Angeles.

STEIN advised at this point that he is completely disillusioned with LOUIS LOMAX because he feels LOMAX "used" him solely for publicity purposes and really was not interested in solving the murder of MARTIN LUTHER KING. STEIN advised LOMAX initially had promised him that he would "split the reward money if STEIN assisted him in solving the case. LOMAX was supposed to pay all the expenses of the trip but that LOMAX had, in fact, failed to reimburse him for about thirty-five dollars which STEIN expended on the trip with LOMAX to locate the phone booth from which GALT had made a call. STEIN stated that LOMAX has publicly identified him as the "key to the case", and as such has placed him, STEIN, on the spot. STEIN stated that since he has been so identified he is worried that "whoever took the shot at KING, may also take a shot at me".

When asked if he, in fact, had located the phone booth from which GALT had made the phone call while he was accompanied by LOMAX, STEIN advised that he had not. He stated that LOMAX made the trip in reverse from the way he and

GALT had made it and for this reason, he, STEIN, had been unable to locate the phone booth used by GALT. STEIN was of the opinion that if allowed to make the trip in the sequence he had made it with GALT he feels certain he could locate the phone booth from which GALT made the call.

RITA STEIN, [REDACTED] Hollywood, advised that she recalled calling her sister [REDACTED] at [REDACTED] in New Orleans, during the late part of December 1967. She stated she could not recall the purpose of the telephone call, but thought it was to tell her that the children had made the trip safely. STEIN further advised that she calls her mother with some regularity because of her mother's ill health. STEIN could not remember the exact dates of the calls but has called during March and April of 1968. STEIN advised that the calls are usually general conversation and that she could not recall anything pertaining to RAY being mentioned.

STEIN furnished a copy of her most recent telephone bill which she displayed to interviewing agents. She advised that the telephone company had erroneously charged her for a telephone call to [REDACTED] in New Orleans. It was noted that the call was made collect to the STEIN telephone on March 12, 1968, and the charge was \$8.40. STEIN advised she knew no one in New Orleans at that number. RITA STEIN, in the presence of an agent, called the [REDACTED] number in New Orleans to determine if it was that of a friend or relative. After a brief conversation over the telephone, STEIN advised that the person in New Orleans was no one she knew as a friend or a relative. She advised that the party had sounded like a person of the Negro race and when STEIN asked if they were, the reply had been yes. STEIN advised she had no Negro friends in New Orleans.

STEIN also advised that the telephone company had also erroneously charged her for a telephone call to a Maryland number [REDACTED], on March 19, 1968, which she had been told would be removed from her bill. The charges on the Maryland call were \$8.50.

Date 5/15/68

MARIE MARTIN, St. Francis Hotel, [REDACTED], 5533 Hollywood Boulevard, advised that she first met individual who introduced himself as ERIC GALT on or about December 14, 1967, in the Sultan Room, a bar at the St. Francis Hotel

[REDACTED] GALT, who had been drinking at the bar, carried on conversation with MARTIN [REDACTED]

[REDACTED] MARTIN asked GALT if he would drive her home. GALT asked where she lived, and she replied, New Orleans. GALT was agreeable and asked when MARTIN wanted to leave. MARTIN said she explained to GALT that her cousin, RITA STEIN, has two children in New Orleans, and RITA wanted someone to take RITA to New Orleans and bring the children back to Los Angeles. RITA STEIN, who was also present at the bar, joined the conversation. RITA suggested that her brother, CHARLES STEIN, travel with GALT to New Orleans to pick up the children instead of RITA. RITA left the Sultan Room and returned a while later with her brother, CHARLES STEIN. Upon learning that RITA and MARTIN wanted CHARLES to go to New Orleans, GALT said he would make the trip, if MARTIN and the two STEINS would register to vote and list the political party sponsoring former governor GEORGE C. WALLACE as their political candidate. MARTIN and the two STEINS agreed to the conditions set down by GALT and made arrangements to register the following day. The two STEINS left and GALT commented to MARTIN words to the effect that if this was a setup, he had a gun and would hurt CHARLES. The following morning GALT, accompanied by the two STEINS, picked up MARTIN at the St. Francis Hotel in GALT's Mustang and they drove together to the Voters Registration Office located on or near Lankershim Boulevard. MARTIN said that RITA came to her room unaccompanied by anyone else to advise her that ERIC GALT, CHARLES STEIN, and herself were ready to go register.

At the Registration Office, MARTIN and the two STEINS registered and were issued registration receipts, however, GALT did not register. Upon completion of the registration, they drove together back to the St. Francis Hotel, at which time MARTIN went to her room and brought a box of clothing down to the car which she had requested to be delivered to her mother in New Orleans. Her mother, [REDACTED] resides at [REDACTED], New Orleans. The box of clothing was placed in GALT's car and GALT and the two STEINS left.

About a week later, MARTIN said she saw GALT again in front of the St. Francis Hotel for the first time since his return from New Orleans. GALT asked MARTIN if she was short of money and pressed a twenty dollar bill into her hand. Later in the Sultan Room bar, MARTIN said she questioned GALT concerning his activities while in New Orleans. MARTIN asked GALT if he visited any of the "strip joints" while in New Orleans. GALT claimed he did not and that he had visited some friends. Upon further questioning, MARTIN said the friends lived in the Industrial Canal area of New Orleans, on or near the Chef Menteur Highway. MARTIN advised that GALT did not further elaborate on the identity of these friends.

After his return from this trip, GALT was a fairly regular customer at the Sultan Room. MARTIN said she suggested to GALT that he move into the St. Francis Hotel because it was economical and he would not be bothered by neighbors if he engaged in late-hour activity.

MARTIN advised that she was in GALT's room at the St. Francis Hotel on only one occasion. She advised this occurred around February 14, 1968, which she recalls was Valentine's Day. On this occasion, while in the Sultan Room bar, GALT asked MARTIN what type of television set she owned. She said it was a portable and GALT asked if she would like to trade television sets. GALT remarked that he wanted a portable set because it was easier to transport while traveling. They both then went to GALT's room to bring his

television set to MARTIN's room. While moving the television set, she observed a "girlie type" magazine containing a variety of nude and semi-nude female photographs. She advised she observed no photographic equipment in the room nor did she photograph GALT. She said she asked GALT if he had a Polaroid camera because she wanted to send some photographs of herself to her boy friend, [REDACTED], who is currently in prison. GALT said no.

MARTIN advised the only time GALT was ever in her room at the St. Francis Hotel was when he brought his television set into her room and took away her portable set. As part of the exchange of the television set, GALT gave her a twenty dollar bill. GALT commented he was going to be traveling south. MARTIN asked if he would be going through New Orleans, and he said yes. MARTIN asked if he would drop off another package at her mother's home, and he agreed. MARTIN says she gave GALT a box containing phonograph records and clothing. She requested that GALT deliver the box to the home of her mother and in the event her mother was not home, to leave it with a neighbor.

A couple of weeks later, while MARTIN was sleeping, GALT knocked at the door of her room and asked if he could leave a set of weights with her. MARTIN advised she did not bother to get up and she told GALT to leave the weights outside of the door. GALT called her later the same date on the phone and she asked him for some money for taking care of the weights. GALT claimed he was broke but said he would leave her ten dollars for taking care of the weights. MARTIN advised GALT left ten one dollar bills in an envelope at the Registration Desk of the St. Francis Hotel. GALT claimed he was waiting for some money from his brother, whom he did not further identify. MARTIN stated that later in the day, the hotel management called her room and requested that she immediately remove a set of barbells from the hallway in front of her room door.

MARTIN made the following observations concerning GALT which were the result of her contacts mainly in the Sultan Room bar over approximately a three-month period:

MARTIN advised that GALT used Spanish phrases on occasion and she felt he was possibly proficient in the Spanish language. MARTIN advised that she could not speak Spanish. MARTIN said on one occasion GALT commented that she, MARTIN, reminded him of a girl he knew in Guadalajara. Another time during conversation at the Sultan Room bar, GALT said that while in Mexico, he had smoked marijuana but said it did nothing for him. MARTIN said she never saw GALT use any type of drug or narcotic and based on his statement, she felt he was not an addict. She said GALT claimed he lived in Mexico for about six years. He claimed he had been to see the cock fights while in Mexico but did not enjoy them because he felt they were too brutal.

MARTIN advised on one occasion she recalls showing GALT an ad in the "Los Angeles Free Press" newspaper which read, "Wanted, hot-tempered man, send photo". She said at one time, she lent GALT a bartender's instruction booklet which she had borrowed from the lobby of the hotel and GALT had kept it overnight and returned it the next day. She advised she has since returned the book to the hotel lobby.

MARTIN advised that her cousin, RITA STEIN, formerly resided at [REDACTED] Los Angeles, California, where she, MARTIN, frequently visited. She advised that she never saw GALT or his white Mustang at this address and that RITA STEIN moved from this address around Thanksgiving of 1967. Shortly thereafter, CHARLES STEIN vacated the premises.

Concerning a public coin box telephone booth located in the liquor store parking lot directly behind the [REDACTED] address, she advised that both she and RITA STEIN utilized this phone on occasion. Concerning the name, MIMI, written on this phone booth wall, she advised she is known by the name of MIMI by some of her close friends and she indicated they used this phone booth because RITA STEIN's telephone service had been discontinued because of non-payment. She advised she may have written her name on the phone booth wall. She said GALT, to her knowledge, never utilized this phone because during this period of time, he knew neither the STEINS or herself.

MARTIN was questioned concerning the activity of CHARLES STEIN while at the [REDACTED] address, specifically, what he had buried in the backyard. MARTIN stated that CHARLES STEIN had a "weird" philosophy which included some type of "sensory contact with nature" and on occasions he would spend long periods of time staring at the sky, observing the various celestial bodies. On one occasion when she was in ill health, CHARLES placed his hand on her knee and after spending approximately fifteen minutes in what appeared to be a trance, asked her to remove her pants which he buried in the backyard. Later, he dug them up and returned them to her.

[REDACTED]

MARTIN advised that ANITA KATZWINKEL, SUE HARRIS, and GINGER DAY were unknown to her and she never had contact with any of these individuals.

[REDACTED]

In answer to a direct question, MARTIN replied that the STEINS moved to their [REDACTED] address in November of 1967.

When asked if she was ever arrested where she utilized the name, MARIE PEREZ, she said she had never utilized the name, MARIE PEREZ.

She said that her physician, [REDACTED] maintains an office at [REDACTED]. She said she had no knowledge of [REDACTED] Los Angeles, California.

6  
LA 44-1574

She said that she knew NORMAN COX, the occupant of Room [REDACTED], St. Francis Hotel, only casually. She said she knew no other person in Room [REDACTED]. She said that she knew two individuals, CHUCK (LNU) and AL (LNU), who mutually resided in Room [REDACTED] of the St. Francis Hotel, but who moved from that room to an unknown address in April, 1968.

She advised that according to her knowledge and her opinion, ERIC GALT had no acquaintanceship of CHARLES STEIN and/or RITA STEIN prior to her meeting GALT at the Sultan Room in early December of 1967.

MARTIN said that she had no intimate relationship with GALT and was not involved with him in the romantic sense in any way. She stated that she did not so much as even kiss him.

AS DARELL AND HELENA

---

During interviews of CHARLES J. STEIN during April and May, 1968, it was learned from him that while in the company of LOUIS LOMAX, LOMAX had determined during interviews in the neighborhood of the St. Francis Hotel, Los Angeles, where JAMES EARL RAY as ERIC S. GALT resided, from January 21, 1968 to March 17, 1968 that RAY had lived with a woman known as JERI, also known as DARELL. This information, according to STEIN, was developed by he and LOMAX during interviews of people who claimed to have known RAY while he was in Los Angeles, California. It was also determined, according to STEIN, that RAY had also dated a girl named HELENA.

## FEDERAL BUREAU OF INVESTIGATION

Date May 1, 1968

ANN L. MEYERS, [REDACTED] Downey, California, co-owner of The Local Swinger, along with JAMES E. O'DOWD, advised that the two began the operation in February 1968 for the purpose of mailing list of local swingers to those who desired such a list. She stated that they placed an advertisement in the Los Angeles Free Press, offering to send a list of local swingers to anyone who paid the price of \$1.00. In addition it was understood that for each letter sent to The Local Swinger, the sender would have to pay \$1.00.

MEYERS stated that about the middle of February 1968 they received a note from ERIC S. GALT, and also a dollar, and a request for a list of swingers. Shortly after they received what she believed were five letters being sent to five individuals who coded names appeared in their list. MEYERS stated that no record was kept of those who received these letters. She did recall that one PATRICIA SCHUBERT was the recipient of one such letter, but she did not know the other four. The \$5.00 for the five letters was in cash.

MEYERS viewed pictures of JAMES EARL RAY but stated that she had never seen RAY, or had never met the man who wrote under the name of ERIC S. GALT.

ANTHONY HARRISON; [REDACTED], Los Angeles, California advised he played guitar at the Paul Vegas Club, 5510 West Hollywood Boulevard, Los Angeles until February 1968. He advised that he was acquainted with ANITA KATZWINKEL and GINGER NANCE only to the extent that he thought two girls by those names were customers of the Vegas Club. He stated that he had absolutely no information pertaining to either girl. HARRISON advised that he had no information pertaining to any person using the name of ERIC GALT; but he thought that the person depicted in the artist conception received from Memphis, Tennessee resembled an unknown caucasian male, whom he thought he had seen as a customer in the Vegas Club. HARRISON stated that the word "OLKAHOMBE" was completely unfamiliar to him and when shown a photograph of a note bearing names GINGER DAY and ANITA KATZWINKEL HARRISON stated he had no knowledge concerning the note.

HARRISON advised that during the months of January and February 1968, he had a partner playing guitar with him at the Vegas Club. Mr. JOHN REEVES, Chief of Security Officers, Paramount Pictures Corporation, 5451 Marathon Street, Hollywood, California, advised by phone that the Paramount Pictures Corporation and the Desilu Studios had been purchased by the Gulf-Western Corporation and the two studios had been merged effective August of 1967 and the firm was now known as Paramount Pictures Corporation. The former Desilu Studios located at 780 North Gower Street, Hollywood, had telephone number 469-5911, and up until just the past few weeks a person calling this latter number would be brought into the Paramount Pictures Corporation switchboard, and channeled to the proper department. Recently the telephone number has been changed and calls now are made through 463-0100.

During 1967, the Desilu number of 469-5911 would have been a good number. He, however, from available directories did not identify an extension 125 as being in existence on the Desilu switchboard or later on the Paramount board following the merger. He suggested that inquiry be made in the Data Processing Department of Paramount Pictures and also with the Chief Telephone Operator who might furnish any additional information concerning a possibility of an extension 125 being utilized.

Mr. REEVES said that he had no personal knowledge of anyone by the name of VINCE, having been employed in the Data Processing Department at the old Desilu Studios or the Paramount Studios.

LUCILLE JACKSON, Chief Telephone Operator, Paramount Pictures Corporation, 5451 Marathon Street, Hollywood, California, advised by phone that neither the Paramount Pictures Corporation nor the recently merged Desilu Studio Corporation had any extension 125 past or present which was utilized if someone called the number 469-5911, an old Desilu Studio number and ask for extension 125. She explained further that there was an extension 125 off the Paramount board, however, it went to Stage 5 and that persons could call out from that extension but the operators on incoming calls did not ring calls into that extension.

JACKSON said that she could not identify anyone by the name of VINCE, an IBM operator, who may have been associated in any way with the Data Processing Department at the old Desilu Studios or at the Paramount Pictures Corporation.

He would normally have been reached on phone number 469-5911, Extension 725. He worked a later night shift briefly and was released for not showing up for work on a regular basis. MESSENGER's husband BUDDY MESSENGER, now deceased, was a former film producer at Desilu Studios. MARGE MESSENGER was last known to be residing in the Playa Del Rey area of Los Angeles and from what VINCE had said, she might possibly be well acquainted with VINCE.

Investigation was conducted to ascertain the name and date of the newspaper from which the two classified advertisement scraps had been taken. In doing so, Mrs. CARLTON SHAW, Carlton Shaw Realty, 13025 Ventura Boulevard, Studio City, California, telephone ST 8-7631, was contacted on April 18, 1968, as that firm had an advertisement appearing in one of the scraps.

Mrs. SHAW advised that their advertisement was in the Los Angeles Times on November 19 and December 3, 1967.

Inspection of library copies of the Los Angeles Times, Times Mirror Square, Los Angeles on April 18, 1968, developed that these scraps of newspaper were taken from the Los Angeles Times dated Sunday, November 19, 1967, pages 51, 52, 53, 54.

The December 3, 1967, issue was eliminated as the advertisement pertaining to 625 South Alvarado, in that issue was not immediately preceded by the advertisement pertaining to 6326 Lexington, which was the case on the scrap of paper recovered in the Mustang.

The following investigation relates to investigation at the address of 626 South Alvarado, which is one of the addresses appearing on these scraps of newspaper.

On April 16, 1968, FRANK T. WOOD, Manager of The Palms Wilshire, 628 South Alvarado Street, Los Angeles, California, advised that he has been manager since November 27, 1967, but prior thereto he was relief manager since April 1, 1967.

When asked if he had any knowledge of any person named ERIC STARVO GALT, WOOD advised that he had none except that he may have heard it over the radio or television in connection with the murder of MARTIN LUTHER KING. WOOD advised that no person with that name is presently a tenant at this address and that this name was not recognized as that of any tenant since November, 1967. He said that he would make a check of the hotel's records in this regard.

When WOOD was furnished a description of GALT, he said that he could not identify any person on the basis of it, tenant or otherwise.

On April 18, 1968, WOOD was recontacted and he advised that a search of his hotel records, which go back to January, 1967, developed no information that ERIC STARVO GALT or any person named GALT was a tenant at The Palms Wilshire.

WOOD said that subsequent to April 16, 1968 he had spoken to ANN SMITH who was manager of these premises prior to November 27, 1967, but she had no knowledge of the name ERIC STARVO GALT and could not recall any person fitting the description which he (WOOD) had given her.

	<u>Serial Number</u>	<u>Model Number</u>
Machine number one	32192	H5L4
Machine number two	31900	H5L4
Machine number three	32190	H5L4
Machine number four	32189	H5L4

Samples of laundry mark 20R-3 were obtained from all machines.

BACK advised that the Avalon Cleaners and Laundry, store number 20, located at 5662 Hollywood Boulevard, was one of 25 Avalon stores where laundry was picked up for processing at the main plant, and that this particular store was assigned the code number 20. BACK further advised that laundry list receipt ticket number 31053 for store number 20 reflected that finished laundry and flat laundry had been checked into the main plant and marked on December 18, 1967. BACK advised that all laundry was logged for store 20 according to receipt number and that receipt number 31053 shows that the flatwear laundry mark was 20R-3, which was printed on white tape.

BACK advised that the letter R and the white tape are used as a means of checking the particular day work is done and the numeral 3 is the lot number given to each separate bundle of laundry from a particular store.

SHARON RHOADS, employed at [REDACTED] Los Angeles, California, was interviewed by SAs [REDACTED] and [REDACTED] in the vicinity of her employment on April 16, 1968, at which time she advised as follows:

She stated that she was employed on a part-time basis as an evening dance instructor at the National Dance Studio located at 2026 Pacific Avenue, Long Beach, California.

She stated that she recalled one ERIC S. GALT as a former student whom she instructed. She stated that as she recalled, GALT was her dancing pupil from about the first week in December 1967 through approximately the middle of February 1968.

In recalling GALT, she offered the following information concerning him:

She said that GALT was a very neat person and that he dressed immaculately, often in expensive clothes. He always appeared at the dance studio cleanly shaven, wearing white shirt and tie, and either a sport coat and slacks or a suit. She stated he also owned an expensive looking pair of alligator loafers, which he often wore with a sport suit. She stated that his hands were very well kept, and his nails may have been professionally manicured, but she could not state this with absolute certainty. She stated, however, that she had never seen his hands soiled or his fingernails dirty. His fingernails were well filed and trimmed and were worn short and neat. She stated that he was left handed inasmuch as she had noticed him on two occasions writing, and at the time she observed him writing, she made a mental note that he was a "south paw."

GALT was very ill at ease in crowds and gave her the impression that he prefers to be either alone or with no more than one other individual. He was an introvert and was very hard to converse with. She stated that in the approximate two months that she knew him, only towards the last did he feel confident enough with her that he would joke with her. She stated that toward the end he showed somewhat of a humor, which she believed very few people knew he had. He was always ill at ease around others and could not relax while in conversation with any other individual. He always fidgeted, pulled at his ears, played with his hands, and looked in every direction but at the person with whom he was conversing. She stated that he smiled with a one-sided smile and that he smiled very infrequently.

He would never talk about himself, but in general conversations she was led to believe that he came to Los Angeles from Mexico, possibly around Mexico City. He told her that he was unemployed; was a former merchant seaman; that he wished to return to sea, and that he received sufficient proceeds from the sale of a bar that he could "get along without being gainfully employed."

RHOADS stated that she was of the opinion that GALT entertained the thought of asking her for a date on many occasions, but his backwardness prevented him from actually doing so. During the dancing lessons he always centered his conversations around dancing techniques and never talked in general terms about himself. She believes he was a Southerner, and she recalled that possibly the first or second week during January 1968, he did not attend dancing instruction, and upon his return, stated that he had visited a brother in the State of Louisiana. RHOADS stated that during the two month period that she knew GALT, he changed residences twice in Hollywood, California. She at no time associated with GALT socially. She was not acquainted with any of his associates, and through conversations, GALT told her that he had no particular "hobby."

She stated that GALT seemed to compensate for his social inaptness by his attire and placing his schedule on precise projects which he was participating in.

As an example, she stated that GALT took dancing lessons she believed to overcome some of his shyness. He pursued the dancing lessons quite vigorously, doubling up on the number of lessons normally taught per week so as to take the maximum number of lessons in the shortest possible time. He abruptly quit dancing, telling her that he had enrolled in bartending school and was having a conflict in his schedule.

RHOADS was of the opinion that he had toyed with his dancing lessons sufficiently to satisfy himself and was "running off on another tangent." She also stated that GALT was not sufficiently busy she believed to have not pursued both courses, because GALT told her that he slept rather late, had lunch, took a nap in the early afternoon, went to bartending school in the late afternoon, and would then attend dancing lessons in the early evening. This, he explained to her, was his typical day, which was not a busy, productive, or strenuous one in her mind.

She stated that GALT was very slow in his mental processes. He often did not understand jokes and did not react favorably to a friendly gesture extended to him. RHOADS stated that during one conversation with GALT she made mention that it was odd that he did not wear any jewelry, that is ring or watch, since he was so well dressed otherwise. GALT replied that he detested jewelry of any sort, and to her knowledge, she never saw him wear a watch, ring, or cuff links, or any other items of jewelry.

RHOADS could remember nothing else of the mannerisms, background, etc. of GALT. She stated that GALT was a white male, weighing about 165 pounds. She stated that he had brown hair; was in his middle 30s; had a medium complexion, and spoke with a Southern accent. She stated that from his diction she believed him to be high school educated. To her knowledge, he spoke no foreign language.

His hair was short but not a flattop or Butch haircut. She stated that she could not recall whether or not he had a part in his hair but for some reason doubted that his hair was parted. His eyes were described as pretty and blue in color.

She stated that should she remember any further information pertaining to GALT, she would immediately contact the Los Angeles Division of the FBI.

PATTY HARRIS [REDACTED] Long Beach, California, [REDACTED] a student at Long Beach City College, telephonically advised she was formerly employed as a dancing teacher at the National Dance Studio at Long Beach and had as a student, ERIC GALT. She stated that as she recalls he had a course of some 50 hours, and she taught him on the average of about one hour a week for about a month and a half during the early part of this year. He did not finish all of his dance lessons.

During this period, on several occasions, she and he discussed Mexico in general. He told her that he was from Mexico and that he had a business there with someone else. She said he said he was in business with a friend. He told her something about being in the Los Angeles area to attend school but that he had not obtained any employment. He told her that he intended to return to Mexico.

She said he had a very limited knowledge of the Spanish language. In their discussions, he indicated that he had been in Mexico City and to Cuernavaca, Mexico. He did not tell her where his business was, nor where he was living in Mexico.

Through conversation, he indicated that at least on one occasion he had visited a night club in Mexico City known as Senoryel (phonetic), which she also has visited. She stated that this night club had three separate rooms or lounges with different types of music in each. She stated that she thought he was in his early 30s and about 5'8" or 5'9" in height. She noted that she is 5'5" herself and did not regard him as too much taller than she.

She advised that she did not date GALT herself nor does she know anyone who did date him or had any social contact with him.

She said she believes that ROD, the owner of the dance studio, at one time or another had told her that GALT was a restaurant owner.

She stated that she would be agreeable to being re-contacted concerning this matter, and this was the only information she could recall at this time concerning GALT.

JOHN F. PRICE, manager of the Time Out Cafe located at 2054 Pacific, several doors north of the National Dance Studios, advised that during the months of December 1967 and January 1968, as he recalled, an individual who appeared identical with JAMES EARL RAY appeared at his bar about two or three times a week. This individual, according to PRICE, always appeared at the Time Out Cafe alone and sat alone. He was a good tipper; dressed well, and in conversation with people always talked about dancing. PRICE stated that he firmly suspected that this individual was attending dance lessons at the National Dance Studios several doors south of the Time Out Cafe.

PRICE stated that, as he recalled, this individual always wore a dark tie and on occasion was invited by other patrons of the bar to enter a game of billiards or shuffleboard, always declined the invitation.

PRICE stated that this individual always entered the bar on foot, and he, PRICE, never saw a vehicle which this individual might have driven.

He stated that this individual had a Southern drawl, or perhaps more actually a country boy manner of speaking.

PRICE could furnish no further information about this individual. He was shown photographs of JAMES EARL RAY, at which time he stated that he was certain that RAY was the individual who appeared at his bar during December 1967 and January 1968.

OF BARTENDING, LOS ANGELES, ATTENDED  
BY RAY FROM JANUARY 19, 1968 TO MARCH 2,  
1968

During interviews of the personnel at the National Dance Studio, it was learned that RAY might possibly have attended a bartending school somewhere in the Los Angeles area. Investigation subsequently determined that RAY had attended bartending school at the International School of Bartending, 2125 Sunset Boulevard, Los Angeles.

1Date 4/17/68

TOMAS LAU, Director, International School of Bartending, 2125 Sunset Boulevard, advised ERIC GALT was not fluent in Spanish and could only say a few words in Spanish. These words, however, were correctly pronounced by him. LAU stated he now recalls that GALT had mentioned to him that he had lived in Puerto Vallarta, Mexico for about three years. The exact dates of this residence are unknown. LAU could not recall GALT ever mentioning the reason he had been living in Mexico.

LAU stated he thought it rather peculiar that someone would spend three years in Mexico and would not take the trouble to learn the language. He never questioned GALT in this regard.

He stated they both graduated from the school on the same date and he has not seen GALT since. During conversations with GALT, while attending school, he learned from GALT that GALT had lived in Mexico for about three years, the exact dates and places unknown. GALT claimed to have gotten along well with Mexicans, liked Mexico very much and planned to return there to live.

On the date that graduation took place, in response to a question from TOMAS IAU, Director of the above school, as to what he, GALT, planned to do, GALT stated he was going to go to Birmingham, Alabama to visit his brother for about two weeks. He did not mention the name of his brother or his exact address. He indicated he would possibly return to Los Angeles after this trip to Alabama. GALT indicated he had been a chef in the Merchant marine, sometime in the past, serving on seagoing vessels. GALT never mentioned any other type of employment or members of his family but did imply he had been married once though was not presently married.

At the bartending school, GONZALES found GALT to be very quiet and one who kept to himself. He was also quite slow in mastering the bartending school curriculum and often displayed nervousness. GONZALES stated he thinks that GALT is right handed.

GONZALES stated that GALT never mentioned any women and it was not known whether he drank much. He did not smoke. GONZALES stated he never saw GALT's car and he was led to believe that GALT usually drove his car to school. PSYCHOLOGICAL TREATMENT RECEIVED BY  
JAMES E. RAY IN LOS ANGELES DURING THE  
PERIOD NOVEMBER 27, 1967 TO DECEMBER 14, 1967

On April 19, 1968, Dr. MARK O. FREEMAN telephonically contacted the Los Angeles Office of the FBI stating he believed he had information regarding JAMES E. RAY and desired to be interviewed.

Date April 19, 1968

Dr. MARK O. FREEMAN, Ph.D., Clinical Psychologist, was interviewed at his residence, 227 South Bedford Drive, Beverly Hills, California, April 19, 1968, at which time he furnished the following information:

On November 27, 1967, he received a telephone call from a JAMES E. RAY, who said he wanted to overcome his shyness, gain social confidence, and learn self-hypnosis in order that he could relax, sleep and learn to remember things better. As there was an open appointment that afternoon, an appointment was made for RAY to come to the doctor's office, 9952 Santa Monica Boulevard, Beverly Hills, at 5:00 p.m.

RAY did report for the scheduled appointment on November 27th, at 5:00 p.m. Dr. FREEMAN exhibited a leaf from his consultation notebook (approximately 3"x5" in size), on which he said he had made some notes regarding RAY on the occasion of their first appointment. This notebook page contained the name JAMES E. RAY; address, 1535 North Serrano; telephone 469-8096; and notations indicating the patient was single; had said he was from East St. Louis, and had worked on boats on the Mississippi River. Born March 10, 1928.

In this first appointment and in subsequent appointments, RAY had very little to contribute about his personal family background. He said that he was unemployed. That he had worked as a cook on a Mississippi river steamer, but did not like the work, so had quit.

The doctor said he got the impression that RAY was an early riser, as he wanted early appointments, where ever possible. He also usually arrived at the office early, considerably ahead of his scheduled appointment time. He was not "shaky," when he arrived for the early morning appointments. No indications that he was suffering from "hang-overs," on those occasions.

RAY had no physical distresses. No headaches. Was in excellent health, trim and handsome. He gave no indications of being psychotic or of being plagued with neuroses. Impressed the doctor as having an average intelligence quotient. No evidence of any deep animosity.

Although he gave his birthdate as March 10, 1928, on the occasion of their first appointment, RAY impressed the doctor as being "young and immature."

In consultations subsequent to their first meeting, the doctor stated he felt that he and RAY developed a good rapport. RAY repeated his request that he wanted to overcome his shyness, and gain social confidence so that he would be able to talk to people. He was usually placid, cooperative, easily led in conversations, and did not fight against the doctor as some of his clients do. During either the second or third visit, the doctor asked RAY if he had any "deep dark secrets that he wanted to get off his chest." The doctor said he usually asks this question to determine if his clients have any criminal background or any sexual problems or aberrations. He said that RAY answered in the negative, and gave him no reason to doubt his answer.

RAY indicated he had read a lot of books on hypnosis. According to Dr. FREEMAN, "RAY had the old power idea of hypnotism. That is that you can go around looking people in the eye and can hypnotise them and make them do what you want them to." In subsequent appointments, Dr. FREEMAN placed RAY in a hypnotic state. He said he would have RAY lie down on a couch in his office, and stare at a little spiral on the ceiling. Then the doctor would talk to him. He was a very apt subject for hypnosis. Very eager, and very cooperative. He was an excellent hypnotic subject. He was likeable, and polite. He was making progress in overcoming his shyness. At the conclusion of each session, he thanked the doctor for his assistance; and indicated that he was satisfied with the progress he was making. He was learning to calm his body down, and overcome nervousness, and shyness. He usually did what the doctor wanted.

The doctor had no recollection of any particular habits or hobbies that RAY might have had. He did not recall any scars or peculiar physical characteristics that made any special impression on him with regard to RAY. He had no recollection of any discussions regarding sports, although their visits were during the height of the football season and the start of the basketball season. He was neat, and to the best of the doctor's recollection, usually wore a suit coat, without a tie. Two photographs of ERIC GALT (with eyes open and eyes closed) were exhibited to the doctor, who said they were excellent likenesses of his patient, JAMES E. RAY.

The doctor pointed out in his professional appointment book, entries for JAMES E. RAY covering six appointments and a seventh entry which was

crossed through. These appointment dates and times, as noted in the professional appointment book, were:

November 27, 1967	5:00 p.m.
November 30, 1967	10:00 a.m.
December 4, 1967	9:00 a.m.
December 6, 1967	10:00 a.m.
December 11, 1967	3:00 p.m.
December 14, 1967	10:00 a.m.
December 18, 1967	3:00 p.m.

This latter appointment (12/18/67) was the one with the line through it. The doctor recalled that RAY had telephone him at the office, after making the appointment for December 18th, and told him that he would be unable to come to the office for the appointment as he had received information from his brother, that the latter had "found a job for him in the Merchant Marine in New Orleans, Louisiana." The doctor is not sure of the date or time that RAY telephone to cancel this last appointment; but feels sure that it was sometime after their 10:00 a.m. appointment on December 14, 1968.

Dr. FREEMAN said that RAY paid in cash, \$25.00 per visit. Except he has the recollection that RAY sent him a money order (he believes it was a postal money order) for the final \$25.00 payment.

[REDACTED]

The doctor said that many of his patients come to him a referral from Mr. MELVIN POWERS of the Wilshire Book Company on the Sunset Strip in Hollywood, California; which he described as a publishing house that publishes numerous titles in the field of self-hypnosis. It was his recollection that RAY had indicated he had read some of these books and that he had been referred to the doctor from that source.

The doctor concluded by stating that JAMES E. RAY came to him seeking psychological help in the nature of self-hypnosis to gain confidence, overcome shyness, learn to sleep better, and to be able to talk to people. Following each session, he was instructed to go home and practice the methods of relaxation they had gone over in the office. He was shy, introverted, and withdrawn, but not psychotic or plagued with any deep seated neuroses. Although he indicated he was unemployed, he never seemed to lack money to pay in cash for his consultations during the period of their appointments. When he called to cancel their last appointment, he indicated he was going to New Orleans to accept a position his brother had obtained for him; but he told the doctor he hoped they would meet again sometime.

Date 4/30/68

On April 25, 1968, Mr. HERBERT F. GREENBERG was contacted at his place of employment, 1640 South La Cienega Boulevard, by SAS [REDACTED] and [REDACTED]. After being advised of the identity of the contacting agents, he was interviewed regarding a purchase of a set of Japanese handcuffs by ERIC S. GALT, from the International Police Equipment Company, 806 South Robertson Avenue, Los Angeles, California.

GREENBERG stated he is the owner of the International Police Equipment Company, and that company is operated by him strictly on a mail order basis. He has no walk-in customers, and the address of 806 South Robertson Avenue, is nothing more than a mail drop utilized by him to receive mail directed to the International Police Equipment Company. He has been in business since 1953, and advertises police equipment for sale in all or the "trash" detective magazines; however, he does not advertise handcuffs. If a person ordered handcuffs from his company, this person would have to have been a former customer placing a re-order; or would have to have obtained a catalogue and order blank from a prior customer. GREENBERG explained that the only advertisements for handcuffs for sale by his company are contained in the police equipment catalogue that is also put out by his company. This catalogue is not readily available to the public, but is sent to a customer along with an original purchase. His catalogue is not distributed by mail lists, nor does his company utilize mailing lists in its operation.

Regarding the Japanese handcuffs, GREENBERG stated that he formerly sold a Spanish-made handcuff, and has only handled a Japanese manufactured cuff for the last ninety or one hundred days.

GREENBERG was advised that a package containing a set of Japanese handcuffs and a catalogue advertising police equipment for sale had been mailed by the International Police Equipment Company, 806 South Robertson Avenue, on March 16,

1968, to ERIC S. GALT, 5533 Hollywood Boulevard. GREENBERG advised that he did not personally recall filling such an order, but that he would check his records, and make available all information regarding the order. In this regard, GREENBERG stated that he would most probably have an original purchase order signed by the buyer, which he would make available.

During the late afternoon of April 25, 1968, GREENBERG telephonically contacted SA [REDACTED] at the Los Angeles FBI Office and advised that he had been in contact with the secretary who handled his company's records. She advised that she had located the above-described purchase order made by GALT, and that this order had been placed by him on February 26, 1968. She further advised that GALT had paid for the money order by check in the amount of \$9.98, but that for some reason the order had been delayed. GALT then called the secretary on the phone and asked her what had happened and requested she fill the order immediately. The secretary had then called GREENBERG and told him to ship the order immediately. GREENBERG advised that he would have the original order on the morning of April 26, 1968.

On April 26, 1968, GREENBERG was contacted at his place of employment by SAS [REDACTED] and [REDACTED]. At this time, GREENBERG made available the following documents pertaining to the above-described sale:

(1) One Air Mail envelope, postmarked February 26, 1968, addressed to Tiffany Enterprises, 8512 Whitworth Drive, Los Angeles, California, bearing a return address of ERIC S. GALT, 5533 Hollywood Boulevard, Hollywood, California 90028.

(2) One typewritten letter, dated February 26, 1968, bearing the typewritten signature, ERIC S. GALT, as well as a written signature in the same name.

Inscribed on the letter were various notations in what appeared to be red-colored ball-point ink, and the numerals "998" in black ink. These notations, according to

3  
LA 44-1574.

GREENBERG, were placed there by himself at the time he filled the order. The above-described documents were inscribed on the back upper left hand corners, "4/26/68, TMS, LA; Calif." by SA [REDACTED]

After furnishing the above-described documents, GREENBERG stated that he would have to revise the information previously furnished by him regarding the order and purchase of the handcuffs by GALT. He stated that Tiffany Enterprises is also a mail order business, and that two of the salesmen employed by Tiffany occasionally sell merchandise for him. In this regard, GREENBERG advised that in addition to the catalogue containing advertisements of police equipment for sale, he also put out a brochure which advertised the Japanese handcuffs.

He has furnished a number of these brochures to the Tiffany Enterprise salesmen, and they place a stamp on the brochure which indicates to a customer that these handcuffs can be purchased through Tiffany Enterprises. However, they do not carry handcuffs and any orders for them are filled by him. This would explain why GALT addressed his letter to Tiffany Enterprises. The secretary for Tiffany Enterprises, who is also utilized by him, advised him that GALT paid for his purchase with a money order in the amount of \$9.98. Her name is JANIE (last name unknown), and she can be located at Tiffany Enterprises. GREENBERG stated that in talking with her, she mentioned that agents of the FBI had already contacted her and other members of Tiffany Enterprises. GREENBERG described the brochures furnished to Tiffany Enterprises as a 8 $\frac{1}{2}$ " by 11" green sheet, a number of which were furnished to Mr. FLOYD CLEMENS of Tiffany Enterprises.

ALLAN ROSS was interviewed at his place of business, Squire, Incorporated, 6725 Sunset Boulevard, Los Angeles, California, by SAs [REDACTED] and [REDACTED] on April 15, 1968. He was shown a group of composite photographs of a suspect involved in the MARTIN LUTHER KING slaying, at which time he advised that he did not recall ever having noticed anyone who looked similar to any of the photographs.

He was then specifically asked if the name ERIC STARVO GALT or anyone using the last names of STARVO or FOTOS meant anything to him. ROSS stated that he did not recall anyone by the above names. He then stated that he would review his appointment books, his sales books and contact books in order to ascertain if anyone by these names had contacted him in the past as a prospective purchaser of a toupee from Squire.

After reviewing his records, he stated that the records reflected no one by the above mentioned names. He was then asked if he recalled seeing anyone socially or professionally during the past several months whom he knew to be an unemployed merchant seaman, who wore expensive alligator shoes and who generally fit the description of the MARTIN LUTHER KING murder suspect which was written on the reverse sides of the photographs. After considerable thought, ROSS stated that he could not recall anyone having the above mannerisms or having the above names, either on a social or a professional basis. He advised that he would immediately contact the Los Angeles Division of the FBI should he recall that this individual in the past had associated with him in any manner.

Date May 6, 1968

On May 6, 1968, Mr. GORDON W. SCHINDLER, President of Monogram Publications, Inc., and Futura Books, Inc., 21839 South Avalon Boulevard, Torrance, California upon hearing Agent introduce himself to the female clerk at the front desk; stated that he wanted to handle this matter personally.

SCHINDLER said that before he would answer any questions or make any matters available to the FBI with reference to ERIC S. GALT having made purchases from his concern, he wanted to ask some questions; (1) Did the Governor of Tennessee invite the FBI into this matter? (2) He had read in the newspapers that the Chief of Police in Memphis was unhappy with the FBI being there and just what jurisdiction did the FBI have in this matter?

As to the first question, Mr. SCHINDLER was advised that the President of the United States and the Attorney General had ordered the FBI into this matter in Memphis at which time Mr. SCHINDLER stated it appeared that the States have no rights anymore and that the Federal Government is taking over all their rights.

As to the second question, Mr. SCHINDLER was advised that the Chief of Police in Memphis was personally known to the interviewing Agent and did not believe the Chief of Police would have made such a statement. Secondly, Wanted Flyer 442-A dated April 19 1968 was displayed to Mr. SCHINDLER and the violations of Federal law set forth in this Wanted Flyer was explained to Mr. SCHINDLER.

Mr. SCHINDLER stated that so far as he was concerned, this whole matter was a waste of the taxpayer's money, that so far as he was concerned, the Federal Government had no jurisdiction in this matter,

that his type of books which he sells does not fall within the realm of being subversive or teaching someone how to shoot a gun, so therefore he shouldn't have to furnish any information in this regard. Further, he didn't like the idea of the FBI investigating his concern. Mr. SCHINDLER was informed that his concern was not being investigated by the FBI; that the FBI was seeking his cooperation as a good American citizen to furnish information about this matter voluntarily.

Mr. SCHINDLER then stated that he has had trouble with the United States Government in the past, that he sustained a conviction on a matter which was the publishing of a book that was declared to be obscene and now, under the present day standards, it is being sold on the open market in book stores. Further, that if the United States Government wanted anything from him or his records that they would have to appear there with the proper papers or subpoena.

A Secretary of the corporation, whom the interviewing Agent had dealt with on the previous interview came into the room and Mr. SCHINDLER turned to her stating that she was to give the FBI nothing without his authority.

It was pointed out to Mr. SCHINDLER that during the previous interview, one of the clerks had indicated that the name of ERIC S. GALT had sounded familiar to them and believe perhaps he had a previous order, that now it had been determined that a money order in the amount of \$9.00 dated 7/24/67 had been sent to:

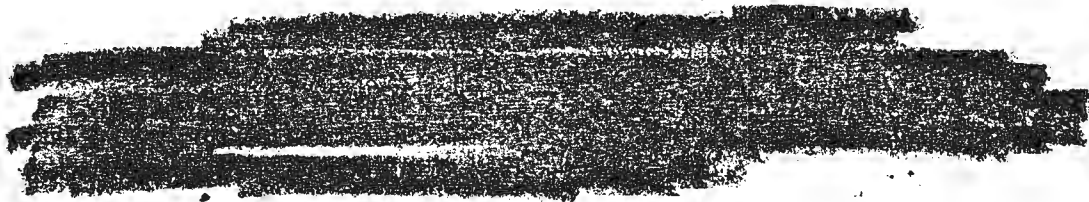

FUTURA BOOKS  
4533 Lennox  
Inglewood, Calif.

Mr. SCHINDLER was advised by his Secretary that during the foregoing period of time she did not believe they kept track of their money orders, however she would make a diligent search for this order. Mr. SCHINDLER stated that he would agree to allow his Secretary to call the FBI and report whether or not they had such an order and to where it had been sent.

Mr. SCHINDLER stated that he would allow the FBI to make notes or a copy of this document, if it could be located, and that he intended to have the original document framed and hung on his office wall.

Mr. SCHINDLER claimed that he had not formed any personal adverse feelings towards the FBI other than it was another Governmental Agency involved in matters over which it has no jurisdiction.

Mr. SCHINDLER stated that he had just returned from New York and was amazed at the number of pornographic books he had observed in the book stores there, that he was sure that these books must have traveled in interstate shipments and thought the FBI and Postal Inspectors could spend more time in these types of cases rather than becoming involved in the matter in Memphis.

## FEDERAL BUREAU OF INVESTIGATION

Date May 10, 1968

On May 10, 1968, LORRAINE MARTIN of Futura Books, Inc., Torrance, California was telephonically contacted at 830-7903 for the purpose of acknowledging receipt of a Xerox copy of an order received by her concern on 7/26/67 from ERIC GALT, 2584 Notre Dame, Montreal, Canada, which she had mailed to Agent at the FBI Office in Los Angeles.

MARTIN explained that the initials of "SH" in the upper right-hand corner of this order means "SPECIAL HANDLING". Just to the left of this is their ink stamp date of receiving this order of 7/26/67 and on the right center margin is the time of receipt, 9 a.m.

MARTIN explained that the way their concern keeps records on what magazines an ad was taken from is in the address itself. In this particular one, "Dept. 17" is set forth. MARTIN states their records reflect that "Dept. 17" is for their ads placed in MEN'S REAL ADVENTURE magazine.

This order is checked for the following titled books:

SEXUAL ANATOMY  
UNUSUAL FEMALE SEX PRACTICES  
SEX PEELING IN MEN & WOMEN

On the back of this order it is indicated the order was received and mailed on the same date, July 26, 1967.

Dr. Little's treatment is valuable for two reasons: (1) it covers the entire subject of sex in marriage — male and female reproductive organs, sex impulse in men & women, masturbation in and out of marriage, premarital stimulation, problems of sexually frustrated wives (with case histories), sex myths, aids to fertilization, birth control, etc.

(2) It abounds in habitats where it is personally available only in higher concentrations, e.g., enlarging the penis to a maximum size to overcome the distance in overcoming the fear of wives; eliminating the fear of wives by oversized and undorsalized penises, etc.

(3) Its original drawings. These include: two male and female sex organs, both internal and external and specially-drawn illustrations, available in no other manual, depicting the correct and incorrect methods of penetration (with and without genital-external contact). \$3.00

MILDRED GREENE, Receptionist, Barnett and Hersh, 7551 Melrose Boulevard, Los Angeles, California, said that E.Z. Formulas, 6311 Yucca Street, Hollywood, California, is a subsidiary of Barnett and Hersh. She stated that E.Z. Formulas pertains only to a magazine mail order business selling a single formula for making glass into a two-way mirror. She stated again that E.Z. Formulas sells only this single formula, not including the ingredients, for making glass into a two-way mirror. She provided a copy of the formula which consisted of a single printed yellow piece of paper of standard size.

She said that her firm has no record of any type of sale to a person using the names of ERIC STARVO GALT and/or JAMES EARL RAY. She said that when any subsidiary firm of Barnett and Hersh obtains a mail order, they immediately dispatch the item sold. They maintain no receipt or record of shipment. She said that they retain the addresses for a short period of time until a sufficient quantity has been accumulated to sell them to other mail order firms. She advised that all of these addresses have been sold, up to and including November 1967. She advised that these addresses were sold to Northwestern Company, 466 North Western, Los Angeles, California.

She advised that Barnett and Hersh utilize the addresses as provided by Postel, a mail box house and answering service, located at 6311 Yucca Street, Hollywood, California.

JONATHAN YOST, Northwestern Company, 466 North Western, Los Angeles, California, advised that his firm purchases the names and addresses of mail order subscribers from Barnett and Hersh. He said this is a common practice in the mail order sales business and a common price is \$20.00 per thousand names. He said that his firm, upon purchasing these names, sends brochures to these individuals. He stated that if they receive no answer they no longer send any further brochures. He advised that after the initial mailing the names and addresses are destroyed. YOST stated that having purchased these names and addresses from Barnett and Hersh in November, his firm would have mailed the brochures to the names and addresses and thereafter would have destroyed them. YOST reviewed his files for the names JAMES EARL RAY and/or ERIC STARVO GALT. He could locate no such names.

INVESTIGATION TO DETERMINE MANUFACTURER  
OF TIRE LOCATED ON 1966 WHITE MUSTANG  
ABANDONED ATLANTA, GEORGIA

The Atlanta Office of the FBI furnished a photograph and inked impression of tire bearing serial number 417P807. Investigation was conducted to determine the manufacturer of this tire, the place from which sold and identity of purchaser.

## FEDERAL BUREAU OF INVESTIGATION

Date May 3, 1968

On May 1, 1968 a photograph and ink impression reflecting the tread design of the recapped tires found on the Mustang automobile abandoned by JAMES EARL RAY in Atlanta, Georgia, were exhibited to MAURICE CLAPP, Owner, F.C. Inc., Colton at Wabash, Montone, California. Mr. CLAPP advised that the mold that made the tire tread design in question was manufactured by National Casting Company which was in the tire mold manufacturing business in Lynwood, California until approximately three years ago. He stated that when National Casting went out of business he bought many of their mold designs. He stated that Mrs. MARY SKOLICA, 11079 Sue Avenue, Lynwood, California, maintained all of the records for National Casting. Mr. CLAPP described the tread design as a "New Safety 8" design that was about five years old.

On May 3, 1968, Mrs. SKOLICH advised that the Matrix was made for the Garvin Tire Service Centers in the late part of 1962 or early part of 1963.

## FEDERAL BUREAU OF INVESTIGATION

Date April 29, 19681

On April 18, 1968, Mr. RUDOLPH TELUSI, owner, Los Angeles Matrix Company, 5530 Borwick, South Gate, California, was interviewed in an effort to determine if the recap tires found on the auto abandoned by ERIC S. GALT in Atlanta, Georgia, were made from a mold manufactured and sold by his company.

Mr. TELUSI advised that his company manufactures tire molds and distributes them nationally. He added that 90 per cent of the companies distribution and sales of tire molds is in the Southern California area. He advised that there are over a thousand such tire molds sold by his company in California. Mr. TELUSI advised that his company does not place any type of identification marking or initials in its tire molds but he added that many of the people possessing such molds mark them with their own identification. Mr. TELUSI stated the initials "RGT" mean nothing to him. He stated that if he were to be able to examine the actual tires or a detailed duplication of the tread on the tires he would most likely be able to determine if the mold that made the tires was made and sold by his company.

## FEDERAL BUREAU OF INVESTIGATION

Date 5/15/681

On May 3, 1968, Mr. ROBERT PALLOTTO, Manager, Garvin Tire Service Center, 7257 Reseda Boulevard, Reseda, California, advised that his company purchased the Matrix in question in the late part of 1962 or early part of 1963 and his company has been and is still using the Matrix to mold tires. Mr. PALLOTTO advised that his company's tires do bear the identification mark of "GT" but he has no idea how the identification mark of "RGT" would get on one of the tires. A review of all of the sales invoices of the Reseda Center from August, 1967 to the end of March, 1968, failed to reflect any tire purchase identifiable to JAMES EARL RAY. PALLOTTO advised that his company often merely writes the word "cash" on the invoice rather than any name or address and it would therefore be impossible to identify the persons purchasing tires. PALLOTTO advised that his company also has a branch service center in North Hollywood, California, and their records would be available for review.

The Washington Field Office, FBI, advised that on May 9, 1968 JOHN ACORD, Chairman, American-Southern Africa Council, 800 Fourth Street, S.W., Washington, D.C. furnished that office a letter received from ERIC S. GALT. The letter is quoted as follows:

"December 23, '67

"Dear Sir,

"I recently read an article in the L.A. Times on you council, the local John Birch Society provided me with your address. My reason for writing is that I am considering immigrating to Rhodesia, however their are a couple legal questions involved.

"1: The U.S. Government will not issue a passport for travel to Rhodesia.

"2: Would there be any way to enter Rhodesia legally (from the Rhodesian Government point of view).

"I would appreciate any information you could give me on the above subject or any other information on Rhodesia.

"Sincerely

Eric S. Galt

Mr. ACORD advised he was in Rhodesia when the letter was received at his office and his secretary replied to this letter with a form letter enclosing literature on Rhodesia.

On May 10, 1968, Mrs. BETH WOODIN, Secretary to Mr. REX H. WESTERFIELD, West Coast Director of Public Relations for the John Birch Society, 2627 Mission Road, San Marino, California, searched her files for the years 1967 and 1968 for a record of correspondence with or from ERIC S. GALT, but was unable to locate any record of correspondence with GALT.

On May 13, 1968, REX H. WESTERFIELD advised he had rechecked the files and records of the John Birch Society and had interviewed the persons who had normally had telephonic contact with the public and there is no record of ERIC S. GALT having contacted the Society at any time through the mail, by phone or in person.

INVESTIGATION REGARDING ASSOCIATES  
OF RAY AFFILIATED WITH AMERICAN  
INDEPENDENT PARTY

CHARLES J. STEIN advised RAY, as condition to driving him to New Orleans, Louisiana, during December, 1967, requested STEIN, RITA STEIN and MARIE MARTIN to register with the American Independent Party in an effort to have the name of GEORGE WALLACE placed on the ballot as a candidate for the President of the United States.

## FEDERAL BUREAU OF INVESTIGATION

Date 5/10/681

On May 9, 1968, RODERIC TURNER DUFF, [REDACTED]  
[REDACTED] Monrovia, California, furnished the following information:

He is the President of the Los Angeles chapter of the Citizen's Council of America and is employed as a leadman in the plastic department of Mapo Productions, 1400 Grand Central Avenue, Burbank, California.

The Los Angeles Citizen's Council holds monthly meetings, usually at Embassy Hotel Auditorium, Los Angeles, which are open to the public but not advertised in the newspapers due to potential picketing. DUFF viewed a photograph of JAMES EARL RAY, and could not identify RAY as ever attending any of these open meetings.

In addition, DUFF advised that he is very active in support of the 1968 Presidential Campaign of Governor GEORGE C. WALLACE and is frequently at the WALLACE headquarters in Arcadia, California and Bell Gardens, California, and at the former office on Lankershim Boulevard, Los Angeles. He advised that he never saw anyone resembling RAY at these offices nor heard the name of ERIC STARVO GALT mentioned there.

DUFF concluded by stating that JAMES EARL RAY, also known as Eric Starvo Galt, is completely unknown to him by either photograph or name and he had no idea of who else could possibly be involved in the assassination of Dr. MARTIN LUTHER KING.

PHYSICAL EVIDENCE

During the investigation regarding ERIC GALT's communication with "The Local Swinger" he submitted a typewritten letter, signed ERIC S. GALT, to be forwarded to an individual listed in a list of Swingers maintained by that club. This letter furnished by the United States Postal Inspector in Charge, San Francisco, California, was furnished the FBI Laboratory, Washington, D.C. for examination with typewriting samples previously submitted. Also furnished for typewriting examination was a typewritten advertisement to be placed in the "Los Angeles Free Press", avant garde newspaper, which bore the typewritten name and address of ERIC S. GALT, 406 South Second, Alhambra, California 91802.

Enclosed herewith is a copy of the May 3, 1968,  
edition of LIFE Magazine.

This magazine was furnished to the Denver Office,  
May 6, 1968, by [redacted], Denver,  
Colorado, who is employed [redacted] at Stapleton International  
Airport. [redacted] advised that on the night of April 30, 1968,  
he observed a man who he now believes to be JAMES EARL RAY,  
sitting in the TV area of the lobby at Stapleton between  
9:40 p.m. and 10:30 p.m.; and during this period, this man  
was reading the enclosed magazine and was observed by [redacted]  
to tear out some of the pages which he folded and put in his  
inside coat pocket. This man left the area about 10:30 p.m.,  
leaving the magazine on his seat; [redacted] picked the magazine  
up and later discovered that the pages containing the article  
about RAY had been torn out and were missing. [redacted] later  
read an issue of "Jet" which had a photograph and an article  
concerning RAY; and at that time, came to the conclusion that  
the man he saw April 30, 1968, was possibly identical with RAY.

The Latent Fingerprint Section is requested to process  
enclosed magazine for latent prints and any latents developed  
be compared with fingerprints of JAMES EARL RAY, FBI number  
405942G.

Re Houston airtel to the Bureau 5/4/68.

On 5/9/68, the photographs of SMITH were displayed to [REDACTED], his wife, and his mother. Each indicated that the photo was not that of the man whom they identified on the bus to Mexico on 4/6/68 as JAMES EARL RAY. They advised that the photo of [REDACTED] was that of a man much younger whose hair was too long and face was too elongated, rather than roundish as is that of RAY.

[REDACTED] and his family reiterated that the Unsub on the bus looked enough like RAY to be either him or a "twin".

One extra copy of this airtel is designated for the Bureau for transmittal to Legat, Mexico.

In regards to [REDACTED], [REDACTED] said that he was on the opposite side of the street when this man left the drugstore and he again observed him after driving around the block from a distance of 30 or so feet, but did not get a good view, since the man was in the car. [REDACTED] was not absolutely sure that this individual was RAY, however, indicated he wished to aid the FBI in any conceivable way possible, [REDACTED] had immediately or soon thereafter telephoned Washington. [REDACTED] had no additional information to add to the above facts or [REDACTED] on the information furnished Washington.

Re Phoenix airtel to Director, dated  
5/6/68.

On 5/13/68, [REDACTED] Saline, Michigan, advised she was unable to definitely ascertain if the caller on the tape of the anonymous telephone call to Coconino County Deputy Sheriff [REDACTED] on 4/20/68, was her brother [REDACTED]. [REDACTED] indicated there were pronounced similarities between the voice on the tape and the voice of her brother, however, several of the expressions and words used by the person making the anonymous telephone call were foreign to her and extremely unlike those used by her brother.

[REDACTED] indicated she was not in possession of a tape of the voice of her brother as she had indicated to Special Agent of the Phoenix Office during prior telephone call. [REDACTED] said she had been in possession of such a tape, however, she discovered that this tape had been erased by her husband.

Inasmuch as there is no suitable tape recording of [REDACTED] in the Detroit Division to be used as a comparison with the tape of the anonymous caller, that tape is being returned to the Phoenix Office.

Re Milwaukee airtel to the Director dated 5/13/68.

Referenced airtel requested investigation of Chicago and Memphis based upon the theft of credit cards from MARSHALL I. GOLDMAN, Aurora, Illinois, who was assaulted by three white males at Madison, Wisconsin, on 2/27/68, in view of a possible tie in this case because of phone calls made to and originating from Memphis, Tennessee, around 4/4/68.

Review of the airtel places the assailants in Madison, Wisconsin, on 2/27/68, in Chicago, Illinois, on 3/8 and 3/11/68 and 4/3/68. In addition, phone calls were made from Booneville, Mississippi, and Baldwin, Mississippi, on 3/29 and 3/31/68. In view of the fact that the subject was known to be in Los Angeles at the St. Francis Hotel from 1/22 to 3/17/68 and that he purchased the murder weapon in Birmingham, Alabama, on 3/29-30/68 plus the fact that a call was made from Chicago, Illinois, on 4/3/68 when it was known that the subject was registered in the Rebel Motel, Memphis, Tennessee, it appears to this office that the assailants of GOLDMAN and/or the individual utilizing his credit cards could not logically be identical with the subject and the requested investigation will not be conducted UACB.

SUBJECT:

MURKIN

ReBuairtel to Atlanta and Pittsburgh dated 4/25/68.

Investigation at Everett, Pa., disclosed that [REDACTED] of [REDACTED] Everett, is a gasoline attendant at the Esso Service Station on the westbound lane of the Pennsylvania Turnpike near Bedford, Pa.

[REDACTED] was contacted at his place of employment by SA [REDACTED] on 5/7/68, when his letter to the Bureau was orally acknowledged.

[REDACTED] stated that at approximately 2:00 AM on 4/21/68, a man came into his service station and asked if he could sleep in his vehicle for approximately one-half hour. The man explained that he had to be in Chicago, Ill., on Sunday, 4/22/68, and that he did not desire to sleep too long. [REDACTED] stated that the man went into the rest room in the gasoline station and then returned and made the comment to [REDACTED] that he felt that he was much too tired to sleep for only one-half hour and decided that it would be better if [REDACTED] would awake him at approximately 5:00 AM.

[REDACTED] stated that he permitted the man to sleep in the car until 5:00 AM and then attempted to arouse him. At this point, two young Pennsylvania State Police officers came into the service station and [REDACTED] explained the problem to them. He stated that they laughingly blew the siren on the State Police vehicle frightening the man badly. He stated they did not question him even though he, [REDACTED], noted to these officers that the man in his opinion looked very much like the man who killed MARTIN LUTHER KING.

[REDACTED] advised that he was suspicious of the man because of his haggard looking condition and because of his dirty dress and, therefore, took the license number of the vehicle, a blue Mustang, which he described as having Georgia license

██████████ described the man as follows:

Age	30 - 35
Build	Muscular
Height	5'8"
Hair	Dark
Eyes	Dark
Complexion	Dark
Accent	Either a southern or southwestern accent
Appearance	Generally giving appearance of Mexican extraction

██████████ was shown all available photographs of JAMES EARL RAY, aka, when he stated that, in reviewing all the photographs, he doubts that the man who was in his service station was identical with the subject.

Re Carl Ray, Possible Look-Alike of James Earl Ray

Re Albuquerque, Denver, Los Angeles and Phoenix teletypes 5/4/68; El Paso airtel 5/3/68; and FBI Laboratory Reports 5/10 and 5/13/68.

Enclosed for the Director and Memphis is one copy of referenced Albuquerque teletype for each inasmuch as teletype did not include Director and Memphis.

One copy of this letter is being furnished the other offices due to their investigative interest in CARL RAY.

On 5/7/68, First Class Cabin Stewardess CATHERINE HINES, aboard Frontier Airlines Flight 785 F, 4/27/68, on flight from Albuquerque to Phoenix, and Tourist Cabin Stewardess Miss J. JACKSON, aboard the same flight, advised SA [REDACTED] that they recall no one by the name of CARL RAY being aboard that flight and neither recognized any picture of JAMES EARL RAY as being that of any person aboard the flight.

On 5/4 and 5/5/68, all hotels in Denver and all motels in vicinity Stapleton International Airport were checked for reservation by CARL RAY with negative results.

In view of the differences between the descriptions given of CARL RAY by the various airlines employees and the description of JAMES EARL RAY, and in view of the information set forth in referenced FBI Laboratory reports, Denver does not contemplate setting forth leads to have other persons aboard Frontier Airlines Flight 785, Albuquerque to Phoenix, 4/27/68, interviewed concerning CARL RAY unless advised to the contrary by the office of origin.

Reference is made to Bureau teletype to all offices, 4/29/68, instructing that law enforcement agencies maintaining latent fingerprints be contacted and requested to compare the fingerprints of subject RAY as set forth on the IO with latents obtained since 4/23/67.

Contacts with appropriate police departments in the Mobile area have been made and it has been determined that the Mobile police department, Opelika police department, Montgomery police department and Dept. of Public Safety, maintains latent fingerprints. They have been requested to compare these against RAY's fingerprints and have advised that this comparison has been made with negative results.

Details of these contacts have been recorded in Mobile file, and in view of the negative nature no insert is being submitted.

On 5/15/68, ROBERT WELCH, Director, John Birch Society, Belmont, Massachusetts, advised he could locate no record of membership for JAMES EARL RAY or any of his aliases.

WELCH advised that the Society has 450 bookstores in the United States and the suspect could have purchased material at any of said stores without his name being recorded. He stated that they receive thousands of inquiries for material by correspondents and by telephone, and that they do not index the inquirer's name.

WELCH offered his full cooperation in this matter if additional specific leads are referred to him.

[REDACTED] was interviewed by St. Louis Office and advised he taught Ray to be a burglar. He stated that on or about 6/23-24/67, he read in the Chicago "Tribune" of a \$50,000 bank burglary in a southern state and recalled that he and Ray cased the same bank in 1958 or 1959, but did not rob the bank at that time because he injured his leg. A few days after reading this article [REDACTED] claims he was visited by a man whom he refuses to identify and whom he believes he introduced to Ray in 1959. This man told [REDACTED] he and others had robbed the bank, displayed a valise full of money and gave [REDACTED] \$250. [REDACTED] 44-38861-3601

RE: MURKIN

During this interview, [REDACTED] refused to identify the bank or the man who visited him. He did say that the bank was in the deep South in a State like Mississippi, but not in Mississippi, in a city that is not small and is near a river. The robbers were out of state in five minutes and the loot amounted to \$50,000, plus or minus two thousand.

Based upon available information, the Chicago "Tribune" and the Bureau's bank robbery files have been reviewed without finding any reference to a robbery such as [REDACTED] described.

[REDACTED] has now been reinterviewed and he denies having any contact with Ray since Ray's escape. Regarding the southern bank robbery, [REDACTED] previously alleged Ray was involved in, [REDACTED] now states that this could have occurred in July, 1967, instead of June, and was in a city on the east bank of the Mississippi River.

Each office receiving this communication should make a review of their records to determine if such bank robbery or any other robbery coming within the jurisdiction of the Bureau occurred. You should make inquiry at appropriate police departments to determine if a robbery of this magnitude exists in their files.

Armed and dangerous.

NOTE: Information received from [REDACTED] St. Louis, to effect that Ray could have possibly be involved in bank robbery in June or July, 1967, and account of a robbery occurred in Chicago "Tribune." Bureau records as well as the Chicago "Tribune" have been checked regarding this and negative findings resulted. [REDACTED] on subsequent interview has stated that this robbery could have occurred in July, 1967, and was in a city to the east bank of the Mississippi River. He still refuses to completely clarify this matter. Receiving offices are requested to search their records, as well as records of appropriate police departments, to determine if such a robbery occurred.

Re Birmingham airtel to the Bureau dated 5/8/68 concerning reported telephone calls from San Bernardino and Santa Barbara, California, to the Auckland, New Zealand, Police Department during March and April 1968.

The General Telephone Company of California, Santa Monica, California, provides telephone service at San Bernardino and Santa Barbara.

Established telephone company sources have caused a search to be made of records accumulated to date of all overseas telephone calls placed from the above two cities during March and April 1968. No record of a call to Auckland, New Zealand, was located.

Overseas call records for March and April 1968 are continuing to arrive at the General Telephone Company accounting center at Santa Monica. They are being reviewed as they arrive to locate a record of the pertinent calls. The Los Angeles Office will be immediately advised of positive information.

ADMINISTRATIVE:

Rerep sets forth check of various agencies previously conducted with negative results. Upon determination by Bureau on 4/19/68, that subject of this case is JAMES EARL RAY, these agencies were appropriately rechecked, that is, airlines, banks, birth, city and telephone directories, credit, arrest, car rentals, drivers license, dancing schools, hotels, INS, laundries, motels, public utilities, VB, Selective Service, public transportation other than airlines, labor unions, and criminal and racial informants.

In addition, the authors of want ads appearing in the metropolitan Atlanta newspaper re used cars for sale during the period 3/24-4/5/68, were contacted, all look-alike complaints resolved through interview, appropriate agency checks and neighborhood investigation where warranted.

The foregoing efforts proved negative and results are not being set forth in this report. Results of each inquiry appear in Atlanta file in appropriate form.

Copies of this report for the United States Attorneys at Birmingham and Memphis are included with copies for those offices, but not marked as such. Dissemination to be held in abeyance pending Bureau instructions.

With reference to interviews of RAYMOND LOUIS CURTIS, this individual stated he would not testify to the information he furnished because he feared for his life. It is noted that CURTIS furnished the same information to the national news media.

WF Number 442-A  
DR. MARTIN LUTHER KING, JR. -  
VICTIM

Character: CIVIL RIGHTS - CONSPIRACY; UNLAWFUL FLIGHT TO AVOID  
CONFINEMENT - ROBBERY

Synopsis:

Results of FBI Laboratory examination of items obtained from 1966 Mustang and during search of subject's room set forth. Fibers on several items in Mustang could have come from bedspread in which rifle previously located in Memphis, Tenn., was wrapped. One latent fingerprint on map of Mexico located in room determined identical with a latent fingerprint on above rifle and binoculars also located in Memphis. Reinterviews of "GALT's" landlord did not produce information of significance. Landlord identified photograph of JAMES EARL RAY as being photograph of individual known to him as "GALT." Operator of neighborhood laundry used by "GALT" identified photograph of RAY as being good likeness of "GALT." Interviews with [REDACTED] and RAYMOND LOUIS CURTIS previously incarcerated with RAY set forth. Unable to suggest subject's whereabouts. IN VIEW OF CRIME FOR WHICH SUBJECT SOUGHT, HE SHOULD BE CONSIDERED ARMED AND DANGEROUS.

### Results of examination:

The previously submitted bedspread, specimen Q13, is composed of brown cotton fibers, green cotton fibers and green rayon fibers. Brown cotton fibers, green cotton fibers and green rayon fibers that could have come from the Q13 bedspread were found on Q95, Q97 through Q104 and Q106 and in the Q117 sweepings. No such fibers were found on Q99 through Q92 or in the Q114 through Q116 sweepings.

Caucasian head hairs like the hairs previously found on the Q13 bedspread, in the Q15 pillow bag, on the Q96 towel, on the Q99 and Q99 socks and on the Q98 hairbrush were found on Q95, Q97, Q99, Q100 and Q102. These hairs could have come from the same person. It is pointed out that hairs do not possess enough individual microscopic characteristics to be positively identified as originating from a particular person. Caucasian head hairs were also found in the Q114 through Q117 vacuum sweepings. Some of these hairs are like the Q13, Q15, Q23, Q99, Q30 and Q98 hairs and could have come from the same person. Some of the hairs from Q114 through Q117 are different from the Q13, Q15, Q23, Q99, Q30 and Q98 hairs and did not come from the same person. No hairs were found on Q99 through Q92, Q98, Q101, Q102, Q104 or Q106.

The Q99 through Q91 floor mats are composed of translucent red plastic. No brand names are indicated on the mats. The letters "HIS" are hand printed on the back of each mat, apparently with a felt tip marker. The significance of the letters is not known.

Specimen Q92 is a black and gray plaid rubber mat. No marks were found on Q92.

Specimens Q94, Q106 and Q103 are standard items furnished with Mustangs.

Specimen Q95 is a dark blue short-sleeved sweat shirt of medium size. No labels or laundry marks were found on Q95.

Specimen Q96 is a black and white rubber sandal for the left foot. A label on the bottom bears the following: "TANITA - H SHOE SIZE 7-8 JAPAN"

Specimen Q07 is a twin-bed size, fitted, white bed sheet. Specimen Q09 is a white pillowcase. A white laundry tape is present on Q07 and Q09. The following is printed in black on each tape: "2-01-3" It was concluded that the marks on these tapes did not originate from the machine which prepared the laundry tapes on the Q00 shorts and the Q70 T shirt.

Specimen Q08 is a black and white shirt jacket. The following is present on the label of Q08:

" H EN19703 68% DACRON 32% COTTON  
15-15 1/2 MONTICELLO SHIRT JACKET TAPERED"

Specimen Q100 is a twin-bed size, fitted, white bed sheet. The sheet is in two pieces. The two pieces are stitched together with yellow thread and white thread. Inquiry at a department store in Washington, D. C., developed the following information concerning Q100: It is a #9 grade irregular seamed sheet. Most such sheets even if manufactured in the United States are sold in other countries. If sold in this country, they are sold in low class "illegitimate stores." Such sheets do not bear the manufacturer's name.

Specimen Q101 is a black short-sleeved shirt. The following is present on the label of Q101:

"ARTURO ROBERTI CUSTOM TAILORED -L- 100% COTTON  
MADE IN U.S.A. EN15722"

Specimen Q102 is a pair of olive green walking shorts. The following is present on the label of Q102:

"HONG KONG DIPLOMAT CUSTOM TAILORED 65% POLYESTER FIBRE  
35% SUPER FINE COTTON WAIST 34"

Specimen Q103 is a light pink, looped pile cotton rug that measures 24" by 50 1/2". No labels were found on Q103.

Specimen Q104 is a feather pillow that measures about 19" by 24". The pillow has a specification label. The back of the label is stamped "J 1967."

Specimen Q105 is a container for a Polaroid camera, possibly a model 239. No label was found on Q105.

Specimen Q106 is a pair of men's stretch socks with no label.

Other than the laundry tapes on Q37 and Q39, no visible laundry marks were found on any of the cloth items listed above. No invisible laundry marks were found on any of these items.

No buttons are missing from any of the garments listed above.

The Q107 hunting knife has a blade that measures 3 9/16" in length. The blade is rusty. The words "G. CO. JAPAN" are imprinted on one side of the blade and the number "15" is imprinted on the other side. The word "GARDNER" is stamped on the sheath.

Specimen Q110 is a flat-tipped Stanley brand screwdriver.

Specimen Q111 is an "AMCO" brand windshield wiper blade. Part of the rubber has been torn off.

Specimen Q112 is a "Personna" double-edge razor blade. No hairs were found on Q112.

The K30 and K44 through K50 soils from Memphis are different from the soil found on the previously submitted Q13 bedspread in physical characteristics and composition. Therefore, the soil from the bedspread did not come from the sources of K30 and K44 through K50.

No soil similar to the soil from the bedspread was found in Q113, Q143 through Q153, Q159 and Q161 or on the Q158 tire and wheel. None of these soils from the car originated from the source of the soil on the bedspread.

Although nothing was noted which would aid in the determination of the original sources of specimens Q113, Q143 through Q153, Q159, Q161, Q163, Q164 and the soil from Q113, they are suitable for comparison purposes. Specimens Q147, Q150, Q155, Q156

through Q153, Q160 and Q161 are either too limited in amount or too mixed with miscellaneous debris to be of value for significant comparisons other than for elimination purposes.

The soils from the car were different from K30 and K44 through K59 in physical characteristics and composition and, therefore, did not come from the sources of K30 and K44 through K59.

No soil of value for significant comparison was found on Q89 through Q109 or in the vacuum sweepings, specimens Q114 through Q117. The mineral debris in Q114 through Q117 consists of typical car floor debris, a mixture of miscellaneous materials from numerous sources. No mineral debris of apparent significance was found in Q114 through Q117.

The scrapings from under the glove compartment, Q159, do not contain blood.

The Q162 liquid was identified as water. No traces of any alcohols such as used in windshield wash were identified in this specimen.

Result of examination:

Examination of Q176 ("Arrow" map of Atlanta) revealed the following markings: In area number 17, ink lines were noted on Daniel Street between Arbor Avenue and Boulevard Drive; in area number 03 an ink circle approximately  $3/8$  inch in diameter the center of which would be approximately on Auburn Avenue at Courtland; in area number 14, two ink circles which are approximately concentric with diameters of about  $1/4$  inch and  $1/2$  inch. The centers of these two circles lie approximately at the intersection of Simpson Road and Paines; in area number 09 an ink circle approximately  $1/2$  inch in diameter and the numeral 10 were noted. The center of this circle lies approximately on 14th Street between Crescent Avenue and Peachtree Road; in area number 06 an ink circle approximately  $3/8$  inch in diameter appears. The center of this circle is approximately at the meeting place of Highland View and Ponce de Leon Terrace.

The notations set out below were observed on Q196 ("Atlantic Richfield Co." street map of Los Angeles.") On the top of that side of this map which contains the alphabetical street listings a small pencil circle was noted in the "Van Nuys District" at the intersection of Buffalo Avenue and Oxnard Street.

On the large map on the other side of this map the following markings were noted in the Beverly Hills area. Two vertical lines in ink at the east end of the park which is located at Olympic Boulevard and Heath Avenue; vertical lines in ink at San Vicente Boulevard and Masselin Avenue; an ink line running between the two vertical lines previously mentioned generally following Pico Boulevard and Packard Street; an ink line extending from the vertical lines at the park along Olympic Boulevard to Alfred Street.

An ink line at the intersection of Beverly Glen Boulevard and Woodruff; an ink line at the intersection of Beverly Glen Boulevard and Warnall Avenue.

Also noted was an ink marking at Sunset Boulevard and Palm Drive.

Ink parentheses were noted around the words "Sonoma Way" and "Rocca Pl" which are located in Stone Canyon.

The pair of trousers, specimen Q202, is old and soiled. The lining and pockets are yellowed, the two front pockets have holes in them and the edge of the left front pocket is threadbare. The trousers have a "NEEDLECRAFT" label. The waist is 34 1/2 inches and the inseam is 26 inches. A name handwritten in black on the right rear pocket is probably a cleaners mark. This name appears to be "Z SOLOFF;" however, the last two letters are not clear. No invisible cleaners marks were found on Q202.

Several brown to dark brown head hairs of Caucasian origin were found on the trousers and in the pocket debris. These hairs are different from the hairs from the Mustang and Memphis scene. It was concluded that they did not originate from the same source. No hairs were found on the Q201 necktie.

No fibers were found on the Q202 trousers or on the Q201 necktie that could be associated with cloth items previously submitted in this case.

No marks or labels were found on the Q201 necktie.

Examination of the other items described above disclosed no other pertinent information.

The submitted evidence has been retained.

AT 44-2386

A. Reinterviews Of Landlord

Date April 30, 1968

JIMMIE DELTON GARNER, 107 - 14th Street, N.E.,  
Atlanta, Georgia, was interviewed at his place of employment,  
[REDACTED], Atlanta,  
Georgia.

At the outset of the interview, GARNER acknowledged that he had been on a prolonged "drunk" since about Friday, April 19, 1968, and was at the time of the interview in the throes of a "terrific hangover." GARNER explained that [REDACTED] he has from time to time "gone on drinking sprees" for periods lasting several days in duration.

GARNER at this time acknowledged that he was previously on one of his "drunks" from a period beginning about March 22, 1968 through about March 30, 1968 which included the first week that the man known to him as ERIC S. GALT resided at the rooming house operated by GARNER at 113 - 14th Street, N.E., Atlanta, Georgia.

GARNER said that despite his being in the throes of a "hangover" resulting from his most recent drinking binge, he now felt able to again recount his recollections of his contacts with "GALT". GARNER provided the following information:

GARNER began drinking in his room at 107 - 14th Street about Friday, March 22, 1968. On Sunday afternoon, before darkness (exact time unknown but possibly between 3:00 and 4:00 p.m.) the man whom he later knew as ERIC S. GALT appeared at GARNER's door. GARNER said he now believes the door to his room was open, and that he (GARNER) was sitting in a chair in his room in a drunken condition. GARNER recalls that "GALT" inquired regarding obtaining a single room. At the time the rooming house at 113 - 14th Street, N.E. had been closed for sometime possibly three or four weeks. This rooming house had been closed because it had become "infested with 'hippies'" and the

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

only way he could get them to move from the rooming house was to close it up. When "GALT" asked for a single room, there was no single room available in the rooming house at 107 - 14th Street, N.E. so he decided to put "GALT" in the rooming house at 113 - 14th Street, N.E. Accordingly, "GALT" was the first roomer in this rooming house for several weeks.

GARNER now recalls that "GALT" produced a partly consumed quart or fifth size bottle of vodka. This bottle was square in shape but the brand name could not be recalled. He believes he may have had a drink with "GALT" in his (GARNER's) room at 107 - 14th Street, N.E. after which he accompanied "GALT" to the rooming house next door where he showed "GALT" room number 2. When "GALT" stated that the room was quite small, GARNER opened the door connecting with room number 4 which is utilized normally as a storage room and which has no windows. GARNER told "GALT" he could use the connecting room and at this time there was some mention made that "GALT" would put his television set on the desk in room number 4 as well as other articles belonging to "GALT". GARNER recalls that the connecting door is equipped with a hasp and padlock and that he (GARNER) upon unlocking and opening this door, replaced the padlock, (unlocked) on the hasp. GARNER said he did not see the television or other items belonging to "GALT" at this time and has no clear recollection of ever seeing any of "GALT's" possession prior to "GALT's" departure from this address.

GARNER also recalls that "GALT" left the partly consumed bottle of vodka with GARNER and that after showing "GALT" to his room, GARNER returned to 107 - 14th Street, N.E. where he continued to drink.

He said the vodka bottle was undoubtedly thrown away in the trash.

GARNER states that he is unable to recall any of the conversations he may have had with "GALT." When specifically asked whether "GALT" had stated how he happened to pick this particular rooming house; where he had come from; whether he had made inquiries about places to eat, laundry and drycleaning facilities or service to his automobile, GARNER said he cannot recall any conversation concerning these or similar matters.

He reiterated that his contact with "GALT" on this occasion is very hazy because of his intoxicated condition.

At this point, GARNER stated that information previously provided to Agents concerning having obtained "GALT's" name at the time of initial contact was probably erroneous because he now recalls that he did not have "GALT" write his name at this time but that this was done a week later on March 31, 1968, when "GALT" paid GARNER for a second week's rent in advance.

GARNER said that he continued his drinking activities on through the week of March 24, 1968 and did not begin to sober up until the following weekend. He cannot clearly recall any of his actions during this week but has a hazy recollection of going to "GALT's" room at 113 - 14th Street, N.E. about Tuesday night and of again having some drinks with "GALT" in this room. He states that he cannot recall any of the conversations with "GALT" at this time and he does not recall observing any of the items that might have been in room number 2. He does not recall why he happened to go to the room but suspected that he may have been "checking the building" and just dropped in to visit with "GALT" when he discovered he was in the room. He believes this was Tuesday night, March 26, 1968, but is not sure of this.

GARNER also stated that sometime during the first week possibly on Wednesday, he recalls walking across the street from his residence to Postal Sub Station C for the purpose of buying some envelopes. He said that he was still in a drunken condition but hazily recalls encountering a young man approximately 20 years of age in front of the Post Office who addressed GARNER by name. This unknown individual asked GARNER a question to the effect "Who was the man I saw you with last night in the white Mustang?" GARNER said this suggested to him that he had possibly gone with "GALT" somewhere in "GALT's" automobile while he (GARNER) was dead drunk but although he has tried to recall such an incident, he cannot recall ever being in "GALT's" car. GARNER was specifically questioned at this point as to whether he has any friends or acquaintances residing in the vicinity of Highland View Street, Ponce de Leon Terrace and Barnett Street, N.E. GARNER said that he did not know anyone in that neighborhood and cannot recall having visited that neighborhood on any occasion in the recent past.

Several efforts were made to encourage GARNER to recall additional information concerning the unknown man who questioned him concerning being in the white Mustang, but he repeatedly stated that he just does not know this person but that it is possibly someone who has been a patron at one of the restaurants which GARNER has operated in the past.

GARNER recalls no further contact with "GALT" until Sunday, March 31, 1968. At this time GARNER had "begun to sober up" and went to the rooming house at 113 - 14th Street, N.E. to check the rooms. He said he does this frequently to be sure that the "hippies" have not again invaded these premises. On this occasion, he encountered "GALT" in the hall. At this time, "GALT" said "he might as well pay him for another week." GARNER said that he did not enter "GALT's" room at this time but picked up an envelope which was lying on the table in the hall and it was at this time he had "GALT" print his name thereon with the view of transferring the name to his permanent records when GARNER returned to his own room. GARNER said he knows he was paid in cash but does not recall the denomination of the bills or any further conversation with "GALT" at this time.

GARNER said that he remained in a sober condition from March 31 until the beginning of his most recent drinking spree on April 19, 1968. He is, accordingly, sure that he did not see "GALT" again after he was paid on Sunday, March 31, 1968. He said he may have seen "GALT's" automobile parked in the rear of 113 - 14th Street, N.E. at various times during the week, but could not be positive and does not recall any specific dates. He noted that he does not recall ever seeing "GALT's" car parked in the parking lot behind the rooming house when GARNER returned from his restaurant to 14th Street about 4:00 p.m. He said that when and if he saw the car, it is his best recollection that it would have been during the early morning hours when he left to go to the restaurant or possibly late in the evening. He stated he retains the impression that "GALT" left the rooming house sometime in the morning and would not return until quite late in the evening. He conceded that it is possible that the car may have been absent from the rooming house for periods of two or three days while "GALT" was a tenant there.

GARNER related that on Friday, April 5, 1968, he went to his restaurant at [REDACTED] about 5:30 in the morning. He remained at that restaurant until about 10:00 a.m. at which time he returned to the rooming houses on 14th Street for the purpose of getting the linen ready to be picked up by an employee of the Atlanta Linen Company which performs the laundry services for GARNER. GARNER stated that when help is available, he usually takes one of the female employees from the restaurant when he goes to the rooming houses on Friday to change the linen. He recalled, however, that on Friday, April 5, 1968, he was "short of help" at the restaurant and, accordingly, went alone to get the linen. He believes he could have arrived at the rooming house between 10:00 and 10:30 a.m. at which time the driver for the Atlanta Linen Company was waiting for him. GARNER said he went to all of the occupied rooms and took the linen from the beds. Upon entering room number 2 at 113 - 14th Street, N.E., he observed that the bed was made up but from the appearance of the bed it looked as though someone had been lying on top of the spread. He found on top of the bed a note possibly written on a piece of cardboard of the type placed in shirts by the laundry. This note was apparently from "GALT" and although he cannot recall the exact wording, stated something to the effect that "GALT" had to go to Birmingham and would return in about a week to pick up his television and/or property. GARNER said he tossed the note in the waste can in the room and obtained the linen from the bed which he turned over to the employee of the Atlanta Linen Company.

While in the room, he observed that the door connecting room number 2 and the adjacent storage room had been locked but he did not enter the room at this time to determine what property had been left there by "GALT". Sometime later, he did enter the room and noted that a television set was in the room along with miscellaneous items which he cannot specifically recall that were lying on the desk in the room.

GARNER said that he has not received any word or communication from "GALT" concerning the property left there. He cannot recall seeing "GALT" talk to any of the other roomers at either of the rooming houses and knows nothing concerning any of "GALT's" activities while he resided at this address. He is certain that "GALT" did not mention having been referred to this rooming house by anyone and feels that he would have recalled this even though he was in an intoxicated condition during a great portion of the time "GALT" resided there.

JIMMIE DELTON GARNER, 107 - 14th Street, N.E.,  
Atlanta, was interviewed at his place of business, [REDACTED]

GARNER specifically was asked regarding any discussions he may recall with the man whom he knew as ERIC S. GALT concerning drugs and/or narcotics. GARNER replied that he could recall no conversation with "GALT" concerning these matters and can recall nothing to indicate GALT was using drugs or narcotics.

GARNER also was asked specifically whether he recalled any conversation with "GALT" concerning racial matters. GARNER said he cannot recall any such conversation.

GARNER reiterated information previously furnished that the only conversation with GALT was the one on March 31, 1968, at which time he was paid for an additional week's rent. He again stated he is positive he did not encounter "GALT" at 113 - 14th Street, N.E., on Friday, April 5, 1968, when he GARNER, went to that address to remove the dirty linens to be given to the laundry man.

GARNER said FERRY JEE ZACKERY, the cook at Garner's Cafeteria, and another employee at the cafeteria, went to the rooming houses on 14th Street on the afternoon of April 5, 1968, to make up the beds. He cannot recall the identity of the woman who accompanied ZACKERY, but knows only it was a Negro female whom he had picked up to work in the restaurant as a dishwasher. He noted that during the past several weeks, he has had numerous different women working at the restaurant, and cannot specifically recall which one was working on April 5, 1968. He suggested that EDNA JACKSON, who resides at [REDACTED] might have been the woman who accompanied FERRY ZACKERY to clean the rooming houses on April 5, 1968.

On April 24, 1968, SAs [REDACTED] and [REDACTED] interviewed [REDACTED]

[REDACTED] advised he was formerly incarcerated at the Missouri State Prison, Jefferson City, Missouri. He stated while at the Missouri State Prison, he was acquainted for approximately three years with JAMES EARL RAY, a fellow inmate. [REDACTED] advised he was released from the Missouri State Prison on [REDACTED] and JAMES EARL RAY was still incarcerated. He stated he had been [REDACTED] at the Missouri State Prison and RAY worked as a bread slicer.

He stated that RAY spoke in a mild, low tone and when angry would speak even softer. He stated he had never known RAY to become excited and shout. To his knowledge, he has never known RAY to smoke. He stated RAY had a fair complexion, which was blotchy, having pimples around the lower portion of his face. He stated RAY had a rash on the right side of his head during the entire time he had known RAY and RAY would scratch this rash. He stated this rash was very noticeable due to the type of haircut in the Penitentiary and RAY put some type of salve on this rash. He stated RAY's hair was lightly streaked with gray. He advised the only scar he can recall which RAY had was a large burn scar on his forearm, side unrecalled. He stated this scar was located near the wrist. He stated RAY had dingy teeth.

[REDACTED] advised RAY always talked about "running around" in St. Louis, Missouri. He normally talked about two girl friends, one of these he had met at the Gaslight

(a bar) located in either St. Louis or Kansas City. [REDACTED] stated the other girl was a girl RAY had met around the college at Columbia, Missouri, and it was his impression this girl had worked in a tavern there..

[REDACTED] advised RAY, while in prison, wore a ring on his left hand which was made at the Penitentiary, having been made from white metal with raised initials. He stated RAY never smiled, but when he smiled, it looked like a smirk. He advised RAY was clean and not sloppy in his dress. He described RAY as an avid reader and considered RAY to be intelligent. He advised RAY participated in softball games as a pitcher and would watch all of the baseball games at the Penitentiary, however, he had never heard RAY speak of professional baseball.

[REDACTED] stated that some time in 1966, a group of Black Muslims had petitioned for the right to have their own religious services. He stated the Muslims would congregate in groups and that a subsequent search of the Negro prisoners had uncovered a large cache of weapons. [REDACTED] stated the white prisoners then armed themselves and there was a riot at the prison. [REDACTED] stated three Negro prisoners were killed. [REDACTED] stated he would not say RAY had knifed these Negro prisoners, but did say that if RAY had not knifed them, he definitely knew who had killed them.

[REDACTED] stated RAY definitely was a racist and hated Negroes. He stated RAY had made the statement and firmly believed that all the Negro prisoners inside the Penitentiary should be killed. He stated RAY had on several occasions made the statement that if the price were right, he would kill MARTIN LUTHER KING, JR. [REDACTED] stated he does not recall ever hearing anything which would indicate a "contract" was out for the murder of MARTIN LUTHER KING.

[REDACTED] advised he would not be surprised if JAMES EARL RAY was the murderer of MARTIN LUTHER KING, however, he does not believe RAY would have killed KING without being paid for it.

[REDACTED] stated [REDACTED] RAY had attempted to escape from the Missouri State Prison by going out of the prison behind the ovens in the prison bakery. He stated RAY was apprehended and RAY had broken his arm in this escape attempt. He stated RAY had talked about escaping from the Penitentiary prior to this. [REDACTED]

[REDACTED] stated while in prison, RAY was particularly interested in Western music. He stated he does not recall RAY ever mentioning anything about dancing. He stated that during this period a number of orchestras from the Lake of the Ozarks had played at the State Prison and RAY would never miss these performances. He stated RAY often talked about planning to go to the Lake of the Ozarks when he got out of prison. [REDACTED] stated he would have no idea who RAY would contact at the Lake of the Ozarks, but stated if he were to look for RAY there, he would first find out who was selling dope and through this person, locate RAY. He stated RAY had talked about being on dope prior to being in the Missouri State Prison. He advised RAY had to have an outside source of income while in prison inasmuch as RAY's dope habit was costing RAY \$35 to \$40 a week for shots and RAY appeared to be well fixed, never wanting for anything.

[REDACTED] estimated RAY spent \$15 to \$20 a week for personal conveniences. He stated RAY, while in prison,

used amphetamine, taking the shot in the "main line." He stated RAY would take two to three shots a day. He stated RAY never lacked for money, but had no idea of RAY's source of income. [REDACTED] stated he is certain RAY was not selling amphetamine to other prisoners, stating he has known RAY to give free amphetamine to prisoners who needed a shot. [REDACTED] denied that he himself had ever taken any shots, but admitted he has taken pills. [REDACTED] claimed [REDACTED] RAY [REDACTED] not engaged in the sale of amphetamine at the Missouri State Prison.

[REDACTED] stated that [REDACTED] Guard [REDACTED] of the Missouri State Prison, was very close to JAMES EARL RAY and it was [REDACTED] understanding that [REDACTED] was RAY's source of amphetamine. He stated [REDACTED] was [REDACTED] and he is certain [REDACTED] was not connected in any way with the bringing of amphetamine into the prison. He stated while [REDACTED] was friendly with RAY, he understands it was [REDACTED] who had disclosed RAY's hiding place when RAY had attempted to escape in 1966.

[REDACTED] advised one [REDACTED] was RAY's closest friend in the Missouri State Prison. [REDACTED] He stated [REDACTED] at this time was [REDACTED] at the prison. He believes [REDACTED] was serving time for [REDACTED] and he does know that dope was connected with [REDACTED] offense.

[REDACTED] does not know whether or not [REDACTED] is presently in custody but does not believe he is presently in the Missouri State Prison.

He stated RAY had another friend, one [REDACTED]. He stated [REDACTED] was from [REDACTED]

[REDACTED]

[REDACTED]

[REDACTED] claims he has not been contacted by RAY and has heard nothing to indicate RAY has attempted to contact him. He stated RAY had talked about traveling over all the United States, but had never mentioned anything which would indicate RAY was associated with anyone in the Atlanta, Georgia, area. [REDACTED] stated the only other prisoner he knew who was from the State of Georgia, who was an inmate at the Missouri State Prison was one [REDACTED] from [REDACTED] Georgia. [REDACTED] is still incarcerated at the Missouri State Prison.

[REDACTED] advised he had made a trip to California in November of 1967, and that he and his wife had spent Thanksgiving Day visiting her uncle, [REDACTED], who resides at Palos Verdes, California. He stated [REDACTED] is [REDACTED] for [REDACTED] in that area. He stated that he and his wife had stopped at Jefferson City and while there, contacted a Missouri State Prison guard, [REDACTED]. He stated he had not made any inquiry concerning RAY and was not aware that RAY had escaped. He stated he had not made any inquiry concerning inmates inasmuch as his wife did not know he was a former inmate of the Missouri State Prison. He stated he had stopped in the Kansas City, Missouri, area and attempted to locate [REDACTED], who had been in the Missouri State Prison as [REDACTED]. He stated [REDACTED] had been released approximately a year before he had and that they had agreed to attempt to get together

after their release from prison. He stated [REDACTED] worked in [REDACTED] at the Missouri State Prison and although he was acquainted with RAY, he did not believe [REDACTED] was a particularly good friend of RAY. He stated after his return from California, he was contacted by [REDACTED]

He stated [REDACTED] owns a home at [REDACTED] Florida, Telephone Number [REDACTED]

[REDACTED] He stated [REDACTED] in February of 1968 was out of a job and had come to [REDACTED] Georgia, looking for employment. He stated [REDACTED] had come to [REDACTED] Georgia, with his wife and a small baby and had resided with [REDACTED] for approximately one and one-half weeks, leaving approximately two or three days after [REDACTED]

[REDACTED] advised he could recall nothing else concerning RAY which might assist in his location, but in the event he remembered anything additional, he would contact the FBI.

Date May 2, 1968

RAYMOND LOUIS CURTIS, who is confined in the Whitfield County Jail, Dalton, Georgia, advised he did not personally serve time with JAMES EARL RAY in the Menard Prison, Illinois, and the only information he has regarding this is what RAY told him. This information was related to him by RAY while he and RAY were serving time together in the Jackson County Jail, Kansas City, Missouri, for a six or seven month period.

He stated he never heard RAY say that he had served time in Joliet or Pontiac Prisons, but he felt that if RAY had served time in either one of those places, he would probably have been shipped to Menard Prison for discharge.

CURTIS advised there was a close associate of RAY's serving time in Jackson County with them. He cannot recall the name of this individual, but stated he was convicted as a co-defendant with RAY on the same check charge and from conversation with RAY, this individual was presumably the same person with whom RAY served time in Menard Prison.

CURTIS advised he recalls a third unidentified individual visiting RAY and his co-defendant in Jackson County Jail who seemed very close to both of them, but stated he strongly doubted that the visitor's log maintained at the Jail would reflect the name of this visitor due to irregularities in keeping such logs.

He advised he could not furnish a description of the third man.

CURTIS advised he was confined in the Jefferson County Jail with RAY and his co-defendant from approximately March of 1955 until July of 1955, and that they all subsequently ended up together in Leavenworth Prison.

He described this co-defendant as being a white male, age 36, at that time, 5'10" to 6', 180 pounds, and well built.

## FEDERAL BUREAU OF INVESTIGATION

Date May 3, 1968

RAYMOND LOUIS CURTIS, currently incarcerated Whitfield County Jail, Dalton, Georgia, advised that he has spent time in prison on two or three occasions with JAMES EARL RAY. CURTIS advised he first became acquainted with JAMES EARL RAY in March 1955 at the Jackson County Jail, Kansas City, Missouri. He stated RAY was incarcerated at the Jackson County Jail on Post Office burglary charges and had just recently been released from prison in Menard, Illinois, prior to his incarceration at Jackson County. CURTIS at the same time was under arrest for armed robbery and bank robbery in the Missouri area. During this period, CURTIS stated he and RAY were cellmates for approximately six to seven months. While cellmates, CURTIS recalled that RAY had a close friend, name unrecalled, who visited him while RAY was at the Jackson County Prison. This friend had been a former cellmate of RAY when RAY was incarcerated at Menard, Illinois. CURTIS never actually saw this man but knew that RAY had several visits from one particular individual. This man kept RAY in spending money while RAY was in Jackson County Jail and in CURTIS' opinion this individual would harbor RAY if RAY were on escape.

CURTIS went on to say that RAY had another close friend, name unrecalled, of Italian descent, apparently a "big man" in the syndicate. This Italian had apparently operated with RAY in the past and both he and RAY had engaged in handling stolen Postal money orders and travelers checks.

After six or seven months as cellmates at Jackson County Jail, RAY was sentenced to three years on the Post Office burglary charges and transferred to Leavenworth Federal Penitentiary. Two weeks later CURTIS received a 16-year sentence for bank robbery and also was sent to Leavenworth. While confined at Leavenworth together, RAY spoke of no girlfriends and corresponded with none to the best of CURTIS' knowledge. While in Leavenworth, RAY mentioned that he "operated" frequently out of Quincy, Illinois. By "operated", RAY meant "engaged in burglary and payroll jobs."

CURTIS said that while he and RAY were incarcerated they

engaged in crooked poker games and took fellow prisoners for money. In the opinion of CURTIS, RAY was a good poker player and an excellent card handler. During this incarceration RAY mentioned underworld and hoodlum connections, names unrecalled, in Chicago; Detroit, Tampa, and the Tijuana, Mexico area. CURTIS went on to say that after serving seven to eight months with RAY at Leavenworth he was transferred to the United States Penitentiary, Atlanta, Georgia. CURTIS served six to seven years in the United States Penitentiary, Atlanta, and in June 1962 was released but sent back to the Missouri State Penitentiary, Jefferson City, Missouri, to serve time on armed robbery charges. While in the state penitentiary at Jefferson City, Missouri, CURTIS again was incarcerated with JAMES EARL RAY. On occasions they were in the same cell together in "B" Hall and "C" Hall. They served together from 1962 to 1966. While in "B" and "C" Halls they were together in a three-man cell with a third individual whom CURTIS said could verify the following facts but whom CURTIS refused to identify but whom CURTIS refused to identify:

CURTIS stated that during this incarceration President JOHN F. KENNEDY was assassinated and word from the outside filtered into the prison that this was probably a conspiracy. Word came in that KENNEDY had a "bounty" on his head. CURTIS was unable to give further details on the "bounty". He said in 1963-1964 Dr. King's movements became one of the topics of conversation at the state penitentiary. Word got around to the inmates that the "KK of the South" who apparently went to businessmen and had raised approximately a million dollars, had a "bounty" with this money on KING's head. CURTIS was unable to give further details or information regarding "KK of the South".

CURTIS said that from 1962 to 1966 before CURTIS' release RAY mentioned at least a dozen times that had he known about a "bounty" on President KENNEDY's head and had he been out he would have made every effort to collect it. RAY also said approximately a dozen times in the presence of CURTIS "if he got out in time and if KING was still alive he would like to get the 'bounty' on KING". RAY never mentioned whom he would contact to get this "bounty" but CURTIS advised the criminal element know how to contact such people.

CURTIS went on to say that the above statements concerning KING made by RAY were heard by the third cellmate mentioned above.

In addition CURTIS stated that RAY had a friend in New Orleans, Louisiana, [REDACTED] who was apparently a "fence". This man was well connected with the hoodlum element, however, was quite old and in the opinion of RAY was in 1955 at least 55 to 60 years of age. In the opinion of CURTIS this individual would definitely harbor RAY. CURTIS knew no close friends or associates of RAY. RAY, allegedly through prison grapevine, had a wife but this was never mentioned by RAY. CURTIS said, however, a few prisoners mentioned family connections. While in prison RAY also mentioned gambling in Los Angeles, California. No specific place in Los Angeles as to the gambling was mentioned. RAY in CURTIS' opinion was a "high liver" when outside and would associate with prostitutes taking one from town to town.

RAY with regard to KING's killing indicated he would make all rules and would in all probability demand the "bounty" money be put in a bank. RAY mentioned three foreign countries, which he had learned about and which CURTIS assumed RAY would go to if out of the United States. These foreign countries were New Zealand, Brazil, and Switzerland. CURTIS was of the opinion that not over three people would be involved in the actual assassination. It would have been well planned with diversionary measures and in the opinion of CURTIS a second individual, not RAY, would have driven the getaway car to Atlanta as a diversionary measure.

CURTIS said he would not testify to the above facts because if he did testify to this information he would fear for his life.

This is the case involving the murder of Martin Luther King, Jr.

Attached is a proposed circular letter to be distributed to all laundry and dry cleaning establishments throughout the United States. Investigation has established that since subject's escape from Missouri State Penitentiary on April 23, 1967, he has utilized the laundry and dry cleaning businesses in the cities of Los Angeles, Birmingham and Atlanta. It is felt a circular letter should be prepared in this regard.

Ray, who is one of the Ten Most Wanted Fugitives having been added to the list on April 20, 1968, is being sought on the basis of a Federal warrant issued on April 17, 1968, at Birmingham, Alabama, charging him as Eric Starvo Galt with conspiring to interfere with a Constitutional Right of a citizen. A Federal warrant was also issued on July 20, 1967, at Jefferson City, Missouri, charging Ray with Interstate Flight to Avoid Confinement for the crime of Robbery. Ray, of course, is being sought for the assassination of Martin Luther King, Jr.

The Philadelphia Office can arrange this circularization through the W. S. Ponton Company of Upper Merion, Pennsylvania, who maintains a list of laundry and dry cleaning establishments in the United States. There are 14,000 establishments; the W. S. Ponton Company would charge \$287, the cost of postage would be \$840, the cost of printing would be \$40, bringing the total cost to \$1,167 postage, printing costs obtained from Administrative Division.

Mrs. CONEY related this white automobile could have been a Mustang model car. She stated the automobile was definitely an American-made car. She recalled the auto because it was parked in the motel archway area on three or maybe four occasions, and she had to walk around the automobile to cross the archway area to the restaurant. She noted this car was a late model car that appeared to be waxed and extremely clean in appearance.

Mrs. CONEY stated her impressions of the activity in the area are vague; however, she associated three males and two females and two small children with the above automobile. She observed the occupants were neatly dressed in sports clothing and the adults appeared to be between thirty and forty years of age.

The two children appeared to be under ten years of age and she believed both to be girls. The women wore light colored slacks. The men and women both were neat in appearance and attractive. She paid particular attention

Dear Sir:

I want to know the truth about Martin L. King  
from the records of Congress and the F. B. I.  
I want to know about his criminal activities,  
his Communist activities, his aid and comfort  
to the Viet Cong. I want to know why the flag  
is lowered for something like this and not for  
our boys who die to save our country, not to  
degrade our heritage.. I find it very hard to  
explain to my children, patriotism, honor and  
truth, when I have to also explain why the flag  
was lowered to honor something against every-  
thing sacred. My family and I are confused.  
Can you explain?

On May 14, 1968, [REDACTED] Missouri State Penitentiary (MSP), advised there have been 20 persons by the name of COOLEY in the MSP over the years. He was received on [REDACTED] and transferred to [REDACTED] on [REDACTED]. He said intense inquiry among inmates and custodial personnel has failed to reveal anyone, regardless of the period of their incarceration or employment, who has ever heard of a "COOLEY organization" or similar in the MSP.

[REDACTED] further stated there have been no brothers in the Penitentiary by the names of JAMES and LARRY RAYE. He said, however, that JAMES DUANE WRAY, # [REDACTED] who is still in the MSP, is the brother of LAWRENCE EUGENE WRAY, MSP # [REDACTED] who is on parole. [REDACTED]

On May 14, 1968, JAMES DUANE WRAY, # [REDACTED] was contacted. He said he did not know JAMES EARL RAY except by reputation and may have seen him. He said he is the brother of LAWRENCE EUGENE WRAY. He said he has lived in practically every hall in the MSP since he arrived in April of 1963. He said he does not know of any organization of inmates as such, and has never heard of anyone by the name of COOLEY or COOLEY's Organization or similar.

On May 14, 1968, [REDACTED] said prison records reflect there were three brothers in the MSP by the name of [REDACTED]. These were [REDACTED]

out on [REDACTED] MSP # [REDACTED]  
MSP # [REDACTED] and # [REDACTED] out  
and [REDACTED] MSP # [REDACTED] out  
All three have listed their address as  
care of their mother, [REDACTED]  
St. Louis, Missouri.

The record of [REDACTED]  
indicates he used the alias of WILLIAM RAY in 1949,  
according to [REDACTED].

On May 14, 1968, [REDACTED], inmate,  
was recontacted. He was questioned further about the  
existence of the COOLEY gang, organization, or COOLIE, etc.  
He said he has been in the Penitentiary for [REDACTED] years and  
there is no organization as such and he never heard of the  
COOLEY gang, or similar.

On May 14, 1968, [REDACTED] MSP # [REDACTED] who  
said he did not desire that some of the information he  
furnished be attributed to him, said that he has been in  
the Penitentiary since [REDACTED]

[REDACTED] He said he never heard of  
COOLEY or COOLEY's gang or organization or similar. He has  
never heard of a bounty on MARTIN LUTHER KING. He never heard  
of RAY using any type of uniform to effect an escape although  
he did. He never heard of RAY having any ammunition in  
his pockets on the grounds although [REDACTED] probably  
not known to RAY, did. He said [REDACTED] had nothing to  
do with furnishing amphetamines to RAY and he would not  
disclose who did. He said [REDACTED] was fired two years before  
RAY escaped, and had nothing to do with it. He indicated  
[REDACTED] may have been fired for some dealings with [REDACTED]  
[REDACTED] said that recently, since the appearance of an article  
about RAY in "Life Magazine", [REDACTED] named [REDACTED]  
[REDACTED] (phonetic), told him that he had seen RAY last summer  
in St. Louis with "two other ex-cons". He said he did not  
know the details or the names of the "ex-cons". [REDACTED]  
[REDACTED]

[REDACTED] said he has not developed any other information which might aid in locating RAY.

On May 14, 1968, [REDACTED] MSP # [REDACTED] born in [REDACTED] said he is [REDACTED] He said he "fell" from St. Louis in [REDACTED] for [REDACTED] and other charges. He was paroled in [REDACTED] and was returned for violation by reason of [REDACTED] on [REDACTED]

[REDACTED] was [REDACTED] JAMES L. OWENS, the "fall partner" of JAMES EARL RAY. He said he knew OWENS in the Penitentiary and saw him on three or four occasions in St. Louis, Missouri, while he was out. He said he recalled that he was [REDACTED] when RAY tried to go over the walls and his ladder or rope or something broke about 1966. He said he was not a good friend of RAY's in the Penitentiary and knew him only to speak with him. [REDACTED] saw RAY in St. Louis sometime during the summer of 1967 [REDACTED] probably the early part of the summer. [REDACTED] with OWENS. [REDACTED]

He said he had no way to fix the date. He said he reflected, at the time, that RAY must have escaped because he knew he had attempted to escape and had been "set back" on parole and he had too much time to have been released.

He said he saw OWENS on other occasions: [REDACTED]

██████████ said that RAY had the reputation of being the type of person who served his time without comment and did not "mess" in the affairs of other people. He said he did not think that RAY would kill anyone as he is just not the type. He also said he has never heard of any organization in the Penitentiary and has never heard the name of COOLEY used in connection with any type of business or "racket" inside the walls and he did not know anyone by that name.

He said that inmates have over the years used cigarettes as medium of exchange in lieu of money and they make "parlay" bets on baseball games, horse races and other types of contests similar to bets made with money outside. He said he knew of no "lottery" as such involving cigarettes, but he said this might exist. He said there are "cliques" of prisoners who connive together for various reasons, and who become close associates, but there is no wide-spread organization and never has been to his knowledge. He said he certainly would be in position to know about it if there was and would have no hesitation in saying so if such existed.

On May 14, 1968, Major BERNARD POIRY, MSP Custodial Staff, in charge of security for the past 25 years, said he has been unable to develop information regarding the identity of ██████████ or of any organization such as the COOLEY gang or similar.

On May 14, 1968, ██████████, Guard, inside, said he has worked inmates inside of the walls on maintenance for the past 23 years. He said he knew JAMES EARL RAY on sight, but not otherwise. He said he never heard of COOLEY or any organization of that type. He could not identify "Dago".

On May 14, 1968, ██████████ mentioned above, said ██████████ could be ██████████ who is in the Penitentiary. However, he does not have any ██████████ but he does have the nickname of ██████████. He said he has known other inmates called ██████████, but he could not otherwise identify them and could not recall any with a scar as described.

On May 14, 1968, [REDACTED] MSP [REDACTED] born [REDACTED] said he was admitted to the MSP in [REDACTED]. He was in until [REDACTED], released and returned on a [REDACTED] charge in [REDACTED]. He said he knew RAY on sight, but that is all and he knew nothing of his habits, associates or escape. He said a guard told him that some "kid" had seen RAY last summer sleeping on a hill near Jefferson City with a "long beard". He also said that there is an organization in the MSP which wanted KING killed. He said it was not the "COOLEY organization", of which he had never heard, but the KKK. He said he did not hear any mention of this before Dr. MARTIN LUTHER KING was murdered and he could not identify anyone who has mentioned it since.

He said he had heard nothing concerning any bounty and knew of no lotteries.

On May 14, 1968, Mr. MC CORNICK WILSON, City Judge and Attorney, said he was appointed to represent JAMES EARL RAY in connection with an attempted escape by RAY in 1966. He said he talked to him at the Penitentiary and once in court. He said he also arranged to have him examined at State Hospital #1. He said he received no fees of any sort and was relieved on the case because he was appointed as an Assistant Attorney General. He said WILLIAM QUIGG completed the case.

On May 14, 1968, WILLIAM QUIGG, Central Missouri Trust Company, said he represented RAY by appointment of the court. He said he received no fees of any sort, and knew nothing about him, his background, associates, or whereabouts.

On May 14, 1968, Mr. W. C. SHELEY said that JAMES EARL RAY was represented in connection with a writ of habeas corpus case in January of 1963 by PHILLIP LEE BAKER.

On May 14, 1968, Mr. WADE BAKER, no kin, Secretary, Missouri Bar Association, Jefferson City, Missouri, said that PHILLIP LEE BAKER is an attorney and lives at [REDACTED] Independence, Missouri.

This case involves the murder of Martin Luther King, Jr.

It is noted Ray was allegedly seen three times in May, 1967, in the neighborhood of John Gawron, St. Louis.

Gawron denies contact with Ray since Ray's escape from prison in April, 1967.

John Larry Ray, subject's brother, St. Louis, has again been reinterviewed. John still denies any knowledge of Ray since his escape from prison. He states Ray would have contacted him if Ray had been in St. Louis, especially if Ray needed help. John added that he would still help Ray if Ray asked him to but that he "might" tell the FBI about it afterwards.

According to John Ray, Gawron is crazy. He said Gawron lives in the past, talking about pulling robberies or burglaries and sometimes casing them but never actually committing them. John expressed the opinion Ray would never contact Gawron because he does not trust him.

REC-21

John Larry Ray believes when his brother escaped from prison he had plenty of money as a result of dealing in amphetamines while incarcerated. He also believes Ray would have immediately left the country and bases this on statements Ray made when John visited him in prison.

Memorandum to Mr. DeLoach  
RE: MURKIN

It has previously been alleged Ray was seen in St. Louis with James L. Owens in the summer of 1967. John Larry Ray advised that the subject would not associate with Owens but would kill him on sight since he blames Owens for his arrest and twenty-year sentence in 1959.

ACTION:

Vigorous, widespread investigation is continuing on a top priority basis.

 SUBJECT: MURKIN

Re telephone call from Mr. McGOWAN, Bureau, May 15, 1968 and Los Angeles Conference Teletype, May 14, 1968, Air Mail copy Minneapolis.

~~REDACTED~~ Western Union Telegraph Company, Minneapolis, Minnesota, (PROTECT IDENTITY WITHOUT FAIL) advised the records of the Money Order Audit Bureau are filed chronologically by date under the city of origin of each Money Order and then alphabetically under the name of the payee. He stated that it is therefore necessary to have a point of origin for any Money Order before any type of search can be instituted in their records. He further advised that they handle more than ten million documents per year.

At the request of Mr. McGOWAN, ~~REDACTED~~ was asked to review their records for the period of February 14, 1968 through March 20, 1968 in an effort to locate any possible Money Orders sent to RAY from St. Louis, Missouri. On May 16, 1968, ~~REDACTED~~ advised that he had completed this search checking all Money Orders originating at St. Louis under RAY's true name and all known aliases with negative results.

Re Houston airtel dated 5/6/68 setting forth telephone calls to be checked out regarding the trip of subject and CHARLES STEIN 12/15 - 17/67. It is noted that the following call were made:

Date	12/16/67
Calling No.	Houston 682-9307
No. Called	817 238-8098
Place	Eagle Mountain Lake

The following investigation was conducted by SA [redacted] at Eagle Mountain Lake located few miles north of Fort Worth, Texas:

On 5/10/68, PAUL TOMLINSON, Indian Creek Camp, stated that he had never seen anyone resembling JAMES EARL RAY at the camp. He stated he did not recall who called the camp on 12/16/67. He stated that JACK DOUGLAS is the manager and will be back at the camp on 5/13/68, and DOUGLAS will probably know who received the call.

JACK DOUGLAS, Manager, Indian Creek Camp, on 5/13/68, stated that he and his wife have a friend named LORAIN PRITCHETTE and they received a call from her about 12/16/67. He explained that they receive a call from LORAIN about once every two weeks. He stated that the camp has not received any calls from Houston except those from LORAIN. She usually calls from a pay phone, but he has no idea as to the number of the phone. After viewing the photograph of JAMES EARL RAY, he stated he has not seen anyone resembling RAY around the camp.

[REDACTED] Renz Prison Farm, connected with the Missouri State Penitentiary, advised prison officials that he had found the letter sent to him by ex-inmate [REDACTED] Alabama. The letter was furnished to this office and reads as follows:

"July 6-67

"Hello, All.

"Please excuse me for not writing sooner, but have been so busy. You know after taking a 3 1/2 year stop in life it's pretty hard to get back into the way of life again.

"Well now I am doing just fine. Moved from town into the country. Bought a 10 acre farm with house. One of those Jim Walter shells but I worked it over, looks pretty good. I panned it out and out. My wife and son like out here very much and really that's what counts. For the past two month I have had a trying time.

MONEY COULD BE SENT OUT OF THE MSP BY GUARDS WHO WERE PRIED BY PRI-

[REDACTED] ADVISED THAT RAY WOULD NOT PLACE ANY "PRISON EARNINGS" IN HIS ACCOUNT AT THE PRISON AND CLAIMED THAT HE DID NOT KNOW HOW RAY HANDLED HIS PRISON EARNINGS. THOUSAND DOLLARS AT THE TIME HE ESCAPED. RAY WAS CONSERVATIVE IN MONEY MATTERS AND PROBABLY HAD SOME MONEY ON HIS PERSON AT THE TIME HE ESCAPED AND SOME MONEY SOME PLACE AFTER HE GOT OUT. [REDACTED] ADVISED [REDACTED] (PH) WAS DISCHARGED BY THE MSP [REDACTED] AND HE HAD BEEN USED BY [REDACTED] RAY AND ASSOCIATES TO BRING IN AND TAKE OUT ITEMS OF VALUE. This case involves the murder of Martin Luther King, Jr.

The Memphis Police Department has received several anonymous letters from Hamilton, Ontario, Canada, alleging that Ray is at some ruins south of Mexico City. A similar letter has now been received alleging Ray is buried in the ruins, and enclosing a rough map indicating the grave. This is being expeditiously checked out.

James L. Owens, who participated with Ray in the 1959 robbery for which Ray received a twenty-year sentence, frequently saw Ray in Missouri State Penitentiary. He has advised Ray sold drugs in the prison and also operated a "three for two" loan business. Owens expressed the opinion Ray would not have accumulated over \$1,000 from these sources by the time he escaped.

*[REDACTED]* former inmate at Missouri State Penitentiary, has alleged *[REDACTED]* Ray and three others earned \$1,000 a month from the sale of drugs in the penitentiary. *[REDACTED]* is being interviewed in detail to determine if this is true and if so, how and where Ray maintained his share of the proceeds.

Jerry Raynes, subject's father, St. Louis, was recently visited by subject's brothers John, of St. Louis, and Jerry, of Chicago. Both brothers were drinking. Raynes now states that during this visit Jerry mentioned something about the subject's having been in Chicago in the summer of 1967. He says he cannot remember anything more specific about the conversation and that he may have misunderstood Jerry.

This case involves the murder of Martin Luther King, Jr.

On 5/17/68 William Thomas, City Editor, and Jerry Cohen, reporter, Los Angeles "Times" furnished the following information.

On 5/13/68 or 5/14/68 the "Times" was telephonically contacted by a man who claimed to have information concerning the death of Martin Luther King, Jr. Thomas talked to this man on the telephone three or four times and on the evening of 5/16/68 Thomas and Cohen met this man at a bar. He identified himself only as [REDACTED]. From his conversation, Thomas and Cohen believe [REDACTED] has been in several penitentiaries.

[REDACTED] related a fantastic account of an alleged conspiracy in connection with King's death. The details, which will be discussed later in this memorandum, are at variance with the results of our investigation. Specific investigation to check out [REDACTED] story has failed to verify any relevant allegation and it appears very doubtful he has any knowledge of the case; however, we are continuing investigation in this regard and are making every effort to identify and locate [REDACTED] for interview.

The "Times" gave [REDACTED] \$100 on the evening of 5/16/68. He said he needed this money to leave town. The "Times" does not know how to contact him and does not expect to hear from him again.

Thomas said the "Times" sole purpose was to get a story out of [REDACTED] material but he did not wish to interfere with the Bureau's investigation and although reporters were standing by in Kansas City, Memphis, Birmingham, Huntsville, and Miami, no overt steps had been taken to verify [REDACTED] story and nothing would be published before 5/21/68. Thomas said he was also contemplating making this information available to the Attorney General.

Memorandum to Mr. DeLoach  
RE: MURKIN

Details of [REDACTED] allegations are set forth below.

1. [REDACTED] ALLEGES: The day before the shooting, Ray was picked up in Athens, Alabama, and taken to Memphis.

FACTS: King was killed 4/4/68. Ray, as Eric S. Galt, registered at the Rebel Motel, Memphis, 4/3/68 and checked out 4/4/68. Motel records show he was driving his Mustang.

2. [REDACTED] ALLEGES: At the Memphis rooming house from which the shot was fired, another man registered as [REDACTED] was the backup man to kill King at the rally on the night of 4/4/68 if Ray was unable to perform the murder from the rooming house.

FACTS: The proprietor of the rooming house states [REDACTED] is unknown to her either by name or as a guest registering on 4/4/68.

3. [REDACTED] ALLEGES: [REDACTED] rifle was left in the furnace of the rooming house and is believed to still be there.

FACTS: The rooming house has no furnace. No such rifle has been found.

4. [REDACTED] ALLEGES: After the shooting, Ray walked two or three blocks to the getaway car accompanied by a man and a woman. Ray's Mustang was not in Memphis 4/4/68.

FACTS: Investigation indicates Ray left Memphis alone in his Mustang which was parked near the rooming house.

5. [REDACTED] ALLEGES: The getaway car was a new Buick with Alabama license plates, equipped with a police radio, and owned and driven by [REDACTED] Huntsville, Alabama, [REDACTED]

FACTS: [REDACTED] Huntsville, does not have such a member but one [REDACTED] also known as [REDACTED] sometimes visits the club. [REDACTED] owns a Cadillac and is employed by [REDACTED] He denies having been out of Alabama since December. He was in Huntsville 4/3-6/68 according to company production records and the personal recollection of his employer.

Memorandum to Mr. DeLoach  
RE: MURKIN

6. [REDACTED] ALLEGES: Upon leaving Memphis, Ray, [REDACTED] and two girls and a child from Huntsville, drove to Kansas City in six and one-half hours.

FACTS: Investigation indicates that when Ray left Memphis he drove alone to Atlanta in his Mustang.

7. [REDACTED] ALLEGES: In Kansas City Ray spent the night in a small one bedroom, gray-shingled house about three miles from the center of the city.

FACTS: Although the "Times" provided a rough map drawn by Thomas based upon information furnished by [REDACTED] investigation has failed to locate the Kansas City house described by [REDACTED]

8. [REDACTED] ALLEGES: Ray left Kansas City at dusk, 4/5/68, and was flown to Belle Glade, Florida, in a private airplane owned by [REDACTED] a wealthy Ku Klux Klan member [REDACTED]

[REDACTED] often flies his own plane to New Orleans, is acquainted with New Orleans District Attorney Jim Garrison and is related to [REDACTED]

FACTS: No person meeting [REDACTED] description could be found. One [REDACTED] formerly owned [REDACTED] and was briefly wealthy [REDACTED]

One [REDACTED] owns [REDACTED] Neither [REDACTED] nor [REDACTED] flies nor owns a plane and both deny knowing Jim Garrison or being related to [REDACTED]

9. [REDACTED] ALLEGES: On 4/11/68 Ray boarded a charter boat or yacht at Key West owned by [REDACTED]

FACTS: No such boat has been located. [REDACTED] Miami, states he operated [REDACTED] boats off the Florida Keys [REDACTED] He denied any knowledge of this matter.

Memorandum to Mr. DeLoach  
RE: MURKIN

10. [REDACTED] ALLEGES: In the weeks before the killing, Ray stayed at Belle Glade.

FACTS: Investigation at Belle Glade has been negative. Ray is known to have been living in Los Angeles from November, 1967, until 3/17/68. He was in New Orleans on about 3/21/68, checked into an Atlanta rooming house, 3/24/68, was in Birmingham, 3/29-30/68, paid rent in Atlanta, 3/31/68, and was in Memphis, 4/3-4/68.

11. [REDACTED] ALLEGES: On the day of the killing Ray made telephone calls from Memphis to Belle Glade. The calls are believed to have been made from a bus station.

FACTS: This is being checked out.

12. [REDACTED] ALLEGES: The payoff was made through [REDACTED] in Reno, 4/3/68, by rigging a Keno payoff of \$25,000 at the CAL-NEVA Lodge. [REDACTED] an employee of the lodge, was cognizant.

FACTS: The CAL-NEVA Lodge has been closed since Labor Day, 1967. One [REDACTED] is [REDACTED] at the CAL-NEVA Club. He has been interviewed with negative results. The owner of the club states there was no Keno payoff on 4/3/68 of more than \$400 and there has not been a \$25,000 payoff for almost three years.

13. [REDACTED] ALLEGES: A man using Ray as a first name was in Room [REDACTED] Clark Hotel, Los Angeles, [REDACTED]

FACTS: This man has been identified as [REDACTED] and has been eliminated.

14. [REDACTED] ALLEGES: [REDACTED] Los Angeles, sent money to Louisiana and purchased two pistols for [REDACTED] Chattanooga, who was in prison with Ray.

FACTS: [REDACTED] an effeminate Negro states: He has known [REDACTED] and [REDACTED] for five or six years. Both are heavy drinkers. [REDACTED] owned two pistols which disappeared in the summer of 1967 and he suspected [REDACTED] or [REDACTED] or their

cousin whose name he cannot recall, of stealing the guns from his home. About two months ago [REDACTED] got a collect call from [REDACTED] either from Nashville or Knoxville and sent him \$20 or \$30. He last saw [REDACTED] less than two months ago at which time [REDACTED] said [REDACTED] was in prison. [REDACTED] believes only the [REDACTED] or their cousin would know of the guns stolen from him and the money he sent [REDACTED].

[REDACTED] is apparently identical with [REDACTED] who has a lengthy criminal record but does not appear to have served time with Ray. We are seeking [REDACTED] and his brother for interview.

15. [REDACTED] ALLEGES: Ray worked for a week as a bartender at Harold's Cafe, a "queer" bar in Los Angeles, where he is known by a man named [REDACTED].

FACTS: The manager of Harold's is known as Connie. He and other personnel deny any knowledge of Ray.

16. [REDACTED] ALLEGES: Ray is or was married to [REDACTED] who once worked at [REDACTED], Los Angeles.

FACTS: [REDACTED] does not normally employ women. [REDACTED] is unknown there or at the home address furnished by [REDACTED].

17. [REDACTED] ALLEGES: Ray used a telephone company credit card for various calls including those allegedly made from Memphis to Belle Glade. The credit card was issued to [REDACTED] [REDACTED] Detroit, and was in the name of [REDACTED] for a [REDACTED] [REDACTED] lives in Harper Woods, Michigan.

FACTS: This is being checked out.

18. [REDACTED] ALLEGES: [REDACTED] the backup man at the Memphis rooming house, served time at Chillicothe and Terre Haute and was discharged in 1963 from prison in Milan, Michigan. [REDACTED] spent the night of 4/4/68 in Memphis and took an early morning bus to Knoxville. On 4/7/68 left Knoxville by bus for Los Angeles via Memphis and El Paso. [REDACTED] furnished the "Times" a Greyhound bus ticket issued 4/7/68 at Knoxville for passage to Los Angeles via Memphis and El Paso.

Memorandum to Mr. DeLoach  
RE: MURKIN

FACTS: The Los Angeles "Times" City Editor believes it is possible [REDACTED] is identical with [REDACTED]. Investigation indicates [REDACTED] may be identical with [REDACTED]. There is no evidence that there was such a backup man but [REDACTED] and [REDACTED] if he exists, will be located and interviewed.

ACTION:

All aspects of this investigation are receiving vigorous attention.

It should be noted the Primary of 9/4 indicates the location of the whorl patterns which can only be in fingers #4, #7 and #9. Further note should be made that the best appearing fingerprint, for quick identification purposes, is that of finger #7. However, it should be further noted any examination of the fingers of a suspect will result in a reverse visual image of the impression.

It is suggested the Bureau may desire to suggest that other field offices circulate similar information to their agents which has been done in Tampa.

On May 14, 1968, an anonymous male who mentioned that he is a newspaperman telephonically advised the Washington Field Office, Federal Bureau of Investigation, that he recently had a conversation with some people who believed they observed an individual who resembles the published photographs of James Earl Ray. These people believe they observed Ray in Geneva, Switzerland, approximately three weeks ago. The anonymous male stated the people who furnished him this information did not want their identities revealed nor did the caller wish to identify himself.

The anonymous male stated that he had been advised that during a Saturday night approximately three weeks ago his sources were at the Landoldt Restaurant, Geneva, Switzerland, where they observed an American male enter with a man and woman who appeared to be Swiss. The American was well dressed and had a Midwestern accent. He had the sharp nose and cleft chin as depicted in the photographs of James Earl Ray. His other physical characteristics matched those of Ray. Although he was well dressed, he was observed to use crude language which was mixed with vulgarities. The woman in the group was a blond, apparently dyed hair, and appeared to be in her forties. She was known to the head waiter of the restaurant and kissed him when she left with the above two men.

JAMES EARL RAY

The conversation of the three individuals was loud and the American talked frequently concerning sex matters and expressed an interest in obtaining the services of a prostitute. The woman offered to furnish him a transvestite, but he stated he wished a female.

The people in the restaurant seemed to make a great deal of effort to please the American. He was overheard ordering several expensive and exotic foods, some of which the restaurant sent out for. The impression was gained, however, that the people in the restaurant knew nothing of the American's background.

It is requested that efforts be made to determine whether the American mentioned above is identical with James Earl Ray.

Special Agent Joe C. Hester, Memphis Extra-Duty Supervisor, telephonically advised, this date, that the Chief of Police (COP), Memphis, Tennessee, has received an anonymous letter dated 5-14-68, from Montreal, Canada. The letter is very poorly written and it is hard to make out the entire contents, but in essence mentions Doctor King. Further, that the anonymous writer has become acquainted with an individual of Irish decendant (no name given) and over a case of beer recently determined from this Irish individual (1) that he was once in jail in Missouri, (2) that he had been in the Merchant Marines, (3) that he was once a bartender, (4) that he was an alcoholic and supposedly being presently treated for alcoholism, (5) and that he has fallen in love with a girl in Montreal and spends money freely on her.

The anonymous writer wants this information to be kept in strict confidence and if the COP is interested and wants to get in touch with him, he should write to the Editor of the "Gazette - News in Brief," (presumably a Montreal newspaper) "attention G." Writer states he will watch the Gazette and if the mention "attention G" appears, he will send another letter to the COP with information and the COP can use his own follow-up.

The writer further states he is off work on Wednesday and Thursday each week and has a holiday from June 1-15, and states he might meet with the COP if he is interested.

This letter was signed "Code letter G."

The COP, Memphis, has misplaced the envelope which this letter came in.

**ACTION:** The Memphis Office was advised to send the letter to the Bureau by airtel this date.

SUBJECT: MURKIN

DATE: 5/20/68

Re Cleveland airtel to Bureau, 5/1/68.

On May 8, 1968, SA [REDACTED] displayed to Mr. ARTHUR LARIMER, Postmaster, U. S. Post Office, Sandusky, Ohio, the unsigned printed note and envelopes addressed to "Chief of Police, Memphis, Tenn.", and "Postmaster, Pelee Island, Ontario".

Mr. LARIMER advised that although the identity of the author was unknown to him he noted the apparent shaky printing, and suggested that it might be the effort of an elderly person. He suggested an inquiry at the old Soldiers and Sailors Home, Sandusky, might be productive.

On May 9, 1968, SA [REDACTED] contacted Mr. MICHAEL KRESTEL, Assistant Reeve, Pelee Island, Ontario, Canada, in the absence of the Reeve, Mr. CHARLES WALLACE, and the Constable, Mr. ZANE HOOKER. Mr. KRESTEL questioned the Postmaster, Mr. DONALD GOW, who advised that instant note, .35 change, and cover envelopes, were received at the post office on approximately April 24, 1968. He said that he opened the envelope addressed to him. He discovered the inner envelope already opened, which he believes may have been done accidentally by him in opening the outer envelope. He recalled the change and note, however, were lying loose in the outer envelope. He said he did not know what disposition to make of the contents and finally asked Mr. WALLACE, the Reeve, for advice. He stated it was the suggestion of Mr. WALLACE that these items be mailed to the FBI, Federal Building, Sandusky. He was unable to suggest any suspect as the author of instant note.

On May 9, 1968, [REDACTED] Old Soldiers and Sailors Home, Columbus Avenue, Sandusky, examined instant note and envelopes and advised SA [REDACTED] he suspected them to be the work of a resident,

He added that [REDACTED] would not be available for interview until May 10, 1968.

On May 10, 1968, SA [REDACTED] confronted [REDACTED] with instant note and envelopes. He admitted being the author. He said he could offer no logical reason for his writing the note and said he could only suggest that he must have been drinking at the time. He stated it was not his intention to burden or harass the Memphis, Tennessee Police Department, FBI, or any other law enforcement agency by his action.

He said his reason for enclosing \$.35 with the note was to include \$.10 for air mail postage from Pelee Island to Memphis, Tennessee; he said he visits Pelee Island a few times each summer and has bought postage at the post office there. He said he sent his note via Pelee Island simply to give the postmaster a little business.

He was admonished by SA [REDACTED] for the consequences of his action, the wasted time and money that could have been spent on other matters. He was also admonished by [REDACTED] and threatened with possible expulsion if he should repeat this misconduct.

[REDACTED] apologized for his action and promised to refrain from any such conduct in the future.

He admitted his note intended reference to the slaying of MARTIN LUTHER KING, however, he denied sympathy for the assassination. He said he has no knowledge of JAMES EARL RAY or his whereabouts.

Significant differences were noted as the result of comparing the [REDACTED] signatures on Q343 and Q344 with the known handwriting of JAMES EARL RAY, K171, K211 and K257, indicating that the questioned Marshall signatures were probably not prepared by Ray.

A review of unsolved Bank Robbery and Bank Burglary matters in the New Orleans Division revealed no unsolved cases in these categories since 4/23/67, in which latent fingerprints are suitable for comparison with the fingerprints of JAMES EARL RAY.

Law enforcement agencies in La. have been contacted to determine the possibility that RAY may have been involved in a burglary or robbery not within FBI jurisdiction and may be of interest to local police departments. Law enforcement agencies within the New Orleans Division have been contacted and some advise they maintain no unknown latent fingerprint file; however, others do maintain such a record. However, the unknown latent fingerprints of these agencies, when compared with the known fingerprints of JAMES EARL RAY, were determined not to be identical. The identities of the individuals and law enforcement agencies contacted are not being set forth in this report, but are being made a matter of record and kept on file in the New Orleans Office.

Investigation has also been conducted by the New Orleans Office at all known "hippie" rooming houses in residential areas in Louisiana, as well as similar establishments, in an effort to obtain any information concerning RAY. This investigation has been unproductive and the identities of the persons contacted, as well as the location, is not being set forth in this report, but is being kept in the New Orleans file in this matter.

All Agents of the New Orleans Office, including Resident Agents, have been instructed to alert all local and state law enforcement agencies to be on the alert for any stolen or abandoned vehicle found in Louisiana bearing Georgia license plate. A review has also been conducted of new ITSMV cases since 3/23/68 wherein the subject was not identified and the car was stolen in Georgia, in an effort to determine if there was any connection with the theft of this car and JAMES EARL RAY. To date, this review has been unproductive.

## Synopsis:

Employees of Provincial Motel Cafe, New Orleans, contacted and exhibited photographs of JAMES EARL RAY with negative results. Relatives and acquaintances of CHARLES STEIN and MARIE MARTIN interviewed. Some recall STEIN appearing in New Orleans in December, 1967, as well as observing an individual with STEIN who was introduced to them by STEIN variously as ERIC or GALT. STEIN indicated this person had driven him from Los Angeles to New Orleans. These persons state that GALT was uncommunicative and they had little contact with him. Investigation has determined that a cardboard box for daughter of MARIE STEIN was delivered to relative of STEINS in New Orleans sometime between 3/17 and 24/68, probably on 3/21/68. Relative who accepted box could not identify photographs of JAMES EARL RAY as person delivering box. Relatives and acquaintances of CHARLES STEIN and MARIE MARTIN provided no information which could assist in location of JAMES EARL RAY. Motels and hotels in New Orleans French Quarter as well as other areas of New Orleans for the period of 3/17-24/68 were checked; however, no registration card for RAY under true name or known aliases were located. Investigation at rooming houses New Orleans negative. Manifests of passengers on Delta Airlines flight 106 for 4/5,6/68 examined; however, there was no record of RAY under his true name or known aliases. Members of crews of these flights exhibited photographs of RAY with negative results. Telephone calls to Lake Charles, La., on 12/17/67; to Shreveport, La., on 12/15/67 from Yuma, Arizona; to Greenwood, La., from Alpine, Texas, apparently have no relationship to subject. [REDACTED]

INTERVIEWS WITH  
RELATIVES AND ACQUAINTANCES OF  
CHARLES J. STEIN AND MARIE MARTIN  
AT NEW ORLEANS, LOUISIANA

Date 4/25/68

1

[REDACTED], New Orleans, Louisiana, advised that she is the wife of [REDACTED] who resides with her at the [REDACTED] address. [REDACTED] stated that she is the mother of MARIE MARTIN, who currently resides in Los Angeles, California.

[REDACTED] stated that she is aware that during recent months her daughter, MARIE MARTIN, has sent to New Orleans, on two different occasions, two boxes of clothing belonging to [REDACTED] eighteen year old daughter of MARIE MARTIN, and who resides part time with friends - [REDACTED] New Orleans, as well as with [REDACTED] at the [REDACTED] residence.

In connection with the delivery of the two boxes of clothing, [REDACTED] advised as follows:

[REDACTED] received a telephone call from MARIE MARTIN sometime in early February, 1968, advising her that she was sending, with a friend, a box of clothing belonging to [REDACTED]. On a Sunday afternoon, at approximately 2:00 P.M., about a week or two prior to St. Patrick's Day, [REDACTED] was sitting on her front porch when she observed a small white vehicle go past her residence the wrong way on a one-way street. She stated that this car, after it had passed her residence, turned around in a driveway and then parked directly in front of her residence. [REDACTED] recognized the driver of this car to be her nephew, CHARLES STEIN, whom she had not seen for approximately three years, and who, for the past several years, has been a resident of Los Angeles, California. CHARLES STEIN alighted from the car and obtained a cardboard box from either inside the car or the trunk of the car, this point not specifically recalled by [REDACTED]. STEIN carried the box up to the front porch and placed it along side [REDACTED]. [REDACTED] invited STEIN and an individual, whom she observed to have remained in the right front side of the vehicle, into the house for a cup of coffee. STEIN thereupon called to his companion if he cared to come in for a cup of coffee and this individual stated he did not care to come in.

SA [REDACTED] Date dictated 4/25/68

[REDACTED] is unable to furnish a description of the individual who remained in the car, other than his being a white male with dark hair. [REDACTED] recalled that this individual was sort of hunched up in the seat and looked as though he were somewhat cramped from a long drive. [REDACTED] did not observe this individual to turn his face in her direction.

STEIN advised that his companion was tired after a long trip and wanted to take a bath and that therefore he and his friend would go on, but that he, STEIN, would drop back. [REDACTED] stated that STEIN did not return and she has not seen him since that occasion. [REDACTED] stated that she subsequently made telephonic contact with [REDACTED] within a day or two after delivery of the box and advised her that the box of clothing which her mother had sent from Los Angeles, had arrived at the [REDACTED] residence.

In connection with the second box of clothing, [REDACTED] remembers that MARIE MARTIN telephonically contacted [REDACTED] and told her that she was sending a second box of clothing with a friend and that it would arrive in New Orleans, in a few days. [REDACTED] stated that she subsequently learned from her daughter-in-law, [REDACTED], who resides at [REDACTED] New Orleans, and which residence is just around the corner from the [REDACTED] residence, that the second box of clothing had been delivered to [REDACTED]. [REDACTED] was unable to recall any date that this second box arrived, but thinks that it was probably sometime around the middle of March, 1968. The second box was delivered to the [REDACTED] residence by [REDACTED].

[REDACTED] and her husband, [REDACTED], son of [REDACTED] reside at [REDACTED] New Orleans, which is the residence of [REDACTED] daughter of [REDACTED]. [REDACTED] understands from [REDACTED] that [REDACTED] was not at home when the second box was delivered.

B. Acc. 1950

[REDACTED] eighteen year old daughter of MARIE MARTIN, and granddaughter of [REDACTED] was interviewed at the residence and in the presence of [REDACTED], New Orleans, Louisiana. [REDACTED] advised as follows:

[REDACTED] lived with her mother on [REDACTED] Los Angeles, California, from a period of July, 1966, to August, 1966, and again from a period of February 16, 1967, to late April, 1967. During this last period of residence in Los Angeles, she lived with her mother on [REDACTED] Los Angeles. [REDACTED] has no recollection of exact addresses, but does recall that she and her mother lived in the first floor of an apartment house on [REDACTED], located near [REDACTED], and that they occupied a house on [REDACTED] during the last visit.

[REDACTED], who had intended to attend high school in Los Angeles, and did attend Marshall High School in Los Angeles, for one or two days, discovered that she did not like the high school or Los Angeles as a city, and thus the reason for her return to New Orleans.

[REDACTED] has, since her last return from Los Angeles, received two boxes of clothing and personal effects from her mother and which clothing and personal effects she had left behind when she departed for New Orleans. The first box was received by [REDACTED] about two weeks after December 11, 1967, which date [REDACTED] reentered high school in New Orleans, and thus the reason why she remembers the approximate time that she received the first box of clothing.

On March 16, 1968, [REDACTED] received a telephone call from her mother in Los Angeles, at which time her mother advised her that she was sending, with a friend, a second box of clothing and that the name of this friend is ERIC. The mother stated that the box probably would arrive in a couple of days. [REDACTED] remembers the exact date of this

[REDACTED] remembers the date March 24, 1968, because she made a note in her diary under this date that she had received a box of clothing from her grandmother.

[REDACTED] recalls that both boxes had been wrapped in brown wrapping paper which she says has now been thrown away and that she seems to recall that the second box had been open, with the brown wrapping paper torn when she received it. The boxes were both cardboard and have since been disposed of.

[REDACTED] recalls that the first box contained a picture album of photographs that she had taken of scenic views and of friends in the Los Angeles area, as well as dresses, shoes, and perfumes.

[REDACTED] recalls that the second box, which she thinks was perhaps a box originally utilized for cartons of Kent cigarettes, contained some of her phonograph records, skirts, blouses, shoes, boots, and some old hair dressing which she said she threw away because it was not sufficiently fresh.

[redacted] Gretna, Louisiana, telephone [redacted] advised she is a sister of CHARLES STEIN, and she formerly resided at [redacted], New Orleans, Louisiana.

[redacted] stated that in December, 1967, the exact date unrecalled, her brother, CHARLES STEIN, came to stay with her. She advised STEIN stayed for three days and two nights. She advised STEIN came into New Orleans late one evening, and was to leave the following day, but his plans were changed, and he stayed one additional day.

She advised that STEIN came to New Orleans to pick up RITA STEIN's two children, and transport them back to Los Angeles, California. She advised that while in New Orleans, STEIN stayed at her residence on [redacted] Street.

She advised that she did not see the individual that brought STEIN to her residence, but she was later introduced to this individual, who was identified by STEIN, as ERIC GALT.

She advised she questioned STEIN about his travel to New Orleans, and was advised by STEIN that MARIE MARTIN had overheard an individual in California, state that he was going to New Orleans for a day on business, and MARIE approached this individual and arranged for STEIN to ride with him to New Orleans. STEIN advised [redacted] that he did not know this individual before this time.

[redacted] advised on the second day of STEIN's visit, he became worried that the individual who transported him to New Orleans, might leave him or forget where to pick him up, so STEIN called the Provincial Motel, and asked this individual to come to his sister's home, so he would be sure and know exactly where to pick him up. She stated about five minutes after this call, an individual driving a white Mustang pulled up in front of her residence. She stated that when this car pulled up, she and her brother, CHARLES STEIN, were standing on the porch. The driver of the white Mustang

walked up to the front porch, and STEIN said "ERIC say hello to [REDACTED]". [REDACTED] advised that she acknowledged the introduction, but ERIC did not say anything. ERIC merely leaned against the post on the porch, and kept looking at the ground. She stated she talked to her brother for several moments, and then her brother asked if he was going to leave and ERIC replied "Well I don't know". She advised that she had to go shopping, so she left, and when she returned, in about an hour, ERIC had departed, and CHARLES was in her home watching television.

[REDACTED] advised the white Mustang, driven by ERIC GALT, bore a white license plate, state and number unknown. She described GALT as an extremely quiet individual, with no distinguishing characteristics, with the exception of a long skinny nose. She described GALT as a white male, 30 to 33, 5'10", medium build, light hair, and having a long skinny nose.

She stated that STEIN informed her that GALT did not permit him to spend any money on the trip, and GALT paid for everything, but his method of payment was not known to her.

[REDACTED] advised that she has not heard from or seen STEIN or GALT since that time, and does not know of any additional trips that GALT may have made to New Orleans since that time.

She advised that she did not see Galt, with the exception of the one encounter on the porch of her residence. She stated that when GALT came to pick up STEIN and the two children, he did not get out of the car, but merely pulled up in front of her residence, and honked the horn, and she told her brother, "CHARLIE, ERIC is here." She stated she did not leave the residence, and that CHARLES STEIN and the two children entered GALT's car, and they departed.

She advised that MARIE MARTIN has several relatives that live in the New Orleans area, one of which is her sister, [REDACTED], who lives on [REDACTED] Street, and also [REDACTED]. MARTIN has a daughter in New Orleans, named [REDACTED], whose residence she did not know.

ANTHONY CHARLES DE CARVELHO, [REDACTED], Louisiana, telephone number [REDACTED], advised that CHARLES STEIN, came to New Orleans the week before December 24, 1967. He advised sometime during this week, the exact date unrecalled, he found a note in his doorway from STEIN, which read, "Didn't find you at home. call me at [REDACTED]". He stated he immediately called [REDACTED] STEIN's sister, and then travelled to her home on [REDACTED] Street, to see CHARLES STEIN, who he has known for twenty years, and is a very close friend.

He stated when he arrived at [REDACTED] house, to see STEIN. STEIN was wearing a beard, and immediately began talking to him about his new philosophy, "Cosmic Philosophy", which involves believing in space ships, space people on earth, and attempts to get closer to the Creator. He stated they held several long discussions about this philosophy, and due to his curiosity, he kept interrupting and asked STEIN how STEIN got to New Orleans. STEIN stated "The Creator provided for him", and by this comment STEIN meant that he had travelled from Los Angeles to New Orleans with a man he identified as GALT. STEIN advised DE CARVELHO that GALT was travelling through New Orleans to go to Mississippi or Alabama on business, and dropped him off, and would pick him up on his way back to Los Angeles. DE CARVELHO advised that STEIN did not mention anything else about GALT's background, other than the fact that GALT paid for almost everything on the trip with the exception of several motel bills, that were paid for by STEIN. DE CARVELHO advised that STEIN had only about \$30.00 in his possession, and he offered to give STEIN a loan, but STEIN declined, stating that he was no longer interested in material wealth, only in the "Cosmic Philosophy".

STEIN advised DE CARVELHO that he was on the threshold of converting GALT to the "Cosmic Philosophy", but he had to overcome a mental block that GALT possessed, and he hoped to complete the conversion on the return trip to Los Angeles.

STEIN advised him that GALT was a poor driver, and on one occasion he fell asleep at the wheel, ran off the road, and almost ran off a cliff. STEIN advised DE CARVELHO there was

no damage to the car, and unknown individuals pulled the car back onto the road, and they proceeded with their trip.

DE CARVELHO advised that STEIN remained in New Orleans only two days, and that he spent most of his time in the company of STEIN, as they were very close friends. He stated that GALT never came into [REDACTED] house, where STEIN was staying, and STEIN advised that GALT had gone somewhere about his business. DE CARVELHO stated this statement was STEIN's way of saying that he was not interested in talking about GALT, and possibly did not know where GALT was located.

DE CARVELHO advised the day that STEIN left New Orleans, he was at [REDACTED] house. When he arrived, an unknown individual was standing on the porch and as he approached the porch, STEIN stated to him, "This is GALT". He stated that this was very strange to him, as STEIN never referred to an individual by his last name. DE CARVELHO advised he held no conversation with GALT, and helped STEIN pack the trunk of the car. He advised that STEIN carried luggage for RITA STEIN's two children to the car, but they did not fit in the trunk of the car, due to some personal property of GALT's being located in the trunk. He advised this personal property of GALT's appeared to be a surveyor's transit, wrapped in a leather case, with a zipper that appeared to be somewhat similar to a golf bag. He stated that he advised GALT of the problem, and GALT walked to the trunk of the car, and rearranged it so that the luggage would fit.

He advised that he gave STEIN and GALT a map giving them directions as to how to get out of New Orleans, and they left New Orleans at approximately 2:30 p.m. He stated that while he was in the company of GALT, GALT did not say anything, and merely stood around with his head down.

He stated that the photograph of GALT that was taken in Los Angeles at the bartender school, did not resemble him, as he had a very shallow face, and the photograph that appeared on the IO and wanted flyer that was taken in 1960, were an excellent likeness of GALT, with the exception of the hair.

He described GALT as a white male, late twenties to early thirties, 5'10", 160 pounds, slim build, dark brown hair, light brown eyes, no distinguishing marks or characteristics, shallow face, and was dressed in a brown suit, with a sport shirt, and further described him as a "neat dresser".

He stated that STEIN mentioned to him, that GALT was a man of wealth or means, and either had a good job, or had inherited some money, but he did elaborate on this. He also stated that STEIN informed him that he and GALT stopped several time at unknown locations, between Los Angeles and New Orleans.

He stated by STEIN's very nature, STEIN would be reluctant to furnish the exact details of his trip and association with GALT to any law enforcement agency. He stated STEIN has a knack of associating with "characters". He also advised that STEIN was formerly married to [REDACTED]

[REDACTED]

DE CARVELHO advised the following individuals were present at [REDACTED] residence when CHARLES STEIN departed from New Orleans to Los Angeles:

[REDACTED]  
CHARLES STEIN  
GALT  
[REDACTED]  
[REDACTED]

ANTHONY CHARLES DE CARVELHO

He stated all of these individuals should have seen GALT, but that [REDACTED] and [REDACTED] would possibly not admit they saw GALT, due to ignorance, and a desire not to become involved in the investigation. He advised that he had no additional information concerning GALT and STEIN, and he knows of no other trips of GALT and STEIN to New Orleans since December.

Said warrant was issued by Judge LEO B. BLESSING on January 9, 1968. Miss BREWER exhibited a letter dated February 27, 1968, from the County of Los Angeles, Department of Public Social Services, regarding RITA ROSAS, ST Number [REDACTED]. The letter in part states Mrs. ROSAS brought the children to the Department of Public Social Services in Los Angeles on December 21, 1967, at which time she stated her brother, CHARLES STEIN, had brought the children from her mother's home in New Orleans on December 15, 1967. CHARLES de CARVELHO, [REDACTED], advised that when he observed the leather case in the trunk of the white Mustang driven by the individual introduced to him by CHARLIE STEIN as GALT, this observation took a total time of one minute or less. He stated this was a brown leather circular or oval case with a zipper. de CARVELHO stated he felt it was approximately the size of a golf bag. de CARVELHO stated it was not too heavy as he recalled GALT moved it easily in the trunk. de CARVELHO stated it was his impression and original thought that this case contained a surveyor's transit. de CARVELHO added that it conceivably could have been a camera tripod.

In addition to the above, de CARVELHO stated he noticed there was a brief case with rolled-up papers therein, possibly blueprints or like plans.

de CARVELHO stated that the total amount of time he saw this in a casual way precludes him from giving any more specific details regarding the true identity of whatever the object was.

de CARVELHO stated it was the impression that he received that STEIN, during the conversation with de CARVELHO, had said or implied that GALT was connected with an engineering or construction firm.

de CARVELHO stated it was also his impression STEIN was primarily interested in converting GALT to STEIN's cosmic philosophy. He further got the impression from talking to STEIN that GALT may possibly have been involved in politics in southern California. de CARVELHO stated that he did not know of any use of narcotics on the part of STEIN. de CARVELHO stated he thought STEIN may have smoked marijuana; however, added he had not actually seen this. de CARVELHO furnished the additional opinion that some of STEIN's friends may have

On May 1, 1968, [REDACTED], New Orleans, Louisiana, telephonically contacted the New Orleans Office of the FBI and provided the following information:

[REDACTED] by the name of [REDACTED], who may be able to provide information in regards to ERIC GALT and that he had persuaded [REDACTED] to be interviewed by the FBI. [REDACTED] stated that [REDACTED] would only consent to being interviewed in his office and in his presence.

[REDACTED] advised she is a very close friend of [REDACTED] nee [REDACTED] and she had seen GALT when GALT was in New Orleans during the month of December, 1967. She stated she is acquainted with the entire STEIN family and considers herself a close friend of all members of the family.

[REDACTED] advised that [REDACTED] the paternal grandmother of two sons of RITA ROSAS, nee Stein, somehow had RITA ROSAS' Social Security checks stopped and because of this, ROSAS had no money with which to support her four children. She stated because of this situation, RITA ROSAS' mother, [REDACTED] traveled to Los Angeles, California, in the Fall of 1967, exact date unrecalled, and returned to New Orleans with the two daughters of RITA ROSAS. She advised RITA ROSAS sent her two daughters with her mother, because she felt that [REDACTED] would not make any attempts to assume custody of the daughters, whereas she was certain that she would attempt to assume custody of her two sons.

[REDACTED] advised that [REDACTED] attempted to have the two children living with [REDACTED] declared wards of the State and placed in a juvenile home. She advised that these proceedings were instituted and the two children were even examined by a doctor from the New Orleans Welfare Board. [REDACTED] advised because of this situation she and [REDACTED] telephonically contacted RITA ROSAS and advised her that someone would have to return to New Orleans and take the children back to California or they would become wards of the State. She stated that ROSAS advised she could not make the trip as she did not have any money and she did not know what she would do about this situation.

[REDACTED] advised that several days later RITA ROSAS telephonically contacted [REDACTED] and advised her brother, CHARLES STEIN, had found a ride from Los Angeles, California, to New Orleans and that he would pick up the children and

return them to Los Angeles, California.

[REDACTED] advised that [REDACTED] had informed her that STEIN's ride was to be with a man he had met several days before and that he knew nothing about him and this man was not a friend of the family.

[REDACTED] advised that shortly before Christmas, 1967, she received a telephone call from [REDACTED] stating that CHARLES STEIN had arrived in New Orleans and was staying at her residence. She advised she cannot recall the exact date that STEIN arrived in New Orleans, but after reading the newspapers she felt it was December 17, 1967. She advised that [REDACTED] informed her that STEIN was to return to Los Angeles with the two children the following day.

[REDACTED] stated she did not go to [REDACTED] house that evening, but the next evening she and [REDACTED] prepared a dinner for CHARLES STEIN. She stated she arrived at [REDACTED] house that evening at approximately 8:00 and shortly thereafter, their telephone rang and the caller was ERIC GALT. GALT explained on the telephone that he was lost and was trying to find [REDACTED] apartment and that he was telephoning from an unknown restaurant at the corner of Elysian Fields Avenue and Burgundy Street. [REDACTED] advised that GALT was given directions as to how to find [REDACTED] apartment and that CHARLES STEIN sent her to the front porch to watch for GALT's white Mustang. She advised after several moments she saw the white Mustang come down [REDACTED] Street and she hollered at this individual and he stopped, parked the car and walked back to this apartment. She advised that STEIN introduced her to this individual and called the individual ERIC GALT. She stated GALT did not acknowledge the introductions and did not say anything. She advised she was in his company about five minutes and she then left [REDACTED] apartment.

She advised the next afternoon she tried to start her car, but it would not start and she decided to walk to [REDACTED]

3  
NO 157-10673

apartment to use her car as she had to go to the bank and it was about 1:30 in the afternoon. She advised when she arrived at [REDACTED] apartment, she saw a United Cab parked near [REDACTED] residence and decided to take the cab to the bank, but she could not find the cab driver. In a few moments she observed CHARLES STEIN, RITA STEIN's two children, ERIC GALT and a small white male walking from LEE's apartment, carrying luggage and packages. She advised she recognized this unknown white male as CHARLES deCARVELHO and she approached them to say goodbye to CHARLES STEIN and the children. She stated she took a shopping bag from one of the children and placed it in the back seat of GALT's white Mustang and wished them on a safe trip. She then learned that deCARVELHO was the driver of the cab and she left with deCARVELHO in the cab to go to the bank after deCARVELHO had bid his farewell to CHARLES STEIN.

[REDACTED] advised that while she was in GALT's company GALT did not speak and merely stood around with his head hanging downwards. She described GALT as a neat dresser, but not wearing the current style of clothing. She stated the day GALT and STEIN left New Orleans, GALT was dressed in a grey suit with a white shirt and tie and appeared very neat.

She stated GALT seemed to be an average individual in his thirties with no outstanding or distinguishing characteristics with the exception of a long thin nose and a thin face.

She stated she did not recognize GALT from the photograph that was printed in the newspapers since his face was much thinner and his hair was shorter.

[REDACTED] advised that CHARLES STEIN is now a believer in the cosmic philosophy and "a true believer in God." She advised this is a complete change from the CHARLES STEIN she formerly knew and she held a long discussion with STEIN about this new philosophy on his trip to New Orleans. She was advised by STEIN that MARIE "MINNIE" MARTIN had

met an individual in a bar where she worked in Los Angeles and had heard this individual state he was coming to New Orleans on business and she arranged for STEIN to travel with this individual. She stated STEIN also informed her this individual, ERIC GALT, requested that he register for GEORGE WALLACE in California before they departed and STEIN did so. STEIN also informed her GALT paid for everything on the trip, including all food, gas and motel bills and, further, advised that STEIN showed her the twenty dollar bill he had in his possession when he left Los Angeles and still had in his possession when he arrived in New Orleans. She advised that she did not feel that [REDACTED] would lie to her about CHARLES STEIN's knowledge of or association with GALT and she believed both STEIN's and [REDACTED] statements that STEIN did not know GALT and had only met him several days before the trip.

She stated she did not feel that STEIN and GALT would have been involved in any illicit drug activity in California and based this statement on the fact that STEIN claimed to have known GALT only several days before the trip.

She stated she did not know if STEIN had fixed GALT up with any women while they were in New Orleans. She stated CHARLES STEIN asked her if she would like to go out with GALT and show him the town, but she declined. She advised STEIN did not press the issue and if he had, she would have gone out with GALT as a favor to STEIN. She stated STEIN has been out of touch with the people of New Orleans for several years and did not know if he would have been able to fix GALT up with anyone in New Orleans. [REDACTED]

[REDACTED] again advised the individuals present when CHARLES STEIN departed from New Orleans were herself, ERIC GALT, RITA STEIN's two children, [REDACTED] and CHARLES deCARVELHO.

[REDACTED] advised she knew of no other trips made to New Orleans by GALT or STEIN and she did not know of any

5  
NO 157-10673

packages being delivered to relatives of MARIE MARTIN in New Orleans by GALT.

She stated she knew of no further information she could furnish concerning this matter and added she had not come forward sonner because of a request of [REDACTED] for her not to become involved as [REDACTED] did not feel she could furnish the FBI with any important information.

She stated if it should be necessary to recontact her, ( that [REDACTED] who was present during the interview, should be contacted at his office at [REDACTED] and [REDACTED] would contact her and make her available for interview.

[REDACTED] advised that [REDACTED] no longer has money and his present whereabouts and occupation are unknown. [REDACTED] said subject was unknown to him by name or aliases.

[REDACTED] inmate, Orleans Parish Prison, with prior convictions for safe burglary and robbery, advised he was among several individuals who were quite friendly with [REDACTED] however, he did not consider [REDACTED] a fence, although he would help anyone, even those in illegal activity, so long as they were not being sought by the law. [REDACTED] said he knows of no one in the New Orleans area by the name of [REDACTED] who has any association with criminal element and that [REDACTED] is the only one he can recall who has a similar name. He said [REDACTED] no longer has money, that he just "gave it away." He said [REDACTED] is probably living with his sister, whose husband is the [REDACTED] for [REDACTED]. He said, however, that not one turn out good and some of them stole as much as \$6,000 in six months from him.

ROBERT CAMERON, Flight Schedules, Delta Airlines,  
New Orleans, Louisiana, advised that the following was the  
crew of Delta Flight 725 on April 1, 1968:

J. H. FLEET, Captain, [REDACTED] Prairieville,  
Louisiana, who is currently out of town and will return on  
April 24, 1968:

M. K. JONES, First Officer, [REDACTED]  
Metairie, Louisiana.

MAX K. JONES, [REDACTED] Metairie,  
Louisiana, advised as follows:

He was assigned as First Officer on Delta Airlines  
Flight 725 on April 1, 1968. He said the flight originated  
from Newark, New Jersey, and travelled to New Orleans, Louisiana,  
with stops at Washington, Atlanta, Georgia, and Birmingham,  
Alabama. He said that he was on board this flight during the  
entire trip. He said that during this flight, he remembers  
that a stewardess brought a box containing a gun to the cabin  
of the plane. He said that he can only remember this box as  
being large enough in size to carry a rifle. He said he does  
not know the name of the stewardess who brought the box to the  
cabin nor does he remember when she brought it to the cabin or  
when it was removed from the cabin. He said that it is normal  
policy for Delta to put any weapons carried by passengers in the  
pilot's cabin. He was exhibited several photographs of JAMES  
EARL RAY and stated that he does not believe he ever saw this  
person before.

Date April 25, 19681

Captain JOHN A.R. PEART, Delta Airlines, was interviewed at New Orleans International Airport, and furnished the following information:

He recalls that approximately two to three weeks ago, exact date and flight unknown, that one of the stewardesses on board this particular flight, placed a weapon in the cockpit for safekeeping during this particular flight. Captain PEART commented that he believed this weapon was a shotgun, enwrapped in some type of a box. He stated he did not recall any specific markings or names on the box, and paid little attention to the incident, since it is routine to have various weapons placed in the cockpit during flights. Captain PEART further advised that he did not recall the name of the stewardess who placed the weapon in the cockpit, inasmuch as he is not certain of the particular flight involved or date.

Captain PEART was shown five photographs, including one of the subject, which he could not identify as anyone he had seen aboard his aircraft over the past several weeks. He further indicated that most of his time is spent in the cockpit and as such, he would have little opportunity to observe the passengers.

A review of her telephone log for the period December 15-17, 1967, failed to show any calls to or from Houston, Texas. A review of records of her office for the period December 15-17, 1967, showed cars checked in and checked out of her office only to persons of local companies whom she knows. None of the cars checked in or out during this period were in the names of any strangers.

Mrs. GRIFFITH added that the area telephone code for Lake Charles, Louisiana, is 318. She added that her company is the subscriber to Lake Charles telephone number 477-0616 and has had this number for over three years.

Re: WANDA's Seven Seas Restaurant  
New Orleans, Louisiana

On April 30, 1968, information was received from the Jackson Office of the Federal Bureau of Investigation that a person closely resembling photographs of JAMES EARL RAY had been observed in Wanda's Seven Seas Restaurant, New Orleans, Louisiana, in December, 1967. On this particular occasion a minor brawl resulted and several arrests were made as a result of a dog being brought in by one of the customers. It was not recalled whether the individual resembling RAY was one of those arrested.

The following investigation was conducted at New Orleans, Louisiana, by SA [REDACTED] on April 30, 1968, and May 1, 1968:

A review of New Orleans City and Suburban Directories and current New Orleans Telephone Book failed to contain a listing for a Wanda's Seven Seas Restaurant in New Orleans; however, listed was a Wanda's Seven Seas Bar, 608 Iberville.

WANDA LORMAND, owner, Wanda's Seven Seas Bar, 608 Iberville, advised that she recalls no disturbance at her place of business during December, 1967 involving an argument over a dog brought into her bar. She also advised she does not recall any arrests being made at her bar during the past six months. She viewed photographs of JAMES EARL RAY but with negative results.

ANN UHLICH, [REDACTED], and who is employed as a night barmaid at Wanda's Seven Seas Bar, advised that she does not recall any disturbance at that bar in December, 1967 involving an argument over a dog brought into the bar. She advised that sometime during December, four or five persons were arrested outside the bar one night for fighting. However, she stated she could recall no specific details regarding this incident. She advised after viewing photographs of JAMES EARL RAY that he was unknown to her by either name or photograph.

BONNIE (LAST NAME UNKNOWN), who declined to furnish her last name or address and who is employed as a barmaid at Wanda's Seven Seas Bar, advised after viewing photographs of JAMES EARL RAY that she is certain this person has never been served at that bar. She also advised she does not recall any incident occurring during December, 1967 in which arrests were made following an argument involving a dog brought into the bar.

BILL KILEEN, Manager, Marian's Bar, 615 Iberville, was contacted and subject's photograph displayed. KILEEN advised photographs of RAY unknown to him, and he is certain this person had never been observed by him either at his own bar or at any of the other bars he frequents on Iberville Street.

DANA BARGER, who frequents on a regular basis Wanda's Seven Seas Bar, and who is currently employed at [REDACTED], advised after viewing photographs of JAMES EARL RAY that he is certain he has never observed this person at Wanda's Seven Seas Bar.

CHARLES TAYLOR, also known as Cookie, who frequents Wanda's Seven Seas Bar on a daily basis and who resides at [REDACTED], advised after viewing photographs of JAMES EARL RAY that he is certain he had never observed RAY at either Wanda's Seven Seas Bar or at any of the other bars he frequents in the 600 block of Iberville Street.

[REDACTED] New Orleans Police Department, advised that he can recall no incident involving several arrests at Wanda's Seven Seas Bar in December, 1967. He advised he would discuss the matter with other detectives, and if any persons contacted could recall the incident he would immediately advise the Federal Bureau of Investigation. [REDACTED] further advised that the New Orleans Police Department maintains on a daily basis a master list of all complaints received and arrests made in the New Orleans area. This list would contain the address at which an arrest was made or from which a complaint was received, the date this occurred, and the New Orleans police item regarding the incident. He advised that these usually number several hundred each day, and for the month of December, 1967 would total approximately five thousand. He advised he would have one of his detectives check this list for any arrests made during December, 1967 at Wanda's Seven Seas Bar.

[REDACTED], New Orleans Police Department, advised that a check by him of the master list of all complaints and arrests made by the New Orleans Police Department during December, 1967 showed that on Sunday, December 17, 1967, at 9:53 PM, four persons had been arrested for fighting outside Wanda's Seven Seas Bar, 608 Iberville. This information was listed under Item #12 544-67. [REDACTED] further advised that the arrest involved three white males and one Negro male who were all released the same day on bond. None of the arrested persons were photographed or fingerprinted.

A check of records at the Record Room, New Orleans Police Department, under Item #L 12 554-67, showed that the following persons were arrested on December 17, 1963, at 9:53 PM outside of Wanda's Seven Seas Bar, 608 Iberville:

He advised that a fight occurred between a white and Negro male outside the bar and that two other white males attempted to interfere. All these persons were arrested and charged with fighting, and in addition one of the white men was charged with firing a pen gun and resisting arrest. [REDACTED] viewed photographs of JAMES EARL RAY but with negative results. However, he advised he is certain none of the persons arrested by him on that date was RAY or even resembled him.

[REDACTED] New Orleans Police Department, advised that he recalls making an arrest in December, 1967 involving three white males and one Negro male who were charged with fighting outside of Wanda's Seven Seas Bar. He advised that he could not specifically recall what these persons looked like and after viewing photographs of JAMES EARL RAY stated he is fairly certain none of the persons resembled RAY. He also advised that he regularly works in the area of town where Wanda's Seven Seas Bar is located and is certain he has never observed RAY in that part of town.

[REDACTED]

NO 157-10673

The following investigation was conducted by  
SA [REDACTED]

[REDACTED] was interviewed at his residence, [REDACTED], Metairie, Louisiana, on May 9, 1968. [REDACTED] who stated his business address is [REDACTED] Jefferson Parish, Louisiana, advised as follows:

[REDACTED] is a native of [REDACTED] Louisiana, and is currently associated in a business partnership with [REDACTED] at [REDACTED], Louisiana. Denham Springs is located nine miles distant from Baton Rouge, Louisiana.

[REDACTED] is well acquainted in [REDACTED] and knows nearly all of the businessmen in that community, including those who are reportedly members of the Ku Klux Klan and who are considered to be strong segregationists.

[REDACTED] was in [REDACTED] in the Summer of 1967, at which time there was considerable racial strife taking place, including marches by Negro groups and opposition being presented to these marches by those individuals with strong segregation beliefs. [REDACTED] stated that he himself is a liberal in his view towards Negroes and that he did not participate in any of the activities that took place in [REDACTED] in the Summer of 1967. He stated, however, that he did frequently converse with individuals whom he considered to be members of the Ku Klux Klan. [REDACTED]

[REDACTED] stated that at no time during this period did any information come to his attention that there were businessmen in [REDACTED] Louisiana, or in Baton Rouge,

Louisiana, who were taking up a collection to obtain money to have MARTIN LUTHER KING, JR., assassinated. [REDACTED] does not recall of having heard the name of KING even mentioned during the Summer of 1967, nor does he recall any information which would indicate there was a plot to kill any particular Negro or any individual of any race for that matter.

[REDACTED] is against violence and if any information such as a plot to kill anyone had come to his attention, he would promptly notify an appropriate law enforcement agency.

During the Fall of 1967, [REDACTED] recalls that an individual subsequently known to him as [REDACTED] appeared at the [REDACTED] in [REDACTED] making claims to [REDACTED] that he could obtain considerable financing from a [REDACTED] family in Miami, Florida. [REDACTED] became interested in [REDACTED] proposition and ordered [REDACTED] to accompany [REDACTED] to Miami, Florida, which he did and at which time he and [REDACTED] met with a [REDACTED]. It developed, however, that [REDACTED] did not previously know the [REDACTED] family and further that [REDACTED] actually had no contacts or was not in a position to obtain financing for [REDACTED].

It was during the trip to Miami, Florida, that [REDACTED] realized that [REDACTED] had an apparent mental problem. [REDACTED] recalled that while staying in motels in Florida, [REDACTED] at times became most irrational and envisioned that he was being followed by Federal Agents.

After the Florida trip, [REDACTED] continued to hang around [REDACTED] in [REDACTED] Louisiana, at which time [REDACTED] wife was also present. In [REDACTED] opinion, [REDACTED] wife is also an irrational person.

On one occasion, [REDACTED], who was doing some work for [REDACTED], took [REDACTED] personally owned vehicle with the permission of [REDACTED] on a business trip. [REDACTED] wife accompanied [REDACTED] on this trip and they did not return as scheduled. The vehicle was subsequently located in Mississippi in an abandoned position. Also at this same time, [REDACTED] and [REDACTED] discovered that [REDACTED] had stolen some property from the company, such as a portable electric typewriter, a brief case full of valuable engineering fittings, a telephone credit card and other miscellaneous items. Also taken from the [REDACTED] vehicle was a .38 Police Special Revolver which was a sentimental keepsake which had been given to [REDACTED] by his father.

The theft of these items was reported to law enforcement agencies but [REDACTED] subsequently decided not to press charges. The revolver has never been recovered by [REDACTED] and he does not presently know its whereabouts.

[REDACTED] heard from some unrecalled source several months ago that [REDACTED] either was or is presently confined to a mental institution. He has not seen [REDACTED] since late Fall of 1967.

[REDACTED] was a braggart by nature, frequently announced his animosity towards Negroes but was never known to [REDACTED] to have specifically mentioned MARTIN LUTHER KING or any other particular Negro. [REDACTED] frequently bragged that he had contacts with the underworld but never specifically mentioned anyone by name.

[REDACTED] concluded that he is at a loss to explain why it is alleged that he possessed information concerning a plot to raise money to kill MARTIN KING. He stated that he wanted to cooperate fully with the FBI, which agency he admires considerably and that if any further recollection

concerning the Summer of 1967 in [REDACTED] came to him, he would promptly advise the New Orleans Office.

[REDACTED] described [REDACTED] as a white male, six feet two inches tall, 36 years of age and possessing blonde wavy hair. During the Summer of 1967, [REDACTED] personally owned a 1967 Oldsmobile, white over black, bearing Texas license [REDACTED]

ADMINISTRATIVE:

No leads are being set forth in this report as all have been handled by telephone or teletype during the period covered in this report.

One extra copy is being furnished to the Memphis Office marked "Hold" for the U. S. Attorney, Memphis, which may be released only upon Bureau authority.

The voluminous negative information is not being reported herein as it would serve no useful purpose. However, in separate volumans of the Birmingham file related to this matter, all such investigation is recorded including elimination of numerous "look-alikes" and suspects.

In accordance with Bureau instructions each informant including CI's and PCI's as well as logical racial informants and sources of information have all been contacted personally during the period covered herein and each such individual has been supplied a copy of the Identification Order for RAY together with exhibition of several views of his photographs. This has resulted negatively to date.

The confidential source whose interview is set forth in this report at length who was a former inmate of subject RAY at the Missouri State Penitentiary is [redacted] who resides at [redacted] Alabama, and is presently employed at [redacted] Alabama. He is being contacted on a regular basis and it is believed that should he receive a call from subject RAY that he will notify the Birmingham Office immediately. It was deemed advisable not to

disclose his identity in this report since he is apprehensive of possible retaliation by former inmates should it become known that he is being contacted by FBI Agents. Contacts with him have been had after his regular work-day hours in order that he not be compromised.

In connection with the information furnished in the body of this report regarding the possibility that subject RAY may have known that there were "beer joints" near Birmingham, the following is noted:

The location of the "beer joints" described is in close proximity to the terminus of the navigable Warrior River upon which large tow barges operate to port Birmingham and Cordova, Alabama. The Warrior River is navigable from these locations through the length of Alabama to Mobile thence by Inter-coastal canal to New Orleans and from there up the Mississippi River. Birmingham contemplates additional investigation on the possibility that RAY during the period 1958 to 1960 may have, in fact, been employed as a deck hand or cook on one of the barge lines operated on the Mississippi-Warrior system.

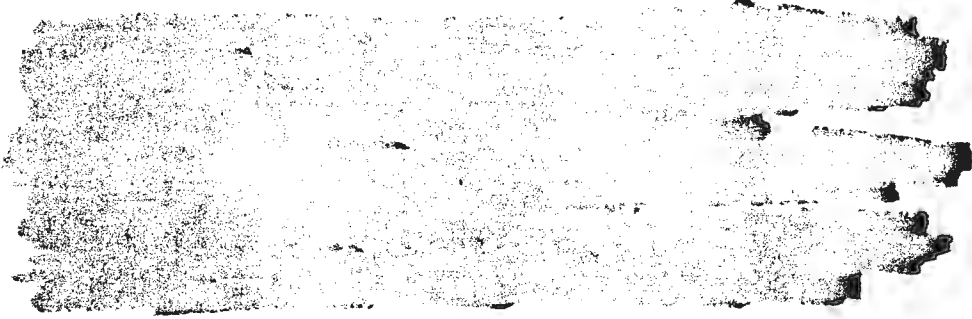

In connection with the information furnished by [redacted] it was thought advisable to [redacted] determine whether there might be any possibility of his having been contacted [redacted] by subject RAY.

Date May 15, 1968

[redacted] Alabama, furnished the following:

She is married to [redacted] a former inmate at the Missouri State Penitentiary, Jefferson City, Missouri. [redacted] stated her husband never identified JAMES EARL RAY as a person known to him after or during the time when RAY's photograph and name were appearing frequently on TV and in newspapers and also stated her husband had never commented anything about RAY until about May 3, 1968, when [redacted] was first contacted by the FBI in an effort to locate her husband. Her husband then told her that the FBI was seeking him concerning a man he had known in the penitentiary who had carried hot water to the prisoners' cells.

[redacted] stated that neither she nor her husband, to her knowledge, has ever received any telephone calls from any unknown men who were attempting to contact her husband and who could be identical with JAMES EARL RAY. She stated she has never been contacted at her residence by anyone resembling RAY who was looking for her husband. She was unable to identify any photograph of RAY as a person ever seen by her at any time.

She stated that from June, 1967, until January, 1968, she and her family had not resided at [redacted] but had resided in a rural area outside of [redacted]. During the same time, however, they had kept the same telephone number they had had prior to moving from [redacted]. In January, 1968, they moved back into the house at [redacted].

In connection with the information [redacted] that JAMES EARL RAY had identified several bars and night clubs in Northwest Jefferson County, Alabama, the following investigation was conducted on May 8, 1968, by Special Agents [redacted] and [redacted]:

GLADYS KEY, who was formerly known as GLADYS HAYWOOD, wife of C. C. HAYWOOD, and also known as "XAVA" HAYWOOD, stated she operated, along with her former husband, C. C. HAYWOOD, the Riverview Night Club from July, 1958, until 1964. This place is located on the Warrior River in northwest Jefferson County. Mrs. KEY stated she could not recall any former customer during the period 1958 - 1960 who was identical with JAMES EARL RAY. She further advised that the photographs of RAY were not identical with any person she recalls seeing at the Riverview Night Club from 1958 to 1960 or at her present bar from April, 1967, to the present time.

Mrs. KEY is presently operating the "Little Warrior River Cafe," which is located one-half mile from the Riverview. Mrs. KEY's employee, MARLENE KILCOPE, also was unable to identify the photograph of RAY as a customer she has ever seen in the Little Warrior River Cafe.

Mr. C. C. HAYWOOD, owner of the Riverview Night Club since 1958, advised he was unable to identify photographs of JAMES EARL RAY as a customer who came to his place either in 1958 to 1960 or since April, 1967. The photographs of RAY were also shown to HAYWOOD's barmaid, Mrs. ELLEN SICKLES, and to Mrs. C. C. (PHYLLIS) HAYWOOD, who were unable to identify photographs of RAY as anyone they had seen in the Riverview.

MAMIE MITCHELL, Manager of Rose's Place on Old U. S. Highway 78, Route One, Dora, Alabama, advised she has operated this "beer joint" since 1963. In 1958 it was known as "Johnny's Place" and in 1960 it was known as "Parker's Place." When MITCHELL took over in 1963, she named it "Mamie's Place" and changed the name to "Rose's" in 1964. Mrs. MITCHELL was unable to identify a photograph of JAMES EARL RAY as a person she has ever seen in her bar.

BH 44-1740

ED POLLIS, operator of the Allstate Cafe, U. S. Highway 78, advised he and his brother, HAROLD POLLIS, had been operating the Allstate Night Club and Allstate Cafe as two separate businesses since 1957. POLLIS stated he could not identify any of the photographs of JAMES EARL RAY as a person he had ever seen at the Allstate Cafe either during the period 1958-1960 or since April, 1967. HAROLD POLLIS was also unable to identify subject RAY after viewing the photographs.

ELEANOR POLLIS, wife of ED POLLIS and who works as a waitress at the Allstate Cafe, identified the 1967 and 1968 photographs of JAMES EARL RAY as a person she has seen at the Allstate Cafe. She stated that quite frankly she is unable to furnish any other information whatsoever about the person she identified as RAY, as to description, time seen at the cafe, automobile used, or anything else. She was quite definite in that she had seen RAY at the cafe.

MYRTLE NELSON, cook at the Allstate Cafe, identified the 1967 and 1968 photographs of JAMES EARL RAY as a person she had seen in the Allstate Cafe as a customer. She stated, however, she could not furnish any other information whatsoever concerning this person.

Both Mrs. POLLIS and MYRTLE NELSON stated they would give the matter considerable thought in an effort to recall any other information concerning the individual they identified.

The following signed statement was furnished by CLYDE R. MANASCO, [redacted], Birmingham, Alabama, clerk at the Gun Rack located at 1507 S.W. 31st Street, Birmingham, Alabama:

"Birmingham, Alabama  
April 18, 1968

"I, CLYDE MANASCO, having viewed seven photographs exhibited to me by Special Agent [redacted] of the Federal Bureau of Investigation, have selected the photograph of ERIC STARVO GALT as appearing similar to the man who came to The Gun Rack Store, Birmingham, Alabama, where I am employed, and made inquiry regarding high-powered rifles and scopes. I believe the date the man appeared at The Gun Rack was March 27, 1968. The photograph of a man identified as ERIC STARVO GALT appears identical to this man with the exception in the photograph ERIC STARVO GALT's face appears slightly broader than I recall the man who was in The Gun Rack.

"I have read this statement and it is true to the best of my knowledge.

/s/ CLYDE R. MANASCO

"Witnessed:

In addition to information furnished in the signed statement, Mr. MANASCO advised that as he had previously stated, the man who was in The Gun Rack making inquiry regarding high-powered rifles had light brown hair.

Mrs. WILLIAM DAVID PAISLEY, SR., [REDACTED], after viewing photographs of ERIC STARVO GALT, said she could not be sure if this is the man she observed buy a white 1966 Mustang from her husband in August, 1967. She stated that her recollection of this man is admittedly vague as she paid no attention to him, but, as best she could recall, the photograph of ERIC STARVO GALT did resemble the purchaser, except that the man in the photograph has a fuller face than the purchaser and the hair in the photograph is too dark. She said the mouth and the nose in the photograph definitely remind her of the purchaser.

WILLIAM DAVID PAISLEY, JR., [REDACTED]  
[REDACTED] Birmingham, after viewing photographs of ERIC STARVO GALT, advised that the photographs showing GALT's eyes as being shut resembles the person known to PAISLEY as ERIC STARVO GALT, who purchased a 1966 white Mustang from PAISLEY's father in August, 1967. PAISLEY commented that it appeared GALT had put on some weight since PAISLEY had last seen him in August, 1967, as GALT's face in the photograph appears fatter than what PAISLEY recalls. After studying the photographs of GALT for several minutes, PAISLEY commented that the more he looked at the photographs the more he believed that they were identical with the ERIC STARVO GALT who purchased the Mustang.

PAISLEY added that he did not wish to make a positive identification at this time based on the photographs, and stated he could probably make a more definite identification if he could see GALT in person.

[redacted] Alabama, was interviewed at [redacted] and furnished the following:

[redacted] entered the Missouri State Penitentiary, Jefferson City, Missouri, [redacted] after having been convicted in Kansas City, Missouri, [redacted] and receiving a [redacted] sentence. He stayed "inside the walls" at Jefferson City until [redacted]

During his incarceration, [redacted] became acquainted with one [redacted] (phonetic). [redacted] had told that [redacted] had some relatives in Baton Rouge, Louisiana, and [redacted] was serving a [redacted] sentence after being convicted in Kansas City, Missouri, for [redacted]. [redacted] had also claimed to [redacted] that when he was arrested by the Kansas City Police Department he, [redacted], had in his possession the name of a notorious Kansas City gangster, which had been given to [redacted] by a New Orleans friend. [redacted] did not identify either of these two names, but claimed he was questioned "thoroughly" by the Kansas City Police Department about this name [redacted] had in his possession.

[redacted] claimed he and [redacted] became good friends during this time and sometime in [redacted] [redacted] through [redacted] met JAMES EARL RAY, another inmate at the penitentiary. This meeting took place in the prison yard at a time shortly after the assassination of President KENNEDY. At the time of the meeting, RAY was involved in a poker game and [redacted] told [redacted] that he, [redacted], was a personal friend of RAY's, who was doing twenty years for robbery. [redacted] introduced RAY to [redacted] as "JAMES RAY" and told [redacted] that everyone called him "RAY." Later, at an unrecalled time, [redacted] told [redacted] that he, [redacted], had known "RAY"

in Atlanta, Georgia, and that they [redacted] and RAY) had committed a robbery in Atlanta together. [redacted] claimed [redacted] had told him that [redacted] and RAY had robbed a oil company about midnight after having watched it for about a week. [redacted] also told [redacted] that [redacted] wife and three children were then, 1963 or early 1964.

[redacted] also recalled that [redacted] had told him he was serving a sentence for [redacted] and [redacted] had both been in the same jail at Kansas City, Missouri, at the same time but were in different tanks and did not actually meet until they got to prison.

[redacted] stated he was present during about three or four conversations between [redacted] and RAY, but that [redacted] and RAY never had any detailed conversation of any kind. [redacted] recalls in one of these conversations in late 1963 RAY said to [redacted] that he, RAY, was going to escape from the "pen" and that RAY knew a "guy named COOLEY" who could hide RAY where no one could find him. [redacted] claimed that RAY also stated that COOLEY would pay \$10,000 to anyone who would kill MARTIN LUTHER KING. In other conversations, [redacted] recalled RAY talking about tunnelling out of the penitentiary, if he had to, and going to Liberia where RAY claimed he had a brother-in-law living, who was "making good money." [redacted] recalls that at another time, in discussing the assassination of President KENNEDY, [redacted] stated he did not believe anyone should kill the President, to which RAY said that he, RAY, would have done it himself if he had had the chance, and that KENNEDY "was nothing but a damn Catholic." According to [redacted], RAY often expressed his hatred for Catholics and Negroes.

[redacted] also recalls RAY claiming he knew where a cave was located in Virginia, where RAY could hide upon his escape. [redacted] believes that one of the prisoners who overheard some of these conversations was [redacted]

BH 44-1740

[redacted] claims that [redacted] told [redacted] on more than one occasion that RAY had killed three Negroes in the penitentiary with a "shiv" (knife). [redacted] claimed he did not know the details concerning these alleged killings.

[redacted] believes he once [redacted] [redacted] recalls RAY stating that Birmingham was a good town to steal in and that RAY had once stole a car in Birmingham before he was arrested in Kansas City. [redacted] was of the opinion that RAY, at the time he met him, was living in "C" Hall and was working in the license plate plant. [redacted] further stated he believed RAY was left-handed, smoked Winston cigarettes, walked pigeon-toed, and had a Zippo lighter with the initials "J.R." scratched on it.

[redacted] claims he knows of no lottery or gambling operation conducted by [redacted] in which RAY took an active part.

[redacted] stated he would cooperate with the FBI in any way possible and was doing so, not for any reward, but because he felt he should.

Confidential source, whose reliability has not been established, advised that he was received in the Missouri State Penitentiary during \_\_\_\_\_, and was immediately placed in quarantine for a thirty-day observation period which is required of all new prisoners and thereafter he was assigned to \_\_\_\_\_, and scheduled to work in the \_\_\_\_\_. In this connection, the source stated that there is only one inmate to a cell and that the Missouri State Penitentiary has five halls within the prison wall which house prisoners.

\_\_\_\_\_ first became acquainted with JAMES EARL RAY, \_\_\_\_\_ worked daily in J Hall as a "Walk Boy." The source explained that the duties of JAMES EARL RAY as a "Walk Boy" were to take orders for cigarettes, gum, candy, etc., which could be purchased within the prison and to bring hot water for shaving and instant coffee to the inmates. The source added that JAMES EARL RAY was the only "Walk Boy" in J Hall and further that he was free to contact any inmate and could move throughout the hall freely. He pointed out that this was RAY's only duty in the hall and that he could remain inside during working hours, having no other assignments.

\_\_\_\_\_ RAY mentioned beer joints like the All State Tavern, another beer joint which \_\_\_\_\_ was Rose's Place and Riverview Cafe.

RAY said that he had visited or stayed in the Birmingham, Alabama, area in the past; however, RAY never mentioned any associates, acquaintances, friends, relatives or employments in the State of Alabama.

[REDACTED]

The source said that RAY never discussed his family nor did he ever indicate from which part of the United States he came from, but the source believed that RAY was from the southern part of the United States only because RAY never indicated where he was from.

[REDACTED]

The source said that RAY was a very quiet individual, soft spoken, calm, clean, never laughed or enjoyed a good story, solemn face, and remained to himself most of the time. The source advised that he would often see RAY in the prison yard and on occasion attempted to strike up a conversation with RAY, but he never appeared interested so the source gave up trying to make conversation with RAY.

The source said that the only topic which would arouse RAY's interest was the subject of money. The source

stated that on one occasion during a conversation with RAY, RAY said "One of these days if I ever get out of here I am going to make myself a bunch of money." When source asked how he intended doing this, RAY replied he had contacts and there are more ways of making money than robbing banks. Source then asked RAY what his plan was, to which RAY replied "The Businessmen's Association has offered \$100,000.00 for killing MARTIN LUTHER KING and he's five years past due." The source stated he then asked RAY what the Businessmen's Association was, to which RAY replied "I don't know but I will find out." The source added that this was the first and last time RAY ever mentioned MARTIN LUTHER KING nor did he ever again mention the Businessmen's Association in his presence.

The source said that RAY told him that he always worked alone and therefore limited the possibility of being caught and said "I have got a place picked out where I can hide," never mentioning where the place was located.

The source stated there was a prison cigarette lottery going on almost daily in J Hall and that RAY was involved in this lottery, delivering wagering tickets as well as picking these up and would deliver the winnings to inmates each night. He said there were two separate lotteries in J Hall. One lottery was run by two inmates named [redacted] and another individual from St. Louis, Missouri, name unknown. The source described this individual as a [redacted]

[redacted] The source said the other lottery in J Hall was run by an individual nicknamed [redacted] who was doing a [redacted] sentence and described him as a white male, [redacted] occupied either cell [redacted] or [redacted] in J Hall, [redacted]

The source said that he did not like [redacted] wagering odds so he always placed his wagers with the individual nicknamed [redacted]. The source stated that [redacted]

4  
BH 44-1740

RAY would always handle the wagers since he could talk to any inmates in the cellblock and was reimbursed by [REDACTED] and [REDACTED] for this service. Source estimated that there were approximately two dozen lotteries being operated in the Missouri State Penitentiary, which consisted of five separate halls housing the prisoners.

The source advised that he never saw RAY run narcotics or handle contraband at any time and on one occasion RAY showed him his arms to prove that he had never been addicted to narcotics. The source added that he never observed RAY with any large sums of money.

The source advised that there was an organization being operated at the Missouri State Penitentiary by the inmates and this organization was called "Cooley's Organization." The source said that this was a protection and enforcer organization and that while en route to the Missouri State Penitentiary he first became aware that such an organization existed. The source advised that he [REDACTED]

[REDACTED] became acquainted with a prisoner, whom he described as a "four time loser." The source said that [REDACTED]

[REDACTED] had previously served time at Missouri State Penitentiary and was being returned to this penitentiary. The source said that when [REDACTED] learned that he also was en route to the Missouri State Penitentiary, [REDACTED] advised him to join the Cooley's Organization at the Missouri State Penitentiary since he would need to get along with other prisoners and be being a member of this organization, he would obtain "special favors." The source said that [REDACTED] informed him that the Cooley's Organization would settle any grievances he may have while at Missouri State Penitentiary against other prisoners and that this was a very powerful organization, having influence with guards and could even, for a price, arrange "a murder."

5  
BH 44-1740

The source advised that after his release from quarantine, he again observed [redacted] who was then working in the mess hall at the Missouri State Penitentiary. The source advised that he then approached [redacted] and told [redacted] that he desired to join the Cooley's Organization and at this time gave him a \$10.00 canteen book, pointing out that the membership fee to join the Cooley's Organization was \$10.00 and that this membership fee would make an inmate a paid up member as long as he was in prison. The source advised that [redacted] told him that he would obtain his membership for him.

[redacted] always felt that RAY was a member of the Cooley's Organization since he was so trusted. However, RAY never said to him that he was a member nor did he ever ask him.

The source said that his membership card was type written with his name on it and had the heading "Membership Cooley's Club." The source said that this membership card was like a credit card and it could get an inmate credit on purchases of candy and other sundries but could not be used for credit purposes on lotteries.

The source advised that he had two or three differences with prisoners over wagers while in J Hall and upon getting no satisfaction, he personally contacted [redacted] in the mess hall at which time he displayed to [redacted] his membership card and filed his grievance with [redacted]. The source stated that [redacted] informed him that he would handle this complaint; however, the fee for handling his grievance was 50% of what was due a prisoner.

The source stated that [redacted] was later transferred from the mess hall to the Church Farm, which is located outside the prison wall at Missouri State Penitentiary. The source said that prior to [redacted] departure, [redacted]

6  
BH 44-1740

contacted him and instructed him who to see in the future to take complaints should he have any additional grievances. At this point, the source pointed out that most grievances would be placed either at the mess hall or the prison yard, noting that only during these periods of time all the inmates from different halls could talk with each other. The source added that he was unable to furnish any description of name of the individual he was instructed to contact in the mess hall after the departure of [REDACTED] since he had no further complaints [REDACTED]

The source stated that the Cooley's Organization was operating when he arrived at the Missouri State Penitentiary and was still doing business when he departed and he felt that this operation had been started and maintained by old cons who are now trustees and who reside in A Hall, which is the trustees' barracks. He added that he personally feared the power of the Cooley's Organization as did other inmates and in his opinion, he personally felt they could render retaliation regarding him if they became aware that he gave information concerning their organization.

The source said that during the time RAY was assigned to J Hall, he had attempted an escape which was unsuccessful and thereafter he never saw RAY again since RAY was not returned to J Hall [REDACTED]. He said that [REDACTED] he did hear that RAY successfully escaped from the Missouri State Penitentiary by hiding himself in a bread truck.

The source was asked if there ever circulated at Missouri State Penitentiary a rumor concerning the killing of three Negro inmates and if RAY's name was ever mentioned as a suspect or being involved in these killings. The source said that he did learn that when prison authorities first tried to integrate the prisoners, four white men with pillowcases over their heads waited

7  
BH 44-1740

for five Negro prisoners to enter the shower room on one occasion and stabbed three of the Negroes to death, wounded a fourth and the fifth escaped. He said that at no time did he hear any rumor that RAY was involved in these killings.

The source said that the inmates located in J Hall at the time he was also lodged there and who could possibly furnish additional information concerning RAY were [redacted] cell [redacted] and [redacted] cell [redacted]

Source advised that another inmate, name unknown, who occupied cell [redacted] was a lottery player. Another inmate, name unknown, nicknamed [redacted] was a [redacted]

This source was displayed numerous photographs of JAMES EARL RAY and advised that all photographs bear a close resemblance to RAY; however, he specifically identified the photograph of JAMES EARL RAY taken at the Missouri State Penitentiary during the time he was incarcerated. The source said that he would have no difficulty in identifying RAY should he ever see him again, even if he attempted to disguise his identity; giving as his reasons that RAY was definitely "slough-footed" and his toes pointed out noticeably when he walked causing his heels and soles to wear down on the outside edges. He has a prominent cleft on his chin, which is noticeable and remarked that RAY liked his booze and that he had the impression from talking with him that he was a heavy drinker. The source also added that in his opinion from his knowledge of RAY in prison that he thought RAY had a normal sex life.

The source advised that the only other person that he knew that RAY might have been closely associated when in prison was a full-blooded Indian prisoner who was the barber in J Hall but whose name he could not recall. The source stated that he definitely had not been contacted by RAY since he has been released from prison, which was [redacted], and stated that he would notify the Birmingham FBI Office if RAY ever attempted to contact him in any way or manner in the future.

Outlets of Salacious Books

The following investigation was conducted by  
SAs [REDACTED] and [REDACTED]

During investigation it had been determined that subject RAY had on more than one occasion while residing in California written to publishing houses dealing in salacious and sex books. In view of that characteristic of RAY, all newsstands and book shops serving as local outlets of that type of material were canvassed and identification orders left with the proprietors. No one during this survey recalled having seen RAY in their establishments but each promised to notify the FBI at Birmingham should he be observed in the future.

Bank Robberies and Bank Burglaries

The following investigation was conducted by  
SA [REDACTED]

Based on a suggestion from the Bureau, all pending unsolved bank robbery files in the Birmingham Office have been reviewed on the possibility that subject RAY may have participated in such activity. Based on this review, RAY has definitely been eliminated as being a suspect in any such bank robbery.

2

BH 44-1740

Files pertaining to unsolved bank burglaries in the Birmingham territory were likewise reviewed but same reflected no witnesses to such bank burglaries and no latent fingerprints which might be compared with the prints of RAY.

Rooming Houses

The following investigation was conducted by  
SAs [REDACTED]  
and [REDACTED]

Although as has previously been reported by the Birmingham Office that all rooming houses were canvassed with the photograph of the individual then identified as GALT, each of these establishments were recontacted during the periods April 25-29 and May 3-7, 1968, and identification orders supplied to the proprietors. The proprietors were also questioned concerning the possibility of subject under the name RAY or additional aliases then known as having been a tenant in the past, especially during the pertinent periods when his whereabouts were not known. The number of such rooming houses was quite extensive and included all which advertised in the daily press, under the classified section of the telephone directory, or by sign advertisements. No identification of RAY having resided in any such place resulted other than as has been previously reported, his residence at the Economy Rooming House, 2608 Highland Avenue, Birmingham, from August 26 - October 7, 1967. The above also included checks at charity type shelter homes and institutions. It also included all YMCA operated establishments.

Marriage and Divorce Records

The records of the Probate Court in each of the 31 counties comprising the territory of the Birmingham Office were searched pertaining to any marriage or divorce record of subject RAY under his true name or any known aliases. This resulted negatively but was considered advisable in view of his veiled reference on one occasion that he had a divorced wife living "over the mountain" near Birmingham.

C

Possible Local Robberies

Immediately after identification of RAY as being involved in this matter, the Robbery Squad of the Birmingham Police Department was furnished with photographs of him and also pertinent dates during which he was known to have resided in Birmingham, i.e. August 26 - October 7, 1967. Members of the Robbery Squad have exhibited his photograph to holdup victims occurring in Birmingham during that period without identification.

At the present time, this facet of the investigation is being extended to include robbery squads of the police departments in the six Resident Agencies of the Birmingham Office and to the cities of road trip territories.

Unidentified Deceased Males C.

Immediately after the identification of RAY as the subject of this investigation, contact was had with the Jefferson County Sheriff's Office, Birmingham, Alabama, and with the Office of the Coroner, which official works closely with the Sheriff's Office. The Coroner was requested to advise the Birmingham Office should any unidentified deceased male be examined by his office. As yet there have been no such instances coming to the attention of the Coroner.

Based on information contained in Bureau communication, dated May 9, 1968, regarding this matter, similar inquiries and stop notices are being placed at the present time with coroners and sheriff's offices in the counties of the six Resident Agencies and to road trip territories of the Birmingham Office.

Possible Employment of Ray  
By Country Clubs

The following investigation was conducted by  
SAs [redacted] and [redacted]

In a communication from the Bureau, dated May 10, 1968, it was pointed out that while residing in the Los Angeles area during the early part of 1968, and prior to his departure therefrom in March, 1968, RAY had been determined to have made several telephone calls to country clubs in an effort to obtain employment, especially as a bartender, since he is known to have pursued a course in bartending while residing in Los Angeles.

All country clubs in the immediate area of Birmingham were contacted on May 16, 1968, by SAs [redacted] and [redacted]. Photographs exhibited, and records of applications and employees checked with negative results. This matter is now receiving attention by the Resident Agencies in Birmingham Office territory in connection with country clubs located in those areas.

Hotels and Motels

On the dates April 25, 26 and 29, 1968, SAs [redacted] and [redacted] conducted the following investigation:

After the identification of RAY, his photographs and identification orders were exhibited to all hotels and motels in the Birmingham-Bessemer, Alabama, area, although employees of those establishments had previously been contacted and shown photographs during the period that subject's name was believed to be GALT. Records of

2

BH 44-1740

these establishments were checked thoroughly under the name of RAY and his other aliases during any period he was known to have been in the Birmingham area, but no such record of residence could be located. Exhibition of his photograph was extended to include all employees on all three shifts of each hotel and motel. No employees could make any identification.

BH 44-1740

#### Bus Stations

All employees on each shift at the terminals of bus lines serving Birmingham were again contacted on April 25 and 26, 1968, by SAs [redacted] and [redacted] and identification orders pertaining to RAY were supplied to the employees without effecting an identification.

#### Railroads

After issuance of the identification order for the arrest of subject RAY, employees of the city ticket offices and the respective terminals of railroads serving the city of Birmingham were contacted by SAs [redacted] and [redacted] and copies of the identification orders furnished to said employees. No one recalled having seen RAY in the capacity of a passenger on any railway line.

Airlines

Although all city offices and Municipal Airport stations of each airline serving Birmingham had been previously contacted regarding subject then known as GALT, they were again canvassed on April 25, 1968, by SAs [REDACTED] and [REDACTED] and identification orders issued for RAY were exhibited and left with personnel of each city office and airport station of each airline. No identification was effected.

Car Rental Agencies

On April 25, 1968, all automobile rental agencies in Birmingham were recontacted by SAs [REDACTED] and [REDACTED] after the establishment of RAY being the subject in this matter, their records checked and identification orders supplied to each shift of such rental agencies. This resulted negatively as to any identification of RAY utilizing such a method of transportation during the pertinent period.

Luggage Storage

The following investigation was conducted by  
SAs [REDACTED] and [REDACTED] on May 1, 1968:

Through the cooperation of the managers of the luggage storage departments of the bus stations, railway stations, shopping centers, and the Birmingham Municipal Airport, all luggage which had been allowed to remain over the prescribed period of storage was examined. No item which could be attributed to RAY was noted.

Laundries and Dry Cleaning Establishments

The following investigation was conducted by  
SAs [REDACTED]  
and [REDACTED]

Since it had been determined from investigation that the subject previously known as GALT frequently utilized branch offices of laundries and dry-cleaning establishments, usually on a weekly basis, all main offices and the 261 branch offices in residential neighborhoods were recontacted after issuance of the identification order for RAY. No employees other than have been previously reported could identify RAY as being a patron of their establishment. Identification orders were left with each proprietor.

Parolees from Missouri State Penitentiary

~~REDACTED~~ U. S. Probation Officer, was contacted by SA ~~REDACTED~~ to determine whether their files contained records of any parolees from the Missouri State Penitentiary residing in the Northern District of Alabama, who may have been confined in the Missouri institution during the same period of confinement of RAY. Based on available records, ~~REDACTED~~ was unable to identify any such state parolees who might be under federal supervision at this time.

~~REDACTED~~ Alabama State Parole and Probation Officer, ~~REDACTED~~ Jefferson County Court House, was contacted for the same purpose and suggested that Mr. L. B. STEPHENS, Parole Executive, Alabama State Office Building, Montgomery, Alabama, would have a ready reference of all Missouri State Penitentiary parolees presently under state supervision in Alabama. He stated that Mr. STEPHENS keeps these records under an interstate compact with the various states. Appropriate communication was dispatched to the Mobile Office for contact with Mr. STEPHENS.

Safe Deposit Boxes

In a communication dated May 6, 1968, the Bureau pointed out that it may have been possible for subject RAY while fleeing on the day after the murder from Memphis, Tennessee, to his next known location in Atlanta, Georgia, to have visited a bank and gained access to a safe deposit box previously rented. The pertinent date was considered to be April 5, 1968.

Through the cooperation of the following bank officials extended to SA [redacted] during the period May 8-16, 1968, they caused records of the 24,380 safe deposit boxes to be checked for the pertinent date of entry, April 5, 1968:

[redacted] Birmingham  
Trust National Bank, Main Office,  
and its 17 branch offices

[redacted]  
First National Bank of Birmingham,  
and its 25 branch offices

[redacted]  
Exchange Security Bank, and its 12  
branch offices

[redacted]  
National Bank of Birmingham, and its  
four branch offices

[redacted]  
Central Bank and Trust Company, and  
its five branch offices

2

BH 44-1740

**American National Bank**

Identification orders were exhibited and delivered to the manager of each of the safe deposit departments of each of the banks without any recognition of RAY as having been a past customer or as having access to any safe deposit box on the date April 5, 1968. Each of the bank officials, after having caused a check to be made of their entry cards for the pertinent date, advised that no customer who might conceivably be identical with RAY entered a box on that date.

Laundry Mark 20-R-3

After receipt of information to the effect that among recovered effects abandoned by subject, there was a linen laundry mark, 20-R-3, thereon, [REDACTED] on April 30, 1968, determined from laundries in the Birmingham area that although some utilized the Thermo-Seal machine, none were located who have in the past identified linens in their laundries by the mark 20-R-3.

VIRGIL ESCO, Plant Manager, Mayfield Cleaners, 219 South 20th Street, advised that they have in the past used the mark 20-R-; however, he found this to be a white and pink stripe and a cloth mark. Therefore, it is not identical with the mark 20-R-3 which was found on the linens in instant investigation.

Used Cars Advertised

On the possibility that subject RAY, who has been known to have purchased a used vehicle in the past, may have again done so through the medium of classified advertisements in the daily press, a review of all such ads was made by SAs [REDACTED] and [REDACTED] which ads appeared in the "Birmingham Post-Herald" (morning) and the "Birmingham News" (evening) for a period which was deemed to be pertinent, i.e. March 21 - April 2, 1968.

After such reviews, the owners of all such cars who had placed ads were contacted and this amounted to 486 automobiles; the period during which the previous owners were contacted by SAs [REDACTED] and [REDACTED] was from May 7-17, 1968. In each instance, the purchaser of the vehicle was satisfactorily determined not to be identical with subject RAY.

News Media and Publications

During the period covered by this report, constant liaison has been maintained with the daily press and television stations in the Birmingham area. These outlets all have publicized the photographs of RAY effectively. The weekly "Birmingham World", which has extensive circularization among the Negro citizens of Birmingham, has also given prominent space to the publication of subject's photographs and news items.

In addition to the above, SA [redacted] through arrangements effected with Mr. SAM C. SPOTTEY, Executive Secretary, The Alabama Service Station Association, 1102 South 20th Street, Birmingham, caused a full page write-up and photographs of RAY to be published on page 5 of the April issue of the magazine published by that association. This publication reaches all service stations in the State of Alabama.

"Look Alikes" and Miscellaneous Suspects

Based on widespread coverage through news media, etc., numerous reports have been received during the period covered by this report wherein citizens have reported individuals resembling RAY. Without exception each of these instances received immediate attention by Agents of the Birmingham Office and all such cases resulted in the positive elimination of the suspected individuals. Records of these instances are maintained in a separate section of the Birmingham file in this matter.

Check of Motor Vehicles Stolen in Alabama

By communication dated April 26, 1968, the Bureau made available a list of motor vehicles stolen in Alabama as compiled from information retained at NCIC. The Mobile Office, under date of May 6, 1968, transmitted to the Birmingham Office a list of those vehicles stolen in the Birmingham territory during the pertinent period. At the present time the Birmingham Office is engaged in determining whether subject RAY may have been responsible for the theft of one of these vehicles.

In addition thereto, the Birmingham Police Department, when previously contacted, advised that the Auto Theft Squad of that department will without exception compare any latent fingerprints on any vehicle stolen in the State of Georgia and recovered at Birmingham. Special attention has been afforded by the Birmingham Police Department to any car reported stolen in Georgia immediately prior to or shortly after the date, April 6, 1968.

In addition to the above, each Interstate Transportation of Stolen Motor Vehicle (ITSMV) case, which had been pending in the Birmingham Office involving an unknown subject either stealing a car in the Birmingham territory and abandoning same in Atlanta territory or vice versa, has been reviewed and special attention given to any witnesses to the theft or recovery of such vehicle. To date, no such witness has identified RAY as being a possible suspect in any of those cases.

The following investigation was conducted by SA [REDACTED] in an effort to identify the operator of an automobile displaying Alabama license tag [REDACTED] at Chicago, Illinois, on April 19, 1968.

In the late evening of April 19, 1968, [REDACTED] Alabama State Trooper, Florence, Alabama, advised his office at Florence and Decatur, Alabama, had no record of the above license plate, and stated the registration pertaining to this tag could be obtained from the Probate Judge's Office, Moulton, Alabama, on April 22, 1968.

On April 22, 1968, records of the Probate Judge's Office, Moulton, Alabama, reflected the following information relating to this license plate. It was issued to EDGAR F. BORDEN, Moulton, Alabama, for a 1966 Chevrolet Chevelle, [REDACTED] on March 12, 1968.

Mrs. JUANITA JACKSON issued the plate, and Mrs. JACKSON stated she did not recall what the person buying this tag looked like. After viewing a photograph of JAMES EARL RAY, she stated she had no recollection of ever having seen an individual resembling RAY.

Considerable investigation was conducted April 22 through April 24, 1968, in an unsuccessful effort to identify EDGAR F. BORDEN.

On April 24, 1968, TOM PETTUS, County, Attorney, advised he handled a divorce for EDGAR T. BORDEN from Cook County, Illinois, in 1957, and PETTUS' records showed that EDGAR T. BORDEN, wife WALCIE BORDEN, had a son named EDGAR FLOYD BORDEN.

Mrs. WALCIE JOHNSON was located on [REDACTED], Moulton, Alabama, and advised she had a son, EDGAR FLOYD BORDEN, who was in Alabama in March 1968 and purchased a license plate for his Chevrolet Chevelle automobile at that time. She said this son was now in the process of moving

"Lonely Heart" Type Organizations

The following investigation was conducted by SA'S [REDACTED] and [REDACTED]

A review of the Birmingham telephone and city directories was made on May 14, 1968, for any "lonely heart" type organizations, with negative results. The only exceptions noted were the listings for Electra-Date Corporation, and Computa-Date Corporation, Homewood, Alabama, a Birmingham suburb.

On May 14, 1968, BILLY SELLERS, President, Electra-Date Corporation, #9 N.W. 23rd Avenue, Birmingham, Alabama, checked his records through the use of a computer, for any record of JAMES EARL RAY, under his true name or known aliases, without affecting any identification. [REDACTED]

SELLERS said he would carefully scrutinize all subsequent applications, and should he receive any for anyone having the same description, likes, dislikes and preferences as does JAMES EARL RAY, SELLERS would immediately notify the FBI.

On May 14, 1968, RICHARD SAUNDERS, owner of Computa-Date Corporation, Homewood, Alabama, advised his business is engaged in providing dates for both males and females, through an electronic computer system. He added he presently has 28 offices in the Southeastern section of the United States, which includes the states of Alabama, Georgia, Tennessee, Florida, and Mississippi. He searched his records through the use of his computer, for any record of JAMES EARL RAY, under his true name or known aliases, with negative results. SAUNDERS said he would immediately notify the FBI should he receive any application from anyone resembling JAMES EARL RAY, in any manner, or which application would be of interest to the FBI.

RE: MURKIN

The Bureau has designated Memphis as Office of Origin in connection with captioned case. Accordingly, the Memphis Office is setting forth certain instructions which it feels are absolutely necessary in order that this case can be appropriately administered and followed:

(1) Of importance in all investigation conducted herein is the prime goal of locating and apprehending the fugitive. This requires imagination, ingenuity, and logical investigation directed toward this goal.

(2) Major offices wherein the bulk of pertinent investigation has been or is being conducted should prepare and submit their own individual reports. These offices to date are Atlanta, Birmingham, Chicago, Houston, Jackson, Kansas City, Los Angeles, New Orleans, St. Louis, and Springfield.

(3) Each office originating leads shall insure that leads set out are appropriately handled. In the event leads are eliminated as non-productive within a given office, the Memphis Office does not need the negative results. These should be appropriately indexed and filed. [REDACTED] is against violence and if any information such as a plot to kill anyone had come to his attention, he would promptly notify an appropriate law enforcement agency.

During the Fall of 1967, [REDACTED] recalls that an individual subsequently known to him as [REDACTED] appeared [REDACTED] in Denham Springs making claims to [REDACTED] that he could obtain considerable financing from a [REDACTED] family in Miami, Fla. [REDACTED] became interested in [REDACTED] proposition and ordered [REDACTED] to accompany [REDACTED] to Miami, Fla., which he did and at which time he and [REDACTED] met with [REDACTED]. It developed, however, that [REDACTED] did not previously know the [REDACTED] family and further that [REDACTED] actually had no contacts or was not in a position to obtain financing for [REDACTED]

It was during the trip to Miami, Fla., that [REDACTED] realized that [REDACTED] had an apparent mental problem.

NO 157-10673

[redacted] recalled that while staying in motels in Fla, [redacted] at times became most irrational and envisioned that he was being followed by Federal Agents.

After the Florida trip, [redacted] continued to hang around [redacted] in Donham Springs, La., at which time [redacted] wife was also present. In [redacted] opinion, [redacted] wife is also an irrational person.

On one occasion, [redacted] who was doing some work for [redacted] took [redacted] personally owned vehicle with the permission of [redacted] on a business trip. [redacted] wife accompanied [redacted] on this trip and they did not return as scheduled. The vehicle was subsequently located in Mississippi in an abandoned position. Also at this same time, [redacted] and [redacted] discovered that [redacted] had stolen some property from the company, such as a portable electric typewriter, a brief case full of valuable engineering fittings, a telephone credit card and other miscellaneous items. Also taken from the [redacted] vehicle was a .38 Police Special Revolver which was a sentimental keepsake which had been given to [redacted] by his father.

The theft of these items was reported to law enforcement agencies but [redacted] subsequently decided not to press charges. The revolver has never been recovered by [redacted] and he does not presently know its whereabouts.

[redacted] heard from some unrecalled source several months ago that [redacted] either was or is presently confined to a mental institution. He has not seen [redacted] since late Fall of 1967.

[redacted] was a braggart by nature, frequently announced his animosity towards Negroes but was never known to [redacted] to have specifically mentioned MARTIN LUTHER KING or any other particular Negro. [redacted] frequently bragged that he had contacts with the underworld but never specifically mentioned anyone by name.

[redacted] concluded that he is at a loss to explain why it is alleged that he possessed information concerning

NO 157-10673

a plot to raise money to kill MARTIN KING. He stated that he wanted to cooperate fully with the FBI, which agency he admires considerably and that if any further recollection concerning the Summer of 1967 in Denham Springs came to him, he would promptly advise the New Orleans Office.

[REDACTED] described [REDACTED] as a white male, 6'2" tall, 36 years of age and possessing blond wavy hair. During the Summer of 1967, [REDACTED] personally owned a 1967 Oldsmobile, white over black, bearing Texas license [REDACTED]

New Orleans indices contained no identifiable information in the name of [REDACTED] or [REDACTED]

AT SEAGRAVES, TEXAS

On April 30, 1968, [REDACTED] advised he resides in [REDACTED] with [REDACTED]. He considers [REDACTED] to be quite a "talker" and "bragger" and noted he had been discharged from the Merchant Marines for physical and mental disturbances.

On April 30, 1968, [REDACTED] advised as he did in the letter to the Bureau. He observed photos of subject RAY and stated he cannot positively state the man he previously met was RAY, but that he believed there was a resemblance. He stated he met the individual in the Seattle Union Hall in January or February, 1968, and that RAY showed him a National Maritime Union Membership Card. [REDACTED] believes that the union would possibly have a copy of the photograph which would appear on the membership card as well as handwriting specimens. He could offer no further information. He exhibited papers reflecting that the U.S. Health Service, Seattle, Washington, had found him unfit for work due to arthritis and mental disorders.

RE: MURDER OF DR. MARTIN LUTHER KING, JR.

On April 30, 1968, [redacted] Spokane, Washington, was drinking in Casey's Gay 90's, 457 Northtown Shopping Center, Spokane, and engaged in a conversation and had a few drinks with an individual who identified himself as [redacted]. During the conversation, the matter of racial problems came up, and [redacted] indicated he was from the South and subsequently said he would pay [redacted] \$10,000 to kill RAP BROWN or STOKELY CARMICHAEL. He mentioned the Ku Klux Klan and the Minutemen and said "We" will furnish couriers or planes for carrying this out and any kind of gun wanted. [redacted] then remarked the mark has been put on RAP BROWN, STOKELY CARMICHAEL, and ROBERT KENNEDY. He then gave [redacted] a business card from [redacted] Spokane, and on the back wrote the name [redacted] then "yes---," "no---," and "where---." [redacted] said he could be called at that place and [redacted] was simply to answer yes or no and to indicate where he could be contacted. [redacted] said [redacted] had been drinking but did not appear to be intoxicated.

[redacted] Spokane, stated [redacted] was employed by him as a salesman on March 23, 1968, and was employed by him in Spokane, Washington, or the immediate vicinity on April 4, 1968. [redacted] also stated that [redacted] is a "blowhard" and that he recalls that when Dr. MARTIN LUTHER KING, JR., was killed, [redacted] had remarked he had been offered \$5,000 to do this job four or five years ago.

It was determined that [redacted] had been employed by [redacted], Spokane, prior to the time he was employed by [redacted].

ENCLOSURE

RE: MURDER OF DR. MARTIN LUTHER KING, JR.

Records of [REDACTED] Spokane, Washington, through whom [REDACTED] was employed by [REDACTED] showed [REDACTED] address as [REDACTED] Spokane, gave his wife as [REDACTED] showed employment in October, 1967, at [REDACTED] Spokane; in May, 1967, with the [REDACTED] Seattle, Washington; May, 1965, to February, 1967, with [REDACTED] San Francisco, California; January, 1960, to May, 1965, with [REDACTED] Los Angeles, and from 1954 to 1960 with [REDACTED] Los Angeles. [REDACTED] claimed two years of college with the University of Alabama, 1957, to 1959, and service in the U. S. Navy from 1948 to 1952.

On May 13, 1968, [REDACTED] employed as [REDACTED] at [REDACTED], Spokane, Washington, advised that [REDACTED] was an orphan but had been reared by [REDACTED] and [REDACTED], and had grown up in Waycross, Georgia. He served in the Navy from 1948 to 1952, received an Honorable Discharge, and they were married in Norfolk, Virginia, [REDACTED]

After marriage, they went to Atlanta, Georgia, where he was employed by [REDACTED]. They went to Albany, Georgia, in 1954 where he worked for [REDACTED] and subsequently transferred to [REDACTED] Alabama, stayed in Montgomery until about 1959 where he changed employment to [REDACTED]. They went to Leesburg, Florida, in 1959, where he was [REDACTED]; then he quit [REDACTED] and went to Los Angeles, California, in March, 1960.

After several months of unemployment in Los Angeles, he went to work with [REDACTED] and thereafter started "job jumping." During the time they were in California, he worked [REDACTED] and was unemployed much of the time. He then went to work for [REDACTED] as a trainee and was transferred to the Spokane, Washington, territory in September, 1966.

After coming to Spokane, he stayed with [REDACTED] until about February, 1967, and had subsequently worked for [REDACTED], and most recently with [REDACTED]. She said he was employed there March 23, 1968, and is still employed.

RE: MURDER OF DR. MARTIN LUTHER KING, JR.

[REDACTED] said he had not been back to any portion of the South since leaving in 1960 to Los Angeles, California. She described him as a very prejudice person, stated that he drinks considerably, and had made many wild statements.

She said he came home a few weeks ago saying that he had heard that someone would pay \$5,000 to "knock off" CARMICHAEL. She said his talk, apparently the result of alcohol, has no credibility at all, and she believes she is in need of psychiatric care. She said they have five children; and while he apparently loves the children, he is completely irresponsible as far as supporting them is concerned.

[REDACTED] concluded that she has never had reason to believe that her husband has any knowledge whatever concerning the death of Doctor KING and has no contact whatsoever with anyone back in Tennessee, Alabama, Mississippi, or Georgia.

On May 14, 1968, [REDACTED] was interviewed at his residence at [REDACTED] Spokane, Washington. When he was honorably discharged from the United States Navy in 1952, he went to work for [REDACTED] subsequently married his wife, [REDACTED] in Norfolk, Virginia, then went to Albany, Georgia, where he was employed by [REDACTED]

He was transferred by this company to Montgomery, Alabama, in 1954 and then changed to employment with [REDACTED] in Montgomery. He was transferred as a [REDACTED] to their store in Leesburg, Florida, but subsequently left Leesburg in January, 1960, to go to Los Angeles, California. In Los Angeles, he was employed by [REDACTED] and then by [REDACTED] as a trainee. He said there were other short time employments in California; but after training with [REDACTED], he was sent to Spokane, Washington, as a District Representative in September, 1966. He said that since this time, he has been with his family in Spokane. He left [REDACTED] in February, 1967, and since that time has been employed by [REDACTED] and is presently employed by [REDACTED] and has been since March 23, 1968.

RE: MURDER OF DR. MARTIN LUTHER KING, JR.

[redacted] has not been back to visit in the South since he left there in 1960. He said he has a strong feeling of loyalty toward the South and the southern people, that he does not particularly hate the Negro race, but believes in a segregated society. He stated he believes that riots, lootings, and killings are not helping the United States; and should the South ever call on him to take a stand, he would do so immediately.

[redacted] stated that in about 1953, when he was living in Albany, Georgia, that his uncle, [redacted] Sylvester, Georgia, who died in 1964, had told him he would give him \$100 to shoot MARTIN LUTHER KING. He said that he did not know whether his deceased uncle was serious but that whether he was or not, he could never kill a man in cold blood.

[redacted] said that about three or four weeks ago, he was drinking in Casey's Restaurant in Spokane and that he was in a conversation with an unknown individual. He said he and this man were discussing racial problems, and this individual said he would pay \$5,000 to see STOKELY CARMICHAEL or RAP BROWN killed. He said ROBERT KENNEDY's name was not mentioned at this time, but he does recall that later something was said regarding ROBERT KENNEDY and his stand on racial issues. [redacted] denied that he had ever said anything to anyone about killing BROWN or CARMICHAEL and that he could not raise any money under any circumstance.

[redacted] advised he has not been in contact with any of his old associates in Georgia or Alabama and since coming to the West Coast in 1960, has not been further east than Montana. He says he knows nothing about the murder of MARTIN LUTHER KING other than what he has read in the newspapers or seen on television or heard over the radio. He denied belonging to any hate group of any kind.

COMPLAINANT

Mr. J. Edgar Hoover, Director  
Federal Bureau of Investigation  
Washington, D.C.

Dear Mr. Hoover:

This letter comes to report to you conversations that were overheard on the eve of the assassination of Dr. Martin Luther King, Jr. The conversation might be a lead into the solution of this murder.

This conversation was overheard in a community in Granville County, North Carolina. A Negro overheard two white men talking. One of the white men was considered as being rich and both were known as being members of the Klu Klux Klan. One man was heard saying to the other, "That big mouth down there won't live to carry out what he aims to do the day after tomorrow. We have a man on the way down there to take care of that guy and he don't miss. The bullets he use really do the job".

The day after the assassination the Negro recalled overhearing the conversation and reported it to me, not knowing what else to do. He did not hear them mention the name of Martin Luther King, nor did he understand them to have been referring to a Negro.

The person will talk to FBI officials only in my presence and at night, for he is afraid for the safety of his family if it is known that he fingerpointed any individual in his community.

If you think that this has any merit, your agents may contact me for further exploration.

Very truly yours,

Each Special Agent in Charge and Legal Attache is instructed to promptly remind their established cooperative news sources, in a discreet and tactful manner, of the existence of substantial reward money for information leading to the arrest and conviction of the killer of Dr. Martin Luther King. This money now totals at least \$100,000. The FBI should not, however, be publicized as the source of this reminder.

While the Bureau's continuing policy is to encourage the public to furnish information to law enforcement authorities as a matter of good citizenship, without expectation of financial reward, it is fully recognized that monetary rewards are often necessary to motivate some individuals. The knowledge of the existence of the substantial rewards available in the Markin case could possibly prove of value in the solution of this major investigation.

You should make appropriate inquiry at banks to determine identity of individuals making a withdrawal of \$10,000 and over in cash, confining this inquiry for period of April, 1968. The possibility exists that subject was a hired assassin and a pay-off could have taken place shortly before or after the murder of Martin Luther King, Jr.

You should bear in mind that in many instances requests for large withdrawals are brought to the attention of one of the officials of the bank, and this official could possibly provide the initial information desired.

This case involves the murder of Martin Luther King, Jr.

On 5/14/68 a man using the name [REDACTED] signed an escrow contract to purchase a home at Bonita, California, for \$51,000. He presented a \$5,000 check on a local bank as earnest money and indicated that he had a \$65,000 certified check in his hotel room. The \$5,000 check he gave is worthless. He claimed that he was employed by International Harvester, Bloomington, Illinois, and had been recently transferred to the San Diego area.

On the afternoon of 5/14/68 [REDACTED] appeared at an automobile agency in Chula Vista, California, where he selected a car and after displaying the escrow contract showing he had made a \$5,000 deposit on a home, he was permitted to take the car when he said he wanted to show it to his wife. The car has not been returned.

Bonita and Chula Vista are suburbs of San Diego.

Several witnesses who were in the company of [REDACTED] for periods of time ranging up to three hours state that he bears a resemblance to photographs of the subject and one witness is almost positive of the identification. Intensive investigation has been instituted to identify and locate [REDACTED]

REC 344. 38861-3822

It has previously been alleged that in the summer of 1967 Ray and James Loama Owens were seen entering the Jefferson-Gravois Bank, St. Louis. Owens has been interviewed and denied any contact with Ray since leaving prison. He furnished the following information.

79 MAY 31 1968

Memorandum to Mr. DeLoach  
RE: MURKIN

Owens first met Ray at a St. Louis Rescue Mission in 1959. Ray was using the name Jim O'Connor and later used the names Ryan and Ray but always used Jim as his given name.

Owens never knew Ray to work but he was thrifty and always seemed to have money. He knew Ray was a robber and Ray said he only robbed businesses he felt were protected by insurance. He was close mouthed and a loner but likeable and he was also a thinker who read widely on a variety of subjects.

Ray liked cars and pistols. He once demonstrated his marksmanship to Owens by repeatedly shooting a tin can while it was bouncing. Ray believed women were to use and forget and had a preference for "street bums."

On one occasion Owens claims Ray showed him \$1,000 in travelers checks and said he was going to Canada. When Owens next saw Ray a month later he said he had been to Canada. Ray also talked of prior trips to Mexico to cool off and mentioned Vera Cruz, Acapulco, Nogales and Mexico City.

Ray told Owens he had been forced to leave Mexico City when a man came at him with a knife and he hit the man in the head with a pistol.

Ray planned the Kroger robbery for which Owens and Ray were arrested in 1959. Owens thought it had been well planned but was unsuccessful because it was executed when both were drunk. He said this was an exception to Ray's drinking habits which were usually moderate.

Owens pleaded guilty to the Kroger robbery and received a seven-year sentence. Ray stood trial and was given twenty years. While he was at Missouri State Penitentiary Owens frequently saw Ray in the yard and Ray never displayed any animosity towards him.

Memorandum to Mr. DeLoach  
RE: MURKIN

It was [REDACTED] who alleged he had seen Ray and Owens entering the bank in 1967. Owens claims he saw [REDACTED] in 1965 [REDACTED]

The records of the Jefferson-Gravois Bank show that Owens opened an account in 1965 which was closed in 1966.

Pacific Telephone Co. records reflected the following listings:

- (1) [REDACTED] ROY LUSK, [REDACTED],  
Oakland, Calif.;
- (2) [REDACTED], Commander T. M. L. KROTKY, [REDACTED],  
[REDACTED], Santa Rosa, California;
- (3) [REDACTED], EDDIE LEON, [REDACTED],  
Hayward, California;
- (4) [REDACTED], J. E. MANION, [REDACTED], San

- (5) 372-9730, U.S. Naval Post Graduate School,  
Building 259, Monterey, California;
- (6) 841-0501, Mc Donald's A&W Rootbeer, 2366  
San Pablo, Berkeley, California.

On 5/3/68, Mrs. WANDA LUSK, [REDACTED],  
Oakland, California, advised her husband, ROY LUSK, is a truck  
driver for United Van Lines, and in December, 1967, was traveling  
in Texas. She could not recall the exact date, but stated  
that she had her telephone number changed to [REDACTED] and it  
is a non-published number and no one has called this number  
from out of state except her husband.

On 5/3/68, Mrs. THEODORE KROTKY, [REDACTED],  
Santa Rosa, Calif., advised she has telephone number [REDACTED]  
and on or about 12/16/67, a telephone call was placed to her  
residence from someplace in Texas, possibly Houston, and  
this call was made by Mr. KEITH JOHNSON, Dean of Men, University  
of Americas, Mexico City, Mexico. She advised Mr. JOHNSON  
called to tell her daughter, MARY KROTKY, that he would not  
visit her at home just before Christmas as planned, because  
of the illness of his father who resides in Kooskia, Idaho.  
Mrs. KROTKY advised that her daughter MARY is engaged to be  
married to Mr. KEITH JOHNSON.

On 5/15/68, Mrs. DELORES RAILEY, [REDACTED],  
[REDACTED], Hayward, California, advised that EDDIE LEON is an  
elderly Negro man who formerly rented a room in her home  
several years ago. She stated that this is the reason the  
phone, [REDACTED] at this address is in his name. She stated

SF 173-65

MTG:bja

she is not aware of his present whereabouts. She advised that in December, 1967, she received several telephone calls from her mother, Mrs. SYBIL GAYLES, [REDACTED] in Beaumont, Texas. She stated she knows her mother calls from pay telephones and that this would be the only calls she could have received from Texas during December, 1967. She stated that her mother's phone number is [REDACTED]. She stated that she does not know JAMES EARL RAY, and after viewing photographs of RAY, she stated she cannot recall ever seeing anyone appearing identical to this individual.

On 5/7/68, Mrs. GWEN HANKINS, nee MANION, was contacted at the residence of her parents, J. E. MANION, [REDACTED] Foster City, California. She stated that she knew of the call received at her residence in December, 1967, and that the call was a collect call to her from a friend who was visiting relatives in Texas. She stated the call was from Beaumont, Texas and was from BILLIE JEANE KNOX. Mrs. HANKINS, after viewing a photograph of RAY, stated that she had no knowledge of anyone resembling him.

On 5/7/68, JOE CARPINO, Security Officer, U.S. Naval Post Graduate School, Monterey, California, advised that telephone number 372-9730, is a public pay phone which is located just outside the enlisted men's barracks, Building 259, at the school. He also stated that there is usually about 200 men assigned to the barracks but that this particular telephone is also available to anyone who frequents the enlisted men's club which is the next adjacent building.

CARPINO stated that many of the enlisted men had been transferred in and out of the barracks since December, 1967, therefore, it would be impossible to ascertain who received this particular telephone call at that pay station.

Mr. A. G. MC DONALD and his son MIKE MC DONALD, were interviewed on 5/14/68 at the A&W Rootbeer Stand located at 2138 East 14th Street, and advised that they owned the stand at 2366 San Pablo Ave. which had telephone number 841-0501. Mr. MC DONALD stated he recalled being charged

SF 173-65  
MTG:bj

for a call from Texas in December, 1967. He stated he had not been able to determine who had received the call but suspected that it had been to one of his employees, [REDACTED]. He stated that [REDACTED] had been a friend of [REDACTED] nee [REDACTED], who had quit her employment and had left for the East on 12/12/67. He stated that it was his understanding that [REDACTED] had left her husband, [REDACTED], at that time and had gone East with another man. He said that he believed that she is now in Mississippi since he had recently been to the State Department of Employment to see a Mr. PERRY regarding an unemployment form filled out by her. He advised his reason for thinking that she had made the call was based on the fact that she had left about that time. Mr. MC DONALD and his son MIKE MC DONALD observed photographs of JAMES EARL RAY and advised that they did not know him.

This is the case involving the death of Martin Luther King, Jr.

*[REDACTED]* was in Missouri State Penitentiary from *[REDACTED]* through *[REDACTED]*. He states he knew Ray *[REDACTED]* sold amphetamines and other stimulants to prisoners. Inmates *[REDACTED]* and *[REDACTED]* nick (phonetic) were partners with Ray *[REDACTED]*.

*[REDACTED]* estimates that the amphetamine operation cleared \$1,000 a month. *[REDACTED]* Ray was conservative in handling his money and *[REDACTED]* believes Ray had substantial savings, perhaps as much as \$5,000, when he escaped. He does not know where or how Ray maintained his savings but Ray could have bribed a guard to take money out of the prison. *[REDACTED]* added that a *[REDACTED]* who was fired from the penitentiary in 1965, had been used by *[REDACTED]* Ray to bring items of value in and out of the prison.

In November, 1961, Ray made an unsuccessful effort to escape from Missouri State Penitentiary. He attempted to scale the wall with pipe taken from clothing racks in the dry cleaning plant and was injured when the pipe broke. *[REDACTED]*

Memorandum to Mr. DeLoach  
RE: MURKIN

[REDACTED]

While at Missouri State Penitentiary Ray was consistently rated as an efficient and cooperative worker. A work and training report dated 10/1/62 describes him as an experienced baker and a very good one.

Arrangements are being made with the State Department to provide all U. S. diplomatic establishments abroad with information concerning Ray's fugitive status. There are approximately 290 such establishments throughout the world.

In the allegations previously made to the Los Angeles "Times," [REDACTED] claimed Ray had charged telephone calls made from Memphis to a telephone company credit card issued to [REDACTED], and that the card was in the name of [REDACTED] or a [REDACTED]

[REDACTED] has the concession at the [REDACTED] in Detroit. The company is owned by [REDACTED] and his son, [REDACTED] company does not have a telephone or a telephone company credit card.

RE: MURKIN

[REDACTED] does have a telephone company credit card. He denied that any Memphis calls have been charged to this card and was unable to explain how such an allegation might have originated. He denied that his credit card had ever been lost or used by any other person.

[REDACTED] recalled that he was in Boca Raton, Florida, from 3/1/68 to 4/1/68 and traded at a Sunoco service station at the intersection of U. S. One and Palm Aire. He was impressed with the efficiency of one of the employees and told the service station employee to call him or his son if he ever wanted a job. He gave this man one of his business cards. He cannot recall if he wrote [REDACTED] name on the card but he told him [REDACTED] name and said that they [REDACTED] for [REDACTED]. Re Kansas City airtel to Bureau 5/17/68 enclosing  
 an insert reflecting interview with \_\_\_\_\_

Kansas City suggested that the Bureau might  
 desire to disseminate this to Legats, Canada and Mexico.  
 Memphis requests that the Bureau consider such dissemination  
 in view of the fact that there appears to be a consistent  
 thread of information in this investigation indicating that  
 the subject had very definite plans to flee this country.  
 It would appear at the moment that investigation in  
 countries outside the United States is at least as important  
 as any investigation we are conducting within this country,  
 and it is suggested that the Bureau consider every possible  
 avenue for the purpose of determining whether or not the  
 subject may have gone to a foreign country.

SUMMARY OF INVESTIGATION CONDUCTED MAY TWENTYTWO  
INSTANT.

POSTAL INSPECTOR ATLANTA, GA., ADVISED THIS DATE  
THERE ARE STILL REMNANTS OF LONELY HEART CLUBS OPERATING  
IN ATLANTA MAINLY IN OBSCENE LITERATURE TYPE BOOKS, WHICH  
ORIGINALLY OPERATED AS LONELY HEART CLUBS. THE MAIN CLUB  
IS THE PENDULUM BOOKS. THERE ARE NO CLUBS IN THE AREA  
KNOWN AS THE LOCAL SWINGER OR SIMILAR NAME. THE MOST  
RECENT CLUB TO OPERATE THIS AREA WAS THE REBEL,  
WHICH CLUB WAS RAIDED APPROXIMATELY ONE YEAR AGO AND FORCED  
TO DISCONTINUE OPERATIONS. MEMBERS, APD VICE SQUAD, ADVISED  
RECORDS OF REBEL CLUB SEIZED BY THEM WERE NEGATIVE RE RAY  
AND ALIASES. FORMER OPERATOR OF THE REBEL CLUB ADVISED  
RAY UNKNOWN TO HIM.

ESCORT SERVICES IN ATLANTA AREA BEING CONTACTED.
